(f) Anti-takeover Provisions and Rights Plan. The Board of Directors of the Company (the “*Board of Directors*”) has taken all necessary action to ensure that the transactions contemplated by this Agreement and the consummation of the transactions contemplated hereby will be exempt from any anti-takeover or similar provisions of the Company’s Charter and bylaws, and any other provisions of any applicable “moratorium”, “control share”, “fair price”, “interested stockholder” or other anti-takeover laws and regulations of any jurisdiction.

(g) No Company Material Adverse Effect. (l) Transfer of Proceeds to Certified Entities. If the Company is not a Certified Entity, the Company shall immediately transfer to its related Certified Entities, as capital contributions, any proceeds it receives in connection with the sale of Preferred Shares.

(m) Control by Foreign Bank or Company. Prior to the date on which all of the Preferred Shares have been redeemed in whole, the Company shall not be controlled (within the meaning of the Bank Holding Company Act of 1956 (12 U.S.C. 1841(a)(2)) and 12 C.F.R. 225(a)(i) in the case of Bank Holding Companies and banks and the Home Owners' Loan Act of 1933 (12 U.S.C. 1467a(a)(2)) and 12 C.F.R. 583.7 in the case of Savings and Loan Holding Companies and savings associations) by a foreign bank or company.

4.2 Negative Covenants. The Company hereby covenants and agrees with the Investor that:

(a) Certain Transactions.

(i) The Company shall not merge or consolidate with, or sell, transfer or lease all or substantially all of its property or assets to, any other party unless the successor, transferee or lessee party (or its ultimate parent entity), as the case may be (if not the Company), expressly assumes the due and punctual performance and observance of each and every covenant, agreement and condition of this Agreement to be performed and observed by the Company.

(ii) Without the prior written consent of the Investor, until such time as the Investor shall cease to own any Preferred Shares, the Company shall not permit any of its “significant subsidiaries” (as such term is defined in Rule 12b-2 promulgated under the Exchange Act) to (i) engage in any merger, consolidation, statutory share exchange or similar transaction following the consummation of which such significant subsidiary is not wholly-owned by the Company, (ii) dissolve or sell all or substantially all of its assets or property other than in connection with an internal reorganization or consolidation involving wholly-owned subsidiaries of the Company or (iii) issue or sell any shares of its capital stock or any securities convertible or exercisable for any such shares, other than issuances or sales in connection with an internal reorganization or consolidation involving wholly-owned subsidiaries of the Company.

(b) Restriction on Dividends and Repurchases.

(i) The Company covenants and agrees that it shall not violate any of the restrictions on dividends, distributions, redemptions, repurchases, acquisitions and related actions set forth in the Certificate of Designations, which are incorporated by reference herein as if set forth in full.

(ii) During the period beginning on the eighth anniversary of the Closing and ending on the date on which the Investor no longer owns any of the Preferred Shares, neither the Company nor any Company Subsidiary shall, without the consent of the Investor, (i) declare or pay any dividend or make any distribution on capital stock or other equity securities of any kind of the Company or any Company Subsidiary; or (ii) redeem, purchase or acquire any shares of Common Stock or other capital stock or other equity securities of any kind of the Company or any Company Subsidiary, or any trust preferred securities issued by the Company or any Affiliate of the Company, other than (A) redemptions, purchases or other acquisitions of the Preferred Shares, (B) regular dividends on shares of preferred stock in accordance with the terms thereof and which are permitted under the terms of the Preferred Shares, or (C) dividends or distributions by any wholly-owned Company Subsidiary.

(c) Related Party Transactions. Until such time as the Investor ceases to own any debt or equity securities of the Company, including the Preferred Shares, the Company and the Company Subsidiaries shall not enter into transactions with Affiliates or related persons (within the meaning of Item 404 under the SEC’s Regulation S-K) unless (A) such transactions are on terms no less favorable to the Company and the Company Subsidiaries than could be

obtained from an unaffiliated third party, and (B) have been approved by the audit committee of the Board of Directors or comparable body of independent directors of the Company, or if there are no independent directors, the Board of Directors, *provided* that the Board of Directors shall maintain written documentation which supports its determination that the transaction meets the requirements of clause (A) of this Section 4.2(c).

(d) Restriction on Repurchase of Preferred Shares Not Held by Investor. Prior to the date on which the Investor no longer owns any of the Preferred Shares the Company shall not repurchase, redeem, call or otherwise reacquire any Preferred Shares from any holder thereof, whether by means of open market purchase, negotiated transaction, or otherwise, unless it offers to repurchase, redeem, call or otherwise reacquire a ratable portion of the Preferred Shares, as the case may be, then held by the Investor on the same terms and conditions.

### ADDITIONAL AGREEMENTS

5.1 Purchase for Investment. The Investor acknowledges that the Preferred Shares have not been registered under the Securities Act or under any state securities laws. The Investor (a) is acquiring the Preferred Shares pursuant to an exemption from registration under the Securities Act solely for investment with no present intention to distribute them to any person in violation of the Securities Act or any applicable U.S. state securities laws, (b) will not sell or otherwise dispose of any of the Preferred Shares, except in compliance with the registration requirements or exemption provisions of the Securities Act and any applicable U.S. state securities laws, and (c) has such knowledge and experience in financial and business matters and in investments of this type that it is capable of evaluating the merits and risks of the Purchase and of making an informed investment decision.

5.2 Legends. (a) The Investor agrees that all certificates or other instruments representing the Preferred Shares will bear a legend substantially to the following effect:

“THE SECURITIES REPRESENTED BY THIS INSTRUMENT ARE NOT SAVINGS ACCOUNTS, DEPOSITS OR OTHER OBLIGATIONS OF A BANK AND ARE NOT INSURED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION OR ANY OTHER GOVERNMENTAL AGENCY.

