

**Update (August 2023):** The 2022 final rule went into effect on April 1, 2022, and Treasury has released many supporting documents for recipients on the Treasury website. Furthermore, in August 2023, Treasury released an interim final rule implementing the new eligible uses added to the SLFRF program by the Consolidated Appropriations Act, 2023. The content of this document pertains to the 2021 interim final rule. Information about the 2023 interim final rule can be found on Treasury's website.

## Coronavirus State and Local Fiscal Recovery Funds

The American Rescue Plan will deliver \$350 billion for state, local, territorial, and Tribal governments to respond to the COVID-19 emergency and bring back jobs.

The Coronavirus State and Local Fiscal Recovery Funds provide a substantial infusion of resources to help turn the tide on the pandemic, address its economic fallout, and lay the foundation for a strong and equitable recovery.

### Funding Objectives

- **Support urgent COVID-19 response efforts** to continue to decrease spread of the virus and bring the pandemic under control
- **Replace lost public sector revenue** to strengthen support for vital public services and help retain jobs
- **Support immediate economic stabilization** for households and businesses
- **Address systemic public health and economic challenges** that have contributed to the inequal impact of the pandemic

### Eligible Jurisdictions & Allocations

#### Direct Recipients

- States and District of Columbia (\$195.3 billion)
- Counties (\$65.1 billion)
- Metropolitan cities (\$45.6 billion)
- Tribal governments (\$20.0 billion)
- Territories (\$4.5 billion)

#### Indirect Recipients

- Non-entitlement units (\$19.5 billion)

#### Support Public Health Response

Fund COVID-19 mitigation efforts, medical expenses, behavioral healthcare, and certain public health and safety staff

#### Address Negative Economic Impacts

Respond to economic harms to workers, families, small businesses, impacted industries, and the public sector

#### Replace Public Sector Revenue Loss

Use funds to provide government services to the extent of the reduction in revenue experienced due to the pandemic

#### Premium Pay for Essential Workers

Offer additional support to those who have and will bear the greatest health risks because of their service in critical infrastructure sectors

#### Water and Sewer Infrastructure

Make necessary investments to improve access to clean drinking water and invest in wastewater and stormwater infrastructure

#### Broadband Infrastructure

Make necessary investments to provide unserved or underserved locations with new or expanded broadband access

# Example Uses of Funds

## Support Public Health Response

- **Services to contain and mitigate the spread of COVID-19**, including vaccination, medical expenses, testing, contact tracing, quarantine costs, capacity enhancements, and many related activities
- **Behavioral healthcare services**, including mental health or substance misuse treatment, crisis intervention, and related services
- **Payroll and covered benefits** for public health, healthcare, human services, and public safety staff to the extent that they work on the COVID-19 response

## Replace Public Sector Revenue Loss

- **Ensure continuity of vital government services** by filling budget shortfalls
- **Revenue loss is calculated** relative to the expected trend, beginning with the last full fiscal year pre-pandemic and adjusted annually for growth
- **Recipients may re-calculate revenue loss** at multiple points during the program, supporting those entities that experience revenue loss with a lag

## Water & Sewer Infrastructure

- **Includes improvements to infrastructure**, such as building or upgrading facilities and transmission, distribution, and storage systems
- **Eligible uses aligned to Environmental Protection Agency project categories** for the Clean Water State Revolving Fund and Drinking Water State Revolving Fund

## Equity-Focused Services

- **Additional flexibility for the hardest-hit communities and families** to address health disparities, invest in housing, address educational disparities, and promote healthy childhood environments
- **Broadly applicable** to Qualified Census Tracts, other disproportionately impacted areas, and when provided by Tribal governments

## Address Negative Economic Impacts

- **Deliver assistance to workers and families**, including support for unemployed workers, aid to households, and survivor's benefits for families of COVID-19 victims
- **Support small businesses** with loans, grants, in-kind assistance, and counseling programs
- **Speed the recovery of impacted industries**, including the tourism, travel, and hospitality sectors
- **Rebuild public sector capacity** by rehiring staff, replenishing state unemployment insurance funds, and implementing economic relief programs

## Premium Pay for Essential Workers

- **Provide premium pay to essential workers**, both directly and through grants to third-party employers
- **Prioritize low- and moderate-income workers**, who face the greatest mismatch between employment-related health risks and compensation
- **Key sectors include** healthcare, grocery and food services, education, childcare, sanitation, and transit
- **Must be fully additive** to a worker's wages

## Broadband Infrastructure

- **Focus on households and businesses** without access to broadband and those with connections that do not provide minimally acceptable speeds
- **Fund projects that deliver reliable service** with minimum 100 Mbps download / 100 Mbps upload speeds unless impracticable
- **Complement broadband investments** made through the Capital Projects Fund

## Ineligible Uses

- **Changes that reduce net tax revenue** must not be offset with American Rescue Plan funds
- **Extraordinary payments into a pension fund** are a prohibited use of this funding
- **Other restrictions apply** to eligible uses
