The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

Article 2 AMOUNT AND TERMS OF COMMITMENTS.

Subject to the terms and conditions hereof, the Lender agrees to make loans (each such loan, a “**Loan**”) to the Borrower in Dollars from time to time on any Business Day during the Availability Period in an amount not to exceed the Maximum Amount (calculated as of the time immediately prior to the making of such Loan and after giving effect to the payment of the aggregate Purchase Price for Purchased Receivables to be made with the proceeds of such Loan). Each Loan shall be a term loan and once repaid or prepaid no amounts of any Loan may be reborrowed hereunder. The aggregate principal amount of each Loan shall not be less than \$10,000,000 and in integral multiples of \$10,000,000 thereafter. For avoidance of doubt, as of the Closing Date, all Loans outstanding under the Original Agreement shall continue as Loans under this Agreement.

Section 2.02 Requests for Loans.

To request a Loan, the Borrower, or the Servicer acting on its behalf, shall notify the Lender of such request by telephone not later than 11:00 a.m., New York City time, one Business Day before the date of the proposed borrowing. (b) The Lender may maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to the Lender resulting from each Loan made by the Lender, including the amounts of principal and interest payable and paid to the Lender from time to time hereunder; *provided* that the failure of the Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement and the Security Agreement.

Section 2.04 Repayment of Loans; Termination of Agreement.

(a) The Borrower shall repay the then-outstanding aggregate principal amount of the Loans, together with all accrued and unpaid interest, all Contingent Interest and other amounts due thereon, on the Maturity Date pursuant to the requirements of the Waterfall and the other applicable provisions of Section 5 of the Security Agreement; *provided* that the Lender may, at any time and from time to time and notwithstanding the provisions of Section 9.01, extend the date of final repayment of the Loans to any later date. (c) In connection with any prepayment, other than on a Payment Date, the Borrower shall indemnify the Lender and hold the Lender harmless from any actual loss or expense which the Lender may sustain or incur arising from (i) the re-employment of funds obtained by the Lender to maintain the Loans hereunder or (ii) fees payable to terminate the deposits from which such funds were obtained, in either case, which actual loss or expense shall be equal to an amount equal to the excess, as reasonably determined by the Lender, of (x) its cost of obtaining funds for such Loan for the period from the date of such payment through the next Payment Date over (y) the amount of interest likely to be realized by the Lender in redeploying the funds not utilized by reason of such payment for such period.

(d) This Agreement shall terminate on the date upon which the Obligations (other than obligations arising under Sections 2.04(c) and 9.05) are fully, completely and indefeasibly paid and performed; *provided, however*, that the provisions of Sections 2.04(c) and 9.05 shall be continuing and shall survive any termination of this Agreement.

(c) Interest (other than Contingent Interest) shall accrue on a daily basis during each Interest Period on the outstanding principal amount of each Loan at the rate set forth in Section 2.05(a) for such Interest Period, until the outstanding principal amount of each Loan together with all accrued and unpaid interest (other than Contingent Interest) is paid in full. Interest will be payable in arrears in accordance with and subject to Section 5 of the Security Agreement on (i) each Payment Date, (ii) the Maturity Date and (iii) the date of prepayment of a Loan in whole or in part, in the amount specified in Section 2.04(b).

The Servicer shall, in accordance with its obligations under the Servicing Agreement, as part of each Payment Calculation Report, notify the Borrower and the Lender of the amount of interest accrued on the outstanding principal amount of each Loan during the preceding month and remaining unpaid immediately prior to each Payment Date.

(b) Each determination of the interest rate and each calculation of the amount of accrued interest, in each case by the Servicer pursuant to any provision of this Agreement, shall be conclusive and binding on the Borrower and the Lender in the absence of manifest error.

(c) All payments to be made by the Borrower in respect of the Loans shall be made in such amounts, without set-off or counterclaim, as may be necessary in order that every such payment (after deduction or withholding for or on account of any present or future taxes, levies, imposts, duties or other charges of whatever nature imposed by the jurisdiction in which the Borrower is organized or any political subdivision or taxing authority therein or thereof) shall not, as a result of any such deductions or withholdings, be less than the amounts otherwise specified to be paid under this Agreement. Any amounts received after such time on any date may, in the discretion of the Lender, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

 - (A) in the case of a Default under Section 8.01(a) or under Section 8.01(c) that arises from a breach of or the Borrower's failure to comply with Sections 6.05(b), 6.07, or 9.17 or Article 7, three (3) Business Days, if such Default is continuing at the end of such period,

Article 9 MISCELLANEOUS.

Section 9.01 Amendments and Waivers.

(a) Neither this Agreement nor any other Transaction Document, nor any provision hereof or thereof, may be waived, amended, modified or supplemented except pursuant to an agreement or agreements in writing entered into by the Borrower and the Lender, other than such provisions hereof or thereof which by its express terms may be waived, amended or modified by the Lender. The Lender shall have the right to waive any provision of this Agreement at any time in writing.

(b) The Borrower acknowledges and agrees that its obligations under the Original Agreement remain valid and enforceable obligations and that the execution and delivery of this Agreement shall not be construed as a novation of the Original Agreement. If any provision of this Agreement is avoided or found to be unenforceable, the corresponding provision of the Original Agreement shall be automatically reinstated. To induce the Lender to enter into this Agreement, the Borrower waives and releases and forever discharges the Lender and its respective officers, directors, attorneys, agents, and employees from any liability, damage, claim, loss or expense of any kind that the Borrower may have against the Lender arising out of or relating to the Original Agreement.

(c) The terms and conditions pursuant to which the Lender is making the Loans available to the Borrower and the other terms and conditions generally related to the relationship between the Borrower and the Lender are completely restated in this Agreement. Accordingly, the Original Agreement is superseded by this Agreement except as provided in the immediately following sentence. Notwithstanding the foregoing, the Original Agreement shall survive and remain in effect to the extent it grants Collateral to the Collateral Agent for the benefit of the Secured Parties as security for the obligations of the Borrower outstanding on the Effective Date or are otherwise necessary to support the grant of such Collateral. In the event of a conflict between the terms of the Original Agreement and the terms of this Agreement, the terms of this Agreement shall control.

Section 9.02 Notices.

All notices, requests, consents and demands to or upon the respective parties hereto to be effective shall be in writing (including by telecopy or other electronic mail transmission) and, unless otherwise expressly provided herein, must be delivered by messenger, overnight courier service, telecopy or electronic mail, and shall be deemed to have been duly given or made when delivered, or notice by electronic mail transmission, or, in the case of telecopy notice, when received, at the "Address for Notices:" specified below the

recipient's name in Section 9.02 of Exhibit A, or to such other recipient or address as may be hereafter notified by the respective parties hereto; *provided* that any notice, request or demand to or upon the Lender shall not be effective until received. Notices and other communications to the Lender and the Borrower hereunder may be delivered or furnished by electronic communications.

Section 9.03 *No Waiver; Cumulative Remedies.*

No failure to exercise and no delay in exercising, on the part of the Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Section 9.04 *Survival of Representations and Warranties.*

All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

Section 9.05 *Payment of Expenses and Taxes.*

The Borrower agrees (i) to pay or reimburse, in accordance with the Waterfall and the other applicable provisions of Section 5 of the Security Agreement, the Lender for all of its reasonable out-of-pocket Costs and Expenses incurred in connection with the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Transaction Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees and disbursements of counsel to the Lender and filing and recording fees and expenses, (ii) to pay or reimburse, in accordance with the Waterfall and the other applicable provisions of Section 5 of the Security Agreement, the Lender for all of its reasonable Costs and Expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Transaction Documents and any such other documents, including the reasonable fees and disbursements of counsel to the Lender, (iii) to pay, indemnify, and hold each of the Lender and its Related Parties harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes (other than those of the nature of an income tax), if any, that may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement and modification of, or any waiver or consent under or in respect of, this Agreement, the other Transaction Documents and any such other documents and (iv) to pay, indemnify, and hold each of the Lender and its Related Parties (each, an

“**Indemnitee**”) harmless and defend them from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including, subject to the second succeeding proviso, the reasonable fees and disbursements of legal counsel) or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Transaction Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the Loans (all the foregoing in this clause (iv), collectively, the “**Indemnified Liabilities**”); *provided* that the Borrower shall have no obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee; *provided, further*, that the Borrower shall not be obligated to pay, indemnify or hold harmless any Indemnitee if such Indemnitee (A) does not provide reasonably prompt notice to the Borrower (with a copy to the Lender) of any claim for which indemnification is sought; *provided* that the failure to provide notice shall only limit the indemnification provided hereby to the extent of any incremental expense or actual prejudice as a result of such failure or (B) makes any admissions of liability or incurs any significant expenses after receiving actual written notice of the claim, or agree to any settlement without the written consent of the Borrower, which consent shall not be unreasonably withheld. The Indemnitee may, in its sole discretion, and at its expense, control the defense of the claim including, without limitation, designating counsel for such Indemnitee (which counsel shall be reasonably satisfactory to the Borrower) controlling all negotiations, litigation, arbitration, settlements, compromises and appeals of any claim; *provided* that (x) the Indemnitee may not agree to any settlement involving any Indemnitee without the prior written consent of the Borrower and (y) the Borrower shall engage and pay the reasonable expenses of separate counsel for the Indemnitee to the extent that the interests of the Indemnitee are in conflict with those of the Borrower. The Borrower shall be responsible to pay the reasonable fees of such separate legal counsel if such a conflict exists. All amounts due under this Section 9.05 shall be payable in accordance with the Waterfall and the other applicable provisions of Section 5 of the Security Agreement. In order to be paid such amounts on any particular Payment Date in respect of any losses, claims, damages, liabilities or related expenses, in each case incurred no later than two Business Days prior to the Payment Determination Date immediately preceding such Payment Date, the request for payment under this Section 9.05 must be received by the Borrower and the Servicer no later than such Payment Determination Date. The agreements in this Section 9.05 shall survive repayment of the Loans and all other amounts payable hereunder.

Section 9.06 *Successors and Assigns; Assignments.*

The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer (including through participation) any of its rights or obligations hereunder without the prior written consent of the Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void). The Lender may assign or otherwise transfer any or all of its rights or obligations hereunder (i) at any time without the consent of the Borrower to any other

branch, agency, department, entity or other instrumentality of the United States federal government; and (ii) to any other Person with the prior written consent of the Borrower, which consent shall not be unreasonably withheld, delayed or conditioned. All assignments permitted hereunder shall be effected pursuant to documentation reasonably satisfactory to the Lender. From and after the date of effectiveness of any assignment of the rights and obligations of the Lender hereunder, the assignee thereunder shall be a party hereto and have the rights and obligations of the assigning Lender under this Agreement (to the extent of the interest so assigned) and the other Loan Documents, and the assigning Lender thereunder shall be released from its obligations under this Agreement (to the extent of the interest so assigned) and, to the extent the entire amount of its Loans have been assigned or transferred, the Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 9.05. Any assignment or transfer by the Lender of rights or obligations under this Agreement that does not comply with this Section 9.06 shall be null and void.

Section 9.07 Counterparts.

This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by email or facsimile transmission shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Lender.

Section 9.08 Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 9.09 Integration.

This Agreement and the other Transaction Documents represent the entire agreement of the Borrower and the Lender with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Transaction Documents.

Section 9.10 GOVERNING LAW.

THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE FEDERAL LAW OF THE UNITED STATES. IN SO FAR AS THERE MAY BE NO APPLICABLE FEDERAL LAW, THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY RULE OF CONFLICTS OF LAW (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS

LAW) THAT WOULD RESULT IN THE APPLICATION OF THE SUBSTANTIVE LAW OF ANY JURISDICTION OTHER THAN THE STATE OF NEW YORK. NOTHING IN THIS AGREEMENT SHALL REQUIRE ANY UNLAWFUL ACTION OR INACTION BY EITHER PARTY.

Section 9.11 Submission to Jurisdiction; Waivers.

EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY:

(a) SUBMITS FOR ITSELF AND ITS PROPERTY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT, THE PROMISSORY NOTES AND THE OTHER LOAN DOCUMENTS, OR FOR RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT IN RESPECT THEREOF, TO THE GENERAL JURISDICTION OF ANY COURT OF THE STATE AND COUNTY OF NEW YORK, OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK;

(b) CONSENTS THAT ANY SUCH ACTION OR PROCEEDING MAY BE BROUGHT IN SUCH COURTS AND, TO THE EXTENT PERMITTED BY LAW, WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH ACTION OR PROCEEDING IN ANY SUCH COURT OR THAT SUCH ACTION OR PROCEEDING WAS BROUGHT IN AN INCONVENIENT COURT AND AGREES NOT TO PLEAD OR CLAIM THE SAME;

(c) AGREES THAT SERVICE OF PROCESS IN ANY SUCH ACTION OR PROCEEDING MAY BE EFFECTED BY MAILING A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL), POSTAGE PREPAID, TO ITS ADDRESS SET FORTH IN SECTION 9.02 OR AT SUCH OTHER ADDRESS OF WHICH THE LENDER SHALL HAVE BEEN NOTIFIED; AND

(d) AGREES THAT NOTHING HEREIN SHALL AFFECT THE RIGHT TO EFFECT SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR SHALL LIMIT THE RIGHT TO SUE IN ANY OTHER JURISDICTION.

Section 9.12 Acknowledgements.

The Borrower hereby acknowledges that:

(a) the Lender does not have any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the Transaction Documents, and the relationship between the Lender and the Borrower in connection herewith or therewith is solely that of debtor and creditor; and

(b) no joint venture is created hereby or by the other Transaction Documents or otherwise exists by virtue of the transactions contemplated hereby among the Borrower and the Lender.

Section 9.13 Confidentiality.

The Lender will use reasonable best efforts to hold, and will use reasonable best efforts to cause its agents, consultants, advisors and United States executive branch officials and employees (collectively, its “**Representatives**”), to hold, in confidence all non-public records, books, contracts, instruments, computer data and other data and information (collectively, “**Information**”) concerning the Borrower or the New OEM furnished or made available to them by the Borrower or its representatives pursuant to any Loan Document (except to the extent that such information can be shown to have been (i) previously known by such party on a non-confidential basis, (ii) in the public domain through no fault of such party or (iii) later lawfully acquired from other sources by the party to which it was furnished (and without violation of any other confidentiality obligation)); provided, that nothing herein shall prevent the Lender from disclosing any Information to the extent required by any Requirement of Law or by any subpoena or similar legal process. The Lender understands that the Information may contain commercially sensitive confidential information entitled to an exception from a Freedom of Information Act request.

Section 9.14 WAIVERS OF JURY TRIAL.

EACH OF THE LENDER AND THE BORROWER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE COLLATERAL, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 9.15 Limited Recourse.

Notwithstanding anything to the contrary contained in this Agreement and the other Transaction Documents, the obligations of the Borrower under this Agreement and all other Transaction Documents are solely the obligations of the Borrower and shall be payable solely to the extent of funds received by and available to the Borrower in accordance with the Security Agreement. No recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, the Borrower arising out of or based upon this Agreement or any other Transaction Document against any holder of a membership interest, employee, officer or Affiliate thereof and, except as specifically provided herein and in the other Transaction Documents, no recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, the Borrower arising out of or based upon this Agreement against the Servicer or any holder of the membership interests of the Borrower or any Related Party of any thereof; *provided* that the foregoing shall not relieve any such person or entity from any liability they might otherwise have as a result of bad faith, willful misconduct, negligence or fraudulent actions taken or omissions by them or, in the case of the Servicer or any Related Party thereof, the foregoing or its negligence in the performance of its duties under the Servicing Agreement. The provisions of this Section 9.15 shall survive the termination or expiration of this Agreement and the Obligations.

Section 9.16 Certain Tax Matters.

It is the intention of the parties that for U.S. federal income tax purposes the Borrower shall be treated as the owner of the Collateral (excluding the Pledged Collateral (as defined in the New Pledge Agreement), where the New OEM shall be treated as the owner of the Pledged Collateral). The terms of this Agreement and the other Transaction Documents shall be interpreted consistently with this intention and neither the Borrower nor any holder of a Loan shall take a contrary position for any tax purpose, except as required by law. No election under Treasury Regulation Section 301.7701-3 shall be made that the Borrower be classified as a corporation.

Section 9.17 Additional Inspection Rights.

At all times while any Obligations are outstanding, the Borrower shall permit (i) the Lender and its agents, consultants, contractors and advisors, (ii) the Special Inspector General of the Troubled Asset Relief Program, and (iii) the Comptroller General of the United States access to personnel and any books, papers, records or other data delivered to it pursuant to the Transaction Documents or otherwise in its possession, custody or control, in each case to the extent relevant to ascertaining compliance with the terms and conditions set forth in the Loan Documents, during normal business hours and upon reasonable notice to the Borrower, as the case may be; *provided* that prior to disclosing any information pursuant to clause (i), (ii) or (iii), the Lender, the Special Inspector General of the Troubled Asset Relief Program and the Comptroller General of the United States shall have agreed, with respect to documents obtained under this agreement in furtherance of their respective functions, to follow applicable law and regulation (and the applicable customary policies and procedures, including those for inspectors general) regarding the dissemination of confidential materials, including redacting confidential information from the public version of its reports, as appropriate, and soliciting input from the Borrower as to information that should be afforded confidentiality. The Lender represents that it has been informed by the Special Inspector General of the Troubled Asset Relief Program and the Comptroller General of the United States that they, before making any request for access or information pursuant to their oversight and audit functions, will establish a protocol to avoid, to the extent reasonably possible, duplicative requests. Nothing in this Section 9.17 shall be construed to limit the authority that the Special Inspector General of the Troubled Asset Relief Program or the Comptroller General of the United States have under law.

Section 9.18 Authority for Commitment.

The Borrower and the Lender acknowledge and agree that the Commitment is hereby made by the Lender pursuant to the authority granted to it by and under EESA Section 101.

Section 9.19 Consent to Transfer.

The Lender hereby ratifies its consent to the New OEM's purchase of all of the OEM's Equity Interests in the Borrower pursuant to the 363 Transaction.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their proper and duly authorized officers as of the day and year first above written.

Section 3. *Representations, Warranties and Covenants of the Borrower.*

The Borrower represents and warrants to the Agents and the Lender as of the Effective Date, and covenants with the Agents and the Lender, as follows:

(a) The Borrower is a limited liability company, validly existing and in good standing under the laws of the State of Delaware. The Borrower's exact legal name is correctly set forth on the signature page hereof. The Borrower's mailing address is c/o Chrysler Group LLC, 1000 Chrysler Drive, Auburn Hills, Michigan 48326, Attention: General Counsel CIMS 485-14-78, and the address of its registered office is The Corporation Trust Company, Corporation Trust Center, 1209 Orange Street, Wilmington, Delaware 19801. The Borrower will provide the Collateral Agent with at least 60 days' prior written notice of any change in the Borrower's name, form, jurisdiction of organization, organizational identification number, federal tax identification number, mailing address or the address of its registered office from that provided to the Collateral Agent on the Closing Date.

(b) The Borrower has good title to all of the Collateral, and has not granted any security interest in, or Lien on, any of the Collateral other than Permitted Liens. The Borrower has full power and authority to grant to the Collateral Agent (for the benefit of the Secured Parties) the Security Interest. The Borrower has not performed any acts that would reasonably be expected to prevent the Collateral Agent from enforcing any of the provisions of this Agreement. No financing statement, security agreement, mortgage or similar or equivalent document or instrument covering all or part of the Collateral is on file or of record in any jurisdiction in which such filing or recording would be effective to perfect or record a Lien on such Collateral except for Permitted Liens. After the date of this Agreement, no Collateral will be in the possession or under the Control of any other Person having a claim thereto or security interest therein, other than Permitted Liens. The Borrower will defend the right, title and interest of the Secured Parties in and to all Collateral against all adverse claims and demands of all Persons whomsoever, subject to the rights of holders of any Permitted Lien.

(c) The Security Interest on all Collateral owned by the Borrower (i) has been validly created, (ii) is one of first priority subject to Permitted Liens, (iii) will attach to each item of such Collateral on the Closing Date (or, if the Borrower first obtains rights

thereto on a later date, on such later date) and (iv) when so attached, will secure all the Secured Obligations.

(d) When a UCC financing statement describing the Collateral as “all assets” or “all personal property” (or other words to that effect) has been filed with the Secretary of State of the State of Delaware, the Security Interest will constitute a perfected security interest in the Collateral to the extent that a security interest therein may be perfected by filing a financing statement pursuant to the Uniform Commercial Code in effect in the State of Delaware, prior to all Liens and rights of others therein, subject to Permitted Liens. Except for the filing of such UCC financing statement, no registration, recordation or filing with any governmental body, agency or official is required in connection with the execution or delivery of this Agreement, the Account Control Agreement, or any Qualifying Control Agreement or is necessary for the validity or enforceability thereof or for the perfection or due recordation of the Security Interest or for the enforcement of the Security Interest.

(e) The Borrower will, from time to time, at its expense, execute, deliver, file and record any statement, assignment, instrument, document, agreement or other paper and take any other action (including any filing of financing or continuation statements under the UCC) that from time to time may be necessary or desirable, or that the Collateral Agent may reasonably request, in order to (i) create, preserve, perfect, confirm or validate the Security Interest, (ii) cause the Collateral Agent to have Control of any item of Collateral (if applicable), (iii) enable the Collateral Agent or the Secured Parties to obtain the full benefits of the Security Documents or (iv) enable the Collateral Agent to exercise and enforce any of its rights, powers and remedies with respect to the Collateral. The Borrower authorizes the Collateral Agent to execute and file such financing statements or continuation statements in such jurisdictions with such descriptions of collateral (including “**all assets**” or “**all personal property**” or other words to that effect) and other information set forth therein as the Collateral Agent may deem necessary or desirable for the purposes set forth in the preceding sentence. The Borrower also ratifies its authorization for the Collateral Agent to file in any such jurisdiction any initial financing statements or amendments thereto if filed prior to the Effective Date.

(f) The Borrower will, promptly upon request, provide to the Collateral Agent all information and evidence concerning the Collateral that the Collateral Agent may reasonably request from time to time to enable it to enforce the provisions of this Agreement.

(g) Promptly following a request from the Collateral Agent or the Lender to do so, and at the Borrower’s own expense, the Borrower agrees (i) to take all such lawful action as the Collateral Agent or the Lender may reasonably request to compel or secure the performance and observance by any obligor of its obligations to the Borrower under or in connection with (A) agreements or instruments pursuant to which any Collateral is issued in accordance with the terms thereof (provided that such action is not inconsistent with or in violation of any of the Borrower’s obligations under such agreements or instruments), (B) any Transaction Document in accordance with the terms thereof

(provided that such action is not inconsistent with or in violation of any of the Borrower's obligations under such Transaction Documents), and (C) any Supplier Agreement in accordance with the terms thereof (provided that such action is not inconsistent with or in violation of any of the Borrower's obligations under such Supplier Agreement) and (ii) to exercise any and all rights, remedies, powers and privileges lawfully available to the Borrower, as owner of the Collateral, under or in connection with such agreements or instruments, or under or in connection with any Transaction Document or Supplier Agreement, in each case to the extent and in the manner reasonably directed by the Collateral Agent or by the Lender, including the transmission of notices of default and the institution of legal or administrative actions or proceedings to compel or secure performance by any such Person of its obligations thereunder. The Borrower further agrees that it will not (A) exercise any right, remedy, power or privilege available to it under or in connection with the agreements or instruments pursuant to which any Collateral is issued or under or in connection with any Transaction Document or any Supplier Agreement, (B) take any action to compel or secure performance or observance by any Person of its obligations to the Borrower as holder of the Collateral under or in connection with such agreements or instruments or under or in connection with any Transaction Document or Supplier Agreement or (C) give any consent, request, notice, direction, approval, extension or waiver to any Person under the agreements or instruments pursuant to which any Collateral is issued or under any Transaction Document or any Supplier Agreement, in each case not required to be exercised, taken, observed or given by the Borrower pursuant to the terms thereof unless, in each case, it has obtained the prior written consent of the Lender and such action is not inconsistent with or in violation of any of the Borrower's obligations under such agreements, instruments or Transaction Documents or Supplier Agreements, as the case may be.

(h) The Borrower owns no assets other than the Collateral.

Section 4. *Administration of Collateral.*

(a) The Collateral Agent shall at all times have all the rights of a secured party under the UCC (whether or not in effect in the jurisdiction where such rights are exercised) with respect to the Collateral. In addition, the Collateral Agent shall, upon Proper Instructions from the Lender, but only while an Event of Default has occurred and is continuing, sell, lease, license or otherwise Dispose of the Collateral or any part thereof, in one or more parcels at public or private sale, at any exchange, broker's board or at any of Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable, irrespective of the impact of any such sales on the market price of the Collateral. To the maximum extent permitted by applicable law, any Secured Party may be the purchaser of any or all of the Collateral at any such sale and (with the consent of the Lender, which may be withheld in its reasonable discretion) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply all or any part of its Secured Obligations as a credit on account of the purchase price of any Collateral payable at such sale. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a

judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Borrower or such officer or be answerable in any way for the misapplication thereof. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of the Borrower, and the Borrower hereby waives (to the extent permitted by law) all rights of redemption, stay or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the maximum extent permitted by law, the Borrower hereby waives any claim against the Collateral Agent arising because the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. The Collateral Agent may, with the consent of the Lender, disclaim any warranty, as to title or as to any other matter, in connection with such sale or other Disposition, and its doing so shall not be considered adversely to affect the commercial reasonableness of such sale or other Disposition.

(b) If the Collateral Agent sells any of the Collateral upon credit, the Borrower will be credited only with payment actually made by the purchaser and received by the Collateral Agent. If the purchaser fails to pay for the Collateral, the Collateral Agent may resell the same, subject to the same rights and duties set forth herein.

(c) Any and all interest and other cash and non-cash distributions in respect of any Collateral, any and all payments received upon Disposition of any Collateral and any and all other Proceeds of any Collateral shall be paid directly to, and shall be received and held in, the Collateral Account. If any Proceeds of the Collateral are received by the Borrower otherwise than in the Collateral Account, such Proceeds shall be so received in trust for the Collateral Agent, shall be segregated from other funds and property of the Borrower and shall be forthwith delivered to the Collateral Agent for deposit in the Collateral Account in the same form as received, with any necessary endorsements.

Section 5. *Collateral Account and Application of Proceeds.*

(a) *Collateral Account.* The Collateral Agent shall have Control over the Collateral Account. The Borrower and the Collateral Agent shall always be party to the Account Control Agreement. The Collateral Account may be sub-divided into sub-accounts.

(b) *Access to Collateral Account in the Absence of an Event of Default.* The Borrower, or the Servicer acting on its behalf, will not direct the Collateral Agent to make any transfers or withdrawals from the Collateral Account except that, provided no Event of Default has occurred and is continuing, the Borrower, or the Servicer acting on

its behalf, may by Proper Instructions direct the Collateral Agent to transfer amounts in the Collateral Account to the Servicer on behalf of the Borrower:

- (i) for application in accordance with the Waterfall,
- (ii) to repay the outstanding principal amount of the Loans, including any prepayments in accordance with Section 2.04(b) of the Credit Agreement,
- (iii) to pay the accrued but unpaid interest outstanding on the Loans in accordance with Section 5(d),
- (iv) to (A) pay Costs and Expenses incurred by, or in the name of, the Borrower, OEM or New OEM that are due and payable pursuant to Proper Instructions from the Lender or its designee (which Proper Instructions may be set forth in Lender's approval of a Payment Calculation Report), (B) reimburse the Agents for any monies improperly credited to the Collateral Account or in connection with failed trades, assumed settlements, returned funds, bounced checks, other account overdrafts or advances of cash or securities pursuant to the Account Control Agreement; and (C) pay investment execution expenses incurred by the Agents pursuant to a Proper Instruction,
- (v) to fund, on the date of such withdrawal, payment by the Borrower, or the Servicer acting on its behalf, of (A) the Purchase Price for Eligible Receivables then due pursuant to Supplier Agreements and (B) any amount payable to a Supplier by Borrower pursuant to clause (ii) of Section 2.3(d) of the applicable Supplier Agreement,
- (vi) to invest in Permitted Investments to be held in the Collateral Account pursuant to Section 5(h), or
- (vii) otherwise in accordance with Proper Instructions from the Lender.