THE SECURITIES REPRESENTED BY THIS INSTRUMENT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS. EACH PURCHASER OF THE SECURITIES REPRESENTED BY

THIS INSTRUMENT IS NOTIFIED THAT THE SELLER MAY BE RELYING ON THE EXEMPTION FROM SECTION 5 OF THE SECURITIES ACT PROVIDED BY RULE 144A THEREUNDER. ANY TRANSFEREE OF THE SECURITIES REPRESENTED BY THIS INSTRUMENT BY ITS ACCEPTANCE HEREOF (1) REPRESENTS THAT IT IS A “QUALIFIED INSTITUTIONAL BUYER” (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT), (2) AGREES THAT IT WILL NOT OFFER, SELL OR OTHERWISE TRANSFER THE SECURITIES REPRESENTED BY THIS INSTRUMENT EXCEPT (A) PURSUANT TO A REGISTRATION STATEMENT WHICH IS THEN EFFECTIVE UNDER THE SECURITIES ACT, (B) FOR SO LONG AS THE SECURITIES REPRESENTED BY THIS INSTRUMENT ARE ELIGIBLE FOR RESALE PURSUANT TO RULE 144A, TO A PERSON IT REASONABLY BELIEVES IS A “QUALIFIED INSTITUTIONAL BUYER” AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT THAT PURCHASES FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER TO WHOM NOTICE IS GIVEN THAT THE TRANSFER IS BEING MADE IN RELIANCE ON RULE 144A, (C) TO THE ISSUER OR (D) PURSUANT TO ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND (3) AGREES THAT IT WILL GIVE TO EACH PERSON TO WHOM THE SECURITIES REPRESENTED BY THIS INSTRUMENT ARE TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND.

THIS INSTRUMENT IS ISSUED SUBJECT TO THE RESTRICTIONS ON TRANSFER AND OTHER PROVISIONS OF A SECURITIES PURCHASE AGREEMENT BETWEEN THE ISSUER OF THESE SECURITIES AND THE INVESTOR REFERRED TO THEREIN, A COPY OF WHICH IS ON FILE WITH THE ISSUER. THE SECURITIES REPRESENTED BY THIS INSTRUMENT MAY NOT BE SOLD OR OTHERWISE TRANSFERRED EXCEPT IN COMPLIANCE WITH SAID AGREEMENT. ANY SALE OR OTHER TRANSFER NOT IN COMPLIANCE WITH SAID AGREEMENT WILL BE VOID.”

(b) In the event that any Preferred Shares (i) become registered under the Securities Act or (ii) are eligible to be transferred without restriction in accordance with Rule 144 or another exemption from registration under the Securities Act (other than Rule 144A), the Company shall issue new certificates or other instruments representing such Preferred Shares, which shall not contain the applicable legends in Section 5.2(a) above; *provided* that the Investor surrenders to the Company the previously issued certificates or other instruments.

5.3 Transfer of Preferred Shares. Subject to compliance with applicable securities laws, the Investor shall be permitted to transfer, sell, assign or otherwise dispose of (“*Transfer*”) all or a portion of the Preferred Shares at any time, and the Company shall take all steps as may be reasonably requested by the Investor to facilitate the Transfer of the Preferred Shares, including without limitation, as set forth in Section 5.4, *provided* that the Investor shall

not Transfer any Preferred Shares if such transfer would require the Company to be subject to the periodic reporting requirements of Section 13 or 15(d) of the Securities Exchange Act of 1934 (the “*Exchange Act*”) and the Company was not already subject to such requirements. In furtherance of the foregoing, the Company shall provide reasonable cooperation to facilitate any Transfers of the Preferred Shares, including, as is reasonable under the circumstances, by furnishing such information concerning the Company and its business as a proposed transferee may reasonably request and making management of the Company reasonably available to respond to questions of a proposed transferee in accordance with customary practice, subject in all cases to the proposed transferee agreeing to a customary confidentiality agreement.

5.4 Rule 144; Rule 144A; 4(1½) Transactions. (a) At all times after the Signing Date, the Company covenants that (1) it will, upon the request of the Investor or any subsequent holders of the Preferred Shares (“*Holder*”), use its reasonable best efforts to (x), to the extent any Holder is relying on Rule 144 under the Securities Act to sell any of the Preferred Shares, make “current public information” available, as provided in Section (c)(1) of Rule 144 (if the Company is a “Reporting Issuer” within the meaning of Rule 144) or in Section (c)(2) of Rule 144 (if the Company is a “Non-Reporting Issuer” within the meaning of Rule 144), in either case for such time period as necessary to permit sales pursuant to Rule 144, (y), to the extent any Holder is relying on the so-called “Section 4(1½)” exemption to sell any of its Preferred Shares, prepare and provide to such Holder such information, including the preparation of private offering memoranda or circulars or financial information, as the Holder may reasonably request to enable the sale of the Preferred Shares pursuant to such exemption, or (z) to the extent any Holder is relying on Rule 144A under the Securities Act to sell any of its Preferred Shares, prepare and provide to such Holder the information required pursuant to Rule 144A(d)(4), and (2) it will take such further action as any Holder may reasonably request from time to time to enable such Holder to sell Preferred Shares without registration under the Securities Act within the limitations of the exemptions provided by (i) the provisions of the Securities Act or any interpretations thereof or related thereto by the SEC, including transactions based on the so-called “Section 4(1½)” and other similar transactions, (ii) Rule 144 or 144A under the Securities Act, as such rules may be amended from time to time, or (iii) any similar rule or regulation hereafter adopted by the SEC; *provided* that the Company shall not be required to take any action described in this Section 5.4(a) that would cause the Company to become subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act if the Company was not subject to such requirements prior to taking such action. Upon the request of any Holder, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements and, if not, the specifics thereof.

