Capital Projects Fund Award Fact Sheet
Vermont

Treasury approves Vermont's plan to invest $15.9 million of CPF funding in multi-purpose community facilities to improve resources for communities that enable work, education, and health monitoring.

Vermont's Capital Projects Fund Program Overview

- **Program Summary:** $15.9 million for Multi-Purpose Community Facilities (14% of CPF allocation)
- **Program Description:** Vermont's Libraries Capital Project program is a competitive grant program that provides funding to public libraries in need of critical upgrades and improvements that will enable community members to access high-speed internet and digital devices. The program will prioritize public libraries that serve communities with low levels of access to high-speed internet and low rates of computer ownership in the home.
- **Key State Contact:** The Vermont Department of Libraries

*Vermont estimates this program will fund improvements to at least **20 libraries**, serving **approximately 200,000 Vermonters** across the state*