(c) *Access to Collateral Account during an Event of Default.* While an Event of Default has occurred and is continuing (i) neither the Borrower, nor the Servicer acting on its behalf, shall be entitled to direct the Collateral Agent to make any transfers or withdrawals from the Collateral Account, and (ii) all amounts in the Collateral Account and all cash and non-cash proceeds of the Collateral may be applied by or withdrawn by the Lender in its sole discretion upon Proper Instructions to the Collateral Agent, less any Costs or Expenses of any Agent. If an Event of Default has occurred and is continuing the Lender may direct the Collateral Agent to open sub-accounts of the Collateral Account, provided that Costs and Expenses of the Agents should in all cases be paid first.

(d) *Periodic Interest Payments.* Amounts available in the Collateral Account as of each Payment Determination Date shall be distributed by the Collateral Agent in accordance with Proper Instructions from the Borrower, or the Servicer acting on its behalf (or by the Collateral Agent at the written direction of the Lender, if an Event of Default has occurred and is continuing), on the first following Payment Date in accordance with a Payment Calculation Report delivered to the Collateral Agent, and

approved by, the Lender in accordance with the Servicing Agreement prior to such Payment Date, to pay accrued but unpaid interest (including Post-Petition Amounts, to the fullest extent permitted by applicable law, but excluding Contingent Interest) outstanding on the Loans.

(e) *Application of Proceeds at Maturity.* If as of the Maturity Date all non-cash Collateral has not been fully liquidated and Disposed of and all proceeds thereof have not been deposited in the Collateral Account, then as of the Maturity Date, all amounts available in the Collateral Account, after establishment of a reserve in an amount determined by the Lender to cover Costs and Expenses anticipated to be incurred from the Maturity Date to the date when all non-cash Collateral has been fully liquidated and Disposed of and all proceeds thereof deposited in the Collateral Account (the “**Final Distribution Date**”), shall be distributed by the Collateral Agent at the direction of the Lender in the following order of priority:

first, to pay any Costs and Expenses then due and payable and any indemnity amounts and any other amounts then owing under any of the Transaction Documents to any Person, in each case, to the extent such Costs and Expenses and indemnity amounts and other amounts, as applicable, have been incurred no later than two Business Days prior to the Maturity Date and have been invoiced no later than the Maturity Date, which payments shall be distributed to the Persons to whom such amounts are owing; *provided* that to the extent that amounts on deposit in the Collateral Account are insufficient to pay all amounts that are owing pursuant to this clause *first*, amounts will be distributed first to pay the full amount owed to Collateral Agent under this clause *first*, next to pay the full amount owed to the Servicer under this clause *first* and then, if any amounts are remaining in the Collateral Account, ratably to the other Persons to whom such amounts are owed pursuant to this clause *first*;

second, to pay the accrued but unpaid interest (including Post-Petition Amounts, to the fullest extent permitted by applicable law, but excluding Contingent Interest) outstanding on the Loans, until such accrued but unpaid interest shall have been paid in full;

third, to pay the outstanding principal amount of the Loans until such outstanding principal amount shall have been paid in full;

fourth, to pay any other Secured Obligations (other than Contingent Interest) then outstanding; and

last, to pay to the Lender an amount equal to four percent (4%) of the amount of the Commitment (the “**Exit Fee**”).

(f) *Application of Proceeds at Final Distribution Date.* On the Final Distribution Date, all amounts available in the Collateral Account shall be distributed by the Collateral Agent at the direction of the Lender in the following order of priority:

first, to make the payments in the amounts and in the priorities established in the Waterfall (with references therein to the Maturity Date to be construed to mean references to the Final Distribution Date);

second, to pay the Lender any amounts remaining due in respect of the Exit Fee;

third, to pay to the Lender an amount equal to fifty percent (50%) of the amounts remaining in the Collateral Account (together with the Exit Fee, “**Contingent Interest**”); and

last, the balance to the Borrower.

(g) *Notice of Adverse Claims.* The Collateral Agent shall give the Borrower and the Lender prompt notice if (i) the Collateral Agent receives written notice or (ii) (A) any officer or employee of the Collateral Agent involved with the administration of the transactions and agreements contemplated by this Agreement and the other Transaction Documents and the Collateral, (B) any officer or employee within the Collateral Agent’s office of the general counsel or office of the corporate secretary, (C) any officer or employee employed in the corporate trust division or to whom corporate trust matters are generally referred or (D) any other officer of the Collateral Agent receives written notice that the Collateral Account becomes subject to any writ, order, judgment, warrant of attachment, execution, similar process, or other adverse claim.

(h) *Permitted Investments of Funds in the Collateral Account.* Any funds held in the Collateral Account shall be invested, and the proceeds of investments shall be reinvested, by the Collateral Agent in accordance with Proper Instructions from the Borrower, or the Servicer acting on its behalf, in Permitted Investments, or, if any Event of Default has occurred and continuing, in accordance with Proper Instructions from the Lender or its designee. The Collateral Agent (i) shall be entitled to rely on instructions with respect to investments contained in any such Proper Instruction and shall have no obligation to confirm that such investments are Permitted Investments and (ii) shall not be responsible or liable for any loss resulting from the investment performance of an investment or reinvestment of funds held in the Collateral Account and shall not be responsible for giving any investment advice. In the absence of any Proper Instruction, the Collateral Agent shall not be under any obligation or duty to invest (or pay interest on) funds held in the Collateral Account.

(i) *Statement of Account.* The Collateral Agent from time to time shall provide the Borrower and the Lender upon written request with statements of account relative to the Collateral Account in accordance with the Collateral Agent’s customary practices; *provided* that (x) statements of account shall be provided to each of the foregoing Persons not less frequently than monthly notwithstanding the lack of a written request and (y) to the extent that the information contained in such statements of account is supplied by an institution or institutions other than the Collateral Agent, the Collateral Agent shall not be responsible for the correctness or accuracy of the information received by. However, if such information is not provided to the Collateral Agent by the time specified in this

Agreement or in the other Transaction Documents and, where relevant, in the form set out in the relevant Transaction Document, or if such information is manifestly incorrect, the Collateral Agent shall use reasonable efforts to make the necessary calculations and shall incur no liability hereunder for any consequence resulting from making such calculations other than as a result of its negligence, bad faith, willful misconduct or fraudulent actions.

(j) *Instructions for Payment.* Any Officer's Certificate and Proper Instruction given to the Collateral Agent for payment out of the Collateral Account pursuant to this Agreement, including the Payment Calculation Report (when approved by Lender, which approval shall constitute Proper Instructions with respect to the disbursements reflected in such Payment Calculation Report), shall set forth on the face thereof the specific amounts of the allocations, payments, amounts, deposits, transfers or withdrawals addressed therein and such other information as shall be sufficient to enable the Collateral Agent to carry out the instructions and take the related actions in accordance with this Agreement. The Collateral Agent shall promptly comply with any such Proper Instruction made in accordance with the provisions of this Agreement.

Section 6. *The Collateral Agent.*

(a) *Employment of Collateral Agent and Property to be Held.*

(i) Each Secured Party hereby appoints the Collateral Agent as an agent of such Secured Party and custodian of the Collateral and authorizes and directs the Collateral Agent (A) to sign and deliver the Security Documents as collateral agent and (B) to take such actions on its behalf and to perform such obligations as are delegated to the Collateral Agent by the express terms of the Transaction Documents. The Collateral Agent accepts such appointment. The provisions of this Section 6 are solely for the benefit of the Collateral Agent and each Secured Party, and neither the Borrower nor the Servicer shall have any rights as a third party beneficiary of any of such provisions.

(ii) Concurrently with the execution of this Agreement, and from time to time thereafter, as appropriate, (A) the Lender shall deliver to the Collateral Agent, duly certified by an authorized officer of the Lender a certificate substantially in the form set forth in Exhibit B-1 hereof setting forth the names, titles, signatures and scope of authority of all persons authorized to give Proper Instructions or any other notice, request, direction, instruction, certificate or instrument on behalf of Lender (each such person, a "**Responsible Officer**" of Lender); (B) the Borrower shall deliver to the Collateral Agent, duly certified by an authorized officer of the Borrower a certificate substantially in the form set forth in Exhibit B-2 hereof setting forth the names, titles, signatures and scope of authority of all persons authorized to give Proper Instructions or any other notice, request, direction, instruction, certificate or instrument on behalf of the Borrower (each such person, or the sole (or, if more than one, managing) member thereof, a "**Responsible Officer**" of Borrower), and (C) the Servicer has delivered to the Collateral Agent, certificates duly certified by an authorized officer of the

Servicer setting forth the names, titles, signatures and scope of authority of all persons authorized to give Proper Instructions or any other notice, request, direction, instruction, certificate or instrument on behalf of the Servicer, true and complete copies of such certificates are attached hereto as Exhibit B-3 hereof, and such certificates are in full force and effect and true and correct in all material respects as of the Effective Date (each such person, a “**Responsible Officer**” of the Servicer). Each such certificate may be accepted and relied upon by the Collateral Agent as conclusive evidence of the facts set forth therein and shall be considered to be in full force and effect until receipt by the Collateral Agent of a similar certificate to the contrary.

(iii) “**Proper Instructions**,” as such term is used throughout this Agreement and other Transaction Documents, means a writing signed by a Responsible Officer of the Lender, the Borrower or the Servicer, as applicable. Proper Instructions may be standing instructions. Each such writing shall set forth the specific transaction or type of transaction involved and may set forth any appropriate procedures to be followed. Proper Instructions may include communications effected (x) directly between electro-mechanical or electronic devices in accordance with security procedures agreed to by the Collateral Agent and the Lender in any such writing or (y) by other means if and to the extent that the Person issuing the Proper Instructions and the Collateral Agent shall have agreed in writing to permit such other means.

(b) *Certain Collateral Agent Actions.*

(i) Before the Collateral Agent acts or refrains from acting, it may, in the absence of Proper Instructions, require an Officer’s Certificate of the Lender and/or an opinion of counsel satisfactory to the Collateral Agent with respect to the proposed action or inaction. The Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion. Whenever in the administration of any Transaction Document the Collateral Agent shall deem it necessary or desirable that a matter be provided or established prior to taking or suffering or omitting to take any act hereunder or under any of the other Transaction Documents, such matter (unless other evidence with respect thereto be herein or therein specifically prescribed) may, in the absence of negligence, bad faith, willful misconduct or fraudulent action on the part of the Collateral Agent, be deemed to be conclusively proved and established by an Officer’s Certificate of the Lender delivered to the Collateral Agent, and such certificate, in the absence of negligence, bad faith, willful misconduct or fraudulent action on the part of the Collateral Agent, shall be full warrant to the Collateral Agent for any action taken, suffered or omitted to be taken by it under the provisions of any Transaction Document upon the faith thereof.

(ii) In each case that the Collateral Agent may or is required hereunder or under any other Transaction Document to take any action, including to make any determination or judgment, to give consents, to exercise rights, remedies, powers or privileges, to release or sell collateral or otherwise to act hereunder or

under any other Transaction Document, the Collateral Agent may seek direction from the Lender. The Collateral Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, but shall be required to act or refrain from acting solely upon the written direction of the Lender, and the Collateral Agent shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with such direction. If the Collateral Agent shall request direction from the Lender with respect to any action, the Collateral Agent shall be entitled to refrain from such action unless and until such Collateral Agent shall have received direction from the Lender, and the Collateral Agent shall not incur liability to any Person by reason of so refraining.

(c) *Duties of the Collateral Agent with Respect to Property of the Borrower.*

(i) *Bank Accounts.* The Collateral Agent shall open and maintain a separate securities or deposit account or accounts in the United States in the name of the Borrower subject only to draft, order, or other instructions pursuant to the terms of this Agreement, the Account Control Agreement and applicable Qualifying Control Agreements (A) in accordance with Proper Instructions from Borrower, or the Servicer acting on its behalf, so long as no Event of Default has occurred and is continuing or (B) in accordance with Proper Instructions from the Lender while an Event of Default has occurred and is continuing. The Collateral Agent shall hold in such account or accounts, subject to the provisions hereof, all cash received by it from or for the account of the Borrower. Any such account shall, absent a Proper Instruction to the contrary, be held as a sub-account of the Collateral Account. Upon and during the continuance of any Event of Default, the Lender shall have the right to notify any or all Persons party to the Account Control Agreement or any Qualifying Control Agreement of the occurrence and continuance of an Event of Default and other appropriate circumstances, and exercise control over and take possession or custody of any or all Collateral in the possession, custody or control of such other Persons.

(ii) *Perfection by Control.* The Borrower shall furnish the Collateral Agent with properly executed Qualifying Control Agreements and evidence of the placement of a restrictive legend with respect to any Collateral in which a security interest perfected by control or accompanied by such restrictive legending shall have priority as against a lien creditor, a purchaser of such Collateral from the Borrower, or a security interest perfected by Persons not having control or not accompanied by such restrictive legending, in each case in form and substance acceptable to the Collateral Agent and sufficient under applicable law so that the Collateral Agent, for the benefit of the Secured Parties, shall have a security interest in all such Collateral perfected by control.

(iii) *Maintenance of Investment Property.* Except with the express prior written consent of the Lender, or the Collateral Agent acting at its direction in each instance, all Investment Property securing the Secured Obligations shall be maintained at all times in the form of (A) certificated securities, which certificates shall have been delivered to the Collateral Agent together with duly

executed undated stock powers endorsed in blank pertaining thereto, or (B) security entitlements credited to one or more securities accounts as to each of which the Collateral Agent has received (1) copies of the account agreement between the applicable securities intermediary and the Borrower and the most recent statement of account pertaining to such securities account (each certified to be true and correct by an officer of the Borrower) and (2) a Qualifying Control Agreement from the applicable securities intermediary which remains in full force and effect and as to which the Lender, or the Collateral Agent acting at its direction, has not received any notice of termination. Without limiting the generality of the foregoing, Borrower shall not cause, suffer or permit any Investment Property to be credited to or maintained in any securities account except in each case upon giving not less than thirty (30) days' prior written notice to the Collateral Agent and taking or causing to be taken at Borrower's expense all actions required by Section 6(c)(ii) and this Section 6(c)(iii), as may be reasonably requested by the Lender or the Collateral Agent, at the Lender's direction, to perfect or protect, or maintain the perfection and priority of, the Security Interest of the Collateral Agent for the benefit of the Secured Parties in Collateral contemplated hereunder.

(iv) *Certain Actions Regarding Investment Property Upon Events of Default.* Upon and during the continuance of any Event of Default, the Lender, or the Collateral Agent acting at its direction, shall have the right to notify any or all Persons party to a Qualifying Control Agreement of the occurrence of an Event of Default and other appropriate circumstances, and exercise control over and take possession or custody of any or all Collateral in the possession, custody or control of such other Persons.

(d) *Collateral Agent's Rights.*

(i) The Lender understands that the Collateral Agent is engaged in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) (such services and businesses are collectively referred to in this Section 6(d) as "**Activities**") and may engage in the Activities with or on behalf of the Borrower or its respective Affiliates. Furthermore, the Collateral Agent may, in undertaking the Activities, engage in trading in financial products or undertake other investment businesses for its own account or on behalf of others (including the Borrower and its Affiliates and including holding, for its own account or on behalf of others, equity, debt and similar positions in the Borrower or its Affiliates), including trading in or holding long, short or derivative positions in securities, loans or other financial products of the Borrower or its Affiliates. The Lender understands and agrees that in engaging in the Activities, the Collateral Agent may receive or otherwise obtain information concerning the Borrower or its Affiliates (including information concerning the ability of the Borrower to perform its respective obligations hereunder and under the other Transaction Documents) which information may not be available to the Lender. The Collateral Agent shall not have any duty to disclose to the Lender or use on behalf

of the Lender, nor be liable for the failure to so disclose or use, any information whatsoever about or derived from the Activities or otherwise (including any information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of the Borrower or any Affiliate of the Borrower) or to account for any revenue or profits obtained in connection with the Activities.

(ii) The Lender further understands that there may be situations where the Collateral Agent or its respective customers (including the Borrower and its Affiliates) either now have or may in the future have interests or take actions that may conflict with the interests of the Lender (including the interests of the Lender hereunder and under the other Transaction Documents). The Lender agrees that the Collateral Agent is not and shall not be required to restrict its activities as a result of it serving as a Collateral Agent, and that the Collateral Agent may undertake any Activities without further consultation with or notification to the Lender. None of (i) this Agreement or any other Transaction Document, (ii) the receipt by the Collateral Agent of information concerning the Borrower or its Affiliates (including information concerning the ability of the Borrower to perform its respective obligations hereunder and under the other Transaction Documents) or (iii) any other matter, shall give rise to any fiduciary, equitable or contractual duties (including any duty of trust or confidence) owing by the Collateral Agent to the Lender including any such duty that would prevent or restrict the Collateral Agent from acting on behalf of customers (including the Borrower or its Affiliates) or for its own account.

(e) *Limited Duties and Responsibilities.* The Collateral Agent's duties hereunder and under the other Transaction Documents are solely ministerial and administrative (and shall not be construed to be fiduciary) in nature and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Transaction Documents. Without limiting the generality of the foregoing, (i) the Collateral Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, but shall be required to act or refrain from acting (and shall be fully protected in so acting or refraining from acting) upon receiving Proper Instructions, provided that the Collateral Agent shall not be required to take any action that, in its reasonable opinion or the reasonable opinion of its counsel, may reasonably be expected to expose the Collateral Agent or any of its Affiliates to liability as to which no indemnification reasonably satisfactory to it is provided or that is contrary to any Transaction Document or applicable law, (ii) the Collateral Agent shall not be subject to any fiduciary or other implied duties, implied covenants or implied obligations pursuant to this Agreement or any other Transaction Document, regardless of whether an Event of Default has occurred and is continuing, (iii) the Collateral Agent shall not have any duty to disclose, and shall not be liable for any failure to disclose, any information relating to the Borrower that is communicated to or obtained by the Collateral Agent or any of its Affiliates in any capacity other than its Collateral Agent capacity, and (iv) the Collateral Agent shall not be required to expend or risk any of its funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder. The Collateral Agent shall not be liable for (i) any action taken or not taken by it in good faith

in accordance with Proper Instructions or (ii) any action taken or not taken by it with the consent or at the request of the Lender or in accordance with this Agreement or any of the Transaction Documents or in the absence of its own negligence, bad faith, willful misconduct, or fraudulent actions. Absent actual knowledge, the Collateral Agent shall be deemed not to have knowledge of any Event of Default unless and until written notice thereof is received by the Collateral Agent from the Borrower or the Lender, and the Collateral Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty, representation or other information made or supplied in or in connection with this Agreement or any other Transaction Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith or the adequacy, accuracy and/or completeness of the information contained therein, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Transaction Document or any other agreement, instrument or document or the perfection or priority of any lien or Security Interest created or purported to be created by this Agreement or any other Transaction Document or (v) the satisfaction of any condition set forth herein or in any other Transaction Document, other than (but subject to the foregoing clause (ii)) to confirm receipt of items expressly required to be delivered to the Collateral Agent. Nothing in this Agreement or any other Transaction Document shall require either the Collateral Agent or any of its Related Parties to carry out any "know your customer" or other checks in relation to any Person on behalf of the Lender and the Lender confirms to the Collateral Agent that the Lender is solely responsible for any such checks the Lender is required to carry out and that the Lender may not rely on any statement in relation to such checks made by the Collateral Agent or any of its Related Parties. Notwithstanding anything contained in this Agreement to the contrary, the Collateral Agent shall not incur any liability for not performing any act or fulfilling any obligation hereunder by reason of any occurrence beyond its control (including, without limitation, any provision of any present or future law or regulation or any act of any governmental authority, any act of God or war or terrorism or the unavailability of the Federal Reserve Bank wire services or any electronic communication failure).

(f) *Evidence of Authority.* The Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by the Collateral Agent to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by such Collateral Agent in good faith to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of any Loans that by its terms must be fulfilled to the satisfaction of the Lender, the Collateral Agent may presume that such condition is satisfactory to the Lender unless an officer of the Collateral Agent responsible for the transactions contemplated hereby shall have received notice to the contrary from the Lender prior to the making of such Loans. Absent negligence, bad faith, willful misconduct or fraudulent actions, the Collateral Agent shall be entitled to

rely on, and shall not incur any liability for relying on, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Collateral Agent may receive and accept a certificate of a Responsible Officer of the Lender as conclusive evidence of the authority of any person to act in accordance with such certificate or of a Responsible Officer of the Borrower as conclusive evidence of any determination or of any action by the Borrower pursuant to the LLC Agreement as described in such certificate, and such certificate may be considered as in full force and effect until receipt by the Collateral Agent of written notice to the contrary. The Collateral Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in reasonable reliance upon the advice of any such counsel, accountants or experts.

(g) *Delegation of Duties.* The Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Transaction Document by or through any one or more sub-agents appointed by the Collateral Agent, ~~but~~ provided that the Collateral Agent agrees that (x) such sub-agents will be selected by it with reasonable care, (y) no such appointment will relieve the Collateral Agent of its obligations hereunder and (z) the Collateral Agent shall remain fully responsible for the performance of any such sub-agent. The Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. Each such sub agent and the Related Parties of each Agent and each such sub agent shall be entitled to the benefits of all provisions of this Section 6 and Section 11 (as though such sub-agents were a "Collateral Agent" under the Transaction Documents) as if set forth in full herein with respect thereto, except that Costs and Expenses shall not include any amounts owed by the Collateral Agent to any sub-agent, all such amounts to be paid by the Collateral Agent.

(h) *Information as to Secured Obligations.* For all purposes of the Security Documents, including determining the aggregate amount of Secured Obligations or the amount of Secured Obligations owed to the Lender or any other Secured Party, the Collateral Agent will be entitled to rely on information from Lender as to amounts owed to Lender, the Borrower or its own records (or such party as the Lender may direct in a Proper Instruction with respect to other amounts).

(i) *Resignation; Successor Collateral Agent.* The Collateral Agent may resign as collateral agent hereunder at any time for any reason, and the Lender may, in its sole discretion, remove the Collateral Agent as collateral agent hereunder at any time for any reason, in each case upon not less than 30 days' prior written notice to each other Party; *provided* that no resignation of the Collateral Agent shall be effective until the Lender shall have appointed a successor collateral agent. If the Lender shall fail to appoint such successor within 90 days after notice of resignation or removal, as the case may be, then the Collateral Agent may petition any court of competent jurisdiction for the appointment of such successor at the sole cost and expense of the Lender. The indemnity provided to the Collateral Agent under Section 11 shall survive its resignation or removal under this Agreement with respect to any indemnified liabilities to the extent incurred or arising, or relating to events occurring, before such resignation or removal. Upon acceptance in

writing of its appointment as Collateral Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent, and the retiring Collateral Agent shall be, upon transfer of the Collateral Account and possession of all Collateral in its control to such successor, discharged from its duties hereunder. As of the resignation date, fees and reimbursement expenses shall be paid to the Collateral Agent in accordance with the Waterfall on the next succeeding Payment Date. The fees payable by the Borrower to a successor Collateral Agent shall be the same as those payable to its predecessor unless otherwise agreed by the Borrower and such successor. After the Collateral Agent's resignation hereunder, the provisions of this Section 6(i) shall continue in effect for the benefit of such retiring Collateral Agent and its respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Collateral Agent was acting as collateral agent hereunder.

(j) *Authority to Administer Collateral.* Without derogation of the Collateral Agent's duties under this Section, as further security for the Secured Obligations, the Borrower hereby appoints the Collateral Agent as its true and lawful attorney, with full power of substitution, in the name of the Borrower, the Collateral Agent or otherwise, for the sole use and benefit of the Collateral Agent, but at the expense of the Borrower, to the extent permitted by law, but only while an Event of Default has occurred and is continuing, for the purpose of taking such action and executing agreements, instruments and other documents, in the name of the Borrower, as expressly provided herein and as the Collateral Agent (at the direction of the Lender) or the Lender may deem necessary or advisable to accomplish the purposes hereof, including to exercise, at any time and from time to time, all or any of the following powers with respect to all or any of the Collateral:

(i) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due upon or by virtue thereof;

(ii) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto;

(iii) to sell, lease, license or otherwise Dispose of the same or the proceeds or avails thereof, as fully and effectually as if the Collateral Agent were the absolute owner thereof; and

(iv) to extend the time of payment of any or all thereof and to make any allowance or other adjustment with reference thereto;

provided that with respect to Dispositions of any Collateral under this Agreement after the occurrence and during the continuance of an Event of Default, except in the case of Collateral that threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Collateral Agent will give the Lender and the Borrower at least ten days prior written notice of the time and place of any public sale thereof or the time after which any private sale or other intended Disposition thereof will be made. Any such notice shall (x) contain the information specified in UCC Section 9-613, (y) be Authenticated and (z) be sent to the Parties required to be notified pursuant to UCC

Section 9-611(c); *provided further* that if the Collateral Agent fails to comply with this sentence in any respect, its liability for such failure shall be limited to the liability (if any) imposed on it as a matter of law under the UCC; and *provided further* that in taking, or refusing to take, any action pursuant to this Section 6(j), the Collateral Agent shall not take any action contrary to any Proper Instruction.

(k) *Non-Reliance.*

(i) The Lender confirms to the Collateral Agent that it (A) possesses (individually or through its Related Parties) such knowledge and experience in financial and business matters that it is capable, without reliance on the Collateral Agent, or any of its respective Related Parties, of evaluating the merits and risks (including tax, legal, regulatory, credit, accounting and other financial matters) of (x) entering into this Agreement and the other Transaction Document, (y) making its Loans and (z) taking or not taking actions hereunder and thereunder, (B) is financially able to bear such risks and (C) has determined that entering into this Agreement and making its Loans and entering into the other Transaction Documents is suitable and appropriate for it.

(ii) The Lender acknowledges that (x) it is solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with this Agreement and the other Transaction Documents, (y) it has, independently and without reliance upon the Collateral Agent, or any of its Related Parties, made its own appraisal and investigation of all risks associated with, and its own credit analysis and decision to enter into, this Agreement and the other Transaction Documents based on such documents and information, as it has deemed appropriate and (z) it will, independently and without reliance upon the Collateral Agent or any of its Related Parties, continue to be solely responsible for making its own appraisal and investigation of all risks arising under or in connection with, and its own credit analysis and decision to take or not take action under, this Agreement and the other Transaction Documents based on such documents and information as it shall from time to time deem appropriate, which may include, in each case:

(A) the financial condition, status and capitalization of the Borrower;

(B) the legality, validity, effectiveness, adequacy or enforceability of this Agreement and each other Transaction Document and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Transaction Document;

(C) determining compliance or non-compliance with any condition hereunder to the making of its Loans and the form and substance of all evidence delivered in connection with establishing the satisfaction of each such condition; and

(D) the adequacy, accuracy and/or completeness of the information delivered by the Collateral Agent or any of its respective Related Parties under or in connection with this Agreement or any other Transaction Document, the transactions contemplated hereby and thereby or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Transaction Document.

Section 7. *Waivers; Amendment.*

(a) No failure or delay of the Collateral Agent or any other Party in exercising any power or right hereunder or under any other Security Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies hereunder and under the other Security Documents are cumulative and are not exclusive of any rights or remedies that it would otherwise have. No waiver of any provision of this Agreement or any other Security Document or consent to any departure by the Collateral Agent or any other Party shall in any event be effective unless the same shall be given in accordance with Section 7(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Collateral Agent in any case shall entitle the Collateral Agent to any other or further notice or demand in similar or other circumstances.

(b) Each party to this Agreement may waive its rights under any provision of this Agreement in writing. Neither this Agreement nor any provision hereof may be waived, amended or modified except in accordance with the provisions of Section 9.01 of the Credit Agreement; *provided* that without the consent of the Collateral Agent and the Servicer, no amendment, modification, supplement or waiver of this Agreement may modify the terms of this Agreement in a way that adversely affects the rights, immunity, indemnity, duties, obligations liabilities or protection of the Agents hereunder. Any such amendment, supplement, modification or waiver shall be binding upon the Collateral Agent, each other Secured Party and the Borrower. Any purported amendment, waiver, supplement or modification not complying with the terms of this Section shall be null and void.

(c) The Borrower acknowledges and agrees that its obligations under the Original Security Agreement remain valid and enforceable obligations and that the execution and delivery of this Agreement shall not be construed as a novation of the Original Security Agreement. If any provision of this Agreement is avoided or found to be unenforceable, the corresponding provision of the Original Security Agreement shall be automatically reinstated. To induce the Lender and the Agents to enter into this Agreement, the Borrower waives and releases and forever discharges the Lender, the Agents and their respective officers, directors, attorneys, agents, and employees from any liability, damage, claim, loss or expense of any kind that the Borrower may have against

the Lender, the Agents, or any of them arising out of or relating to the Original Security Agreement.