(b) The Company agrees to indemnify Investor, Investor’s officers, directors, employees, agents, representatives and Affiliates, and each person, if any, that controls Investor within the meaning of the Securities Act (each, an “*Indemnitee*”), against any and all losses, claims, damages, actions, liabilities, costs and expenses (including reasonable fees, expenses and disbursements of attorneys and other professionals incurred in connection with investigating, defending, settling, compromising or paying any such losses, claims, damages, actions, liabilities, costs and expenses), joint or several, arising out of or based upon any untrue statement or alleged untrue statement of material fact contained in any document or report provided by the Company pursuant to this Section 5.4 or any omission to state therein a material fact required to

be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(c) If the indemnification provided for in Section 5.4(b) is unavailable to an Indemnitee with respect to any losses, claims, damages, actions, liabilities, costs or expenses referred to therein or is insufficient to hold the Indemnitee harmless as contemplated therein, then the Company, in lieu of indemnifying such Indemnitee, shall contribute to the amount paid or payable by such Indemnitee as a result of such losses, claims, damages, actions, liabilities, costs or expenses in such proportion as is appropriate to reflect the relative fault of the Indemnitee, on the one hand, and the Company, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, actions, liabilities, costs or expenses as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the Indemnitee, on the other hand, shall be determined by reference to, among other factors, whether the untrue statement of a material fact or omission to state a material fact relates to information supplied by the Company or by the Indemnitee and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; the Company and Investor agree that it would not be just and equitable if contribution pursuant to this Section 5.4(c) were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 5.4(b). No Indemnitee guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from the Company if the Company was not guilty of such fraudulent misrepresentation.

5.5 Depository Shares. Upon request by the Investor at any time following the Closing Date, the Company shall promptly enter into a depository arrangement, pursuant to customary agreements reasonably satisfactory to the Investor and with a depository reasonably acceptable to the Investor, pursuant to which the Preferred Shares may be deposited and depository shares, each representing a fraction of a Preferred Share, as specified by the Investor, may be issued. From and after the execution of any such depository arrangement, and the deposit of any Preferred Shares, as applicable, pursuant thereto, the depository shares issued pursuant thereto shall be deemed "Preferred Shares" and, as applicable, "Registrable Securities" for purposes of this Agreement.

5.6 Expenses and Further Assurances. (a) Unless otherwise provided in this Agreement, each of the parties hereto will bear and pay all costs and expenses incurred by it or on its behalf in connection with the transactions contemplated under this Agreement, including fees and expenses of its own financial or other consultants, investment bankers, accountants and counsel.

(b) The Company shall, at the Company's sole cost and expense, (i) furnish to the Investor all instruments, documents and other agreements required to be furnished by the Company pursuant to the terms of this Agreement, including, without limitation, any documents required to be delivered pursuant to Section 5.4 above, or which are reasonably requested by the Investor in connection therewith; (ii) execute and deliver to the Investor such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the Preferred Shares purchased by the Investor, as Investor may reasonably require; and (iii) do and execute all and such further lawful and

reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement, as the Investor shall reasonably require from time to time.

(ii) by either the Investor or the Company in the event that any Governmental Entity shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement, and such order, decree, ruling or other action shall have become final and nonappealable; or

(iii) by the mutual written consent of the Investor and the Company; or

(b) the date on which all of the Preferred Shares have been redeemed in whole; or

(c) the date on which the Investor has transferred all of the Preferred Shares to third parties which are not Affiliates of the Investor; or

(d) if the Closing shall not have occurred by September 30, 2010, on such date.

In the event of termination of this Agreement as provided in this Section 6.1, this Agreement shall forthwith become void and there shall be no liability on the part of either party hereto except that nothing herein shall relieve either party from liability for any breach of this Agreement.

## 6.2 Survival.

(a) This Agreement and all representations, warranties, covenants and agreements made herein shall survive the Closing without limitation.

(b) The covenants set forth in Article IV and Annex E and the agreements set forth in Article V shall, to the extent such covenants do not explicitly terminate at such time as the Investor no longer owns any Preferred Shares, survive the termination of this Agreement pursuant to Section 6.1(c) hereof without limitation until the date on which all of the Preferred Shares have been redeemed in whole.

6.3 Amendment. No amendment of any provision of this Agreement will be effective unless made in writing and signed by an officer or a duly authorized representative of each party; *provided* that for so long as the Preferred Shares are outstanding, the Investor may at any time and from time to time unilaterally amend Section 4.1(d) to the extent the Investor deems necessary, in its sole discretion, to comply with, or conform to, any changes after the Signing Date in any federal statutes, any rules and regulations promulgated thereunder and any other publications or interpretative releases of the Fund governing CDFIs, including, without limitation, any changes in the criteria for certification as a CDFI by the Fund. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative of any rights or remedies provided by law.

6.4 Waiver of Conditions. The conditions to each party's obligation to consummate the Purchase are for the sole benefit of such party and may be waived by such party in whole or in part to the extent permitted by applicable law. No waiver will be effective unless it is in a writing signed by a duly authorized officer of the waiving party that makes express reference to the provision or provisions subject to such waiver.

