

SERVICE SCHEDULE B-1

**District of Columbia Housing Finance Agency
HOMESAVER PROGRAM
Summary Guidelines**

<p>1. Program Overview</p>	<p>The HomeSaver Program will offer lump sum assistance and/or ongoing monthly mortgage payments to eligible District of Columbia (“District”) homeowners at risk of foreclosure. The HomeSaver Program is made up of two components:</p> <ul style="list-style-type: none"> • The Unemployment and Underemployment Assistance component will provide assistance to unemployed and underemployed homeowners through a one-time payment of up to nine (9) months of mortgage and/or condo fee delinquency in order to bring the mortgage current. This component will provide up to twenty-four (24) months of mortgage and/or condo fee payments going forward in order to keep the homeowner current. • The Restore Assistance component will be available for homeowners who have suffered a financial hardship and who need a lump-sum payment to catch up on arrears, but who have sufficient resources to continue making their regular payments going forward. Restore Assistance may cover any property-related payments necessary to cure a default and prevent a foreclosure, including but not limited to mortgage payments, property taxes, hazard insurance, late fees, condo fees, homeowners association fees, and legal fees. For applicants whose delinquency involved an inability to pay property tax charges, non-escrowed property taxes, such as in the case of a reverse mortgage, may be pre-paid through the remainder of the fiscal year at settlement. <p>Applicants will be referred to the HomeSaver Program after completion of an intake package. Intake packages will be reviewed by a U.S. Department of Housing and Urban Development (“HUD”) approved housing counseling agency and then forwarded to the HomeSaver Program for approval.</p>
<p>2. Program Goals</p>	<p>Foreclosure prevention – The primary goal of the HomeSaver Program is to prevent foreclosures that will erode the base of homeowners in the District, which already lags behind the national average in the rate of homeownership. Additionally, each applicant will work with a HUD approved housing counseling agency.</p>

	<p>Synergistic interaction – The DCHFA will partner with other organizations (e.g., DOES and the Urban Institute) to define the universe of potential candidates for the HomeSaver Program, perform outreach and intake and ultimately deliver timely assistance to prevent foreclosure. DOES is the District agency that administers the District’s Unemployment Insurance and job training programs. The Urban Institute (the “Institute”) has conducted extensive research into housing issues in the District, including mortgage delinquencies and foreclosures. The Institute gathers data, conducts research, evaluates programs, offers technical assistance overseas, and educates Americans on social and economic issues to foster sound public policy and effective government.</p> <p>Simplicity – The DCHFA will employ a HomeSaver Program design that seeks to minimize administrative costs, thereby maximizing the amount of dollars available for assistance.</p>
<p>3. Target Population / Areas</p>	<p>The HomeSaver Program will be available to eligible homeowners throughout the District.</p>
<p>4. Program Funds (Excluding Administrative Expenses)</p>	<p>Not applicable. Program Funds may be disbursed under any program included in Schedule B.</p>