(d) The terms and conditions pursuant to which the Lender is making the Loans available to the Borrower and the other terms and conditions generally related to the relationship between the Borrower, the Lender and the Agents are completely restated in the Credit Agreement. The terms and conditions pursuant to which the Borrower is granting a continuing security interest in the Collateral to the Collateral Agent for the benefit of the Secured Parties and the related rights and obligations of the parties with respect to the Collateral are completely restated in this Agreement. Accordingly, the Original Security Agreement is superseded by this Agreement except as provided in the immediately following sentence. Notwithstanding the foregoing, the Original Security Agreement shall survive and remain in effect to the extent it grants Collateral to the Collateral Agent for the benefit of the Secured Parties as security for the obligations of the Borrower outstanding on the Effective Date or is otherwise necessary to support the grant of such Collateral. In the event of a conflict between the terms of the Original Security Agreement and the terms of this Agreement, the terms of this Agreement shall control.

Section 8. *Notices.*

Each notice, request or other communication given to the Borrower or the Lender hereunder shall be given in accordance with Section 9.02 of the Credit Agreement (or to such other recipient or address as may be hereafter notified by the respective parties hereto). Each notice, request or other communication given to the Collateral Agent hereunder shall be addressed as follows or to such other recipient or address as may be hereafter notified by the respective parties hereto:

Section 9. *Binding Effect.*

This Agreement shall become effective when a counterpart hereof shall have been executed by each of the Parties and delivered to the Lender.

Section 10. *Intentionally reserved.*

Section 11. *Expenses; Indemnity; Certain Damages.*

(a) The Borrower agrees to pay all reasonable out-of-pocket Costs and Expenses incurred by the Collateral Agent.

(b) The Borrower shall indemnify the Collateral Agent and each of its Related Parties (each such Person being called an “**Indemnitee**”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable fees, charges and disbursements of counsel for the Indemnitee(s); provided, that Borrower shall only be responsible for the fees, charges and disbursements of a single attorney or firm engaged to represent all Indemnitees taken together, except to the extent such joint representation would be inappropriate under applicable standards of professional conduct), incurred by any Indemnitee or asserted against any Indemnitee by any third party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Transaction Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or the use or proposed use of the proceeds therefrom, or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any of its Affiliates and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the negligence, bad faith, willful misconduct or fraudulent actions of such Indemnitee or its Related Persons.

(c) Except for liabilities to third parties relating to defense and indemnification obligations hereunder and to the extent permitted by applicable law, no party shall assert on its own behalf, and each hereby waives, any claim against any other party, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any other Transaction Document, or any agreement or instrument contemplated hereby, or the transactions contemplated hereby. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under this subsection (c) of this Section to be paid by it to the Collateral Agent or any Related Party thereof, the Lender (to the extent and only to the extent available from the Collateral Account from time to time) agrees to pay to the Collateral Agent or such Related Party, as the case may be, such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Collateral Agent in its capacity as such.

(d) Notwithstanding anything herein to the contrary, the provisions of this Section shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the repayment of any of the Secured Obligations, the reduction or termination of the commitments to make Loans under the Credit Agreement, the invalidity or unenforceability of any term or provision of this Agreement, the Credit

Agreement or any other Transaction Document or any investigation made by or on behalf of any party hereto.

(e) If any transfer tax, documentary stamp tax or other tax is payable in connection with the Collateral or the Security Interest, the Borrower will pay such tax and provide any required tax stamps to the Collateral Agent or as otherwise required by law.

Section 12. *Successors and Assigns.*

(a) This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns permitted hereby, except that the Collateral Agent may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender, which consent shall not be unreasonably withheld (and any attempted assignment or transfer by the Collateral Agent without such consent shall be null and void). If all or any part of any Secured Party's interest in any Secured Obligation is assigned or otherwise transferred, the transferor's rights hereunder, to the extent applicable to the obligation so transferred, shall be automatically transferred with such Secured Obligation.

(b) Any Person (i) into which the Collateral Agent may be merged or consolidated, (ii) which may result from any merger, conversion or consolidation to which the Collateral Agent shall be a party or (iii) succeeding to the business of the Collateral Agent, which Person, in any of the foregoing cases executes an agreement of assumption to perform every obligation of the Collateral Agent hereunder, shall be the successor to the Collateral Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the Parties to this Agreement, notwithstanding anything in this Agreement to the contrary. The Collateral Agent shall provide prior written notice of any merger, consolidation or succession pursuant to this clause to the Borrower and the Lender.

Section 13. *Counterparts.*

This Agreement may be executed in counterparts (and by different Parties on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 9. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 14. *Severability.*

If any one or more of the provisions contained in this Agreement or in any other Transaction Document should be held invalid, illegal or unenforceable in any respect to the extent permitted by applicable law, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a

particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The Parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 15. *Integration.*

This Agreement and the other Transaction Documents represent the entire agreement of the Parties with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Borrower, any Secured Party or the Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Transaction Documents.

Section 16. *Applicable Law.*

THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE FEDERAL LAW OF THE UNITED STATES. INSOFAR AS THERE MAY BE NO APPLICABLE FEDERAL LAW, THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY RULE OF CONFLICTS OF LAW (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW) THAT WOULD RESULT IN THE APPLICATION OF THE SUBSTANTIVE LAW OF ANY JURISDICTION OTHER THAN THE STATE OF NEW YORK. NOTHING IN THIS AGREEMENT SHALL REQUIRE ANY UNLAWFUL ACTION OR INACTION BY EITHER PARTY.

Section 17. *Submission to Jurisdiction; Venue; Etc.*

EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY:

(a) SUBMITS FOR ITSELF AND ITS PROPERTY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT, THE PROMISSORY NOTES AND THE OTHER LOAN DOCUMENTS, OR FOR RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT IN RESPECT THEREOF, TO THE GENERAL JURISDICTION OF ANY COURT OF THE STATE AND COUNTY OF NEW YORK, OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK;

(b) CONSENTS THAT ANY SUCH ACTION OR PROCEEDING MAY BE BROUGHT IN SUCH COURTS AND, TO THE EXTENT PERMITTED BY LAW, WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH ACTION OR PROCEEDING IN ANY SUCH COURT OR THAT SUCH ACTION OR PROCEEDING WAS BROUGHT IN AN INCONVENIENT COURT AND AGREES NOT TO PLEAD OR CLAIM THE SAME;

(c) AGREES THAT SERVICE OF PROCESS IN ANY SUCH ACTION OR PROCEEDING MAY BE EFFECTED BY MAILING A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL), POSTAGE PREPAID, TO ITS ADDRESS SET FORTH IN SECTION 9.02 OR AT SUCH OTHER ADDRESS OF WHICH THE LENDER SHALL HAVE BEEN NOTIFIED; AND

(d) AGREES THAT NOTHING HEREIN SHALL AFFECT THE RIGHT TO EFFECT SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR SHALL LIMIT THE RIGHT TO SUE IN ANY OTHER JURISDICTION.

Section 18. *Confidentiality.*

The Lender and the Collateral Agent agree to keep confidential all nonpublic information provided to them by the Borrower (or the Collateral Agent on behalf of the Borrower), the Collateral Agent, the Lender or any other Person pursuant to or in connection with this Agreement or the other Transaction Documents in accordance with the confidentiality provisions applicable to the Lender set forth in Section 9.14 of the Credit Agreement.

Section 19. *WAIVERS OF JURY TRIAL.*

EACH PARTY HERETO IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE COLLATERAL, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 20. *Limited Recourse.*

Notwithstanding anything to the contrary contained in this Agreement and the other Transaction Documents, the obligations of the Borrower under this Agreement and all other Transaction Documents are solely the obligations of the Borrower and shall be payable solely to the extent of funds received by and available to the Borrower in accordance with this Agreement and the other Transaction Documents. No recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, the Borrower arising out of or based upon this Agreement or any other Transaction Document against any holder of a membership interest, employee, officer or Affiliate thereof and, except as specifically provided herein and in the other Transaction Documents, no recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, the Borrower arising out of or based upon this Agreement against the Collateral Agent or any holder of the membership interests of the Borrower or any Related Party of any thereof; *provided* that the foregoing shall not relieve any such person or entity from any liability they might otherwise have as a result of bad faith, willful misconduct, or fraudulent actions taken or omissions by them or, in the case of the Collateral Agent or any Related Party thereof, the foregoing or its negligence in the performance of its duties under the Servicing Agreement. The

provisions of this Section 20 shall survive the termination or expiration of this Agreement and payment in full of all the Secured Obligations.

Section 21. *Headings.*

Article and Section headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 22. *Waiver of Right of Setoff.*

The Collateral Agent waives all of its rights to set off and apply any Collateral at any time held and other obligations at any time owing by the Collateral Agent to or for the credit or the account of the Borrower or any Secured Party against the obligations of the Borrower or any Secured Party hereunder and under the other Transaction Documents, irrespective of whether or not the Collateral Agent shall have made any demand thereunder and although such obligations may be unmatured.

Section 23. *Instructions.*

It is understood that any instruction required to be given, prepared and/or delivered pursuant to this Agreement by the Lender, the Borrower, or the Servicer acting its behalf will be given, prepared and/or delivered pursuant to a Proper Instruction.

Section 24. *Further Assurances.*

Each Party agrees to do such further acts and things and to execute and deliver to the Borrower (or to the Collateral Agent or the Lender) such additional assignments, agreements, powers and instruments, as may be reasonably necessary to carry into effect the purposes of this Agreement.

Section 25. *Intentionally Reserved.*

Section 26. *Role of the Lender.*

Each party agrees that, except as otherwise set forth in this Agreement and the other Transaction Documents, the Lender has ultimate authority with respect to all decisions regarding the management of the Collateral (which the Lender may delegate, in whole or in part, to the Collateral Agent or otherwise).

Section 27. *No Petitions.*

The Collateral Agent and each other Secured Party (except the Lender), by accepting the benefits hereof, hereby covenants and agrees that it will not at any time prior to a year and a day after all of the Secured Obligations are repaid in full, (a) commence or institute against the Borrower or join with or facilitate any other Person in commencing or instituting against the Borrower, any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution, receivership, insolvency or liquidation

proceedings, or other similar proceedings under any United States Federal or state, or other jurisdiction, bankruptcy or similar law or statute now or hereafter in effect or (b) participate in any assignment for benefit of creditors, compositions, or arrangements with respect to the Borrower's debts.

Section 28. *Limitation upon Certain Independent Actions by Secured Parties; No Challenges.*

(a) No Secured Party other than the Lender shall have any right to institute any action or proceeding to enforce any term or provision of the Security Documents or to enforce any of its rights in respect of the Collateral or to exercise any other remedy pursuant to the Security Documents or at law or in equity for the purpose of realizing on the Collateral, or by reason of jeopardy of any Collateral, or for the execution of any trust or power hereunder (collectively, the "**Specified Actions**"). The Lender may act on behalf of the Secured Parties or any of them and shall be entitled to commence proceedings in any court of competent jurisdiction or to take any other Specified Actions as the Collateral Agent might have taken pursuant to this Agreement or the other Security Documents. The Borrower acknowledges and agrees that should the Lender act in accordance with this provision, the Lender will have all the rights, remedies, benefits and powers as are granted to the Collateral Agent pursuant this Agreement and the other Security Documents.

(b) In no event shall any Secured Party take any action to challenge, contest or dispute the validity, extent, enforceability or priority of the Security Interest hereunder or under any other Security Document with respect to any of the Collateral, or that would have the effect of invalidating the Security Interest or support any Person who takes any such action. Each of the Secured Parties agrees that it will not take any action to challenge, contest or dispute the validity, enforceability or secured status of any other Secured Party's claims against the Borrower (other than any such claim resulting from a breach of this Agreement by a Secured Party, or any challenge, contest or dispute alleging arithmetical error in the determination of a claim), or that would have the effect of invalidating any such claim, or support any Person who takes any such action.

(c) Notwithstanding the foregoing, any Secured Party may (i) file a claim with respect to the Secured Obligations in any insolvency proceeding or vote on any plan of reorganization and (ii) file any necessary responsive or defensive pleadings.

Section 29. *Termination.*

The Security Interest created or granted hereby shall terminate on the first date on which (a) the Lender has no remaining commitment to make any Loans, (b) all Collateral has been fully liquidated and Disposed of and all proceeds thereof, including all amounts on deposit in the Collateral Account, have been distributed in accordance with Section 5, and (c) all Secured Obligations have been paid in full. Except as otherwise set forth herein, this Agreement shall terminate on, and all representations, warranties and covenants of all parties hereto shall survive until, the later of the (i) the date on which the

Security Interest terminates pursuant to the preceding sentence, and (ii) the date on which the Borrower is dissolved in accordance with the LLC Agreement.

Section 30. *Additional Inspection Rights.*

At all times while any Secured Obligations are outstanding, the Borrower and the Collateral Agent shall permit (i) the Collateral Agent, the Lender, and their respective agents, consultants, contractors and advisors, (ii) the Special Inspector General of the Troubled Asset Relief Program, and (iii) the Comptroller General of the United States access to personnel and any books, papers, records or other data delivered to it pursuant to the Transaction Documents or any Supplier Agreement or otherwise in its possession, custody or control, in each case to the extent relevant to ascertaining compliance with the terms and conditions set forth in the Transaction Documents or any Supplier Agreement, during normal business hours and upon reasonable notice to the Borrower or the Collateral Agent, as the case may be; *provided* that prior to disclosing any information pursuant to clause (i), (ii) or (iii), the Lender, the Special Inspector General of the Troubled Asset Relief Program and the Comptroller General of the United States shall have agreed, with respect to documents obtained under this agreement in furtherance of their respective functions, to follow applicable law and regulation (and the applicable customary policies and procedures, including those for inspectors general) regarding the dissemination of confidential materials, including redacting confidential information from the public version of its reports, as appropriate, and soliciting input from the Borrower as to information that should be afforded confidentiality. The Lender represents that it has been informed by the Special Inspector General of the Troubled Asset Relief Program and the Comptroller General of the United States that they, before making any request for access or information pursuant to their oversight and audit functions, will establish a protocol to avoid, to the extent reasonably possible, duplicative requests. Nothing in this Section 30 shall be construed to limit the authority that the Special Inspector General of the Troubled Asset Relief Program or the Comptroller General of the United States have under law.

Section 31. *No Merger of Title.*

If the Borrower (or any Person claiming through the Borrower, including the Lender) is deemed to be holding a Purchased Receivable on behalf of the Pledgor, no merger shall result therefrom; and the Borrower's right to receive payment as account creditor shall remain separate and distinct from the Pledgor's obligation to make payment as account debtor until such Purchased Receivable has been paid in full.

ARTICLE II: RECEIVABLES SALE AND PURCHASE

2.1 Purchase Offers. Upon Supplier's receipt of a Qualifying Payment Notification, Supplier is deemed to automatically offer to sell to Purchaser the Eligible Receivables (a "Purchase Offer") described in such Payment Notification at a price (the "Purchase Price") equal to the face amount of such Eligible Receivables as specified in such Qualifying Payment Notification less the applicable Discount Charge.

2.2 Agreement to Purchase. In accordance with the terms and subject to the conditions hereinafter set forth, upon Supplier's receipt of a Qualifying Payment Notification, Purchaser agrees to purchase from Supplier, all of Supplier's right, title and interest in and to all of the Eligible Receivables described in such Qualifying Payment Notification for a price equal to the Purchase Price.

2.3 Receivables Purchase. (a) Supplier hereby agrees that, simultaneously with receipt of any Qualifying Payment Notification, the Purchase Offer corresponding to such Qualifying Payment Notification will be deemed accepted by Purchaser and Supplier will be deemed to have (i) transferred to Purchaser all of Supplier's present and future right, title and interest in, to and under the Eligible Receivables to which such Qualifying Payment Notification relates, and (ii) provided notice to the Paying Agent of Supplier's designation of Purchaser as the entity to receive payment of the amount specified in OEM's Qualifying Payment Notification with respect to such Eligible Receivables. No further writing shall be necessary to evidence such transfer of ownership. In furtherance of the foregoing, Supplier agrees to sign all such other documents, and take all such further actions, as Purchaser may reasonably request from time to time to evidence this transfer of ownership. Provided that sufficient funds are made available to Paying Agent by OEM (or, by OEM on behalf of an Approved Affiliate) at or prior to 12:00 noon New York time one Business Day prior to the Due Date, Citibank shall make payment of OEM's or such Approved Affiliate's obligations to the Purchaser or its designee on the Due Date, in accordance with the terms of each Qualifying Payment Notification, by automated clearing house network or wire transfer of immediately available funds to the Collateral Account.

(b) Supplier hereby agrees that its obligations under this Agreement and any Purchase Offers issued by it shall

not be affected by the invalidity, unenforceability, existence, performance or non-performance of the relevant underlying transaction, which (and any liability for which) shall be between Supplier and OEM or Approved Affiliate, as the case may be, only (provided that this clause (b) shall not limit Supplier's liability for any breach of a representation or warranty made by it in this Agreement).

(c) It is the intention of Supplier and Purchaser that each purchase and sale of Eligible Receivables pursuant to this Article II shall constitute a true sale, which sale will be absolute and irrevocable and provide Purchaser with the full benefits and burdens of ownership of such Eligible Receivables. Except as provided in Sections 2.3(d) and 6.5, the sale of Eligible Receivables hereunder is made without recourse to Supplier; provided, however, that such sale does not constitute and is not intended to result in an assumption by Purchaser or Citibank of any obligation of Supplier or any other person arising in connection with the Eligible Receivables or any other obligations of Supplier. In the event, but only to the extent, that the conveyance of any Eligible Receivables by the Supplier hereunder is characterized by a court or other governmental authority as a loan rather than a sale, the Supplier shall be deemed hereunder to have granted to Purchaser effective as of the date of the first purchase under this Agreement, a security interest in all of Supplier's right, title and interest in, to and under all of the Eligible Receivables sold by it, whether now or hereafter owned, existing or arising. Such security interest shall secure any and all rights of, and payments owed to, Purchaser under this Agreement, whether now or hereafter existing or arising, due or to become due, direct or indirect, absolute or contingent. Purchaser shall have, in addition to all the other rights and remedies available to Purchaser under this Agreement and applicable law, all the rights and remedies of a secured party under the NYUCC, and this Agreement shall constitute a security agreement under applicable law. Supplier will cause all of its applicable books and records (including, computer and other electronic records) to clearly and accurately reflect that Purchaser has purchased the Purchased Receivables.

(d) If any Receivable for which the Purchaser has paid to Supplier the applicable Purchase Price is subsequently determined by Purchaser or Citibank not to have been an Eligible Receivable as of the date of the corresponding Purchase Offer, and such failure is a result of the inaccuracy of any of Supplier's representations or warranties hereunder, then Supplier agrees that, at Purchaser's election, Supplier will repurchase the affected Receivable from Purchaser for a price equal to its Purchase Price (provided that Supplier agrees that Purchaser may effect such repurchase by setting off any obligations, including any obligation to pay any Purchase Price, whether then existing or thereafter arising, owed to Supplier hereunder). Following the repurchase by

Supplier of any ineligible Receivable in accordance with the foregoing, Purchaser and Citibank agree that (i) Citibank will make payment to the Designated Account on the Due Date specified in the Payment Notification corresponding to such Receivable (to the extent funds are provided for such payment by OEM (or by OEM on behalf of an Approved Affiliate)) or (ii) to the extent OEM has theretofore discharged its (or its Approved Affiliate's) obligation in respect of such Receivable by payment to Purchaser, Purchaser shall pay to Supplier an amount equal to such payment received by it from OEM (or, from OEM on behalf of an Approved Affiliate) (in each case, taking into account any setoff exercised in accordance with the preceding sentence).

2.4 Payment of Purchase Price.

Important: Supplier must elect either Payment Option 1 (*Immediate Payment*) or Payment Option 2 (*Payment on Maturity*). If no Payment Option is selected by Supplier, Supplier will be deemed to have elected Payment Option 1 (*Immediate Payment*). The Payment Option selected by Supplier will be applicable to all Eligible Receivables purchased from Supplier hereunder and may not be modified without the prior written consent of Purchaser and Citibank (such consent not to be unreasonably withheld).

CHECK ONE BOX BELOW.

PAYMENT OPTION 1: IMMEDIATE PAYMENT

If Payment Option 1 is elected or deemed to have been elected, Purchaser shall pay to Supplier the Purchase Price for the Eligible Receivables to which a Purchase Offer relates by depositing the Purchase Price therefor in the Designated Account on or before the close of business on the fourth Business Day following Supplier's receipt of such Purchase Offer.

OPTION 2: PAYMENT ON MATURITY

If Payment Option 2 is elected, Purchaser shall pay to Supplier the Purchase Price for the Eligible Receivables to which a Purchase Offer relates by depositing the Purchase Price therefor in the Designated Account on or before the close of business on the Due Date.

Regardless of whether Payment Option 1 or Payment Option 2 is elected (or deemed elected) by Supplier, it is the intention of Supplier and Purchaser that each purchase and sale of any Eligible Receivables pursuant to this Article II shall constitute a true sale at the time each Purchase Offer is accepted by Purchaser as provided in Section 2.3 above, and at such time, all of Supplier's present and future right, title and interest in, to and under such Eligible Receivables shall be deemed transferred to Purchaser, following which Purchaser will have the full benefits and burdens of ownership of such Eligible Receivables as provided in Section 2.3 above (including the risk of non-payment by OEM or the relevant Approved Affiliate).

2.5 Messages. Supplier shall use the System to send all information, instructions and messages ("Messages") under this Agreement (including, without limitation, any updates to the Supplier's list of personnel authorized to use the System on Supplier's behalf). Any Message sent by Supplier via the System is valid and binding on Supplier, and Citibank and Purchaser are entitled to rely thereon, irrespective of any error or fraud contained therein or the identity of the individual who sent the Message, except to the extent that such error or fraud or use of the System by an unauthorized third party is a result of the failure by Citibank to use commercially reasonable security measures to prevent unauthorized access to the System. Supplier agrees that the act of sending a Message electronically in accordance with this Agreement is as legally binding as if Supplier had manually executed and delivered that Message in written form, and that Supplier will not contest the validity, legally binding nature or enforceability of that Message on the basis that the act of sending the Message electronically is invalid or not binding on Supplier.

ARTICLE III: LICENSE TO THE SYSTEM

3.1 License Grant. (a) Subject to the terms and conditions set forth herein, Citibank hereby grants to Supplier a limited, personal, non-exclusive, nontransferable license and right, without the right to further sublicense, during the term of this Agreement, to access and use the Licensed Resources, solely for the purposes contemplated by this Agreement (the "License"). Except as expressly set forth in this Agreement, Supplier shall have no other right (including any ownership right or intellectual property right), title or interest to or in the Licensed Resources or any portion thereof.

(b) Supplier acknowledges that, as between Citibank and Supplier, all right, title and interest in and to the System, including without limitation, all Intellectual Property Rights therein, are vested, and shall remain vested, in Citibank and its licensors. Notwithstanding anything to the contrary contained herein and except as otherwise may be expressly agreed in writing, all right, title and interest in and to revisions, upgrades, updates, derivative works and other improvements to the System shall vest solely in Citibank and its licensors. Except for the grant herein by Citibank to Supplier, nothing in this Agreement shall act to operate as an assignment or other transfer of any of such rights to Supplier.

3.2 Usage. (a) Supplier shall access and use the System only in accordance with this Agreement and the Policies and Procedures. Supplier shall remain informed as to any updates to the Policies and Procedures that may be implemented from time to time. Approval of an update shall be deemed to be given by Supplier if Supplier continues to utilize the System subsequent to the publication of any such update.

(b) Supplier shall promptly use any successors, updates,

new releases or replacements of any portion of the Equipment or Software provided to it from time to time by Citibank or otherwise, for use in accessing the System, and cease to use the previous version or release of such portion.

(c) Supplier shall have the right under the License to use the content of the System website on a computer screen, to print reasonable extracts from the website, and to save reasonable copies to its hard drive(s), in each case solely for the purposes contemplated by this Agreement. All other copying, distribution or commercial use of any of the content of the website is strictly forbidden. Except for the limited right granted by this Section 3.2(c), no other right or license is granted in respect of the content of the website.

(d) Supplier shall not have the right to, and shall not, without the written consent of Citibank, alter or modify the whole or any part of the Licensed Resources.

3.3 Security. Supplier shall safeguard and keep confidential, and put into effect and maintain commercially reasonable security measures to safeguard and keep confidential, the Licensed Resources. In furtherance of the foregoing, Supplier agrees that:

(i) it will not knowingly interfere with, defeat, circumvent or tamper with any information or instruction that is, by the terms of this Agreement or the Policies and Procedures, to be transmitted through the System, or with the restrictions on use of functionality or access to information on any portion of the System, or attempt to do so;

(ii) it will not knowingly introduce into any portion of the System any virus or other data or code that harms, or may adversely affect, the operation of the System; and

(iii) it will ensure that all Messages being communicated by it through the System are sent in accordance with this Agreement and the Policies and Procedures.

3.4 System Availability. Supplier acknowledges and agrees that: (i) Citibank does not represent or warrant that the System will be error-free; and (ii) there will be downtime from time to time when the System cannot be accessed. In addition, Supplier acknowledges and agrees that it is responsible for providing and maintaining, and Citibank has no liability or responsibility in respect of, equipment not supplied by or on behalf of Citibank, or utility services that Supplier utilizes as a result of its participation in the System and maintaining a link to the System. Citibank may terminate or suspend Supplier's access to the Licensed Resources, with immediate effect upon notice to Supplier, in the event any licensor of the Licensed Resources terminates or suspends, as the case may be, Citibank's right to provide the Licensed Resources to Supplier or as provided in Section 6.6. Supplier acknowledges and agrees that Purchaser does not make any representation or warranty, and shall have no liability to Supplier, with respect to the System.

ARTICLE IV: FEES AND CHARGES

No processing, licensing or other fees or charges will be payable by Supplier or Purchaser to Citibank hereunder, and other than the applicable Discount Charge payable by Supplier, no other fees or charges will be payable by Supplier to Purchaser. Purchaser acknowledges that it is paying fees to Citibank pursuant to the terms of the Servicing Agreement.

ARTICLE V: REPRESENTATIONS, WARRANTIES AND COVENANTS

5.1 Mutual Representations and Warranties of the Parties. Each Party represents and warrants as follows: (i) it is validly existing and in good standing and has the power to enter into and perform, and has all necessary authorizations for the entry into, performance and delivery of, this Agreement and the transactions contemplated by this Agreement; (ii) this Agreement constitutes its legal, valid and binding obligation, enforceable in accordance with the Agreement's terms; and (iii) its execution, delivery and performance of this Agreement does not contravene its constitutive documents or any contract binding on or affecting it or any of its properties, does not violate any applicable law, regulation or order, and does not require any notice, filing or other action to or by any governmental authority, except for the financing statements or other instruments or notices referred to in Section 5.3(g).

5.2 Supplier Representations and Warranties. Supplier hereby agrees that, by issuing a Purchase Offer with respect to any Receivable, Supplier will be deemed to have made each of the following representations and warranties as of the date of such Purchase Offer (and, in the case of the representation in clause (a)(i) below, as of the date any Purchase Price is paid to Supplier hereunder):

- (a) (i) Supplier is an Eligible Supplier, and (ii) each Receivable which is the subject of such Purchase Offer is an Eligible Receivable.
- (b) Each such Receivable (i) is the exclusive property of Supplier, free and clear of all security interests, liens or claims of any kind; (ii) is based on a sale of goods or services that have been delivered to and accepted by OEM or an Approved Affiliate, and complies with all applicable legal requirements; (iii) constitutes a valid, binding and unconditional obligation of OEM or an Approved Affiliate to pay the full amount of such Receivable, free of any defense, set-off or counterclaim; and (iv) is not disputed by OEM or any other person, and is not the subject of any legal or arbitral proceeding.
- (c) The full and correct legal name, type of organization, jurisdiction of organization, organizational ID number (if applicable) and mailing address of Supplier as of the date hereof are correctly set forth in Schedule I. Supplier has not (i) within the period of four months prior to the date hereof, changed its location (as defined in

Section 9-307 of the NYUCC), (ii) except as specified in Schedule I, heretofore changed its name, or (iii) except as specified in Schedule I, heretofore become a "new debtor" (as defined in Section 9-102(a)(56) of the NYUCC) with respect to a currently effective security agreement previously entered into by any other Person.