6.5 Governing Law; Submission to Jurisdiction, etc. This Agreement and any claim, controversy or dispute arising under or related to this Agreement, the relationship of the parties, and/or the interpretation and enforcement of the rights and duties of the parties shall be enforced, governed, and construed in all respects (whether in contract or in tort) in accordance with the federal law of the United States if and to the extent such law is applicable, and otherwise in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within such State. Each of the parties hereto agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia and the United States Court of Federal Claims for any and all civil actions, suits or proceedings arising out of or relating to this Agreement or the Purchase contemplated hereby and (b) that notice may be served upon (i) the Company at the address and in the manner set forth for notices to the Company in Section 6.6 and (ii) the Investor at the address and in the manner set forth for notices to the Company in Section 6.6, but otherwise in accordance with federal law. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE PARTIES HERETO HEREBY UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY CIVIL LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR THE PURCHASE CONTEMPLATED HEREBY.

6.6 Notices. Any notice, request, instruction or other document to be given hereunder by any party to the other will be in writing and will be deemed to have been duly given (a) on the date of delivery if delivered personally, or by facsimile, upon confirmation of receipt, or (b) on the second business day following the date of dispatch if delivered by a recognized next day courier service. All notices to the Company shall be delivered as set forth in Schedule A, or pursuant to such other instruction as may be designated in writing by the Company to the Investor. hereby is not affected in any manner materially adverse to any party. Upon such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

6.9 No Third Party Beneficiaries. Other than as expressly provided herein, nothing contained in this Agreement, expressed or implied, is intended to confer upon any person or entity other than the Company and the Investor (and any Indemnitee) any benefit, right or remedies.

6.10 Specific Performance. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms. It is accordingly agreed that the parties shall be entitled (without the necessity of posting a bond) to specific performance of the terms hereof, this being in addition to any other remedies to which they are entitled at law or equity.

[SEE ATTACHED]

**FORM OF WAIVER**

In consideration for the benefits I will receive as a result of the participation of [NAME OF COMPANY] (together with its subsidiaries and affiliates, the “*Company*”) in the United States Department of the Treasury’s (“*Treasury*”) Community Development Capital Initiative and/or any other economic stabilization program implemented by Treasury under the Emergency Economic Stabilization Act of 2008 (as amended, supplemented or otherwise modified, “*EESA*”) (any such initiative or program, including the Community Development Capital Initiative, a “*Program*”), I hereby voluntarily waive any claim against the United States (and each of its departments and agencies) or the Company or any of its directors, officers, employees and agents for any changes to my compensation or benefits that are required to comply with the executive compensation and corporate governance requirements of Section 111 of EESA, as implemented by any guidance or regulation thereunder, including the rules set forth in 31 C.F.R. Part 30, or any other guidance or regulations under EESA, and the applicable requirements of the Securities Purchase Agreement by and between the Company and Treasury dated as of [ ], 2010, as amended (such requirements, the “*Limitations*”).

I acknowledge that the Limitations may require modification or termination of the employment, compensation, bonus, incentive, severance, retention and other benefit plans, arrangements, policies and agreements (including so-called “golden parachute” agreements), whether or not in writing, that I may have with the Company or in which I may participate as they relate to the period the United States holds any equity or debt securities of the Company acquired through a Program or for any other period applicable under such Program or Limitations, as the case may be, and I hereby consent to all such modifications.

This waiver includes all claims I may have under the laws of the United States or any other jurisdiction (whether or not in existence as of the date hereof) related to the requirements imposed by the Limitations, including without limitation a claim for any compensation or other payments or benefits I would otherwise receive, any challenge to the process by which the Limitations are or were adopted and any tort or constitutional claim about the effect of the Limitations on my employment relationship and I hereby agree that I will not at any time initiate, or cause or permit to be initiated on my behalf, any such claim against the United States (or any of its departments or agencies) or the Company or any of its directors, officers, employees or agents in or before any local, state, federal or other agency, court or body.

I agree that, in the event and to the extent that the Compensation Committee of the Board of Directors of the Company or similar governing body (the “*Committee*”) reasonably determines that any compensatory payment or benefit provided to me, including any bonus or incentive compensation based on materially inaccurate financial statements or performance criteria, would cause the Company to fail to be in compliance with the Limitations (such payment or benefit, an “*Excess Payment*”), upon notification from the Company, I shall repay such Excess Payment to the Company within 15 business days. In addition, I agree that the

Company shall have the right to postpone any such payment or benefit for a reasonable period of time to enable the Committee to determine whether such payment or benefit would constitute an Excess Payment.

I understand that any determination by the Committee as to whether or not, including the manner in which, a payment or benefit needs to be modified, terminated or repaid in order for the Company to be in compliance with Section 111 of EESA and/or the Limitations shall be a final and conclusive determination of the Committee which shall be binding upon me. I further understand that the Company is relying on this letter from me in connection with its participation in a Program.

In witness whereof, I execute this waiver on my own behalf, thereby communicating my acceptance and acknowledgement to the provisions herein.

(h) Other than the filing of the Certificate of Designations with the Secretary of State of its jurisdiction of organization or other applicable Governmental Entity, such filings and approvals as are required to be made or obtained under any state “blue sky” laws and such consents and approvals that have been made or obtained, no notice to, filing with, exemption or review by, or authorization, consent or approval of, any Governmental Entity is required to be made or obtained by the Company in connection with the consummation by the Company of the Purchase.

(i) The Company is not nor, after giving effect to the issuance of the Preferred Shares pursuant to the Agreement, would be on the date hereof an “investment company” or an entity “controlled” by an “investment company,” as such terms are defined in the Investment Company Act of 1940, as amended.

(j) Each Certified Entity (A) is a regulated community development financial institution (a “*CDFI*”) currently certified by the Community Development Financial Institution Fund (the “*Fund*”) of the United States Department of the Treasury pursuant to 12 C.F.R. 1805.201(a) and (B) satisfies all of the eligibility requirements of the Fund’s Community Development Financial Institutions Program for a CDFI.

