The Employer must request in writing and receive written approval from the Fund in order to have these non-covered employees included. Such request must specifically define the category or categories involved.

5. Should any of the provisions of this Participation Agreement be declared to be in violation of the Labor-Management Relations Act of 1947, as amended, or any other State or Federal statute or regulation, such declaration shall in no way impair the effectiveness or continuity of the rest of the provisions of this Participation Agreement and such provisions are hereby expressly declared to be saved from such illegality.

6. Payments to the Fund must be made by the Employer for all compensable vacation and holiday time up to a maximum of one full calendar year.

7.