(d) With respect to each Receivable purchased by the Purchaser hereunder, the consideration received from the Purchaser in respect of such Receivable represents adequate consideration and fair and reasonably equivalent value for such Receivable.

(e) Supplier is not in breach of any of its obligations under this Agreement.

5.3 Supplier Covenants. Supplier hereby covenants and agrees with the other Parties as follows:

(a) Supplier shall use the System solely to settle the purchase of Eligible Receivables as contemplated by this Agreement and shall not use the System for investment or arbitrage purposes, or for any money laundering purpose, or in contravention of any law or regulation. Supplier shall not use the System in any manner that would violate the Program Terms.

(b) Supplier shall comply with all relevant laws and regulations applicable to this Agreement and the Purchased Receivables and transactions conducted using the System including, without limitation, all applicable Program Terms and all applicable export control laws, and shall keep its state or other jurisdiction of organization and the office where it keeps its records concerning the Purchased Receivables at the address set forth in Section 6.9. Supplier shall timely and fully perform and comply with all provisions required to be observed by it under the contracts related to the Purchased Receivables and promptly inform Purchaser and Citibank of any breach or default by Supplier of any of the terms hereof or thereof.

(c) Supplier shall not (i) sell or otherwise dispose of or permit any encumbrance on the Purchased Receivables other than Purchaser's interest therein, (ii) amend or extend the payment terms of any Purchased Receivable or (iii) take or omit any action that might in any way prejudice or limit Purchaser's rights with respect to any such Receivable or this Agreement.

(d) Supplier shall maintain and implement administrative and operating procedures, and keep and maintain all documents, books, records and other information reasonably necessary for the collection of all Purchased Receivables, and with respect to compliance of the underlying commercial transactions with applicable law. Supplier shall retain each record required to be maintained under this Section 5.3(d) during the term of this Agreement and, if applicable, for such longer period as may be required by law. Supplier shall make such procedures, documents, books, records and other information available to Purchaser and its agents,

representatives and relevant authorities upon request, and shall allow copies or extracts thereof to be made, as Purchaser deems necessary. All information provided by Supplier to Citibank or Purchaser from time to time in connection with this Agreement shall be true and accurate in all material respects, and Citibank and Purchaser are hereby authorized from time to time to verify information about Supplier.

(e) Supplier will (i) cause all of its applicable books and records (including, computer and other electronic records) to clearly and accurately reflect that Purchaser has purchased the Purchased Receivables and will not, and will not permit any Person with which it is consolidated for accounting purposes to, account for or otherwise treat the transactions hereunder in any manner other than a true sale and absolute transfer of title and beneficial ownership of the Purchased Receivables, and (ii) at Purchaser's request, transfer possession to Purchaser of all the receipts, order slips, acceptances, and other records or documentation pertaining to the sale of goods or services to which such Receivables relate. Supplier shall maintain procedures (including, without limitation, an ability to recreate records evidencing specific Purchased Receivables and related contracts in the event of the destruction of the originals thereof), and keep and maintain all documents, books, records and other information that are reasonably necessary for collecting all Purchased Receivables (including, without limitation, records adequate to permit the daily identification of each Purchased Receivable and all collections or adjustments with respect thereto).

(f) Without at least 30 days' prior written notice to Citibank and Purchaser, Supplier shall not (i) change its location (as defined in Section 9-307 of the NYUCC), or (ii) change its name from the name shown as its current legal name on Schedule I.

(g) Supplier hereby irrevocably authorizes Purchaser, in its sole discretion, to file (or cause to be filed) one or more financing statements (and other similar instruments) and amendments thereto, relative to all or any part of the Purchased Receivables, without the signature of Supplier, to the extent permitted by applicable law. If not so permitted by applicable law, or in such other circumstances as Purchaser may reasonably request, Supplier will execute and file any such financing statements and amendments thereto, and such other instruments or notices and take such other actions as Purchaser may reasonably request, as may be necessary or appropriate to perfect and maintain the perfection of Purchaser's ownership and security interest in such Receivables.

ARTICLE VI: MISCELLANEOUS

6.1 Waivers; Severability. No delay or failure of any Party hereto in exercising any right, privilege or option under this Agreement shall operate as a waiver of such or

of any other right, privilege, or option. If any provision of this Agreement is or becomes illegal or invalid under any applicable law, the validity of the remaining provisions shall not be affected thereby.

6.2 Limitation on Liability. (a) Citibank and Purchaser shall be entitled to rely on any communication sent by Supplier, irrespective of any error or fraud contained in the communication or the identity of the individual who sent the communication, and shall not be liable for any action taken or omitted in reliance on any notice, direction, consent, certificate, affidavit, statement, designation or other paper or document reasonably believed by it to be genuine and to have been duly and properly signed or presented to it by Supplier.

(b) Except for liabilities to third parties relating to defense and indemnification obligations hereunder, no Party shall be liable to any other Party or responsible for any loss of business or profits, revenue or goodwill, or any indirect or consequential, special, exemplary or punitive losses or damages, whether arising from negligence, breach of contract or otherwise, even if informed of the possibility of those losses or damages.

(c) Citibank shall not be liable to Supplier for any Losses arising out of or relating to any of its actions or omissions to act hereunder, except to the extent that any such Losses are caused by Citibank's gross negligence or willful misconduct. Citibank's liability for any Losses to Purchaser shall be governed solely and exclusively by the terms of the Servicing Agreement.

(d) No Party shall be deemed to be in default of any of the obligations required to be performed by it under this Agreement to the extent that performance thereof is delayed, hindered or becomes impossible because of any act of God or public enemy, hostilities, war (declared or undeclared), guerilla activities, terrorist activities, act of sabotage, blockade, earthquake, flood, landslide, avalanche, tremor, ground movement, hurricane, storm, explosion, fire, labor disturbance, riot, insurrection, strike, sickness, accident, civil commotion, epidemic, act of government or its agencies or officers, power interruption or transmission failure or any other cause beyond the reasonable control of such Party.

6.3 No Implied Duties or Warranties. Citibank shall be obliged to perform such duties and only such duties as are specifically set forth herein, and no implied duties or responsibilities shall be read or implied into this Agreement against Citibank. Notwithstanding any other provision elsewhere contained in this Agreement, Citibank shall have no duties or obligations hereunder to any person or entity other than Purchaser and Supplier and, without limiting the foregoing, does not assume any obligation or relationship of agency or trust hereunder for, or with, Supplier, Purchaser, or any other persons. Except as expressly provided in this Agreement, no representation, warranty, term or condition, express or

implied, statutory or otherwise, is given or assumed by Citibank in respect of the Licensed Resources. Without limiting the foregoing, Purchaser and Supplier understand that Citibank is not giving any representation or warranty as to condition, performance, fitness for purpose, suitability, merchantability, quality or otherwise, or of non-infringement, and that the Licensed Resources are provided as is, except as expressly provided herein. Nothing herein shall limit the obligations of Citibank under any other agreement it may have with any other Party or the UST.

6.4 Confidentiality; Inspection Rights of UST. (a) Each Party agrees to maintain the confidentiality of any Confidential Information (as defined below) of the other Party to which it has access under the System or otherwise under this Agreement, and to use such Confidential Information only for the purposes of exercising its rights and performing its obligations under this Agreement, and not for its own personal gain or benefit. "Confidential Information" shall mean information of a Party that the receiving Party knows or reasonably should know to be confidential to such first Party; provided, however, that the term does not include any information that the receiving Party can demonstrate, by clear and convincing evidence: (i) to be part of the public domain without any breach of this Agreement by the receiving Party; (ii) to be or to become generally known to the general public or organizations engaged in the same or similar businesses as the receiving Party on a non-confidential basis, through no wrongful act of such Party; (iii) to be known by the receiving Party prior to disclosure to it hereunder without any obligation to keep it confidential; (iv) to be disclosed to it by a third party which, to the best of the receiving Party's knowledge, is not required to maintain the information as proprietary or confidential; (v) to be independently developed by the receiving Party without reference to Confidential Information of the other Party; or (vi) to be the subject of a written agreement whereby the other Party consents to the disclosure of such Confidential Information on a non-confidential basis. Notwithstanding anything to the contrary in this Agreement, UST shall have the right to disclose any documents and information provided to it hereunder to its Representatives and nothing herein shall prevent UST from disclosing any such documents or information to the extent required by any legal requirements or by any subpoena or similar legal process. UST understands that the documents and information may contain commercially sensitive confidential information entitled to an exception from a Freedom of Information Act request.

(b) Notwithstanding the foregoing, any Party may disclose Confidential Information obtained from any other Party to any authority of competent jurisdiction if disclosure is required pursuant to a court order or instruction of any regulatory or supervisory authority having jurisdiction over it, provided that the disclosing Party shall have given such other Party prompt notice thereof (unless

The Servicer will promptly (and in any event within one Business Day) of its knowledge of the occurrence of any Insolvency Event with respect to New OEM, restrict New OEM from uploading any new Payment Instructions to the System. In addition, the Servicer agrees that it will use commercially reasonable efforts to maintain the System parameters so that the System only accepts Receivables satisfying the System Criteria as of the time the related Payment Instruction is delivered. The Purchaser acknowledges and agrees that: (i) the Servicer does not represent or warrant that the System will be error-free; (ii) the foregoing does not constitute, and shall not be construed to be, a guarantee by the Servicer that all Receivables accepted by the System will constitute Eligible Receivables; and (iii) there will be downtime from time to time when the System cannot be accessed (provided that Servicer shall give prior notice to Purchaser as early as reasonably practical upon knowledge of any scheduled downtime). The Servicer agrees to use commercially reasonable efforts to promptly remedy any System downtime.

Section 4.4 Servicer Fee.

(a) The Purchaser agrees to pay to the Servicer the Servicer Monthly Fee. On each Servicing Fee Payment Date, the Purchaser shall remit to the Servicer the Servicer Monthly Fee by wire transfer, in immediately available funds and without deduction, set-off or counterclaim, to such bank or to such account as is specified by the Servicer. In addition, on the date of termination of this Agreement or earlier resignation or removal of Citibank as Servicer hereunder, if such date would otherwise not be a Servicing Fee Payment Date, Purchaser shall on such date pay to Citibank all accrued and unpaid Monthly Servicer Fee through such date. The Servicer Monthly Fee shall not be refundable in whole or in part in any circumstances. The Purchaser acknowledges and agrees that the Servicer may, on behalf of the Purchaser, submit to the Collateral Agent each invoice for payment of its Servicer Monthly Fee due hereunder; provided that Servicer shall provide copies of all such invoices to the Purchaser.

(b) On the Loan Termination Date (or the date of any earlier termination of this Agreement or removal of Servicer pursuant to Section 7.4), the Purchaser shall pay to the Servicer the Minimum Servicer Fee, if any, in accordance with the Shared Fee Letter.

Section 4.5 Servicer Expenses.

(a) Subject to clause (b) below, the Purchaser shall be required to pay or reimburse the Servicer for all Costs and Expenses incurred by Servicer in connection with its activities hereunder, including, without limitation, the SOW Amount (as such term is defined in the Statement of Work dated September 24, 2009 by and among Servicer, Purchaser and New OEM) and all other reasonable fees and disbursements of independent accountants, legal counsel (including the reasonable fees and expenses of Milbank, Tweed, Hadley & McCloy LLP, special New York counsel to Citibank, in connection with the preparation, negotiation, execution, delivery and administration of this Agreement and the other Transaction Documents), any taxes imposed on the Servicer (but specifically excluding all state, local, and federal taxes measured by the income of the Servicer). The Purchaser acknowledges and agrees that the Servicer may, on

behalf of the Purchaser, submit to the Collateral Agent from time to time invoices for payment of any Costs and Expenses due to hereunder; provided that Servicer shall provide copies of all such invoices to the Purchaser.

(b) In the case of any Initial Costs and Expenses, Purchaser shall only be responsible to pay such amounts to the extent set forth in the Shared Fee Letter. In the case of any Costs and Expenses incurred after the date hereof, Servicer agrees that it will allocate Costs and Expenses relating to this Agreement and Other Costs and Expenses on a fair and non-discriminatory basis.

Section 4.6 No Implied Duties; Action Upon Instructions. The Servicer shall not have any duties or obligations except those expressly set forth herein. Without limiting the generality of the foregoing, the Servicer shall be obliged to perform such duties and only such duties as are specifically set forth herein, and no implied duties or responsibilities shall be read or implied into this Agreement against the Servicer. Notwithstanding any other provision elsewhere contained in this Agreement, the Servicer shall have no duties or obligations hereunder to any Person or entity other than the Purchaser and, except as expressly provided herein, UST, and, without limiting the foregoing, does not assume any obligation or relationship of agency or trust hereunder for, or with, Purchaser, OEM, New OEM any Approved Affiliate, UST, Suppliers, or any other Persons. Nothing herein shall limit the obligations of Citibank under any other agreement it may have with the UST or any other Person. The Servicer shall be deemed to have received proper instructions with respect to the Receivables and Related Security upon its receipt of written instructions signed by an officer of the Purchaser (or the Collateral Agent pursuant to an exercise of rights under the Security Agreement), and shall be entitled to rely on any such instructions without independent investigation in determining that such documents are authorized and permitted hereunder. Notwithstanding anything herein to the contrary, upon the occurrence and during the continuance of any Insolvency Event with respect to New OEM, the Servicer shall not be obligated to take any legal or other action hereunder which might in its reasonable judgment involve or cause it to incur any cost or expense or otherwise incur the risk of any financial liability (other than as a result of its own negligence, bad faith, willful misconduct or fraudulent action) if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

Section 4.7 Limitations on the Servicer's Authority. The Servicer has no authority to and will not:

(a) except as provided herein, sell, assign (by operation of law or otherwise) or otherwise dispose of, or create or suffer to exist any Adverse Claim upon or with respect to any Purchased Receivables or Collections or assign any right to receive income in respect thereof; or

(b) amend, compromise, discount, or otherwise modify the terms of any Purchased Receivable, or amend, modify or waive any term or condition of any Contract related thereto.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

Section 5.1 Mutual Representations and Warranties. Each of the Purchaser and the Servicer represents and warrants as follows: (i) it is validly existing and in good standing and has the power to enter into and perform, and has all necessary authorizations for the entry into, performance and delivery of, this Agreement and the transactions contemplated by this Agreement; (ii) this Agreement constitutes its legal, valid and binding obligation, enforceable in accordance with the Agreement's terms; and (iii) its execution, delivery and performance of this Agreement does not contravene its constitutive documents or any contract binding on or affecting it or any of its properties, does not violate any applicable law, regulation or order, and does not require any notice, filing or other action to or by any governmental authority.

ARTICLE VI

COVENANTS

Section 6.3 Notice of Servicer Breach. The Servicer shall give Purchaser and Lender prompt written notice of its knowledge of any event that with the giving of notice or lapse of time would constitute a Servicer Default.

ARTICLE VII

THE SERVICER

Section 7.1 Limitation on Liability.

(a) The Servicer shall be entitled to rely on any communication sent by the Purchaser, Lender, Collateral Agent or their respective Designated Representatives or any Supplier, irrespective of any error or fraud contained in the communication or the identity of the individual who sent the communication, and shall not be liable for any action taken or omitted in reliance on any notice, direction, consent, certificate, affidavit, statement, designation or other paper or document reasonably believed by it to be genuine and to have been duly and properly signed or presented to it by the Purchaser, Lender or its Designated Representatives or Supplier.

(b) Except for liabilities to third parties relating to defense and indemnification obligations hereunder, neither the Purchaser nor the Servicer shall be liable to

the other or responsible for any loss of business or profits, revenue or goodwill, or any indirect or consequential, special, exemplary or punitive losses or damages, whether arising from negligence, breach of contract or otherwise, even if informed of the possibility of those losses or damages.

(c) The Servicer shall not be liable for any Losses arising out of or relating to any of its actions or omissions to act hereunder, except to the extent that such Losses are caused by the negligence, bad faith, willful misconduct or fraudulent action of Servicer.

(d) Neither the Servicer nor the Purchaser shall be deemed to be in default of any of the obligations required to be performed by it under this Agreement to the extent that performance thereof is delayed, hindered or becomes impossible because of any act of God or public enemy, hostilities, war (declared or undeclared), guerilla activities, terrorist activities, act of sabotage, blockade, earthquake, flood, landslide, avalanche, tremor, ground movement, hurricane, storm, explosion, fire, labor disturbance, riot, insurrection, strike, sickness, accident, civil commotion, epidemic, act of government or its agencies or officers, power interruption or transmission failure or any other cause beyond the reasonable control of such Person.

Subject to the Servicer's obtaining the prior written consent of the Purchaser and Lender pursuant to Section 9.4 hereof, any Person (a) into which the Servicer may be merged or consolidated, (b) which may result from any merger or consolidation to which the Servicer shall be a party or (c) which may succeed to the properties and assets of the Servicer substantially as a whole, which Person in any of the foregoing cases executes an agreement of assumption to perform every obligation of the Servicer, under this Agreement, shall be the successor to the Servicer, hereunder without the execution or filing of any document or any further act by any of the parties to this Agreement.

Section 7.3 Resignation. The Servicer may resign as servicer hereunder at any time for any reason by written notice to the Purchaser and Lender; provided that no resignation of the Servicer shall be effective until the Purchaser (with Lender's consent) shall have appointed a successor servicer in accordance with Section 8.2 below. The expense reimbursement and exculpation provisions provided to the Servicer hereunder shall survive its resignation or removal under this Agreement with respect to any liabilities or expenses to the extent incurred or arising, or relating to events occurring, before such resignation or removal. All reasonable costs and expenses (including attorneys' fees) incurred in connection with transferring the servicing duties to the successor Servicer and amending this Agreement to reflect such succession as Servicer, shall be paid by the predecessor Servicer.

Section 7.4 Removal By Purchaser. The Purchaser (with the consent of Lender) shall have the right at any time by notice in writing to the Servicer to terminate all the rights and obligations of the Servicer under this Agreement, provided that no such termination shall be effective until payment in full to the Servicer of all accrued Costs and Expenses and accrued and unpaid Monthly Servicer Fee and, if applicable, Minimum Servicer Fee, payable to the Servicer hereunder, following which all authority and power of the Servicer under this Agreement, whether with respect to the Receivables, Related Security, Other Amounts and Collections or otherwise, shall, without further action, pass to and be vested in such successor as

the Purchaser (with the consent of Lender) may appoint. All reasonable costs and expenses (including attorneys' fees) incurred in connection with transferring the servicing duties to such successor and amending this Agreement to reflect such succession shall be paid by the Purchaser.

Section 7.5 Indemnity. The Purchaser shall indemnify the Servicer and each of its Related Parties (each such Person being called an "Indemnatee") against, and hold each Indemnatee harmless from, any and all Losses incurred by any Indemnatee or asserted against any Indemnatee by any third party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or the use or proposed use of the proceeds therefrom, or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Purchaser or any of its Affiliates and regardless of whether any Indemnatee is a party thereto, provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such Losses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the negligence, bad faith, willful misconduct or fraudulent action of such Indemnatee.

ARTICLE VIII

SERVICER DEFAULT AND TERMINATION OF SERVICING

Section 8.1 Servicer Default. If any one of the following events (a "Servicer Default") shall occur and be continuing:

(a) Any failure by the Servicer, duly to observe or to perform in any material respect any covenants or agreements of the Servicer set forth in this Agreement (except as provided in clauses (c) and (d) below), which failure shall continue unremedied for a period of 15 Business Days after (A) the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or (B) the Servicer shall have discovered (or should reasonably have been expected to have discovered) such failure; or

(b) any failure by Citibank, duly to (i) observe or to perform in any material respect any covenants or agreements of Citibank set forth in the Paying Services Agreement or (ii) observe or perform any covenant or agreement of Citibank in one or more Purchase Agreements which failure is reasonably likely to have a material adverse effect on the Purchaser or Lender, that in the case of each of (i) and (ii), shall continue unremedied for a period of five Business Days after (A) the date on which written notice of such failure, requiring the same to be remedied, shall have been given to Citibank or (B) Citibank shall have discovered (or should reasonably have been expected to have discovered) such failure; or

(c) any failure by the Servicer to deliver any Servicer Report or Payment Calculation Report at the time required by Section 3.3 and such failure continues unremedied for a period of five Business Days after the required delivery date therefor; or

(d) any failure by the Servicer to deposit into the Collateral Account any proceeds or payment required to be so delivered under the terms of this Agreement or to properly apply any funds in the Collateral Account in accordance with the terms of this Agreement that, in each case, continues unremedied for a period of three Business Days after (A) the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or (B) the Servicer shall have discovered (or should reasonably have been expected to have discovered) such failure; or

(e) the occurrence of an Insolvency Event with respect to the Servicer,

then, and in each and every case, so long as the Servicer Default shall not have been remedied, the Purchaser by notice then given in writing to the Servicer may terminate all the rights and obligations of the Servicer under this Agreement, provided that the Servicer Default shall occur automatically without such notice upon the occurrence of the event described in clause (e) above unless the Purchaser otherwise directs at such time. On or after the receipt by the Servicer of such written notice (or automatic occurrence) all authority and power of the Servicer under this Agreement, whether with respect to the Receivables, Related Security and Collections or otherwise, shall, without further action, pass to and be vested in such successor Servicer as may be appointed by the Purchaser; provided, however, that such successor Servicer shall have no liability with respect to any obligation that was required to be performed by the terminated Servicer prior to the date that such successor Servicer becomes the Servicer or any claim of a third party based on any alleged action or inaction of the terminated Servicer; and, without limitation, the Purchaser is hereby authorized and empowered to execute and deliver, for the benefit of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such notice of termination, whether to complete the transfer and endorsement of the Receivables and related documents or otherwise. The predecessor Servicer shall cooperate with the successor Servicer and the Purchaser in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement. All reasonable costs and expenses (including attorneys' fees) incurred in connection with transferring the servicing duties to the successor Servicer and amending this Agreement to reflect such succession as Servicer, shall be paid by the predecessor Servicer.

Section 8.2 Appointment of Successor.

(a) Upon the Servicer's receipt of notice of termination pursuant to Section 8.1 or the Servicer's resignation in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, in the case of termination, only until the date specified in such termination notice or, if no such date is specified in a notice of termination, until receipt of such notice and, in the case of resignation, until the later of (i) the date 90 days from the delivery to the Purchaser of written notice of such resignation (or written confirmation of such notice) in accordance with the terms of this Agreement and (ii) the date upon which a successor Servicer shall have accepted its appointment

hereunder. In the event of the Servicer's termination or resignation hereunder, the Purchaser, shall appoint a successor Servicer, and the successor Servicer shall accept its appointment by a written assumption in form acceptable to the Purchaser. If the Purchaser shall fail to appoint such successor within 90 days after notice of resignation or removal, as the case may be, then the Servicer may petition any court of competent jurisdiction for the appointment of such successor at the sole cost and expense of the Purchaser.

(b) Upon appointment, the successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter relating thereto placed on the predecessor Servicer and shall be entitled to the Servicer Monthly Fee and all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

Section 8.3 Termination. This Agreement shall terminate on the Loan Termination Date; provided that, all confidentiality, expense reimbursement, indemnity obligations and all limitation of liability provisions contained in this Agreement shall survive and remain in full force and effect notwithstanding termination of this Agreement.

ARTICLE IX

Section 9.3 No Waiver; Remedies. No failure on the part of the Servicer or the Purchaser, respectively, to exercise, and no delay in exercising, any right hereunder or under the Transaction Documents or any related document shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 9.4 Binding Effect; Assignability. This Agreement shall be binding upon, and inure to the benefit of, the Servicer and the Purchaser and their respective successors and assigns, except that no party hereto shall have the right to assign any interest herein unless such assignment is previously consented to in writing by the other party and, in the case of an assignment by the Servicer, Lender. Such an assignment with such consent and satisfaction, if accepted by the assignee, shall bind the assignee hereunder in the same manner as the Servicer is bound hereunder. Notwithstanding the foregoing, this Agreement may be assigned by the Servicer with the consent of the Purchaser and Lender (in each case, not to be unreasonably withheld or delayed) to (a) a corporation or other organization that is a successor (by merger, consolidation or purchase of assets) to the Servicer or (b) any affiliate of the Servicer; provided that in each case, such successor organization executes and delivers to the Purchaser an agreement in which such corporation or other organization agrees to be bound hereunder by the terms of said assignment in the same manner as the Servicer is bound hereunder. For purposes of clarity, a name change of the Servicer is permitted hereunder as long as the Servicer gives the Purchaser notice of such name change.

Section 9.5 Governing Law; Jurisdiction; Etc.

(a) **GOVERNING LAW.** THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER WILL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

(b) **SUBMISSION TO JURISDICTION.** EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN AND ANY UNITED STATES DISTRICT COURT LOCATED IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN

RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER TRANSACTION DOCUMENT SHALL AFFECT ANY RIGHT THAT THE PURCHASER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT AGAINST THE SERVICER OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT IN ANY COURT REFERRED TO IN CLAUSE (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR OTHER NOTICES HEREIN. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER TRANSACTION DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.6 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 9.7 Confidentiality. Each of the Servicer and the Purchaser agrees to maintain the confidentiality of any Confidential Information (as defined below) of the other party to which it has access under the System or otherwise under this Agreement, and to use such Confidential Information only for the purposes of exercising its rights and performing its obligations under this Agreement, and not for its own personal gain or benefit. "Confidential Information" shall mean information of a party that the other party knows or reasonably should know to be confidential to such first party; provided, however, that the term does not include any information that the receiving party can demonstrate, by clear and convincing evidence: (i) to be part of the public domain without any breach of this Agreement by the receiving party; (ii) to be or to become generally known to the general public or organizations engaged in the same or similar businesses as the receiving party on a non-confidential basis, through no wrongful act of such party; (iii) to be known by the receiving party prior to disclosure to it hereunder without any obligation to keep it confidential; (iv) to be disclosed to it by a third party which, to the best of the receiving party's knowledge, is not required to maintain the information as proprietary or confidential; (v) to be independently developed by the receiving party without reference to Confidential Information of the other party; or (vi) to be the subject of a written agreement whereby the other party consents to the disclosure of such Confidential Information on a non-confidential basis. Notwithstanding the foregoing, (a) either party may disclose Confidential Information obtained from the other party to (i) the disclosing party's Representatives, to the Lender and to the Lender's Representatives so long as the recipient of Confidential Information so disclosed receives the Confidential Information subject to the restrictions of this Section 9.7 and (ii) any authority of competent jurisdiction if disclosure is required pursuant to a court order or instruction of any regulatory or supervisory authority having jurisdiction over it, provided that prior to any disclosure under this clause (ii) the disclosing party shall have given the other party prompt notice thereof (unless it has a legal obligation to the contrary) so that the other party may seek a protective order or other appropriate remedy to prevent disclosure and (b) Citibank may (i) disclose the structure of the UST Auto Supplier Support Program or any Program Terms or (ii) furnish copies of the forms of the Principal Transaction Documents to any Supplier and such Supplier's lenders or secured parties in connection with the transactions contemplated hereby.

Section 9.8 Construction of the Agreement. The parties hereto intend that the conveyance of the interest in the Receivables, Related Security and Collections pursuant to the Purchase Agreements shall, in each case, be treated as sales for purposes of generally accepted accounting principles. If, despite such intention, a determination is made that such transactions shall not be treated as sales, then the Transaction Documents shall be interpreted to constitute a security agreement and the transactions effected hereby shall be deemed to constitute a secured financing, in each case, under applicable law.

Section 9.9 Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts (which may be delivered by facsimile or optically-scanned electronic mail attachment), each of which when

so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement.

Section 9.10 Headings. The headings of the various Articles and Sections herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

Section 9.11 Power of Attorney. Purchaser hereby appoints the Servicer and its successors, and its permitted designees and assigns, as its true and lawful attorney-in-fact to do all acts, matters and things whatsoever which are in each case necessary or desirable for the Servicer to do for and on behalf of Purchaser in respect of the provision of the services to be provided by Servicer hereunder, and in furtherance of the foregoing, has executed and delivered to Servicer the power of attorney attached hereto as Exhibit E. In addition, the Servicer shall be entitled to seek and obtain from Purchaser a power of attorney in respect of the execution of any specific action as the Servicer deems appropriate in respect of the provision of the services to be provided by Servicer hereunder.