**REGISTRATION RIGHTS**

1.1 Definitions. Terms not defined in this Annex shall have the meaning ascribed to such terms in the Agreement. As used in this Annex E, the following terms shall have the following respective meanings:

(b) “*Holders’ Counsel*” means one counsel for the selling Holders chosen by Holders holding a majority interest in the Registrable Securities being registered.

(c) “*Pending Underwritten Offering*” means, with respect to any Holder forfeiting its rights pursuant to Section 1.11 of this Annex E, any underwritten offering of Registrable Securities in which such Holder has advised the Company of its intent to register its Registrable Securities either pursuant to Section 1.2(b) or Section 1.2(d) of this Annex E prior to the date of such Holder’s forfeiture.

(d) “*Register*”, “*registered*”, and “*registration*” shall refer to a registration effected by preparing and (A) filing a registration statement or amendment thereto in compliance with the Securities Act and applicable rules and regulations thereunder, and the declaration or ordering of effectiveness of such registration statement or amendment thereto or (B) filing a prospectus and/or prospectus supplement in respect of an appropriate effective registration statement on Form S-3.

(e) “*Registrable Securities*” means (A) all Preferred Shares and (B) any equity securities issued or issuable directly or indirectly with respect to the securities referred to in the foregoing clause (A) by way of conversion, exercise or exchange thereof, or share dividend or share split or in connection with a combination of shares, recapitalization, reclassification, merger, amalgamation, arrangement, consolidation or other reorganization, *provided* that, once issued, such securities will not be Registrable Securities when (1) they are sold pursuant to an effective registration statement under the Securities Act, (2) they shall have ceased to be outstanding or (3) they have been sold in any transaction in which the transferor’s rights under this Agreement are not assigned to the transferee of the securities. No Registrable Securities may be registered under more than one registration statement at any one time.

(f) “*Registration Expenses*” mean all expenses incurred by the Company in effecting any registration pursuant to this Agreement (whether or not any registration or prospectus becomes effective or final) or otherwise complying with its obligations under this Annex E, including all registration, filing and listing fees, printing expenses, fees and disbursements of counsel for the Company, blue sky fees and expenses, expenses incurred in connection with any “road show”, the reasonable fees and disbursements of Holders’ Counsel, and expenses of the Company’s independent accountants in connection with any regular or

special reviews or audits incident to or required by any such registration, but shall not include Selling Expenses.

(g) “Rule 144”, “Rule 144A”, “Rule 159A”, “Rule 405” and “Rule 415” mean, in each case, such rule promulgated under the Securities Act (or any successor provision), as the same shall be amended from time to time.

(i) “Special Registration” means the registration of (A) equity securities and/or options or other rights in respect thereof solely registered on Form S-4 or Form S-8 (or successor form) or (B) shares of equity securities and/or options or other rights in respect thereof to be offered to directors, members of management, employees, consultants, customers, lenders or vendors of the Company or Company Subsidiaries or in connection with dividend reinvestment plans.

## 1.2 Registration.

(a) The Company covenants and agrees that as promptly as practicable after the date that the Company becomes subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act (and in any event no later than 30 days thereafter), the Company shall prepare and file with the SEC a Shelf Registration Statement covering all Registrable Securities (or otherwise designate an existing shelf registration on an appropriate form under Rule 415 under the Securities Act (a “Shelf Registration Statement”) filed with the SEC to cover the Registrable Securities), and, to the extent the Shelf Registration Statement has not theretofore been declared effective or is not automatically effective upon such filing, the Company shall use reasonable best efforts to cause such Shelf Registration Statement to be declared or become effective and to keep such Shelf Registration Statement continuously effective and in compliance with the Securities Act and usable for resale of such Registrable Securities for a period from the date of its initial effectiveness until such time as there are no Registrable Securities remaining (including by refiling such Shelf Registration Statement (or a new Shelf Registration Statement) if the initial Shelf Registration Statement expires). Notwithstanding the foregoing, if the Company is not eligible to file a registration statement on Form S-3, then the Company shall not be obligated to file a Shelf Registration Statement unless and until requested to do so in writing by the Investor.

(b) Any registration pursuant to Section 1.2(a) of this Annex E shall be effected by means of a Shelf Registration Statement on an appropriate form under Rule 415 under the Securities Act (a “Shelf Registration Statement”). If the Investor or any other Holder intends to distribute any Registrable Securities by means of an underwritten offering it shall promptly so advise the Company and the Company shall take all reasonable steps to facilitate such distribution, including the actions required pursuant to Section 1.2(d) of this Annex E; *provided* that the Company shall not be required to facilitate an underwritten offering of Registrable Securities unless (i) the expected gross proceeds from such offering exceed \$200,000

or (ii) such underwritten offering includes all of the outstanding Registrable Securities held by such Holder. The lead underwriters in any such distribution shall be selected by the Holders of a majority of the Registrable Securities to be distributed.

(c) The Company shall not be required to effect a registration (including a resale of Registrable Securities from an effective Shelf Registration Statement) or an underwritten offering pursuant to Section 1.2 of this Annex E: (A) with respect to securities that are not Registrable Securities; or (B) if the Company has notified the Investor and all other Holders that in the good faith judgment of the Board of Directors, it would be materially detrimental to the Company or its securityholders for such registration or underwritten offering to be effected at such time, in which event the Company shall have the right to defer such registration for a period of not more than 45 days after receipt of the request of the Investor or any other Holder; *provided* that such right to delay a registration or underwritten offering shall be exercised by the Company (1) only if the Company has generally exercised (or is concurrently exercising) similar black-out rights against holders of similar securities that have registration rights and (2) not more than three times in any 12-month period and not more than 90 days in the aggregate in any 12-month period.

