Capital Projects Fund Award Fact Sheet
Ohio

Treasury approves Ohio's plan to invest $3 million of CPF funding in broadband infrastructure projects that will provide high-quality internet to locations that lack access to adequate service.

Ohio's Capital Projects Fund Program Overview

- **Program Summary:** $3 million for Broadband Infrastructure (1% of CPF allocation)
- **Program Description:** The Western Ohio Infrastructure Upgrade Pilot Project is designed to leverage existing middle mile infrastructure in western Ohio to upgrade the network's capacity to provide internet at speeds of 100/100 Mbps. The upgraded capacity will also enable providers to provide last-mile connectivity to surrounding locations currently lacking internet at speeds of at least 100/20 Mbps.
  - This program is designed to provide internet service with speeds of 100/100 Mbps upon project completion.
  - Internet service providers utilizing investments funded by CPF will be required to participate in the FCC's Affordable Connectivity Program (ACP) – a $30 per month subsidy for low-income families.
- **Key State Contact:** Broadband Ohio, the state broadband office within the Ohio Department of Development