Section 9.12 Non-Petition. Servicer covenants and agrees that it will not at any time prior to a year and a day after the Loan Termination Date, (a) commence or institute against the Purchaser or join with or facilitate any other Person in commencing or instituting against the Purchaser, any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution, receivership, insolvency or liquidation proceedings, or other similar proceedings under any United States Federal or state, or other jurisdiction, bankruptcy or similar law or statute now or hereafter in effect or (b) participate in any assignment for benefit of creditors, compositions, or arrangements with respect to the Purchaser's debts.

Section 9.13 Public Statements. Purchaser agrees that no printed or other material in any language, including prospectuses, notices, reports, press releases, and promotional material which mentions "Citibank", or "Citigroup" or "Citi" by name or the rights, powers, or duties of Citibank under this Agreement shall be publically disclosed by Purchaser, or on its behalf, without the prior written consent of Citibank (not to be unreasonably withheld), except as may be necessary to comply with any applicable law (including any order, rule or regulation issued or promulgated by the Securities Exchange Commission).

Section 9.14 Limited Recourse. Notwithstanding anything to the contrary contained in this Agreement, the obligations of the Purchaser under this Agreement are solely the obligations of the Purchaser and shall be payable solely to the extent of funds received by and available to the Purchaser in accordance with the Security Agreement. No recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, the Purchaser arising out of or based upon this Agreement against any holder of a membership interest, employee, officer or affiliate thereof. The provisions of this Section 9.14 shall survive the termination or expiration of this Agreement.

Section 9.15 Collateral Assignment. As additional collateral for the Loans, the Purchaser has collaterally assigned this Agreement to the Collateral Agent. The Servicer hereby acknowledges and consents to such assignment and agrees that at any time while an Event of Default has occurred and is continuing with respect to the Loans, as notified to the Servicer by

the Collateral Agent, the Servicer will no longer accept instructions hereunder from the Purchaser and shall instead accept instructions from the Collateral Agent.

Section 9.16 Lender Inspection Rights. At all times during the term of this Agreement, Servicer shall permit (i) the Lender and its agents, consultants, contractors and advisors, (ii) the Special Inspector General of the Troubled Asset Relief Program, and (iii) the Comptroller General of the United States access to personnel and any books, papers, records or other data delivered to it hereunder or otherwise in its possession, custody or control, in each case to the extent relevant to ascertaining compliance with the terms and conditions set forth herein and the Program Terms, during normal business hours and upon reasonable notice to Servicer, as the case may be; provided that prior to disclosing any information pursuant to clause (i), (ii) or (iii), the Lender, the Special Inspector General of the Troubled Asset Relief Program and the Comptroller General of the United States shall have agreed, with respect to documents obtained under this Agreement in furtherance of their respective functions, to follow applicable law and regulation (and the applicable customary policies and procedures, including those for inspectors general) regarding the dissemination of confidential materials, including redacting confidential information from the public version of its reports, as appropriate, and soliciting input from Servicer as to information that should be afforded confidentiality.

LIEN PRIORITY AGREEMENT

THIS LIEN PRIORITY AGREEMENT is made as of _____ by and between Chrysler Receivables SPV LLC ("Purchaser"), with an address at _____ and _____ ("Creditor") with an address at _____.

RECITALS:

- A. Creditor has loaned, extended credit or otherwise agreed to become a creditor of _____ ("Debtor") and has received, in connection therewith, a security interest in certain property of Debtor, including accounts receivable owed to Debtor by one or more account debtors including Chrysler LLC, a Delaware limited liability company (together with its subsidiaries and affiliates, "OEM") (such receivables, including related security and the proceeds thereof, the "Creditor Receivables").
- B. Purchaser from time to time wishes to purchase from Debtor and Debtor wishes to sell to Purchaser, per the terms of that certain Supplier Purchase Agreement between Purchaser, Debtor and Citibank, N.A., a national banking association ("Citibank"), certain accounts receivable owed to Debtor by OEM (such receivables, including related security and the proceeds thereof, the "Purchaser Receivables").
- C. It is the desire and intention of the parties hereto to establish, as between themselves, the priority, operation and effect of the security and other interests of Creditor and Purchaser in the Creditor Receivables (including, without limitation, the Purchaser Receivables).
- D. Debtor, Purchaser and OEM are participating in the United States Department of the Treasury ("UST") Auto Supplier Support Program, certain terms of which are outlined in Annex A hereto (the "Program Terms").

NOW, THEREFORE, intending to be legally bound hereby, the parties hereto agree as follows:

1. Creditor hereby consents to the sale by Debtor and purchase by Purchaser, from time to time, of the Purchaser Receivables.
2. Effective upon the purchase by Purchaser of the Purchaser Receivables, Creditor agrees that the security interest of Creditor in the Purchaser Receivables is hereby released automatically and without further action by Creditor or Debtor. If for any reason such purchase of Purchaser Receivables by Purchaser is judicially re-characterized as a grant of collateral by Debtor to secure a financing, then Creditor agrees that its interest in the Purchaser Receivables is hereby made subordinate, junior and inferior, and postponed in priority, operation and effect, to the security interest of Purchaser in such Purchaser Receivables. Purchaser agrees that any interest it may have in Creditor Receivables (other than Purchaser Receivables) is hereby made subordinate, junior and inferior, and postponed in priority, operation and effect, to the security interest of Creditor in the Creditor Receivables.
3. The priority and release in the Creditor Receivables and Purchaser Receivables set forth above are notwithstanding the operation or provisions of applicable law, the time, order or method of attachment or perfection of security interests or the time and order of filing of financing statements or any other liens held by the parties, whether under the Uniform Commercial Code or other applicable law.
4. Creditor and Purchaser agree that neither shall challenge, contest, or join or support any other person in challenging or contesting, whether directly or indirectly, the validity, perfection, priority or enforceability of the other party's security interest in the Purchaser Receivables or the Creditor Receivables, as applicable, in a manner inconsistent with this Agreement.
5. Purchaser agrees to immediately turn or pay over to Creditor any amounts that may come into its possession that derive from Creditor Receivables other than Purchaser Receivables. Creditor agrees to immediately turn or pay over to Purchaser any amounts that may come into its possession that derive from Purchaser Receivables. Except as set forth above, neither party shall have any other duty or obligation of any other nature, including with respect to the attachment or creation of

any other party's security interest or any credit decisions of such other party with respect to Debtor. Creditor acknowledges that Purchaser and Debtor have business relationships in addition to the purchase and sale of the Purchaser Receivables.

6. This Agreement shall remain in effect for as long as the Supplier Purchaser Agreement between Purchaser, Debtor and Citibank remains in effect or amounts remain outstanding with respect to Purchaser Receivables purchased by Purchaser, whichever is later (including during a bankruptcy proceeding involving Debtor). This Agreement will be binding upon and inure to the benefit of Creditor and Purchaser and their respective successors and assigns.
7. All notices, demands, requests, consents, approvals and other communications required or permitted hereunder ("Notices") must be in writing and will be effective upon receipt. Notices may be given in any manner to which the parties may agree. Without limiting the foregoing, first-class mail, facsimile transmission and commercial courier service are hereby agreed to as acceptable methods for giving Notices. Regardless of the manner in which provided, Notices may be sent to a party's address set forth above or to such other address as any party may give to the other in writing for such purpose in accordance with this Section.
8. This Agreement (including the documents and instruments referred to herein) constitutes the entire agreement and supersedes all other prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof.
9. This Agreement may be executed in any number of counterparts, which taken together shall constitute a single copy of this Agreement.
10. This Agreement is governed by the laws of the State of New York. Purchaser and Creditor agree that any New York State or Federal court sitting in New York City shall have non-exclusive jurisdiction to settle any dispute in connection with this Agreement, and the parties hereby submit to the jurisdiction of those courts. Purchaser and Creditor each waive any right to immunity from jurisdiction to which it may be entitled (including, to the extent applicable, immunity from pre- and post-judgment attachment and execution.)
11. As additional collateral for loans received pursuant to the Program Terms, the Purchaser has collaterally assigned this Agreement to UST. The Creditor hereby acknowledges and consents to such assignment.

IN WITNESS WHEREOF, each of the parties hereto has executed this Agreement as of the date and year first above written.

Capitalized terms used but not defined herein shall have the meanings ascribed thereto in the LPA.

Effective June 10, 2009, certain assets of Chrysler LLC (now known as Old Carco LLC) ("Old Chrysler") were transferred to Chrysler Group LLC ("New Chrysler") in a sale under Rule 363 of the United States Bankruptcy Code (the "Sale"). This letter amendment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns and shall be governed by and construed in accordance with the laws of the State of New York.

Except as specifically amended hereby, the LPA shall remain unamended and shall remain in full force and effect.

This letter amendment may be executed by the parties hereto in one or more counterparts, each of which shall be deemed an original and all of which when taken together shall constitute one and the same agreement. Any signature delivered by a party by facsimile or electronic transmission (in "pdf" or similar format) shall be deemed to be an original signature hereto.

New OEM agrees that the act of sending a Message electronically in accordance with this Agreement is as legally binding as if New OEM had manually executed and delivered that Message in written form, and that New OEM will not contest the validity, legally binding nature or enforceability of that Message on the basis that the act of sending the Message electronically is invalid or not binding on New OEM.

2.5 System Availability. New OEM acknowledges and agrees that: (i) Citibank does not represent or warrant that the System will be error-free; (ii) there will be downtime from time to time when the System cannot be accessed; and (iii) New OEM is responsible for providing and maintaining, and Citibank has no liability or responsibility in respect of, equipment not supplied by or on behalf of Citibank, or utility services that New OEM utilizes as a result of its participation in the System and maintaining a link to the System. "Confidential Information" shall mean information of a Party that the other Party knows or reasonably should know to be confidential to such first Party; provided, however, that the term does not include any information that the receiving Party can demonstrate, by clear and convincing evidence: (i) to be part of the public domain without any breach of this Agreement by the receiving Party; (ii) to be generally known to the general public or organizations engaged in the same or similar businesses as the receiving Party on a non-confidential basis, through no wrongful act of such Party; (iii) to be known by the receiving Party prior to disclosure to it hereunder without any obligation to keep it confidential; (iv) to be disclosed to it by a third party which, to the best of the receiving Party's knowledge, is not required to maintain the information as confidential; (v) to be independently developed by the receiving Party without reference to Confidential Information of the other Party; or (vi) to be the subject of a written agreement whereby the other Party consents to the disclosure of such Confidential Information on a non-confidential basis. Notwithstanding anything to the contrary in this Agreement, UST shall have the right to disclose any documents and information provided to it hereunder to its Representatives (as defined in the Servicing Agreement) and nothing herein shall prevent UST from disclosing any such documents or information to the extent required by any legal requirements or by any subpoena or similar legal process. UST understands that the documents and information may contain commercially sensitive confidential information entitled to an exception from a Freedom of Information Act request. Notwithstanding the foregoing, New OEM agrees that Citibank may, without prior consent (i) disclose the structure of the UST Auto Supplier Support Program or any Program Terms or (ii) furnish a copy of any Principal Transaction Document to any Supplier and its lenders or secured parties.

(b) Notwithstanding the foregoing, either Party may disclose Confidential Information obtained from the other Party to any authority of competent jurisdiction if disclosure is required pursuant to a court order or instruction of any regulatory or supervisory authority having jurisdiction over it, provided that the disclosing Party shall have given the other Party prompt notice thereof (unless it has a legal obligation to the contrary) so that the other Party may seek a protective order or other appropriate remedy to prevent disclosure.

(c) Without limiting anything in this Section 2.6, New OEM agrees that no printed or other material in any language, including prospectuses, notices, reports, press releases, and promotional material which mentions "Citibank", or "Citigroup" or "Citi" by name or the rights, powers, or duties of Citibank under this Agreement shall be publically disclosed by New OEM, or on its behalf, without the prior written consent of Citibank (not to be unreasonably withheld), except as may be necessary to comply with any applicable law (including any order, rule or regulation issued or promulgated by the Securities Exchange Commission).

2.7 Participating Suppliers. New OEM hereby represents and warrants to Citibank that each of the Suppliers identified on Schedule I is an Eligible Supplier. It shall be a condition to the effectiveness of this Agreement with respect to any Participating Supplier that such Supplier, Purchaser and Citibank have duly executed and delivered a Purchase Agreement. This Agreement shall cease to be effective with respect to any Participating Supplier as to which New OEM and Citibank have received written notice from the UST or New OEM that such Participating Supplier is no longer an Eligible Supplier (a "Supplier Termination Notice"), which notice may be transmitted by facsimile or other electronic medium. Promptly (and in any event within two Business Days) following receipt of a Supplier Termination Notice by New OEM and Citibank, New OEM will cease giving, and Citibank will cease processing, Payment Instructions in respect of such Supplier's Receivables; provided, however, that Citibank shall continue to process Payment Instructions that were received by Citibank prior to such time.

2.8 Representations, Warranties and Covenants of New OEM. New OEM hereby represents, warrants and covenants to and with Citibank as follows:

(a) New OEM intends to use the System solely to settle the payment of Eligible Receivables. New OEM shall not use the System for investment or arbitrage functions or purposes, or for any money laundering purpose, or in contravention of any law or regulation, and Messages issued at New OEM's request shall not be, and are not intended to be, used in furtherance of any of the foregoing.

(b) New OEM acknowledges and agrees that all Receivables submitted for payment by it through the System shall be Eligible Receivables which, subject to Citibank's delivery of a corresponding Payment Notice pursuant to Section 5.2, will be offered and sold by the associated Participating Supplier to the Purchaser in accordance with the terms of the applicable Purchase Agreement and the Program Terms. In furtherance thereof, New OEM represents and warrants that, as of the date of any Payment Instructions, each of the associated Receivables is an Eligible Receivable. New OEM acknowledges that neither Citibank nor Purchaser has any obligation to inspect, review or determine whether any such Receivable is an Eligible Receivable; provided that the foregoing shall not limit Citibank's obligations under the Servicing Agreement.

(c) New OEM acknowledges that Citibank has no obligation to inspect or view the content of Messages conveyed through the System, and that Citibank has no liability in the event that New OEM is in breach of this Article.

(d) New OEM shall comply in all material respects with all relevant laws and regulations applicable to this Agreement and transactions conducted using the System including, without limitation, all applicable sanctions and export control laws, and U.S. tax information reporting requirements, if any. In addition, New OEM agrees that this Agreement does not relieve New OEM

of any obligation to information-report under Section 6041 or 6041A of the Internal Revenue Code (the "Code") with respect to payments made through the System or to perform backup withholding under Code section 3406 when required.

(e) Information provided by New OEM to Citibank from time to time in connection with this Agreement is and shall be true and accurate in all material respects, and Citibank is hereby authorized from time to time to verify such information. No right, title or interest in such New OEM's information is transferred to Citibank, and no licenses in and to such information is granted by Citibank under this Agreement; provided, however, that Citibank has the right and license to use such information solely for the purposes contemplated by this Agreement and the Servicing Agreement.

(f) New OEM shall defend, indemnify and hold harmless Citibank and its affiliates, employees, directors, officers and agents acting within the scope of their authority (each an "indemnified party"), from and against any and all claims, liabilities, losses, damages, costs and expenses, including reasonable attorneys' fees and disbursements, other dispute resolution expenses (including reasonable fees and expenses in preparation for a defense of any investigation, litigation or proceeding) and costs of collection (collectively, "Losses"), including Losses relating to the enforcement of this indemnity, arising out of or in any way relating to (i) Citibank's reliance on any Message sent by New OEM using the System, (ii) any breach of New OEM's representations, warranties or obligations under this Agreement, (iii) the failure of any Receivable submitted through the System to be an Eligible Receivable, or (iv) any suit, demand, claim or other dispute between New OEM and a Supplier with respect to a transaction by New OEM using the System, except to the extent that such Losses are caused by the negligence or willful misconduct of such indemnified party.

2.9 Mutual Representations, Warranties and Covenants of the Parties. (a) Each of New OEM and Citibank represents, warrants, and covenants as follows: (i) it is validly existing and in good standing and has the power to enter into and perform, and has all necessary authorizations for the entry into, performance and delivery of, this Agreement and the transactions contemplated by this Agreement; (ii) this Agreement constitutes its legal, valid and binding obligation, enforceable in accordance with its terms; and (iii) its execution, delivery and performance of this Agreement does not contravene any contract binding on or affecting it or any of its properties, does not violate any applicable law or regulation, and does not require any notice, filing or other action to or by any governmental authority.

(b) Except as expressly provided in this Agreement or the Policies and Procedures, no representation, warranty, term or condition, express or implied, statutory or otherwise, is given or assumed by Citibank in respect of (i) the Licensed Resources, (ii) New OEM's underlying commercial transactions, or (iii) the goods or services to which such underlying transactions relate (regardless of any assistance that Citibank may, in its sole discretion, provide to New OEM.) All such representations, warranties, terms and conditions are excluded, except to the extent that this exclusion is prohibited by law. Without limiting the foregoing, New OEM understands that Citibank is not giving any representation or warranty as to condition, performance, fitness for purpose, suitability, merchantability, quality or otherwise, or of non-infringement, except as expressly provided herein or in the Policies and Procedures.

(c) Notwithstanding anything herein to the contrary, New OEM acknowledges and agrees that it will not, without Citibank's consent, upload any Eligible Receivable to the System that (1) is

not denominated in U.S. Dollars or (2) that is owed to any Supplier organized under the law of any non-U.S. jurisdiction; provided, however, in the case of either clause (1) or (2), that Citibank agrees to use commercially reasonable efforts to update the System and the Policies and Procedures from time to time at the request of New OEM to accommodate non-U.S. dollar denominated Eligible Receivables in one or more specified currencies or owing to any specific Participating Supplier organized under the law of a non-U.S. jurisdiction.

ARTICLE III: PAYING AGENT

3.1 Appointment of Agent. New OEM and each Approved Affiliate hereby appoints Citibank as New OEM's and such Approved Affiliate's paying agent with respect to transactions executed through the System, and Citibank hereby accepts such appointment, in each case in accordance with, and subject to, the terms and conditions set forth in this Agreement. In performing its obligations hereunder, Citibank may consult as to any legal matters with lawyers selected with due care by it, and Citibank shall be protected from and shall incur no liability for any action taken or not taken with respect to such matters in good faith and in accordance with the opinion of such lawyers.

3.2 IP Indemnity. Citibank shall indemnify New OEM for any Losses arising out of claims against New OEM alleging that the License or use of the System by New OEM infringes any intellectual property right of a third party, except where the claim arises out of or results from New OEM's use of the System contrary to the Policies and Procedures or in violation of this Agreement.

ARTICLE IV: FEES AND CHARGES

No processing, licensing or other fees or charges will be payable by New OEM to Citibank hereunder.

ARTICLE V: DISBURSEMENT ACCOUNTS AND PAYMENT PROCESS

5.1 Disbursement Account. New OEM shall maintain a designated account with Citibank for purposes of this Agreement (the "Disbursement Account"). New OEM and each Approved Affiliate authorizes Citibank to debit from the Disbursement Account all amounts corresponding to Payment Instructions or otherwise payable hereunder as such amounts become due and payable. Under no circumstances shall Citibank be liable for interest on monies deposited in the Disbursement Account at any time pursuant to any provision of this Agreement or otherwise, nor shall Citibank be required to invest such monies. Monies held by or deposited with Citibank hereunder need not be segregated from other funds except to the extent required by law, and Citibank need not collateralize or provide any security interest for any funds received by it pursuant to this Agreement.

5.2 Payment Instructions. New OEM from time to time will submit Payment Instructions through the System with respect to Eligible Receivables and, promptly (and in no event later than one Business Day) after receipt of such Payment Instructions, Citibank will deliver a corresponding Payment Notification to the applicable Supplier. New OEM agrees that, to the best of its knowledge after reasonable inquiry, each Payment Instruction delivered hereunder will comply in all respects with the Program Terms. If any Payment Instruction is not accepted by the System, Citibank promptly shall notify New OEM to that effect and the Payment Instruction will be deemed cancelled by New OEM. Without limiting the foregoing, Citibank shall not be obligated to process any Payment Instruction with respect to a payment that would be

constrained pursuant to any law, rule or regulation applicable thereto. Citibank and Purchaser shall both have the power to reject any Payment Instruction with respect to a Receivable that would not satisfy the Program Terms; provided, however, that Citibank shall have no affirmative duty to reject any Payment Instructions based on the Program Terms and shall not be liable for failure to reject any such Payment Instruction.

5.3 Due Date. (a) At or prior to 12:00 noon New York time one Business Day prior to each Due Date, New OEM shall deposit or cause to be deposited in the Disbursement Account sufficient funds to enable Citibank to pay the amounts specified in the relevant Payment Instructions to be paid on such Due Date.

(b) Provided that sufficient funds are available in the Disbursement Account at or prior to 12:00 noon New York time one Business Day prior to a Due Date (or as otherwise agreed with New OEM), Citibank shall make payment to the Purchaser or its designee on the Due Date, in accordance with the terms of the relevant Payment Instruction, by automated clearing house network or wire transfer of immediately available funds to the Collateral Account.

5.4 Purchaser's Designee. Purchaser may assign, including by way of security, its right to receive payment in connection with any Payment Instruction issued hereunder, including, without limitation, to Collateral Agent. New OEM hereby authorizes Citibank to make payment, in each case in accordance with the terms and conditions of this Agreement, to any such assignee or its designee.

5.5 Information, Data and Access. (a) New OEM shall maintain sufficient records of all transactions concluded by it utilizing the System and otherwise with respect to its obligations and activities under or in connection with this Agreement, including information with respect to any underlying commercial trade transaction (or associated disputes) to which it is a party, and with respect to compliance of such transactions with applicable laws and regulations. New OEM shall retain each record required to be maintained under this Section 5.5 during the term of this Agreement and, if applicable, for such longer period as may be required by law or regulation.

(b) New OEM shall allow representatives of Citibank, at reasonable times upon reasonable notice, to examine and take copies of any of New OEM's records relating to this Agreement which are reasonably required in order to comply with an order, instruction or request from any governmental, administrative, judicial or emergency body or any other authority of competent jurisdiction, or to ensure compliance with the terms of this Agreement. Any such documents shall promptly be returned to New OEM once such access is no longer required.

(c) At all times during the term of this Agreement, New OEM shall permit (i) the Lender and its agents, consultants, contractors and advisors, (ii) the Special Inspector General of the Troubled Asset Relief Program, and (iii) the Comptroller General of the United States access to personnel and any books, papers, records or other data delivered to it hereunder or otherwise in its possession, custody or control, in each case to the extent relevant to ascertaining compliance with the terms and conditions set forth herein and the Program Terms, during normal business hours and upon reasonable notice to New OEM, as the case may be; provided that prior to disclosing any information pursuant to clause (i), (ii) or (iii), the Lender, the Special Inspector General of the Troubled Asset Relief Program and the Comptroller General of the United States shall have agreed, with respect to documents obtained under this Agreement in furtherance of their respective functions, to

follow applicable law and regulation (and the applicable customary policies and procedures, including those for inspectors general) regarding the dissemination of confidential materials, including redacting confidential information from the public version of its reports, as appropriate, and soliciting input from New OEM as to information that should be afforded confidentiality.

5.6 Other Covenants. (a) New OEM agrees that New OEM's obligations under this Agreement and any Payment Instructions issued by it shall not be affected by the invalidity, unenforceability, existence, performance or non-performance of the underlying commercial trade transaction or any related contract or undertaking, nor shall those obligations be subject to claims or defenses of New OEM in relation to the same, including breach of contract or breach of statutory obligation.

(b) New OEM's issuance of a Payment Instruction, and its funding of the Disbursement Account with an amount sufficient to pay all or part of such Payment Instruction on the Due Date therefor, shall each be deemed to constitute New OEM's confirmation that its representations and warranties set forth in Article II remain true and correct in all material respects (except that any representation or warranty that is qualified by materiality shall be true and correct in all respects) as of the date of such Payment Instruction and, in the case of New OEM's representations in Section 2.9(a), as of such Due Date, and that New OEM is not in breach in any material respect of any of its covenants or other obligations under this Agreement. No additional documentation or further action by either New OEM or Citibank shall be necessary in order to evidence New OEM's reiteration of such representations and warranties as true and correct in all material respects as of such dates (or, with respect to any representation or warranty that is qualified by materiality, in all respects), and of its compliance in any material respect with the terms of this Agreement as of such dates.

(c) New OEM shall maintain reasonable procedures to prevent unauthorized access to the System and to ensure that (i) only Eligible Receivables are transmitted for payment through the System, and (ii) all information provided by New OEM to Citibank through the System is true and correct in all material respects.

ARTICLE VI: MISCELLANEOUS

6.1 Waivers; Severability. No delay or failure of any Party hereto in exercising any right, privilege or option under this Agreement shall operate as a waiver of such or of any other right, privilege, or option. If any provision of this Agreement is or becomes illegal or invalid under any applicable law, the validity of the remaining provisions shall not be affected thereby.

6.2 Limitation on Liability. (a) Citibank shall not be liable for any Losses arising out of or relating to any of its actions or omissions to act hereunder, except to the extent that any such Losses are caused by Citibank's negligence or willful misconduct.

(b) Except for liabilities to third parties relating to defense and indemnification obligations hereunder, neither Party shall be liable to the other Party or responsible for any loss of business or profits, revenue or goodwill, or any indirect or consequential, special, exemplary or punitive losses or damages, whether arising from negligence, breach of contract or otherwise, even if informed of the possibility of those losses or damages.

(c) Neither Party shall be deemed to be in default of any of the obligations required to be performed by it under this Agreement to the extent that performance thereof is delayed, hindered or becomes impossible because of any act of God or public enemy, hostilities,

war (declared or undeclared), guerilla activities, terrorist activities, act of sabotage, blockade, earthquake, flood, land slide, avalanche, tremor, ground movement, hurricane, storm, explosion, fire, labor disturbance, riot, insurrection, strike, sickness, accident, civil commotion, epidemic, act of government or its agencies or officers, power interruption or transmission failure or any cause beyond the control of such Party.

6.3 No Implied Duties. Citibank shall be obliged to perform such duties and only such duties as are specifically set forth herein, and no implied duties or responsibilities shall be read or implied into this Agreement against Citibank. Notwithstanding any other provision elsewhere contained in this Agreement, Citibank is acting solely as agent of New OEM. Citibank shall have no duties or obligations hereunder to any person or entity other than New OEM and, without limiting the foregoing, does not assume any obligation or relationship of agency or trust hereunder for, or with, any Suppliers, or any other persons. Nothing herein shall limit the obligations of Citibank under any other agreement it may have with the UST or any other person.

6.4 Assignment; Termination of Citibank as Servicer. This Agreement shall bind and inure to the benefit of the respective successors and permitted assigns of each of the parties; provided, however, that New OEM may not assign any of its rights or obligations hereunder without Citibank's prior written consent, given in its sole discretion. New OEM agrees that Citibank may perform any and all of its duties and exercise its rights and powers hereunder by or through any one or more sub-agents appointed by Citibank and each such sub-agent shall be entitled to the benefits of all provisions of this Section 6 as if set forth in full herein with respect thereto; provided that Citibank agrees that such sub-agents will be selected by it with reasonable care and no such appointment will relieve Citibank of its obligations hereunder.

(b) Upon the effectiveness of any resignation or other termination of Citibank, as servicer, in accordance with the terms of the Servicing Agreement, Citibank shall have the right, at its election, to terminate its obligations under this Agreement and to terminate New OEM's access to the Licensed Resources, with immediate effect upon notice to New OEM and the effectiveness of Citibank's resignation or termination under the Servicing Agreement; provided, that upon any such termination of Citibank's obligations hereunder, the successor servicer under the Servicing Agreement shall be the successor in all respects to Citibank hereunder and shall be subject to all the responsibilities, duties and liabilities arising thereafter relating thereto.

6.5 Termination. This agreement shall automatically terminate on the Maturity Date (as such date may be extended in accordance with the Program Terms). Following the Payment Notification Cut-Off Date, New OEM shall no longer issue and Citibank shall no longer accept Payment Instructions from New OEM; provided, however, that to the extent there are sufficient funds available in the Disbursement Account, Citibank shall continue to pay Payment Instructions that were received by Citibank prior to the Payment Notification Cut-Off Date, and New OEM shall be responsible for funding the Disbursement Account with respect thereto.

6.6 Survival. If this Agreement is terminated in accordance with Section 6.5, then this Agreement shall become null and void and of no further force and effect, except that all confidentiality, security, indemnity, payment and reimbursement obligations and all limitation of liability provisions contained in this Agreement shall survive and remain in full force and effect notwithstanding such termination and the payment of all amounts owing hereunder.