(d) If during any period when an effective Shelf Registration Statement is not available, the Company proposes to register any of its equity securities, other than a registration pursuant to Section 1.2(a) of this Annex E or a Special Registration, and the registration form to be filed may be used for the registration or qualification for distribution of Registrable Securities, the Company will give prompt written notice to the Investor and all other Holders of its intention to effect such a registration (but in no event less than ten days prior to the anticipated filing date) and will include in such registration all Registrable Securities with respect to which the Company has received written requests for inclusion therein within ten business days after the date of the Company's notice (a "*Piggyback Registration*"). Any such person that has made such a written request may withdraw its Registrable Securities from such Piggyback Registration by giving written notice to the Company and the managing underwriter, if any, on or before the fifth business day prior to the planned effective date of such Piggyback Registration. The Company may terminate or withdraw any registration under this Section 1.2(d) prior to the effectiveness of such registration, whether or not Investor or any other Holders have elected to include Registrable Securities in such registration.

(e) If the registration referred to in Section 1.2(d) of this Annex E is proposed to be underwritten, the Company will so advise Investor and all other Holders as a part of the written notice given pursuant to Section 1.2(d) of this Annex E. In such event, the right of Investor and all other Holders to registration pursuant to Section 1.2 of this Annex E will be conditioned upon such persons' participation in such underwriting and the inclusion of such person's Registrable Securities in the underwriting if such securities are of the same class of securities as the securities to be offered in the underwritten offering, and each such person will (together with the Company and the other persons distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by the Company; *provided* that the Investor (as opposed to other Holders) shall not be required to indemnify any person in connection with any registration. If any participating person disapproves of the terms of the underwriting, such person

may elect to withdraw therefrom by written notice to the Company, the managing underwriters and the Investor (if the Investor is participating in the underwriting).

(f) If either (x) the Company grants “piggyback” registration rights to one or more third parties to include their securities in an underwritten offering under the Shelf Registration Statement pursuant to Section 1.2(b) of this Annex E or (y) a Piggyback Registration under Section 1.2(d) of this Annex E relates to an underwritten offering on behalf of the Company, and in either case the managing underwriters advise the Company that in their reasonable opinion the number of securities requested to be included in such offering exceeds the number which can be sold without adversely affecting the marketability of such offering (including an adverse effect on the per share offering price), the Company will include in such offering only such number of securities that in the reasonable opinion of such managing underwriters can be sold without adversely affecting the marketability of the offering (including an adverse effect on the per share offering price), which securities will be so included in the following order of priority: (A) first, in the case of a Piggyback Registration under Section 1.2(d) of this Annex E, the securities the Company proposes to sell, (B) then the Registrable Securities of the Investor and all other Holders who have requested inclusion of Registrable Securities pursuant to Section 1.2(b) or Section 1.2(d) of this Annex E, as applicable, *pro rata* on the basis of the aggregate number of such securities or shares owned by each such person and (C) lastly, any other securities of the Company that have been requested to be so included, subject to the terms of this Agreement; *provided, however*, that if the Company has, prior to the Signing Date, entered into an agreement with respect to its securities that is inconsistent with the order of priority contemplated hereby then it shall apply the order of priority in such conflicting agreement to the extent that it would otherwise result in a breach under such agreement.

1.3 Expenses of Registration. All Registration Expenses incurred in connection with any registration, qualification or compliance hereunder shall be borne by the Company. All Selling Expenses incurred in connection with any registrations hereunder shall be borne by the holders of the securities so registered *pro rata* on the basis of the aggregate offering or sale price of the securities so registered.

1.4 Obligations of the Company. Whenever required to effect the registration of any Registrable Securities or facilitate the distribution of Registrable Securities pursuant to an effective Shelf Registration Statement, the Company shall, as expeditiously as reasonably practicable:

(a) Prepare and file with the SEC a prospectus supplement or post-effective amendment with respect to a proposed offering of Registrable Securities pursuant to an effective registration statement, subject to Section 1.4 of this Annex E, keep such registration statement effective and keep such prospectus supplement current until the securities described therein are no longer Registrable Securities.

(b) Prepare and file with the SEC such amendments and supplements to the applicable registration statement and the prospectus or prospectus supplement used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement.

(c) Furnish to the Holders and any underwriters such number of copies of the applicable registration statement and each such amendment and supplement thereto (including in each case all exhibits) and of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned or to be distributed by them.

(d) Use its reasonable best efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by the Holders or any managing underwriter(s), to keep such registration or qualification in effect for so long as such registration statement remains in effect, and to take any other action which may be reasonably necessary to enable such seller to consummate the disposition in such jurisdictions of the securities owned by such Holder; *provided* that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions.

(e) Notify each Holder of Registrable Securities at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the applicable prospectus, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

(f) Give written notice to the Holders:

(i) when any registration statement filed pursuant to Section 4.1(j) of the Agreement or any amendment thereto has been filed with the SEC (except for any amendment effected by the filing of a document with the SEC pursuant to the Exchange Act) and when such registration statement or any post-effective amendment thereto has become effective;

(ii) of any request by the SEC for amendments or supplements to any registration statement or the prospectus included therein or for additional information;

(iii) of the issuance by the SEC of any stop order suspending the effectiveness of any registration statement or the initiation of any proceedings for that purpose;

(iv) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification of the applicable Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose;

(v) of the happening of any event that requires the Company to make changes in any effective registration statement or the prospectus related to the

registration statement in order to make the statements therein not misleading (which notice shall be accompanied by an instruction to suspend the use of the prospectus until the requisite changes have been made); and

(vi) if at any time the representations and warranties of the Company contained in any underwriting agreement contemplated by Section 1.4(j) of this Annex E cease to be true and correct.

