2. Failure on the part of the Employer to timely contribute on any of its employees as specified herein shall make the Employer liable for all employee benefit claims which are incurred during the period of delinquency, damages, reimbursement to the Fund for the Fund's attorneys' fees, auditors' fees, court costs, disbursements and expenses incurred by the Fund in recovering the above. In addition, the Employer must pay all arrears due the Fund together with liquidated damages in the sum of ten percent (10%) of the delinquent amount. The late payment of any delinquency by the Employer shall not in any way relieve it from the obligations set forth above. In addition, when the Employer is notified in writing by the Fund that it is delinquent, the Employer must immediately pay the delinquent amount to the Fund. After said payment, the Employer may appeal the Fund's decision to the Board of Trustees, whose decision shall be final and binding. In the event of failure of the Employer to comply with any of the rules of the Fund, the Employer and all its participating employees, at the Fund's sole discretion, shall cease to participate in the Fund, and the Employer shall be responsible for all the benefits and all other charges specified herein.

3. The Fund may, at any time, audit the payroll records of any and all employees of the Employer at a time mutually agreed

In addition, the Employer shall be responsible as set forth in this Participation Agreement and the Fund's rules, regulations and/or collection policies.

4. The Fund shall be open to participation by any group of members belonging to a participating Union that fully complies with all rules and regulations of the Fund. In addition, the Employer may contribute to the Fund for employees working outside the jurisdiction of the collective bargaining agreement in the amount indicated above. However, if these employees are included, the Employer agrees to make contributions on all employees in this category subject to the same conditions and on the same basis as is provided in this Participation Agreement, and the Employer also agrees to continue to make contributions on all these employees for as long as there shall be a collective bargaining agreement between the Employer and the Union, subject to any and all rules and regulations or decisions covering this group that are issued by the Fund. The Employer must request in writing and receive written approval from the Fund in order to have these non-covered employees included. Such request must specifically define the category or categories involved.

5. Should any of the provisions of this Participation Agreement be declared to be in violation of the Labor-Management Relations Act of 1947, as amended, or any other State or Federal statute or regulation, such declaration shall in no way impair the effectiveness or continuity of the rest of the provisions of this Participation Agreement and such provisions are hereby expressly declared to be saved from such illegality.

6. Payments to the Fund must be made by the Employer for all compensable vacation and holiday time up to a maximum of one full calendar year.

7. If an employee is granted a leave of absence, the Employer shall collect from said employee, prior to the leave of absence being effective, sufficient monies to pay the required contributions during the period of absence and such monies shall thereafter be promptly forwarded to the Fund in accordance with the rules of the Fund. In the event the Employer grants a leave and does not so comply, the Employer must pay the contributions subject to all other requirements in paragraph 2 herein.

8. The Employer agrees to furnish such information as may be necessary to enable the Fund to carry out its duties.

9. If a regular employee is absent because of illness or off-the-job injury and notifies the Employer of such absence, the Employer shall continue to make the required contributions for a period of four (4) weeks. If a regular employee is injured on the job, the Employer shall continue to pay the required contributions until such employee returns to work. However, such contributions shall not be paid for a period of more than 4 weeks.

All actions and proceedings commenced or initiated by any claimant, applicant, employee, participant, the Union or the Employer, or their agents, successors or assigns, against the Fund, the Trustees thereof or any employee, service provider, representative or agent thereof, and all actions and proceedings commenced by or on behalf of said Trustees against any claimant, applicant, employee, participant, the Union or the Employer pertaining to the Fund in any manner, shall be brought in the appropriate court in the County of Onondaga, New York or other applicable tribunal located therein except where otherwise provided herein. Expiration date of collective bargaining agreement: AUGUST 31, 2018

12. The Employer and its employees shall not be entitled to participate in this Fund unless the Employer and the Union are signatory to a current Participation Agreement.

As such, this Participation Agreement may not be modified except by a writing signed by all parties.