6.7 Governing Law; Jurisdiction. This Agreement is governed by the laws of the State of New York. The Parties agree that any New York State court or Federal court sitting in New York County or an appellate court having appellate jurisdiction over such courts has non-exclusive jurisdiction to settle any disputes in connection with this Agreement, and each Party submits to the jurisdiction of those courts. Each Party waives any right to immunity from jurisdiction to which it may be entitled (including, to the extent applicable, immunity from pre-judgment attachment and post-judgment attachment and execution.)

6.8 WAIVER OF JURY TRIAL. THE PARTIES WAIVE ANY RIGHTS THEY MAY HAVE TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED ON OR ARISING FROM THIS AGREEMENT.

6.10 Entire Agreement; Third Party Beneficiary; Amendments. This Agreement embodies the entire agreement between New OEM and Citibank relating to the subject matter and supersedes all prior agreements relating to the subject matter. This Agreement shall not be construed to confer any right, benefit, remedy or claim upon any person or entity other than New OEM, an Approved Affiliate, Citibank or Purchaser and their respective successors and permitted assigns. Each of the Parties acknowledges and agrees that Purchaser and Lender shall each be an express third party beneficiary of all of New OEM's representations, covenants and obligations under this Agreement, and may enforce each directly against New OEM as if such person were an original party hereto. (a) In order to secure the Secured Obligations, the Pledgor hereby grants to the Collateral Agent a continuing first priority security interest in and hereby pledges to the

Collateral Agent, in each case for the benefit of the Secured Parties, all of the following property of the Pledgor whether now owned or existing or hereafter acquired or arising and regardless of where located (the “**Pledged Collateral**”):

(i) all investment property, capital stock, shares, securities, member interests, partnership interests, warrants, options, put rights, call rights, similar rights, and all other ownership or participation interests of the Pledgor in the Borrower or in the revenue, income, or profits thereof (collectively, the “**Pledged Equity Interests**”);

(ii) all cash, interest, stock and other dividends or distributions paid or payable on any of the foregoing;

(iii) all right, title and interest of the Pledgor in the Collateral Account, and each Deposit Account in which Pledgor deposits amounts due in respect of Purchased Receivables, including, without limitation, accounts established pursuant to the Paying Services Agreement (each, a “**Pledged Account**”), and for each such Securities Account, all Financial Assets held therein or credited thereto (including all cash, Instruments and Investment Property) and all Security Entitlements in respect thereof;

(iv) all books and records pertaining to any of the Pledged Collateral;
and

(v) all Proceeds of the Pledged Collateral.

(b) The Collateral Agent and the Pledgor agree that the Pledged Collateral, except for any Pledged Account, shall be treated as a “Financial Asset” within the meaning of Sections 8-102(a)(9) and 8-103 of the UCC. The Pledgor and Collateral Agent shall cooperate to cause (i) securities in certificated form held by the Collateral Agent to be in suitable form for transfer by delivery, or accompanied by duly executed instruments of transfer or assignment in blank, with signatures appropriately guaranteed, all in form and substance satisfactory to the Lender and (ii) securities that are “uncertificated securities” (as defined in Section 8-102 of the UCC) that are not registered in the name of the Collateral Agent to be subject to a control agreement whereby the issuer of the uncertificated securities agrees to comply with any “instruction” (as defined in Section 8-102 of the UCC) originated by the Collateral Agent and relating to such securities without further consent by the Pledgor or any other person.

(c) Upon the execution and delivery of this Agreement, Pledgor shall deliver to and deposit with the Collateral Agent, in pledge, all of Pledgor’s certificates, instruments or other documents comprising or evidencing the Pledged Collateral, together with undated stock powers, instruments or other documents signed in blank by Pledgor. In the event that Pledgor should ever acquire or receive any further or additional certificates, securities, instruments or other documents evidencing the Pledged Collateral, Pledgor shall deliver to and deposit with the Collateral Agent in pledge, all such further or

additional certificates, securities, instruments or other documents which evidence the Pledged Collateral.

(d) With respect to each right to payment or performance included in the Pledged Collateral from time to time, the Security Interest granted therein includes a continuing security interest in (i) any Supporting Obligation that supports such payment or performance and (ii) any Lien that (x) secures such right to payment or performance or (y) secures any such Supporting Obligation.

(e) The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or transfer or in any way affect or modify, any obligation or liability of the Pledgor with respect to any of the Pledged Collateral or any transaction in connection therewith.

Section 3. Representations, Warranties and Covenants of the Pledgor.

The Pledgor represents and warrants to the Agents and the Lender as of the Effective Date, and covenants with the Agents and the Lender, as follows:

(a) The Pledgor is a limited liability company, validly existing and in good standing under the laws of the State of Delaware. The Pledgor's exact legal name is correctly set forth on the signature page hereof. The Pledgor's mailing address is Chrysler Group LLC, 1000 Chrysler Drive, Auburn Hills, Michigan 48326, Attention: General Counsel CIMS 485-14-78, and the address of its registered office is The Corporation Trust Company, Corporation Trust Center, 1209 Orange Street, Wilmington, Delaware 19801. The Pledgor will provide the Collateral Agent with at least 60 days' prior written notice of any change in the Pledgor's name, form, jurisdiction of organization, organizational identification number, federal tax identification number, mailing address or the address of its registered office from that provided to the Collateral Agent on the Closing Date.

(b) The Pledgor has the power and authority, and the legal right, to make, deliver and perform this Agreement. The Pledgor has taken all necessary organizational action to authorize the execution, delivery and performance of this Agreement. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any other Person is required in connection with the transactions contemplated under this Agreement, except (A) consents, authorizations, filings and notices as have been obtained or made and are in full force and effect and (B) the filing of UCC financing statements referred to in this Agreement. This Agreement has been duly executed and delivered on behalf of the Pledgor and constitutes a legal, valid and binding obligation of the Pledgor, enforceable against the Pledgor in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

(c) The Pledgor has good title to all of the Pledged Collateral, and has not granted any security interest in, or Lien on, any of the Pledged Collateral other than Permitted Liens. The Pledgor has full power and authority to grant to the Collateral Agent (for the benefit of the Secured Parties) the Security Interest. The Pledgor has not performed any acts that would reasonably be expected to prevent the Collateral Agent from enforcing any of the provisions of this Agreement. No financing statement, security agreement, mortgage or similar or equivalent document or instrument covering all or part of the Pledged Collateral is on file or of record in any jurisdiction in which such filing or recording would be effective to perfect or record a Lien on such Pledged Collateral except for the Permitted Liens. After the date of this Agreement, no Pledged Collateral will be in the possession or under the Control of any other Person having a claim thereto or security interest therein, other than Permitted Liens. The Pledgor will defend the right, title and interest of the Secured Parties in and to all Pledged Collateral against all adverse claims and demands of all Persons whomsoever, subject to the rights of holders of any Permitted Lien.

(d) The Pledged Equity Interests (i) have been duly authorized and validly issued to Pledgor, (ii) to the extent applicable, are fully paid and nonassessable, and (iii) constitute one hundred percent (100%) of the authorized, issued and outstanding ownership interests of Borrower. There are no restrictions upon the transfer of the Pledged Collateral and Pledgor has the power and authority and right to transfer the Pledged Collateral. All rights of Pledgor in connection with its ownership of Borrower are evidenced and governed solely by the Certificate of Formation of the Borrower and the LLC Agreement, and no other similar agreements are applicable to any of the Pledged Collateral.

(e) The Security Interest on all Pledged Collateral (i) has been validly created, (ii) is one of first priority subject to Permitted Liens, (iii) will attach to each item of such Pledged Collateral on the Closing Date (or, if the Pledgor first obtains rights thereto on a later date, on such later date) and (iv) when so attached, will secure all the Secured Obligations.

(f) The Pledgor will promptly give to the Collateral Agent copies of any notices and other communications received by it with respect to Security Entitlements included in the Pledged Collateral as to which the Pledgor is the Entitlement Holder.

(g) The Pledgor will, from time to time, at its expense, execute, deliver, file and record any statement, assignment, instrument, document, agreement or other paper and take any other action (including any filing of financing or continuation statements under the UCC) that from time to time may be necessary or desirable, or that the Collateral Agent may reasonably request, in order to (i) create, preserve, perfect, confirm or validate the Security Interest, (ii) cause the Collateral Agent to have Control of any item of Pledged Collateral (if applicable), (iii) enable the Collateral Agent or the Secured Parties to obtain the full benefits of the Security Documents or (iv) enable the Collateral Agent to exercise and enforce any of its rights, powers and remedies with respect to the Pledged Collateral. The Pledgor authorizes the Collateral Agent to execute and file such financing statements or continuation statements in such jurisdictions with such

descriptions of collateral and other information set forth therein as the Collateral Agent may deem necessary or desirable for the purposes set forth in the preceding sentence. The Pledgor also ratifies its authorization for the Collateral Agent to file in any such jurisdiction any initial financing statements or amendments thereto if filed prior to the Effective Date.

(h) The Pledgor will, promptly upon request, provide to the Collateral Agent all information and evidence concerning the Pledged Collateral that the Collateral Agent may reasonably request from time to time to enable it to enforce the provisions of this Agreement.

(i) Promptly following a request from the Collateral Agent or the Lender to do so, and at the Pledgor's own expense, the Pledgor agrees (i) to take all such lawful action as the Collateral Agent or the Lender may reasonably request to compel or secure the performance and observance by any obligor of its obligations to the Pledgor under or in connection with (A) agreements or instruments pursuant to which any Pledged Collateral is issued in accordance with the terms thereof (provided that such action is not inconsistent with or in violation of any of the Pledgor's obligations under such agreements or instruments) and (B) any Transaction Document to which the Pledgor is a party in accordance with the terms thereof (provided that such action is not inconsistent with or in violation of any of the Pledgor's obligations under such Transaction Documents) and (ii) to exercise any and all rights, remedies, powers and privileges lawfully available to the Pledgor, as owner of the Pledged Collateral, under or in connection with such agreements or instruments, or under or in connection with any Transaction Document or Supplier Agreement, in each case to the extent and in the manner reasonably directed by the Collateral Agent or by the Lender, including the transmission of notices of default and the institution of legal or administrative actions or proceedings to compel or secure performance by any such Person of its obligations thereunder. The Pledgor further agrees that it will not (A) exercise any right, remedy, power or privilege available to it under or in connection with the agreements or instruments pursuant to which any Pledged Collateral is issued or under or in connection with any Transaction Document or any Supplier Agreement, (B) take any action to compel or secure performance or observance by any Person of its obligations to the Pledgor as holder of the Pledged Collateral under or in connection with such agreements or instruments or under or in connection with any Transaction Document or any Supplier Agreement or (C) give any consent, request, notice, direction, approval, extension or waiver to any Person under the agreements or instruments pursuant to which any Pledged Collateral is issued or under any Transaction Document or Supplier Agreement, in each case not required to be exercised, taken, observed or given by the Pledgor pursuant to the terms thereof unless, in each case, it has obtained the prior written consent of the Lender and such action is not inconsistent with or in violation of any of the Pledgor's obligations under such agreements, instruments or Transaction Documents or Supplier Agreements, as the case may be.

(j) The Pledgor shall not assign or otherwise transfer any of its rights or obligations as sole member or its limited liability company membership interest in the

Borrower (and any attempted assignment or transfer by the Pledgor without the consent of the Lender shall be null and void).

(k) Unless and until an Event of Default shall have occurred and be continuing, the Pledgor shall (i) be entitled to vote any and all of the Pledged Equity Interests and to give consents, waivers or ratifications in respect of the Pledged Equity Interests other than with respect to a Material Action (as defined in the LLC Agreement) (a “**Major Borrower Action**”), and (ii) have the right to exercise all other powers of ownership pertaining to the Pledged Collateral other than with respect to a Major Borrower Action; provided, that Pledgor shall not take or cause to be taken any action to effectuate a Major Borrower Action without the prior written consent of the Lender. All such rights of the Pledgor shall cease when an Event of Default shall have occurred and be continuing, whereupon Lender shall have sole right to vote, and exercise all other powers of ownership pertaining to, any and all of the Pledged Collateral and Pledgor hereby grants Lender an irrevocable proxy to vote the Pledged Collateral on all matters during such continuing Event of Default.

(l) The Pledgor shall remit all payments in respect of Purchased Receivables to the Collateral Account through the OEM Paying Agent as the Pledgor’s Paying Agent pursuant to the Paying Services Agreement.

Section 4. *Administration of Pledged Collateral.*

(a) The Collateral Agent shall at all times have all the rights of a secured party under the UCC (whether or not in effect in the jurisdiction where such rights are exercised) with respect to the Pledged Collateral. In addition, the Collateral Agent shall, upon Proper Instructions from the Lender, but only while an Event of Default has occurred and is continuing, sell, lease, license or otherwise Dispose of the Pledged Collateral or any part thereof, in one or more parcels at public or private sale, at any exchange, broker’s board or at any of Collateral Agent’s offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable, irrespective of the impact of any such sales on the market price of the Pledged Collateral. To the maximum extent permitted by applicable law, any Secured Party may be the purchaser of any or all of the Pledged Collateral at any such sale and (with the consent of the Lender, which may be withheld in its reasonable discretion) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Pledged Collateral sold at any such public sale, to use and apply all or any part of its Secured Obligations as a credit on account of the purchase price of any Pledged Collateral payable at such sale. Upon any sale of Pledged Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Pledged Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Pledgor or such officer or be answerable in any way for the misapplication thereof. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of the Pledgor, and the Pledgor

hereby waives (to the extent permitted by law) all rights of redemption, stay or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent shall not be obligated to make any sale of Pledged Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the maximum extent permitted by law, the Pledgor hereby waives any claim against the Collateral Agent arising because the price at which any Pledged Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Pledged Collateral to more than one offeree. The Collateral Agent may, with the consent of the Lender, disclaim any warranty, as to title or as to any other matter, in connection with such sale or other Disposition, and its doing so shall not be considered adversely to affect the commercial reasonableness of such sale or other Disposition.

(b) If the Collateral Agent sells any of the Pledged Collateral upon credit, the Pledgor will be credited only with payment actually made by the purchaser and received by the Collateral Agent. If the purchaser fails to pay for the Pledged Collateral, the Collateral Agent may resell the same, subject to the same rights and duties set forth herein.

(c) Any and all interest and other cash and non-cash distributions in respect of any Pledged Collateral, any and all payments received upon Disposition of any Pledged Collateral and any and all other Proceeds of any Pledged Collateral shall be paid directly to, and shall be received and held in, a segregated account, for further distribution in accordance with the Waterfall. If any Proceeds of the Pledged Collateral are received by the Pledgor otherwise than in such account, such Proceeds shall be so received in trust for the Collateral Agent, shall be segregated from other funds and property of the Pledgor and shall be forthwith delivered to the Collateral Agent for deposit in such account in the same form as received, with any necessary endorsements.

Section 5. *The Pledged Accounts.*

(a) *Pledged Accounts.* The Collateral Agent shall have Control over the Pledged Accounts. The Pledgor and the Collateral Agent shall always be party to the Pledged Account Control Agreement. The Pledged Accounts may be sub-divided into sub-accounts.

(b) *Access to Pledged Accounts in the Absence of an Event of Default.* The Pledgor, or the OEM Paying Agent acting on its behalf, will not direct the Collateral Agent to make any transfers or withdrawals from any Pledged Account except that, provided no Event of Default has occurred and is continuing, the Pledgor, or the OEM Paying Agent acting on its behalf, may by Proper Instructions direct the Collateral Agent to transfer amounts in the Pledged Accounts to the OEM Paying Agent on behalf of the Pledgor (i) in accordance with the Paying Services Agreement or (ii) otherwise in accordance with Proper Instructions from the Lender.

(c) *Access to Pledged Accounts during an Event of Default.* While an Event of Default has occurred and is continuing (i) neither the Pledgor, nor the OEM Paying Agent acting on its behalf, shall be entitled to direct the Collateral Agent to make any transfers or withdrawals from any Pledged Account, and (ii) all amounts in the Pledged Accounts and all cash and non-cash proceeds of the Pledged Collateral may be applied by or withdrawn by the Lender in its sole discretion upon Proper Instructions to the Collateral Agent, less any Costs or Expenses of any Agent. If an Event of Default has occurred and is continuing the Lender may direct the Collateral Agent to open sub-accounts of any Pledged Account, provided that Costs and Expenses of the Agents should in all cases be paid first.

(d) *Application of Proceeds at Maturity.* If as of the Maturity Date all non-cash Pledged Collateral has not been fully liquidated and Disposed of and all proceeds thereof have not been deposited in a Pledged Account, then as of the Maturity Date, all amounts available in the Pledged Accounts, after establishment of a reserve in an amount determined by the Lender to cover Costs and Expenses anticipated to be incurred from the Maturity Date to the Final Distribution Date (as defined in the Security Agreement) shall be distributed by the Collateral Agent at the direction of the Lender in accordance with the Waterfall.

(e) *Application of Proceeds at Final Distribution Date.* On the Final Distribution Date, all amounts available in the Pledged Accounts shall be distributed by the Collateral Agent at the direction of the Lender in accordance with Section 5(f) of the Security Agreement.

(f) *Notice of Adverse Claims.* The Collateral Agent shall give the Pledgor and the Lender prompt notice if (i) the Collateral Agent receives written notice or (ii) (A) any officer or employee of the Collateral Agent involved with the administration of the transactions and agreements contemplated by this Agreement and the other Transaction Documents and the Pledged Collateral, (B) any officer or employee within the Collateral Agent's office of the general counsel or office of the corporate secretary, (C) any officer or employee employed in the corporate trust division or to whom corporate trust matters are generally referred or (D) any other officer of the Collateral Agent receives written notice that any Pledged Account becomes subject to any writ, order, judgment, warrant of attachment, execution, similar process, or other adverse claim.

(g) *Statement of Account.* The Collateral Agent from time to time shall provide the Pledgor and the Lender upon written request with statements of account relative to the Pledged Accounts in accordance with the Collateral Agent's customary practices; *provided* that (x) statements of account shall be provided to each of the foregoing Persons not less frequently than monthly notwithstanding the lack of a written request and (y) to the extent that the information contained in such statements of account is supplied by an institution or institutions other than the Collateral Agent, the Collateral Agent shall not be responsible for the correctness or accuracy of the information received by. However, if such information is not provided to the Collateral Agent by the time specified in this Agreement or in the other Transaction Documents and, where relevant, in the form set out in the relevant Transaction Document, or if such information is manifestly incorrect,

the Collateral Agent shall use reasonable efforts to make the necessary calculations and shall incur no liability hereunder for any consequence resulting from making such calculations other than as a result of its negligence, bad faith, willful misconduct or fraudulent actions.

(h) *Instructions for Payment.* Any Officer's Certificate and Proper Instruction given to the Collateral Agent for payment out of the Collateral Account pursuant to this Agreement, shall set forth on the face thereof the specific amounts of the allocations, payments, amounts, deposits, transfers or withdrawals addressed therein and such other information as shall be sufficient to enable the Collateral Agent to carry out the instructions and take the related actions in accordance with this Agreement. The Collateral Agent shall promptly comply with any such Proper Instruction made in accordance with the provisions of this Agreement.

Section 6. *The Collateral Agent.*

(a) *Employment of Collateral Agent and Property to be Held.*

(i) Each Secured Party hereby appoints the Collateral Agent as an agent of such Secured Party and custodian of the Pledged Collateral and authorizes and directs the Collateral Agent (A) to sign and deliver the Security Documents as Collateral Agent and (B) to take such actions on its behalf and to perform such obligations as are delegated to the Collateral Agent by the express terms of the Transaction Documents. The Collateral Agent accepts such appointment. The provisions of this Section 6 are solely for the benefit of the Collateral Agent and the Lender, and the Pledgor has no rights as a third party beneficiary of any of such provisions.

(ii) Concurrently with the execution of this Agreement, and from time to time thereafter, as appropriate, (A) the Lender shall deliver to the Collateral Agent, duly certified by an authorized officer of the Lender a certificate substantially in the form set forth in Exhibit B-1 hereof setting forth the names, titles, signatures and scope of authority of all persons authorized to give Proper Instructions or any other notice, request, direction, instruction, certificate or instrument on behalf of Lender (each such person, a "**Responsible Officer**" of the Lender); (B) the Pledgor shall deliver to the Collateral Agent, duly certified by an authorized officer of the Pledgor a certificate substantially in the form set forth in Exhibit B-2 hereof setting forth the names, titles, signatures and scope of authority of all persons authorized to give Proper Instructions or any other notice, request, direction, instruction, certificate or instrument on behalf of the Pledgor (each such person, a "**Responsible Officer**" of the Pledgor); and (C) the OEM Paying Agent has delivered to the Collateral Agent, certificates duly certified by an authorized officer of the OEM Paying Agent hereof setting forth the names, titles, signatures and scope of authority of all persons authorized to give Proper Instructions or any other notice, request, direction, instruction, certificate or instrument on behalf of the OEM Paying Agent, true and correct copies of such certificates are attached hereto as Exhibit B-3 hereof, and such certificates are in full force and effect and true and

correct in all material respects as of the Effective Date (each such person, a “**Responsible Officer**” of the OEM Paying Agent). Each such certificate may be accepted and relied upon by the Collateral Agent as conclusive evidence of the facts set forth therein and shall be considered to be in full force and effect until receipt by the Collateral Agent of a similar certificate to the contrary.

(iii) “**Proper Instructions,**” as such term is used throughout this Agreement and other Transaction Documents, means a writing signed by a Responsible Officer of the Lender, the Pledgor or the OEM Paying Agent, as applicable. Proper Instructions may be standing instructions. Each such writing shall set forth the specific transaction or type of transaction involved and may set forth any appropriate procedures to be followed. Proper Instructions may include communications effected (x) directly between electro-mechanical or electronic devices in accordance with security procedures agreed to by the Collateral Agent and the Lender in any such writing or (y) by other means if and to the extent that the Person issuing the Proper Instructions and the Collateral Agent shall have agreed in writing to permit such other means.

(b) *Certain Collateral Agent Actions.*

(i) Before the Collateral Agent acts or refrains from acting, it may, in the absence of Proper Instructions, require an Officer’s Certificate of the Lender and/or an opinion of counsel satisfactory to the Collateral Agent with respect to the proposed action or inaction. The Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion. Whenever in the administration of any Transaction Document the Collateral Agent shall deem it necessary or desirable that a matter be provided or established prior to taking or suffering or omitting to take any act hereunder or under any of the other Transaction Documents, such matter (unless other evidence with respect thereto be herein or therein specifically prescribed) may, in the absence of negligence, bad faith, willful misconduct or fraudulent actions on the part of the Collateral Agent, be deemed to be conclusively proved and established by an Officer’s Certificate of the Lender delivered to the Collateral Agent, and such certificate, in the absence of negligence, bad faith, willful misconduct or fraudulent actions on the part of the Collateral Agent, shall be full warrant to the Collateral Agent for any action taken, suffered or omitted to be taken by it under the provisions of any Transaction Document upon the faith thereof.

(ii) In each case that the Collateral Agent may or is required hereunder or under any other Transaction Document to take any action, including to make any determination or judgment, to give consents, to exercise rights, remedies, powers or privileges, to release or sell collateral or otherwise to act hereunder or under any other Transaction Document, the Collateral Agent may seek direction from the Lender. The Collateral Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, but shall be required to act or refrain from acting solely upon the written instruction of the Lender, and the Collateral Agent shall not be liable with respect to any action taken or omitted to be taken by it

in good faith in accordance with such direction. If the Collateral Agent shall request direction from the Lender with respect to any action, the Collateral Agent shall be entitled to refrain from such action unless and until such Collateral Agent shall have received direction from the Lender, and the Collateral Agent shall not incur liability to any Person by reason of so refraining.

(c) Duties of the Collateral Agent with Respect to Property of the Pledgor.

(i) *Generally.* Except as otherwise set forth herein, the powers conferred on the Collateral Agent hereunder are solely to protect its interest in the Pledged Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Pledged Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Pledged Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Pledged Collateral.

(ii) *Bank Accounts.* The Collateral Agent shall open and maintain a separate deposit account or accounts in the United States in the name of the Borrower subject only to draft, order, or other instructions pursuant to the terms of this Agreement and the Pledged Account Control Agreement (A) in accordance with Proper Instructions from Pledgor, or the OEM Paying Agent acting on its behalf, so long as no Event of Default has occurred and is continuing or (B) in accordance with Proper Instructions from the Lender while an Event of Default has occurred and is continuing. The Collateral Agent shall hold in such account or accounts, subject to the provisions hereof, all cash received by it from or for the account of the Pledgor. Any such account shall, absent a Proper Instruction to the contrary, be held as a Pledged Account. Upon and during the continuance of any Event of Default, the Lender shall have the right to notify any or all Persons party to the Pledged Account Control Agreement of the occurrence and continuance of an Event of Default and other appropriate circumstances, and exercise control over and take possession or custody of any or all Pledged Collateral in the possession, custody or control of such other Persons.

(iii) *“Financial Assets” Election.* The Collateral Agent and the Pledgor agree that Pledged Collateral, except for the Pledged Account(s), shall be treated as a “**Financial Asset**” within the meaning of Sections 8-102(a)(9) and 8-103 of the UCC.

(d) Collateral Agent’s Rights.

(i) The Lender understands that the Collateral Agent is engaged in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) (such services and businesses are collectively referred to in this Section 6(d) as “Activities”) and may engage in the Activities with or on behalf of the Pledgor or its respective Affiliates. Furthermore, the Collateral Agent may, in undertaking the

Activities, engage in trading in financial products or undertake other investment businesses for its own account or on behalf of others (including the Pledgor and its Affiliates and including holding, for its own account or on behalf of others, equity, debt and similar positions in the Pledgor or its Affiliates), including trading in or holding long, short or derivative positions in securities, loans or other financial products of the Pledgor or its Affiliates. The Lender understands and agrees that in engaging in the Activities, the Collateral Agent may receive or otherwise obtain information concerning the Pledgor or its Affiliates (including information concerning the ability of the Pledgor to perform its respective obligations hereunder and under the other Transaction Documents) which information may not be available to the Lender. The Collateral Agent shall not have any duty to disclose to the Lender or use on behalf of the Lender, nor be liable for the failure to so disclose or use, any information whatsoever about or derived from the Activities or otherwise (including any information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of the Pledgor or any Affiliate of the Pledgor) or to account for any revenue or profits obtained in connection with the Activities.

(ii) The Lender further understands that there may be situations where the Collateral Agent or its respective customers (including the Pledgor and its Affiliates) either now have or may in the future have interests or take actions that may conflict with the interests of the Lender (including the interests of the Lender hereunder and under the other Transaction Documents). The Lender agrees that the Collateral Agent is not and shall not be required to restrict its activities as a result of it serving as a Collateral Agent, and that the Collateral Agent may undertake any Activities without further consultation with or notification to the Lender. None of (i) this Agreement or any other Transaction Document, (ii) the receipt by the Collateral Agent of information concerning the Pledgor or its Affiliates (including information concerning the ability of the Pledgor to perform its respective obligations hereunder and under the other Transaction Documents) or (iii) any other matter, shall give rise to any fiduciary, equitable or contractual duties (including any duty of trust or confidence) owing by the Collateral Agent to the Lender including any such duty that would prevent or restrict the Collateral Agent from acting on behalf of customers (including the Pledgor or its Affiliates) or for its own account.