(g) Use its reasonable best efforts to prevent the issuance or obtain the withdrawal of any order suspending the effectiveness of any registration statement referred to in Section 1.4(f)(iii) of this Annex E at the earliest practicable time.

(h) Upon the occurrence of any event contemplated by Section 1.4(e) or 1.4(f)(v) of this Annex E, promptly prepare a post-effective amendment to such registration statement or a supplement to the related prospectus or file any other required document so that, as thereafter delivered to the Holders and any underwriters, the prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If the Company notifies the Holders in accordance with Section 1.4(f)(v) to suspend the use of the prospectus until the requisite changes to the prospectus have been made, then the Holders and any underwriters shall suspend use of such prospectus and use their reasonable best efforts to return to the Company all copies of such prospectus (at the Company's expense) other than permanent file copies then in such Holders' or underwriters' possession. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

(i) Use reasonable best efforts to procure the cooperation of the Company's transfer agent in settling any offering or sale of Registrable Securities, including with respect to the transfer of physical stock certificates into book-entry form in accordance with any procedures reasonably requested by the Holders or any managing underwriter(s).

(j) If an underwritten offering is requested pursuant to Section 1.2(b) of this Annex E, enter into an underwriting agreement in customary form, scope and substance and take all such other actions reasonably requested by the Holders of a majority of the Registrable Securities being sold in connection therewith or by the managing underwriter(s), if any, to expedite or facilitate the underwritten disposition of such Registrable Securities, and in connection therewith in any underwritten offering (including making members of management and executives of the Company available to participate in "road shows", similar sales events and other marketing activities), (A) make such representations and warranties to the Holders that are selling stockholders and the managing underwriter(s), if any, with respect to the business of the Company and its subsidiaries, and the Shelf Registration Statement, prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, in customary form, substance and scope, and, if true, confirm the same if and when requested, (B) use its reasonable best efforts to furnish the underwriters with opinions of counsel to the Company, addressed to the managing underwriter(s), if any, covering the matters customarily covered in such opinions requested in underwritten offerings, (C) use its reasonable best efforts to obtain "cold comfort" letters from the independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any business

acquired by the Company for which financial statements and financial data are included in the Shelf Registration Statement) who have certified the financial statements included in such Shelf Registration Statement, addressed to each of the managing underwriter(s), if any, such letters to be in customary form and covering matters of the type customarily covered in “cold comfort” letters, (D) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures customary in underwritten offerings (*provided* that the Investor shall not be obligated to provide any indemnity), and (E) deliver such documents and certificates as may be reasonably requested by the Holders of a majority of the Registrable Securities being sold in connection therewith, their counsel and the managing underwriter(s), if any, to evidence the continued validity of the representations and warranties made pursuant to clause (A) above and to evidence compliance with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company.

(k) Make available for inspection by a representative of Holders that are selling stockholders, the managing underwriter(s), if any, and any attorneys or accountants retained by such Holders or managing underwriter(s), at the offices where normally kept, during reasonable business hours, financial and other records, pertinent corporate documents and properties of the Company, and cause the officers, directors and employees of the Company to supply all information in each case reasonably requested (and of the type customarily provided in connection with due diligence conducted in connection with a registered public offering of securities) by any such representative, managing underwriter(s), attorney or accountant in connection with such Shelf Registration Statement.

(l) Use reasonable best efforts to cause all such Registrable Securities to be listed on each national securities exchange on which similar securities issued by the Company are then listed or, if no similar securities issued by the Company are then listed on any national securities exchange, use its reasonable best efforts to cause all such Registrable Securities to be listed on such securities exchange as the Investor may designate.

(m) If requested by Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith, or the managing underwriter(s), if any, promptly include in a prospectus supplement or amendment such information as the Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith or managing underwriter(s), if any, may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or such amendment as soon as practicable after the Company has received such request.

(n) Timely provide to its security holders earning statements satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

1.5 Suspension of Sales. Upon receipt of written notice from the Company that a registration statement, prospectus or prospectus supplement contains or may contain an untrue statement of a material fact or omits or may omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or that circumstances exist that make inadvisable use of such registration statement, prospectus or prospectus supplement, the Investor and each Holder of Registrable Securities shall forthwith discontinue disposition of Registrable Securities until the Investor and/or Holder has received copies of a

supplemented or amended prospectus or prospectus supplement, or until the Investor and/or such Holder is advised in writing by the Company that the use of the prospectus and, if applicable, prospectus supplement may be resumed, and, if so directed by the Company, the Investor and/or such Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in the Investor and/or such Holder's possession, of the prospectus and, if applicable, prospectus supplement covering such Registrable Securities current at the time of receipt of such notice. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

1.6 Termination of Registration Rights. A Holder's registration rights as to any securities held by such Holder (and its Affiliates, partners, members and former members) shall not be available unless such securities are Registrable Securities.

1.7 Furnishing Information.

(a) Neither the Investor nor any Holder shall use any free writing prospectus (as defined in Rule 405) in connection with the sale of Registrable Securities without the prior written consent of the Company.

(b) It shall be a condition precedent to the obligations of the Company to take any action pursuant to Section 1.4 of this Annex E that Investor and/or the selling Holders and the underwriters, if any, shall furnish to the Company such information regarding themselves, the Registrable Securities held by them and the intended method of disposition of such securities as shall be required to effect the registered offering of their Registrable Securities.