(e) *Limited Duties and Responsibilities.* The Collateral Agent's duties hereunder and under the other Transaction Documents are solely ministerial and administrative (and shall not be construed to be fiduciary) in nature and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Transaction Documents. Without limiting the generality of the foregoing, (i) the Collateral Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, but shall be required to act or refrain from acting (and shall be fully protected in so acting or refraining from acting) upon receiving Proper Instructions, provided that the Collateral Agent shall not be required to take any action that, in its reasonable opinion or the reasonable opinion of its counsel, may reasonably be expected to expose the Collateral Agent or any of its Affiliates to liability as to which no indemnification reasonably satisfactory to it is provided or that is contrary to any

Transaction Document or applicable law, (ii) the Collateral Agent shall not be subject to any fiduciary or other implied duties, implied covenants or implied obligations pursuant to this Agreement or any other Transaction Document, regardless of whether an Event of Default has occurred and is continuing, (iii) the Collateral Agent shall not have any duty to disclose, and shall not be liable for any failure to disclose, any information relating to the Pledgor that is communicated to or obtained by the Collateral Agent or any of its Affiliates in any capacity other than its Collateral Agent capacity, and (iv) the Collateral Agent shall not be required to expend or risk any of its funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder. The Collateral Agent shall not be liable for (i) any action taken or not taken by it in good faith in accordance with Proper Instructions or (ii) any action taken or not taken by it with the consent or at the request of the Lender or in accordance with this Agreement or any of the Transaction Documents or in the absence of its own negligence, bad faith, willful misconduct or fraudulent actions. Absent actual knowledge, the Collateral Agent shall be deemed not to have knowledge of any Event of Default unless and until written notice thereof is received by the Collateral Agent from the Pledgor or the Lender, and the Collateral Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty, representation or other information made or supplied in or in connection with this Agreement or any other Transaction Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith or the adequacy, accuracy and/or completeness of the information contained therein, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Transaction Document or any other agreement, instrument or document or the perfection or priority of any lien or Security Interest created or purported to be created by this Agreement or any other Transaction Document or (v) the satisfaction of any condition set forth herein or in any other Transaction Document, other than (but subject to the foregoing clause (ii)) to confirm receipt of items expressly required to be delivered to the Collateral Agent. Nothing in this Agreement or any other Transaction Document shall require either the Collateral Agent or any of its Related Parties to carry out any "know your customer" or other checks in relation to any Person on behalf of the Lender and the Lender confirms to the Collateral Agent that the Lender is solely responsible for any such checks the Lender is required to carry out and that the Lender may not rely on any statement in relation to such checks made by the Collateral Agent or any of its Related Parties. Notwithstanding anything contained in this Agreement to the contrary, the Collateral Agent shall not incur any liability for not performing any act or fulfilling any obligation hereunder by reason of any occurrence beyond its control (including, without limitation, any provision of any present or future law or regulation or any act of any governmental authority, any act of God or war or terrorism or the unavailability of the Federal Reserve Bank wire services or any electronic communication failure).

(f) *Evidence of Authority.* The Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by the Collateral Agent

to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by such Collateral Agent in good faith to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of any Loans that by its terms must be fulfilled to the satisfaction of the Lender, the Collateral Agent may presume that such condition is satisfactory to the Lender unless an officer of the Collateral Agent responsible for the transactions contemplated hereby shall have received notice to the contrary from the Lender prior to the making of such Loans. Absent negligence, bad faith, willful misconduct or fraudulent actions, the Collateral Agent shall be entitled to rely on, and shall not incur any liability for relying on, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Collateral Agent may receive and accept a certificate of a Responsible Officer of the Lender as conclusive evidence of the authority of any person to act in accordance with such certificate or of a Responsible Officer of the Pledgor as conclusive evidence of any determination or of any action by the Pledgor pursuant to the Pledgor's LLC Agreement as described in such certificate, and such certificate may be considered as in full force and effect until receipt by the Collateral Agent of written notice to the contrary. The Collateral Agent may consult with legal counsel (who may be counsel for the Pledgor), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in reasonable reliance upon the advice of any such counsel, accountants or experts.

(g) *Delegation of Duties.* The Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Transaction Document by or through any one or more sub-agents appointed by the Collateral Agent, provided that the Collateral Agent agrees that (x) such sub-agents will be selected by it with reasonable care, (y) no such appointment will relieve the Collateral Agent of its obligations hereunder and (z) the Collateral Agent shall remain fully responsible for the performance of any such sub-agent. The Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. Each such sub agent and the Related Parties of each Agent and each such sub agent shall be entitled to the benefits of all provisions of this Section 6 and Section 11 (as though such sub-agents were a "Collateral Agent" under the Transaction Documents) as if set forth in full herein with respect thereto, except that Costs and Expenses shall not include any amounts owed by the Collateral Agent to any sub-agent, all such amounts to be paid by the Collateral Agent.

(h) *Information as to Secured Obligations.* For all purposes of the Security Documents, including determining the aggregate amount of Secured Obligations or the amount of Secured Obligations owed to the Lender, the Collateral Agent will be entitled to rely on information from Lender as to amounts owed to Lender, the Pledgor or its own records (or such party as the Lender may direct in a Proper Instruction with respect to other amounts).

(i) *Resignation; Successor Collateral Agent.* The Collateral Agent may resign as collateral agent hereunder at any time for any reason, and the Lender may, in its

sole discretion, remove the Collateral Agent as collateral agent hereunder at any time for any reason, in each case upon not less than 30 days' prior written notice to each other Party; *provided* that no resignation of the Collateral Agent shall be effective until the Lender shall have appointed a successor Collateral Agent. If the Lender shall fail to appoint such successor within 90 days after notice of resignation or removal, as the case may be, then the Collateral Agent may petition any court of competent jurisdiction for the appointment of such successor at the sole cost and expense of the Lender. The indemnity provided to the Collateral Agent under Section 11 shall survive its resignation or removal under this Agreement with respect to any indemnified liabilities to the extent incurred or arising, or relating to events occurring, before such resignation or removal. Upon acceptance in writing of its appointment as Collateral Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent, and the retiring Collateral Agent shall be, upon transfer of possession of all Pledged Collateral in its control to such successor, discharged from its duties hereunder. As of the resignation date, fees and reimbursement expenses shall be paid to the Collateral Agent in accordance with Section 5 of the Security Agreement on the next succeeding Payment Date. The fees payable by the Pledgor to a successor Collateral Agent shall be the same as those payable to its predecessor unless otherwise agreed by the Pledgor and such successor. After the Collateral Agent's resignation hereunder, the provisions of this Section 6(i) shall continue in effect for the benefit of such retiring Collateral Agent and its respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Collateral Agent was acting as collateral agent hereunder.

(j) *Authority to Administer Pledged Collateral.* Without derogation of the Collateral Agent's duties under this Section, as further security for the Secured Obligations, the Pledgor hereby appoints the Collateral Agent as its true and lawful attorney, with full power of substitution, in the name of the Pledgor, the Collateral Agent or otherwise, for the sole use and benefit of the Collateral Agent, but at the expense of the Pledgor, to the extent permitted by law but only while an Event of Default has occurred and is continuing, for the purpose of taking such action and executing agreements, instruments and other documents, in the name of the Pledgor, as expressly provided herein and as the Collateral Agent (at the direction of the Lender) or the Lender may deem necessary or advisable to accomplish the purposes hereof, including to exercise, at any time and from time to time, all or any of the following powers with respect to all or any of the Pledged Collateral:

(i) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due upon or by virtue thereof;

(ii) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto;

(iii) to sell, lease, license or otherwise Dispose of the same or the proceeds or avails thereof, as fully and effectually as if the Collateral Agent were the absolute owner thereof; and

(iv) to extend the time of payment of any or all thereof and to make any allowance or other adjustment with reference thereto;

provided that with respect to Dispositions of any Pledged Collateral under this Agreement after the occurrence and during the continuance of an Event of Default, except in the case of Pledged Collateral that threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Collateral Agent will give the Lender and the Pledgor at least ten days prior written notice of the time and place of any public sale thereof or the time after which any private sale or other intended Disposition thereof will be made. Any such notice shall (x) contain the information specified in UCC Section 9-613, (y) be Authenticated and (z) be sent to the Parties required to be notified pursuant to UCC Section 9-611(c); *provided further* that if the Collateral Agent fails to comply with this sentence in any respect, its liability for such failure shall be limited to the liability (if any) imposed on it as a matter of law under the UCC; and *provided further* that in taking, or refusing to take, any action pursuant to this Section 6(j), the Collateral Agent shall not take any action contrary to any Proper Instruction.

(k) *Non-Reliance.*

(i) The Lender confirms to the Collateral Agent that it (A) possesses (individually or through its Related Parties) such knowledge and experience in financial and business matters that it is capable, without reliance on the Collateral Agent, or any of its respective Related Parties, of evaluating the merits and risks (including tax, legal, regulatory, credit, accounting and other financial matters) of (x) entering into this Agreement and the other Transaction Document, (y) making its Loans and (z) taking or not taking actions hereunder and thereunder, (B) is financially able to bear such risks and (C) has determined that entering into this Agreement and making its Loans and entering into the other Transaction Documents is suitable and appropriate for it.

(ii) The Lender acknowledges that (x) it is solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with this Agreement and the other Transaction Documents, (y) it has, independently and without reliance upon the Collateral Agent, or any of its Related Parties, made its own appraisal and investigation of all risks associated with, and its own credit analysis and decision to enter into, this Agreement and the other Transaction Documents based on such documents and information, as it has deemed appropriate and (z) it will, independently and without reliance upon the Collateral Agent or any of its Related Parties, continue to be solely responsible for making its own appraisal and investigation of all risks arising under or in connection with, and its own credit analysis and decision to take or not take action under, this Agreement and the other Transaction Documents based on such documents and information as it shall from time to time deem appropriate, which may include, in each case:

(A) the financial condition, status and capitalization of the Pledgor;

(B) the legality, validity, effectiveness, adequacy or enforceability of this Agreement and each other Transaction Document and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Transaction Document;

(C) determining compliance or non-compliance with any condition hereunder to the making of its Loans and the form and substance of all evidence delivered in connection with establishing the satisfaction of each such condition; and

(D) the adequacy, accuracy and/or completeness of the information delivered by the Collateral Agent or any of its respective Related Parties under or in connection with this Agreement or any other Transaction Document, the transactions contemplated hereby and thereby or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Transaction Document.

Section 7. *Waivers; Amendment.*

(a) No failure or delay of the Collateral Agent or any other Party in exercising any power or right hereunder or under any other Security Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies hereunder and under the other Security Documents are cumulative and are not exclusive of any rights or remedies that it would otherwise have. No waiver of any provision of this Agreement or any other Security Document or consent to any departure by the Collateral Agent or any other Party shall in any event be effective unless the same shall be given in accordance with Section 7(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Collateral Agent in any case shall entitle the Collateral Agent to any other or further notice or demand in similar or other circumstances.

(b) Each party to this Agreement may waive its rights under any provision of this Agreement in writing. Neither this Agreement nor any provision hereof may be waived, amended or modified except in accordance with the provisions of Section 9.01 of the Credit Agreement; *provided* that without the consent of the Collateral Agent and the OEM Paying Agent, no amendment, modification, supplement or waiver of this Agreement may modify this Agreement in a way that adversely affects the rights, immunity, indemnity, duties, obligations liabilities or protection of the Agents hereunder. Any such amendment, supplement, modification or waiver shall be binding upon the Collateral Agent, each other Secured Party and the Pledgor. Any purported amendment, waiver, supplement or modification not complying with the terms of this Section shall be null and void.

Section 9. *Binding Effect.*

This Agreement shall become effective when a counterpart hereof shall have been executed by each of the Parties and delivered to the Lender.

Section 10. *Intentionally Reserved.*

Section 11. *Expenses; Indemnity; Certain Damages.*

(a) The Pledgor agrees to pay all reasonable out-of-pocket expenses incurred by the Collateral Agent in connection with performance of its obligations hereunder.

(b) The Pledgor shall indemnify the Collateral Agent and each of its Related Parties (each such Person being called an “**Indemnitee**”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable fees, charges and disbursements of counsel for the Indemnitee(s); provided, that Pledgor shall only be responsible for the fees, charges and disbursements of a single attorney or firm engaged to represent all Indemnities taken together, except to the extent such joint representation would be inappropriate under applicable standards of professional conduct), incurred by any Indemnitee or asserted against any Indemnitee by any third party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Transaction Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or the use or proposed use of the proceeds therefrom, or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Pledgor or any of its Affiliates and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the negligence, bad faith, willful misconduct, or fraudulent actions of such Indemnitee or its Related Persons.

(c) Except for liabilities to third parties relating to defense and indemnification obligations hereunder and to the extent permitted by applicable law, no party shall assert on its own behalf, and each hereby waives, any claim against any other party, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any other Transaction Document, or any agreement or instrument contemplated hereby, or the transactions contemplated hereby. To the extent that the Pledgor for any reason fails to indefeasibly pay any amount required under this subsection (c) of this Section to be paid by it to the Collateral Agent or any Related Party thereof, the Lender (to the extent and only to the extent available from the Collateral Account from time to time) agrees to pay to the Collateral Agent or such Related Party, as the case may be, such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Collateral Agent in its capacity as such.

(d) Notwithstanding anything herein to the contrary, the provisions of this Section shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the repayment of any of the Secured Obligations, the reduction or termination of the commitments to make Loans under the Credit Agreement, the invalidity or unenforceability of any term or provision of this Agreement, the Credit

Agreement or any other Transaction Document or any investigation made by or on behalf of any party hereto.

(e) If any transfer tax, documentary stamp tax or other tax is payable in connection with the Pledged Collateral or the Security Interest, the Pledgor will pay such tax and provide any required tax stamps to the Collateral Agent or as otherwise required by law.

Section 12. *Successors and Assigns.*

(a) This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns permitted hereby, except that the Collateral Agent may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender, which consent shall not be unreasonably withheld (and any attempted assignment or transfer by the Collateral Agent without such consent shall be null and void). If all or any part of any Secured Party's interest in any Secured Obligation is assigned or otherwise transferred, the transferor's rights hereunder, to the extent applicable to the obligation so transferred, shall be automatically transferred with such Secured Obligation.

(b) Any Person (i) into which the Collateral Agent may be merged or consolidated, (ii) which may result from any merger, conversion or consolidation to which the Collateral Agent shall be a party or (iii) succeeding to the business of the Collateral Agent, which Person, in any of the foregoing cases executes an agreement of assumption to perform every obligation of the Collateral Agent hereunder, shall be the successor to the Collateral Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the Parties to this Agreement, notwithstanding anything in this Agreement to the contrary. The Collateral Agent shall provide prior written notice of any merger, consolidation or succession pursuant to this clause to the Pledgor and the Lender.

Section 13. *Counterparts.*

This Agreement may be executed in counterparts (and by different Parties on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 9. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 14. *Severability.*

If any one or more of the provisions contained in this Agreement or in any other Transaction Document to which the Pledgor is a party should be held invalid, illegal or unenforceable in any respect to the extent permitted by applicable law, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the

validity of such provision in any other jurisdiction). The Parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 15. *Integration.*

This Agreement and the other Transaction Documents represent the entire agreement of the Parties with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Pledgor, any Secured Party or the Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Transaction Documents.

Section 16. *Applicable Law.*

THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE FEDERAL LAW OF THE UNITED STATES. INsofar AS THERE MAY BE NO APPLICABLE FEDERAL LAW, THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY RULE OF CONFLICTS OF LAW (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW) THAT WOULD RESULT IN THE APPLICATION OF THE SUBSTANTIVE LAW OF ANY JURISDICTION OTHER THAN THE STATE OF NEW YORK. NOTHING IN THIS AGREEMENT SHALL REQUIRE ANY UNLAWFUL ACTION OR INACTION BY EITHER PARTY.

Section 17. *Submission to Jurisdiction; Venue; Etc.*

EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY:

(a) SUBMITS FOR ITSELF AND ITS PROPERTY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT, THE PROMISSORY NOTES AND THE OTHER LOAN DOCUMENTS, OR FOR RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT IN RESPECT THEREOF, TO THE GENERAL JURISDICTION OF ANY COURT OF THE STATE AND COUNTY OF NEW YORK, OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK;

(b) CONSENTS THAT ANY SUCH ACTION OR PROCEEDING MAY BE BROUGHT IN SUCH COURTS AND, TO THE EXTENT PERMITTED BY LAW, WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH ACTION OR PROCEEDING IN ANY SUCH COURT OR THAT SUCH ACTION OR PROCEEDING WAS BROUGHT IN AN INCONVENIENT COURT AND AGREES NOT TO PLEAD OR CLAIM THE SAME;

(c) AGREES THAT SERVICE OF PROCESS IN ANY SUCH ACTION OR PROCEEDING MAY BE EFFECTED BY MAILING A COPY THEREOF BY

REGISTERED OR CERTIFIED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL), POSTAGE PREPAID, TO ITS ADDRESS SET FORTH IN SECTION 9.02 OR AT SUCH OTHER ADDRESS OF WHICH THE LENDER SHALL HAVE BEEN NOTIFIED; AND

(d) AGREES THAT NOTHING HEREIN SHALL AFFECT THE RIGHT TO EFFECT SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR SHALL LIMIT THE RIGHT TO SUE IN ANY OTHER JURISDICTION.

Section 18. *Confidentiality.*

The Lender and the Collateral Agent agree to keep confidential all nonpublic information provided to them by the Pledgor, the Collateral Agent, the Lender or any other Person pursuant to or in connection with this Agreement or the other Transaction Documents in accordance with the confidentiality provisions applicable to the Lender set forth in Section 9.14 of the Credit Agreement.

Section 19. *WAIVERS OF JURY TRIAL.*

EACH PARTY HERETO IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE PLEDGED COLLATERAL, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 20. *Limited Recourse.*

Notwithstanding anything to the contrary contained in this Agreement and the other Transaction Documents, the obligations of the Pledgor under this Agreement and all other Transaction Documents are solely the obligations of the Pledgor and shall be payable solely to the extent of funds received by and available to the Pledgor in accordance with this Agreement and the other Transaction Documents. No recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, the Pledgor arising out of or based upon this Agreement or any other Transaction Document against any holder of a membership interest, employee, officer or Affiliate thereof and, except as specifically provided herein and in the other Transaction Documents, no recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, the Pledgor arising out of or based upon this Agreement against the Collateral Agent or any holder of the membership interests of the Pledgor or any Related Party of any thereof; *provided* that the foregoing shall not relieve any such person or entity from any liability they might otherwise have as a result of bad faith, willful misconduct or fraudulent actions taken or omissions by them or, in the case of the Collateral Agent or any Related Party thereof, the foregoing or its negligence in the performance of its duties under the Servicing Agreement. The provisions of this Section 20 shall survive the termination or expiration of this Agreement and payment in full of all the Secured Obligations.

Section 21. *Headings.*

Article and Section headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 22. *Waiver of Right of Setoff.*

The Collateral Agent waives all of its rights to set off and apply any Pledged Collateral at any time held and other obligations at any time owing by the Collateral Agent to or for the credit or the account of the Pledgor or any Secured Party against the obligations of the Pledgor or any Secured Party hereunder and under the other Transaction Documents, irrespective of whether or not the Collateral Agent shall have made any demand thereunder and although such obligations may be unmatured.

Section 23. *Instructions.*

It is understood that any instruction required to be given, prepared and/or delivered by the Lender or its designee pursuant to this Agreement will be given, prepared and/or delivered pursuant to a Proper Instruction.

Section 24. *Further Assurances.*

Each Party agrees to do such further acts and things and to execute and deliver to the Pledgor (or to the Collateral Agent or to the Lender) such additional assignments, agreements, powers and instruments, as may be reasonably necessary to carry into effect the purposes of this Agreement.

Section 25. *Intentionally Reserved.*

Section 26. *Role of the Lender.*

Each party agrees that, except as otherwise set forth in this Agreement and the other Transaction Documents, the Lender has ultimate authority with respect to all decisions regarding the management of the Pledged Collateral (which the Lender may delegate, in whole or in part, to the Collateral Agent or otherwise).

Section 27. *Intentionally Reserved.*

Section 28. *Executive Privileges and Compensation.*

(a) During the Availability Period, the Pledgor shall comply with the following restrictions on executive privileges and compensation:

(i) Pledgor shall take all necessary action to ensure that its Plans comply in all respects with Section 111 of EESA, as implemented by any guidance or regulation thereunder or any other guidance or regulations under Section 111 of EESA, as the same shall be in effect from time to time (“**Compensation**

Regulations”) and shall not adopt any new Plan that (A) does not comply therewith or (B) does not expressly state and require that such Plan and any compensation thereunder shall be subject to any relevant Compensation Regulations adopted, issued or released on or after the date any such Plan is adopted. To the extent that the Compensation Regulations change during the Availability Period in a manner that requires changes to the then-existing Plans, the Pledgor shall effect such changes to its Plans as promptly as practicable after it has actual knowledge of such changes in order to be in compliance with this Section 28 (and shall be deemed to be in compliance for a reasonable period to effect such changes).

(ii) Pledgor shall be subject to the limits on annual executive compensation deductibles imposed by Section 162(m)(5) of the Code, as applicable;

(iii) Pledgor shall not pay or accrue any bonus or incentive compensation to the Senior Employees, except as may be permitted under the EESA or the Compensation Regulations;

(iv) Pledgor shall not adopt or maintain any compensation plan that would encourage manipulation of its reported earnings to enhance the compensation of any of its employees;

(v) Pledgor shall maintain all suspensions and other restrictions of contributions to Plans that are in place or initiated as of the date of this Agreement; and

(vi) at all times throughout the term of this Agreement, the Lender shall have the right to require Pledgor to claw back any bonuses or other compensation, including golden parachutes, paid to any Senior Employees in violation of any of the foregoing.

(b) Within 120 days after the date of this Agreement, the Pledgor’s principal executive officer (or person acting in a similar capacity) shall certify in writing to the Lender’s Chief Compliance Officer that the Pledgor’s compensation committee has reviewed the compensation arrangements of the Senior Executive Officers with its senior risk officers and determined that the compensation arrangements do not encourage the Senior Executive Officers to take unnecessary and excessive risks that threaten the value of the Pledgor; *provided* that to the extent the New OEM has provided certification pursuant to Section 5.16(b) of the New OEM Loan Agreement on Executive Privileges and Compensation, the Pledgor’s obligations under this Section 23(b) shall be deemed to be satisfied. The Pledgor shall preserve appropriate documentation and records to substantiate such certification in an easily accessible place for a period not less than three (3) years following the Maturity Date.

For the avoidance of doubt, (i) the limits of Sections 28(a)(ii)-(vi) and Section 28(b) are in addition to any applicable requirements under provisions of EESA prohibiting golden parachute payments to Senior Executive Officers and the relevant

Compensation Regulations and (ii) to the extent any Plan is inconsistent with any relevant Compensation Regulations, such Compensation Regulations shall control.

Section 29. *Termination.*

The Security Interest created or granted hereby shall terminate on the first date on which (a) the Lender has no remaining commitment to make any Loans, (b) all Pledged Collateral has been fully liquidated and Disposed of and all proceeds thereof have been distributed in accordance with Section 5 of the Security Agreement and (c) all Secured Obligations have been paid in full. Except as otherwise set forth herein, this Agreement shall terminate contemporaneously with, and all representations, warranties and covenants of all parties hereto shall survive until, the termination of the Security Agreement.

Section 30. *Additional Inspection Rights.*

At all times while any Loans are outstanding, the Pledgor shall permit (i) the Lender and its agents, consultants, contractors and advisors, (ii) the Special Inspector General of the Troubled Asset Relief Program, (iii) the Comptroller General of the United States, and (iv) the General Accounting Office of the United States access to personnel and any books, papers, records or other data delivered to it pursuant to the Transaction Documents or otherwise in its possession, custody or control, in each case to the extent relevant to ascertaining compliance with the terms and conditions set forth in the Loan Documents, during normal business hours and upon reasonable notice to the Pledgor, as the case may be; *provided* that prior to disclosing any information pursuant to clause (i), (ii) or (iii), the Lender, the Special Inspector General of the Troubled Asset Relief Program, the Comptroller General of the United States and the General Accounting Office of the United States shall have agreed, with respect to documents obtained under this agreement in furtherance of their respective functions, to follow applicable law and regulation (and the applicable customary policies and procedures, including those for inspectors general) regarding the dissemination of confidential materials, including redacting confidential information from the public version of its reports, as appropriate, and soliciting input from the Pledgor as to information that should be afforded confidentiality. The Lender represents that it has been informed by the Special Inspector General of the Troubled Asset Relief Program and the Comptroller General of the United States that they, before making any request for access or information pursuant to their oversight and audit functions, will establish a protocol to avoid, to the extent reasonably possible, duplicative requests. Nothing in this Section 30 shall be construed to limit the authority that the Special Inspector General of the Troubled Asset Relief Program or the Comptroller General of the United States have under law.

Section 31. *No Merger of Title.*

If the Borrower (or any Person claiming through the Borrower, including the Lender) is deemed to be holding a Purchased Receivable on behalf of the Pledgor, no merger shall result therefrom; and the Borrower's right to receive payment as account

creditor shall remain separate and distinct from the Pledgor's obligation to make payment as account debtor until such Purchased Receivable has been paid in full.

Section 32. *Limitation upon Certain Independent Actions; No Challenges.*

(a) No Secured Party other than the Lender shall have any right to institute any action or proceeding to enforce any term or provision of the Security Documents or to enforce any of its rights in respect of the Pledged Collateral or to exercise any other remedy pursuant to the Security Documents or at law or in equity for the purpose of realizing on the Pledged Collateral, or by reason of jeopardy of any Pledged Collateral, or for the execution of any trust or power hereunder (collectively, the "Specified Actions"). The Lender may act on behalf of the Secured Parties or any of them and shall be entitled to commence proceedings in any court of competent jurisdiction or to take any other Specified Actions as the Collateral Agent might have taken pursuant to this Agreement or the other Security Documents. The Pledgor acknowledges and agrees that should the Lender act in accordance with this provision, the Lender will have all the rights, remedies, benefits and powers as are granted to the Collateral Agent pursuant this Agreement and the other Security Documents.

(b) In no event shall any Secured Party take any action to challenge, contest or dispute the validity, extent, enforceability or priority of the Security Interest hereunder or under any other Security Document with respect to any of the Pledged Collateral, or that would have the effect of invalidating the Security Interest or support any Person who takes any such action. Each of the Secured Parties agrees that it will not take any action to challenge, contest or dispute the validity, enforceability or secured status of any other Secured Party's claims against the Pledgor (other than any such claim resulting from a breach of this Agreement by a Secured Party, or any challenge, contest or dispute alleging arithmetical error in the determination of a claim), or that would have the effect of invalidating any such claim, or support any Person who takes any such action.

Section 33. *Employ American Workers Act of 2009.*

The Pledgor shall take all necessary action to ensure that its subsidiaries, as applicable, shall comply in all respects with the provisions of the Employ American Workers Act of 2009.

Exhibit C

FORM OF ACCOUNT CONTROL AGREEMENT

ACCOUNT CONTROL AGREEMENT

among

**CHRYSLER GROUP LLC,
as Pledgor,**

CITIBANK, N.A., as COLLATERAL AGENT

and

CITIBANK, N.A., as BANK

THIS ACCOUNT CONTROL AGREEMENT (this "Agreement"), dated as of September 24 and effective as of June 10, 2009, by and among Chrysler Group LLC, a Delaware limited liability company (the "Pledgor"), and Citibank, N.A., in its capacity as deposit bank (in such capacity, the "Bank") and as collateral agent (in such capacity, the "Collateral Agent"). Capitalized terms not defined herein shall have the meanings ascribed to them in the Pledge Agreement (defined below).

WHEREAS, the Pledgor, the United States Department of Treasury, as the Lender, Citibank, N.A., as OEM Paying Agent, and the Collateral Agent and have entered into a Pledge Agreement of even date herewith (the "Pledge Agreement"), pursuant to which the Pledgor has granted to the Collateral Agent on behalf of the Secured Parties a security interest in a deposit account (as defined in Section 9-102(a)(29) of the UCC).

WHEREAS, the parties wish to enter into this Agreement in order to provide for the "control" (within the meaning of Section 9-104(a) of the UCC) of the Account (as defined below) as a means to perfect the security interest of the Collateral Agent.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby irrevocably acknowledged, the parties hereto agree as follows:

1. The Account

The Bank represents and warrants to the Secured Parties that it will maintain [REDACTED] entitled [REDACTED] (the "Account") as a deposit account within the meaning of Section 9-102(a)(29) of the UCC. The Bank represents and warrants that except for the claim and interest of the Pledgor and the Collateral Agent, it does not know of any claim to or interest in the Account or any assets credited thereto. The Bank will not change the name or account number of the Account without prior written notice to the Secured Parties.

2. Lender Instructions to Collateral Agent

Except as permitted by Section 4, Collateral Agent will not take any action pursuant to this Agreement unless instructed in writing by Lender pursuant to the Pledge Agreement.

3. Control by Collateral Agent

The Bank will comply with all written instructions it receives directing disposition of the funds in the Account originated by an Authorized Person (as defined in Section 14(a)) of the Collateral Agent (at the direction of the Lender) without further consent by the Pledgor. If an Authorized Person of the Collateral Agent gives the Bank an instruction substantially in the form set forth in Exhibit A attached hereto, notifying it

that an Event of Default has occurred and is continuing under the Credit Agreement and that the Collateral Agent will exercise exclusive control over the Account, the Bank will cease complying with any and all instructions concerning the Account originated by the Pledgor or the OEM Paying Agent on its behalf.

4. Pledgor's Rights in Account

Until the Bank receives a notice of exclusive control from an Authorized Person of the Collateral Agent, the Bank may accept and comply with any instructions signed by an Authorized Person of the Pledgor (or the OEM Paying Agent acting on behalf of the Pledgor) in accordance with Section 5 of the Pledge Agreement.

5. Priority of Collateral Agent's Security Interest

The Bank subordinates in favor of the Collateral Agent any interest, lien or right of setoff it may have, now or in the future, against the Account or assets in the Account; provided, however, that, subject to the foregoing, the Bank may set off all amounts due to it in respect of its fees and expenses (including without limitation the payment of any legal fees or expenses).

6. Investment of Funds.

Any funds held in the Account shall remain uninvested and shall not accrue interest.

7. Concerning the Bank

(a) Each of the Pledgor and the Collateral Agent acknowledges and agrees that (i) the duties, responsibilities and obligations of the Bank shall be limited to those expressly set forth in this Agreement and no duties, responsibilities or obligations shall be inferred or implied, (ii) the Bank shall not be responsible for any of the agreements referred to or described herein (including without limitation the Pledge Agreement), or for determining or compelling compliance therewith, and shall not otherwise be bound thereby, (iii) this Agreement shall constitute the entire agreement of the parties with respect to the subject matter expressly addressed herein and supersedes all prior oral or written agreements in regard thereto, (iv) the Bank shall not be required to expend or risk any of its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder and (v) the Bank shall not be obligated to take any legal or other action hereunder which might in its reasonable judgment involve or cause it to incur any expense or liability unless it shall have been furnished with acceptable indemnification.

(b) The Bank shall not be liable for any damage, loss or injury resulting from any action taken or omitted in the absence of negligence or willful misconduct.

(c) Notwithstanding any other provision of this Agreement, the Bank shall not be liable for any indirect, incidental, consequential, punitive or special losses or damages, regardless of the form of action and whether or not any such losses or damages were foreseeable or contemplated

(d) The Bank shall be entitled to rely upon any order, judgment, certification, demand, instruction, notice, instrument, certification, consent, authorization, receipt, power of attorney, e-mail, .pdf or other writing delivered to it without being required to determine the authenticity or validity thereof, or the correctness of any fact stated therein or the propriety or validity or the service thereof or the jurisdiction of the court issuing any judgment or order. The Bank may act in reliance upon any signature believed by it to be genuine and may assume that any person purporting to make any statement or execute any document in connection with the provisions hereof has been duly authorized to do so.

(e) The Bank may consult with legal counsel satisfactory to it, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it in good faith and in accordance with the opinion and advice of such counsel.

8. Expense Reimbursement and Indemnification

The Pledgor covenants and agrees to pay the Bank's expenses. The Pledgor covenants and agrees, to indemnify the Bank and its employees, officers and directors (each, an "Indemnified Party") for, hold each Indemnified Party harmless from, and defend each Indemnified Party against, any and all claims, losses, actions, liabilities, costs, damages and expenses of any nature incurred by any Indemnified Party arising out of or in connection with this Agreement or with the administration of its duties hereunder, including but not limited to reasonable attorney's fees, tax liabilities (other than income tax liabilities associated with the Bank's fees), any liabilities or damages that may result from any inaccuracy or misrepresentation made in any tax certification provided to the Bank, and other costs and expenses of defending or preparing to defend against any claim of liability, except to the extent such loss, liability, damage, cost and expense shall be caused by the Indemnified Party's own negligence or willful misconduct. The foregoing indemnification and agreement to hold harmless shall survive the termination of this Agreement and the resignation or removal of the Bank.

9. Account Statements

The Bank will from time to time provide statements of the Account to the Pledgor and the Collateral Agent in accordance with Section 5 of the Pledge Agreement.

10. Exclusive Benefit

Except as specifically set forth in this Agreement, this Agreement is for the exclusive benefit of the parties to this Agreement and their respective permitted successors, and shall not be deemed to give, either expressly or implicitly, any legal or

equitable right, remedy, or claim to any other entity or person whatsoever. No party may assign any of its rights or obligations under this Agreement without the prior written consent of the other parties except that the Bank may resign as deposit bank hereunder in accordance with the terms described in this Agreement.

11. Force Majeure

Notwithstanding anything contained in this Agreement to the contrary, the Bank shall not incur any liability for not performing any act or fulfilling any obligation hereunder by reason of any occurrence beyond its control (including, without limitation, any provision of any present or future law or regulation or any act of any governmental authority, any act of God or war or terrorism, or the unavailability of the Federal Reserve Bank wire services or any electronic communication facility).

12. Resignation and Removal; Termination

(a) The Collateral Agent may terminate this agreement by thirty (30) days' written notice to the Bank and the Pledgor. The Bank or the Pledgor may terminate this agreement upon thirty (30) days' written notice to all of the other parties. Upon receipt of a notice of termination, the Bank will cease accepting any instruction from the Pledgor, as specified in Section 4, and any previous instruction delivered by the Pledgor will be deemed to be of no further force and effect.

(b) If the Collateral Agent notifies the Bank that its security interest in the Account has terminated, this agreement will immediately terminate.

(c) In the event of any termination of this Agreement by the Collateral Agent or Pledgor as provided in clauses (a) or (b) above, the Bank shall, upon payment of all outstanding fees and expenses hereunder, promptly forward any amounts held by the Bank in the Account to the party or parties as so directed in writing by the Pledgor and the Collateral Agent, and the Bank shall be relieved and discharged of any further responsibilities with respect to its duties hereunder.

(d) In the event that the Bank shall terminate this Agreement, the Collateral Agent and Pledgor shall appoint a successor deposit bank and inform the Bank of the name and address of any successor deposit bank so appointed. If a successor deposit bank has not accepted such appointment by the end of such thirty (30) day period, the Bank may apply to a court of competent jurisdiction for the appointment of a successor deposit bank or for other appropriate relief. Upon receipt of notice of the identity of the successor deposit bank, the Bank shall transfer the cash and other assets then held in the Account hereunder to the successor bank, less the Bank's outstanding fees and expenses, or hold such amounts (or any portion thereof) pending distribution, until all such fees and expenses or the value of other obligations are paid to it. Upon delivery of the cash and other assets to the successor deposit bank, the Bank shall have no further duties, responsibilities or obligations hereunder.

13. Governing Law

(a) This Agreement and the Account (including all interests, duties and obligations with respect thereto) will be governed by the laws of the State of New York, without giving effect to conflict laws rules or principles that would purport to apply the law of any other jurisdiction other than New York. The parties agree that the State of New York is the Bank's jurisdiction for purposes of Article 9 of the UCC. The parties irrevocably and unconditionally submit to the exclusive jurisdiction of the federal and state courts located in the Borough of Manhattan, City, County and State of New York, for any proceedings commenced regarding this Agreement, and irrevocably waive any objection to venue or inconvenient forum for any proceeding brought in any such court.

(b) The parties irrevocably and unconditionally waive, to the fullest extent permitted by law, and agree not to plead or claim, any right of immunity from legal action, suit or proceeding, from setoff or counterclaim, from the jurisdiction of any court, from service of process, from attachment upon or prior to judgment, from attachment in aid of execution or judgment, from execution of judgment, or from any other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, and consents to such relief and enforcement against it, its assets and its revenues in any jurisdiction, in each case with respect to any matter arising out of, or in connection with, this Agreement.

(c) The parties irrevocably and unconditionally waive any right to trial by jury with respect to any proceeding relating to this Agreement.

14. Instructions, Verification, Communications.

(a) All instructions required under this Agreement shall be delivered to the Bank in writing, in English, in facsimile or electronic form and, if so requested by the Bank, an original, executed by an Authorized Person (as hereinafter defined) of each of the Pledgor or Collateral Agent, as applicable, or an entity acting on its behalf. The identity of such Authorized Persons, as well as their specimen signatures, title, telephone number and e-mail address, shall be delivered to the Bank in the list of authorized signers form as set forth on Schedule A and shall remain in effect until the applicable party, or an entity acting on its behalf, notifies Bank of any change thereto (the person(s) so designated from time to time, the "Authorized Persons"). The Bank, the Pledgor and Collateral Agent agree that the above constitutes a commercially reasonable security procedure and further agree not to comply with any direction or instruction (other than those contained herein or delivered in accordance with this Agreement) from any other party.

(b) In the event funds transfer instructions are given (other than in writing at the time of execution of this Agreement), whether in writing, by telecopier, .pdf, e-mail, or otherwise, such funds transfer instructions should contain a selected test word (a "Test Word") also evidenced on Schedule A. Test Words must contain at least 8 alphanumeric characters, established at document execution and changed each time Schedule A is updated in accordance with Section 14(a) above. In addition or in lieu of

Test Words, the Bank is authorized to seek confirmation of such instructions by telephone call back to the applicable person(s) specified to the Bank from time to time by an Authorized Person and the Bank may rely upon the confirmations of anyone purporting to be the person(s) so designated. To ensure the accuracy of the instructions it receives, the Bank may record such call backs. If the Bank is unable to verify the instruction, or is not satisfied in its sole discretion with the verification it receives, it will not execute the instruction until all issues have been resolved to its satisfaction. The persons and telephone numbers for call backs may be changed only in writing, signed by an Authorized Person, actually received and acknowledged by the Bank. The Pledgor and the Collateral Agent acknowledge that these security procedures for funds transfers are commercially reasonable.

(c) To help the U.S. government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. When an account is opened, the Bank will ask for information that will allow the Bank to identify relevant parties. The Pledgor and the Collateral Agent hereby acknowledge such information disclosure requirements and agree to comply with all such information disclosure requests from time to time from the Bank.

(d) Notwithstanding anything to the contrary herein, any and all email communications (both text and attachments) by or from the Bank that the Bank deems to contain confidential, proprietary, and/or sensitive information shall be encrypted. The recipient (the "Email Recipient") of the encrypted email communication will be required to complete a registration process. Instructions on how to register and/or retrieve an encrypted message will be included in the first secure email sent by the Bank to the Email Recipient. Additional information and assistance on using the encryption technology can be found at Citibank's Secure Email website at www.citigroup.com/citigroup/citizen/privacy/email.htm or by calling (866) 535-2504 (in the U.S.) or (904) 954-6181.

(e) The provisions of this Section 14(a)-(d) may be amended by the Bank unilaterally upon notice to the Pledgor and the Collateral Agent (with the prior written consent of Pledgor, not to be unreasonably withheld or delayed).

15. Entire Agreement

This Agreement is the entire agreement and supersedes any prior agreements and contemporaneous oral agreements, of the parties concerning its subject matter.

16. Amendments

Subject to Section 14(e), no amendment of, or waiver of a right under, this Agreement will be binding unless it is in writing and signed by each of the parties hereto.

17. Severability

The invalidity, illegality or unenforceability of any provision of this Agreement shall in no way affect the validity, legality or enforceability of any other provision. If any provision of this Agreement is held to be unenforceable as a matter of law, the other provisions shall not be affected thereby and shall remain in full force and effect.

18. Notices

(a) Any notice permitted or required hereunder shall be in writing in English, and shall be sent (i) by personal delivery, overnight delivery by a recognized courier or delivery service, or (ii) mailed by registered or certified mail, return receipt requested, postage prepaid, or (iii) confirmed telecopy accompanied by mailing of the original on the same day by first class mail, postage prepaid, in each case addressed to the address and person(s) designated below their respective signature hereto (or to such other address as any such party may hereafter designate by written notice to the other parties). Notices to the Collateral Agent shall only be deemed given upon actual receipt by the Collateral Agent. Whenever under the terms hereof the time for giving a notice or performing an act falls upon a Saturday, Sunday, or a banking holiday in New York, such time shall be extended to the next Business Day.

(b) any failure by Citibank, duly to (i) observe or to perform in any material respect any covenants or agreements of Citibank set forth in the Paying Services Agreement or (ii) observe or perform any covenant or agreement of Citibank in one or more Purchase Agreements which failure is reasonably likely to have a material adverse effect on the Purchaser or Lender, that in the case of each of (i) and (ii), shall continue unremedied for a period of five Business Days after (A) the date on which written notice of such failure, requiring the same to be remedied, shall have been given to Citibank or (B) Citibank shall have discovered (or should reasonably have been expected to have discovered) such failure; or

(c) any failure by the Servicer to deliver any Servicer Report or Payment Calculation Report at the time required by Section 3.3 and such failure continues unremedied for a period of five Business Days after the required delivery date therefor; or

(d) any failure by the Servicer to deposit into the Collateral Account any proceeds or payment required to be so delivered under the terms of this Agreement or to properly apply any funds in the Collateral Account in accordance with the terms of this Agreement that, in each case, continues unremedied for a period of three Business Days after (A) the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer or (B) the Servicer shall have discovered (or should reasonably have been expected to have discovered) such failure; or

(e) the occurrence of an Insolvency Event with respect to the Servicer,

then, and in each and every case, so long as the Servicer Default shall not have been remedied, the Purchaser by notice then given in writing to the Servicer may terminate all the rights and obligations of the Servicer under this Agreement, provided that the Servicer Default shall occur automatically without such notice upon the occurrence of the event described in clause (c) above unless the Purchaser otherwise directs at such time. On or after the receipt by the Servicer of such written notice (or automatic occurrence) all authority and power of the Servicer under this Agreement, whether with respect to the Receivables, Related Security and Collections or otherwise, shall, without further action, pass to and be vested in such successor Servicer as may be appointed by the Purchaser; provided, however, that such successor Servicer shall have no liability with respect to any obligation that was required to be performed by the terminated Servicer prior to the date that such successor Servicer becomes the Servicer or any claim of a third party based on any alleged action or inaction of the terminated Servicer; and, without limitation, the Purchaser is hereby authorized and empowered to execute and deliver, for the benefit of the predecessor Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such notice of termination, whether to complete the transfer and endorsement of the Receivables and related documents or otherwise. The predecessor Servicer shall cooperate with the successor Servicer and the Purchaser in effecting the termination of the responsibilities and rights of the predecessor Servicer under this Agreement. All reasonable costs and expenses (including attorneys' fees) incurred in connection with transferring the servicing duties to the successor Servicer and amending this Agreement to reflect such succession as Servicer, shall be paid by the predecessor Servicer.

Section 8.2 Appointment of Successor.

(a) Upon the Servicer's receipt of notice of termination pursuant to Section 8.1 or the Servicer's resignation in accordance with the terms of this Agreement, the predecessor Servicer shall continue to perform its functions as Servicer under this Agreement, in the case of termination, only until the date specified in such termination notice or, if no such date is specified in a notice of termination, until receipt of such notice and, in the case of resignation, until the later of (i) the date 90 days from the delivery to the Purchaser of written notice of such resignation (or written confirmation of such notice) in accordance with the terms of this Agreement and (ii) the date upon which a successor Servicer shall have accepted its appointment

hereunder. In the event of the Servicer's termination or resignation hereunder, the Purchaser, shall appoint a successor Servicer, and the successor Servicer shall accept its appointment by a written assumption in form acceptable to the Purchaser. If the Purchaser shall fail to appoint such successor within 90 days after notice of resignation or removal, as the case may be, then the Servicer may petition any court of competent jurisdiction for the appointment of such successor at the sole cost and expense of the Purchaser.

(b) Upon appointment, the successor Servicer shall be the successor in all respects to the predecessor Servicer and shall be subject to all the responsibilities, duties and liabilities arising thereafter relating thereto placed on the predecessor Servicer and shall be entitled to the Servicer Monthly Fee and all the rights granted to the predecessor Servicer by the terms and provisions of this Agreement.

Section 8.3 Termination. This Agreement shall terminate on the Loan Termination Date; provided that, all confidentiality, expense reimbursement, indemnity obligations and all limitation of liability provisions contained in this Agreement shall survive and remain in full force and effect notwithstanding termination of this Agreement.

The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 9.4 Binding Effect; Assignability. This Agreement shall be binding upon, and inure to the benefit of, the Servicer and the Purchaser and their respective successors and assigns, except that no party hereto shall have the right to assign any interest herein unless such assignment is previously consented to in writing by the other party and, in the case of an assignment by the Servicer, Lender. For purposes of clarity, a name change of the Servicer is permitted hereunder as long as the Servicer gives the Purchaser notice of such name change.

Section 9.5 Governing Law; Jurisdiction; Etc.

(a) **GOVERNING LAW.** THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER WILL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

(b) **SUBMISSION TO JURISDICTION.** EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN AND ANY UNITED STATES DISTRICT COURT LOCATED IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN

RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER TRANSACTION DOCUMENT SHALL AFFECT ANY RIGHT THAT THE PURCHASER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT AGAINST THE SERVICER OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT IN ANY COURT REFERRED TO IN CLAUSE (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR OTHER NOTICES HEREIN. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER TRANSACTION DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.6 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 9.7 Confidentiality. Each of the Servicer and the Purchaser agrees to maintain the confidentiality of any Confidential Information (as defined below) of the other party to which it has access under the System or otherwise under this Agreement, and to use such Confidential Information only for the purposes of exercising its rights and performing its obligations under this Agreement, and not for its own personal gain or benefit. "Confidential Information" shall mean information of a party that the other party knows or reasonably should know to be confidential to such first party; provided, however, that the term does not include any information that the receiving party can demonstrate, by clear and convincing evidence: (i) to be part of the public domain without any breach of this Agreement by the receiving party; (ii) to be or to become generally known to the general public or organizations engaged in the same or similar businesses as the receiving party on a non-confidential basis, through no wrongful act of such party; (iii) to be known by the receiving party prior to disclosure to it hereunder without any obligation to keep it confidential; (iv) to be disclosed to it by a third party which, to the best of the receiving party's knowledge, is not required to maintain the information as proprietary or confidential; (v) to be independently developed by the receiving party without reference to Confidential Information of the other party; or (vi) to be the subject of a written agreement whereby the other party consents to the disclosure of such Confidential Information on a non-confidential basis. Notwithstanding the foregoing, (a) either party may disclose Confidential Information obtained from the other party to (i) the disclosing party's Representatives, to the Lender and to the Lender's Representatives so long as the recipient of Confidential Information so disclosed receives the Confidential Information subject to the restrictions of this Section 9.7 and (ii) any authority of competent jurisdiction if disclosure is required pursuant to a court order or instruction of any regulatory or supervisory authority having jurisdiction over it, provided that prior to any disclosure under this clause (ii) the disclosing party shall have given the other party prompt notice thereof (unless it has a legal obligation to the contrary) so that the other party may seek a protective order or other appropriate remedy to prevent disclosure and (b) Citibank may (i) disclose the structure of the UST Auto Supplier Support Program or any Program Terms or (ii) furnish copies of the forms of the Principal Transaction Documents to any Supplier and such Supplier's lenders or secured parties in connection with the transactions contemplated hereby.

Section 9.8 Construction of the Agreement. The parties hereto intend that the conveyance of the interest in the Receivables, Related Security and Collections pursuant to the Purchase Agreements shall, in each case, be treated as sales for purposes of generally accepted accounting principles. If, despite such intention, a determination is made that such transactions shall not be treated as sales, then the Transaction Documents shall be interpreted to constitute a security agreement and the transactions effected hereby shall be deemed to constitute a secured financing, in each case, under applicable law.

Section 9.9 Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts (which may be delivered by facsimile or optically-scanned electronic mail attachment), each of which when

so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement.

Section 9.10 Headings. The headings of the various Articles and Sections herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

Section 9.11 Power of Attorney. Purchaser hereby appoints the Servicer and its successors, and its permitted designees and assigns, as its true and lawful attorney-in-fact to do all acts, matters and things whatsoever which are in each case necessary or desirable for the Servicer to do for and on behalf of Purchaser in respect of the provision of the services to be provided by Servicer hereunder, and in furtherance of the foregoing, has executed and delivered to Servicer the power of attorney attached hereto as Exhibit E. In addition, the Servicer shall be entitled to seek and obtain from Purchaser a power of attorney in respect of the execution of any specific action as the Servicer deems appropriate in respect of the provision of the services to be provided by Servicer hereunder.

Section 9.12 Non-Petition. Servicer covenants and agrees that it will not at any time prior to a year and a day after the Loan Termination Date, (a) commence or institute against the Purchaser or join with or facilitate any other Person in commencing or instituting against the Purchaser, any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution, receivership, insolvency or liquidation proceedings, or other similar proceedings under any United States Federal or state, or other jurisdiction, bankruptcy or similar law or statute now or hereafter in effect or (b) participate in any assignment for benefit of creditors, compositions, or arrangements with respect to the Purchaser's debts.

Section 9.13 Public Statements. Purchaser agrees that no printed or other material in any language, including prospectuses, notices, reports, press releases, and promotional material which mentions "Citibank", or "Citigroup" or "Citi" by name or the rights, powers, or duties of Citibank under this Agreement shall be publically disclosed by Purchaser, or on its behalf, without the prior written consent of Citibank (not to be unreasonably withheld), except as may be necessary to comply with any applicable law (including any order, rule or regulation issued or promulgated by the Securities Exchange Commission).

Section 9.14 Limited Recourse. Notwithstanding anything to the contrary contained in this Agreement, the obligations of the Purchaser under this Agreement are solely the obligations of the Purchaser and shall be payable solely to the extent of funds received by and available to the Purchaser in accordance with the Security Agreement. No recourse shall be had for the payment of any amount owing in respect of any obligation of, or claim against, the Purchaser arising out of or based upon this Agreement against any holder of a membership interest, employee, officer or affiliate thereof. The provisions of this Section 9.14 shall survive the termination or expiration of this Agreement.

Section 9.15 Collateral Assignment. As additional collateral for the Loans, the Purchaser has collaterally assigned this Agreement to the Collateral Agent. The Servicer hereby acknowledges and consents to such assignment and agrees that at any time while an Event of Default has occurred and is continuing with respect to the Loans, as notified to the Servicer by

the Collateral Agent, the Servicer will no longer accept instructions hereunder from the Purchaser and shall instead accept instructions from the Collateral Agent.

Section 9.16 Lender Inspection Rights. At all times during the term of this Agreement, Servicer shall permit (i) the Lender and its agents, consultants, contractors and advisors, (ii) the Special Inspector General of the Troubled Asset Relief Program, and (iii) the Comptroller General of the United States access to personnel and any books, papers, records or other data delivered to it hereunder or otherwise in its possession, custody or control, in each case to the extent relevant to ascertaining compliance with the terms and conditions set forth herein and the Program Terms, during normal business hours and upon reasonable notice to Servicer, as the case may be; provided that prior to disclosing any information pursuant to clause (i), (ii) or (iii), the Lender, the Special Inspector General of the Troubled Asset Relief Program and the Comptroller General of the United States shall have agreed, with respect to documents obtained under this Agreement in furtherance of their respective functions, to follow applicable law and regulation (and the applicable customary policies and procedures, including those for inspectors general) regarding the dissemination of confidential materials, including redacting confidential information from the public version of its reports, as appropriate, and soliciting input from Servicer as to information that should be afforded confidentiality.

LIEN PRIORITY AGREEMENT

THIS LIEN PRIORITY AGREEMENT is made as of _____ by and between Chrysler Receivables SPV LLC ("Purchaser"), with an address at _____ and _____ ("Creditor") with an address at _____.

RECITALS:

- A. Creditor has loaned, extended credit or otherwise agreed to become a creditor of _____ ("Debtor") and has received, in connection therewith, a security interest in certain property of Debtor, including accounts receivable owed to Debtor by one or more account debtors including Chrysler LLC, a Delaware limited liability company (together with its subsidiaries and affiliates, "OEM") (such receivables, including related security and the proceeds thereof, the "Creditor Receivables").
- B. Purchaser from time to time wishes to purchase from Debtor and Debtor wishes to sell to Purchaser, per the terms of that certain Supplier Purchase Agreement between Purchaser, Debtor and Citibank, N.A., a national banking association ("Citibank"), certain accounts receivable owed to Debtor by OEM (such receivables, including related security and the proceeds thereof, the "Purchaser Receivables").
- C. It is the desire and intention of the parties hereto to establish, as between themselves, the priority, operation and effect of the security and other interests of Creditor and Purchaser in the Creditor Receivables (including, without limitation, the Purchaser Receivables).
- D. Debtor, Purchaser and OEM are participating in the United States Department of the Treasury ("UST") Auto Supplier Support Program, certain terms of which are outlined in Annex A hereto (the "Program Terms").

NOW, THEREFORE, intending to be legally bound hereby, the parties hereto agree as follows:

1. Creditor hereby consents to the sale by Debtor and purchase by Purchaser, from time to time, of the Purchaser Receivables.
2. Effective upon the purchase by Purchaser of the Purchaser Receivables, Creditor agrees that the security interest of Creditor in the Purchaser Receivables is hereby released automatically and without further action by Creditor or Debtor. If for any reason such purchase of Purchaser Receivables by Purchaser is judicially re-characterized as a grant of collateral by Debtor to secure a financing, then Creditor agrees that its interest in the Purchaser Receivables is hereby made subordinate, junior and inferior, and postponed in priority, operation and effect, to the security interest of Purchaser in such Purchaser Receivables. Purchaser agrees that any interest it may have in Creditor Receivables (other than Purchaser Receivables) is hereby made subordinate, junior and inferior, and postponed in priority, operation and effect, to the security interest of Creditor in the Creditor Receivables.
3. The priority and release in the Creditor Receivables and Purchaser Receivables set forth above are notwithstanding the operation or provisions of applicable law, the time, order or method of attachment or perfection of security interests or the time and order of filing of financing statements or any other liens held by the parties, whether under the Uniform Commercial Code or other applicable law.
4. Creditor and Purchaser agree that neither shall challenge, contest, or join or support any other person in challenging or contesting, whether directly or indirectly, the validity, perfection, priority or enforceability of the other party's security interest in the Purchaser Receivables or the Creditor Receivables, as applicable, in a manner inconsistent with this Agreement.
5. Purchaser agrees to immediately turn or pay over to Creditor any amounts that may come into its possession that derive from Creditor Receivables other than Purchaser Receivables. Creditor agrees to immediately turn or pay over to Purchaser any amounts that may come into its possession that derive from Purchaser Receivables. Except as set forth above, neither party shall have any other duty or obligation of any other nature, including with respect to the attachment or creation of

any other party's security interest or any credit decisions of such other party with respect to Debtor. Creditor acknowledges that Purchaser and Debtor have business relationships in addition to the purchase and sale of the Purchaser Receivables.

6. This Agreement shall remain in effect for as long as the Supplier Purchaser Agreement between Purchaser, Debtor and Citibank remains in effect or amounts remain outstanding with respect to Purchaser Receivables purchased by Purchaser, whichever is later (including during a bankruptcy proceeding involving Debtor). This Agreement will be binding upon and inure to the benefit of Creditor and Purchaser and their respective successors and assigns.
7. All notices, demands, requests, consents, approvals and other communications required or permitted hereunder ("Notices") must be in writing and will be effective upon receipt. Notices may be given in any manner to which the parties may agree. Without limiting the foregoing, first-class mail, facsimile transmission and commercial courier service are hereby agreed to as acceptable methods for giving Notices. Regardless of the manner in which provided, Notices may be sent to a party's address set forth above or to such other address as any party may give to the other in writing for such purpose in accordance with this Section.
8. This Agreement (including the documents and instruments referred to herein) constitutes the entire agreement and supersedes all other prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof.
9. This Agreement may be executed in any number of counterparts, which taken together shall constitute a single copy of this Agreement.
10. This Agreement is governed by the laws of the State of New York. Purchaser and Creditor agree that any New York State or Federal court sitting in New York City shall have non-exclusive jurisdiction to settle any dispute in connection with this Agreement, and the parties hereby submit to the jurisdiction of those courts. Purchaser and Creditor each waive any right to immunity from jurisdiction to which it may be entitled (including, to the extent applicable, immunity from pre- and post-judgment attachment and execution.)
11. As additional collateral for loans received pursuant to the Program Terms, the Purchaser has collaterally assigned this Agreement to UST. The Creditor hereby acknowledges and consents to such assignment.

IN WITNESS WHEREOF, each of the parties hereto has executed this Agreement as of the date and year first above written.

Re: Amendment to Lien Priority Agreement

Ladies and Gentlemen:

Reference is made to the Lien Priority Agreement executed in connection with the United States Department of the Treasury Auto Supplier Support Program (the "ASSP"), among you, as creditor (the "Creditor"), Chrysler Receivables SPV LLC (the "Purchaser"), Citibank, N.A., a national banking association ("Servicer") and the undersigned debtor ("Debtor") (as amended, restated, supplemented or otherwise modified from time to time, the "LPA").