1.8 Indemnification.

(a) The Company agrees to indemnify each Holder and, if a Holder is a person other than an individual, such Holder's officers, directors, employees, agents, representatives and Affiliates, and each person, if any, that controls a Holder within the meaning of the Securities Act (each, an "Indemnitee"), against any and all losses, claims, damages, actions, liabilities, costs and expenses (including reasonable fees, expenses and disbursements of attorneys and other professionals incurred in connection with investigating, defending, settling, compromising or paying any such losses, claims, damages, actions, liabilities, costs and expenses), joint or several, arising out of or based upon any untrue statement or alleged untrue statement of material fact contained in any registration statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto or any documents incorporated therein by reference or contained in any free writing prospectus (as such term is defined in Rule 405) prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto); or any omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided*, that the Company shall not be liable to such Indemnitee in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon (A) an untrue statement or omission made in such registration statement, including any such preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto or contained in any free writing prospectus (as such term is defined in Rule

405) prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto), in reliance upon and in conformity with information regarding such Indemnitee or its plan of distribution or ownership interests which was furnished in writing to the Company by such Indemnitee for use in connection with such registration statement, including any such preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto, or (B) offers or sales effected by or on behalf of such Indemnitee “by means of” (as defined in Rule 159A) a “free writing prospectus” (as defined in Rule 405) that was not authorized in writing by the Company.

(b) If the indemnification provided for in Section 1.8(a) of this Annex E is unavailable to an Indemnitee with respect to any losses, claims, damages, actions, liabilities, costs or expenses referred to therein or is insufficient to hold the Indemnitee harmless as contemplated therein, then the Company, in lieu of indemnifying such Indemnitee, shall contribute to the amount paid or payable by such Indemnitee as a result of such losses, claims, damages, actions, liabilities, costs or expenses in such proportion as is appropriate to reflect the relative fault of the Indemnitee, on the one hand, and the Company, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, actions, liabilities, costs or expenses as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the Indemnitee, on the other hand, shall be determined by reference to, among other factors, whether the untrue statement of a material fact or omission to state a material fact relates to information supplied by the Company or by the Indemnitee and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; the Company and each Holder agree that it would not be just and equitable if contribution pursuant to this Section 1.8(b) of this Annex E were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 1.8(a) of this Annex E. No Indemnitee guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from the Company if the Company was not guilty of such fraudulent misrepresentation.

1.9 Assignment of Registration Rights. The rights of the Investor to registration of Registrable Securities pursuant to Section 1.2 of this Annex E may be assigned by the Investor to a transferee or assignee of Registrable Securities; *provided, however*, the transferor shall, within ten days after such transfer, furnish to the Company written notice of the name and address of such transferee or assignee and the number and type of Registrable Securities that are being assigned.

1.10 Clear Market. With respect to any underwritten offering of Registrable Securities by the Investor or other Holders pursuant to this Annex E, the Company agrees not to effect (other than pursuant to such registration or pursuant to a Special Registration) any public sale or distribution, or to file any Shelf Registration Statement (other than such registration or a Special Registration) covering any preferred stock of the Company or any securities convertible into or exchangeable or exercisable for preferred stock of the Company, during the period not to exceed ten days prior and 60 days following the effective date of such offering or such longer period up to 90 days as may be requested by the managing underwriter for such underwritten offering. The Company also agrees to cause such of its directors and senior executive officers to

execute and deliver customary lock-up agreements in such form and for such time period up to 90 days as may be requested by the managing underwriter.

1.11 Forfeiture of Rights. At any time, any holder of Registrable Securities (including any Holder) may elect to forfeit its rights set forth in this Annex E from that date forward; *provided*, that a Holder forfeiting such rights shall nonetheless be entitled to participate under Section 1.2(d) – (f) of this Annex E in any Pending Underwritten Offering to the same extent that such Holder would have been entitled to if the holder had not withdrawn; and *provided, further*, that no such forfeiture shall terminate a Holder’s rights or obligations under Section 1.7 of this Annex E with respect to any prior registration or Pending Underwritten Offering.

1.12 Specific Performance. The parties hereto acknowledge that there would be no adequate remedy at law if the Company fails to perform any of its obligations under this Annex E and that the Investor and the Holders from time to time may be irreparably harmed by any such failure, and accordingly agree that the Investor and such Holders, in addition to any other remedy to which they may be entitled at law or in equity, to the fullest extent permitted and enforceable under applicable law shall be entitled to compel specific performance of the obligations of the Company under this Annex E in accordance with the terms and conditions of this Annex E.

1.13 No Inconsistent Agreements. The Company shall not, on or after the Signing Date, enter into any agreement with respect to its securities that may impair the rights granted to the Investor and the Holders under this Annex E or that otherwise conflicts with the provisions hereof in any manner that may impair the rights granted to the Investor and the Holders under this Annex E. In the event the Company has, prior to the Signing Date, entered into any agreement with respect to its securities that is inconsistent with the rights granted to the Investor and the Holders under this Annex E (including agreements that are inconsistent with the order of priority contemplated by Section 1.2(f) of Annex E) or that may otherwise conflict with the provisions hereof, the Company shall use its reasonable best efforts to amend such agreements to ensure they are consistent with the provisions of this Annex E.

1.14 Certain Offerings by the Investor. An “underwritten” offering or other disposition shall include any distribution of such securities on behalf of the Investor by one or more broker-dealers, an “underwriting agreement” shall include any purchase agreement entered into by such broker-dealers, and any “registration statement” or “prospectus” shall include any offering document approved by the Company and used in connection with such distribution.
