The Nevada Affordable Housing Assistance Corporation

PRINCIPAL REDUCTION PROGRAM

Summary Guidelines

1. Program Overview	<p>The Principal Reduction Program (“PRP”) will provide assistance to reduce the principal balance of primary (first priority) mortgages for borrowers with an eligible financial hardship and negative equity by: (a) principal reduction and a permanent modification or reamortization (recast) to achieve a lower monthly payment (“Modification or Reamortization”); or (b) principal reduction of a “non-delinquent” borrowers primary mortgage in a significant negative equity position to an amount as close to and not less than 100% loan-to-value (“LTV”) ratio as the amount of per-household assistance will permit to reduce the risk of potential default by such borrowers (“Negative Equity Reduction”).</p> <p>The assistance will be provided as a one-time payment to lenders/servicers up to a maximum of \$50,000 per household.</p> <p>A borrower’s primary mortgage lender may agree to make a matching reduction to the principal balance of the primary mortgage.</p>
2. Program Goals	<p>The goal of the PRP is to help homeowners avoid foreclosure by reducing the principal balance of their primary mortgage to either (a) facilitate a permanent loan modification or reamortization that achieves an affordable monthly mortgage payment of their primary mortgage or (b) reduce a borrower’s negative equity position on their primary mortgage to an amount as close to and not less than 100% LTV ratio as the amount of per-household assistance will permit.</p>
3. Target Population / Areas	<p>All qualified Nevada residents with negative equity who could achieve an affordable primary mortgage payment and appropriate level of debt with a principal reduction.</p>
4. Program Allocation (Excluding Administrative Expenses)	<p>\$97,146,322</p>
5. Borrower Eligibility Criteria	<p><u>General Eligibility:</u></p> <ul style="list-style-type: none">• Legal U.S. resident or lawful permanent U.S. resident and

 - Borrower's pre-assistance, total monthly primary mortgage payment PITI including any escrowed or non-escrowed homeowner's association dues or assessments, is greater than 38% of the gross household income excluding temporary income (e.g., unemployment or short-term disability benefits).
 - Borrower's post-assistance total monthly primary mortgage payment PITI including any escrowed or non-escrowed homeowner's association dues or assessments must be greater than 25% of the gross household income excluding temporary income (e.g., unemployment or short-term disability benefits).

SERVICE SCHEDULE B-5

The Nevada Affordable Housing Assistance Corporation

MORTGAGE ASSISTANCE PROGRAM

ALTERNATIVE (MAPA)

Summary Guidelines

1. Program Overview	<p>The Nevada Mortgage Assistance Program Alternative (MAPA) is designed to help keep first mortgages current for approximately 415 individuals who are not currently working and collecting a fixed income such as that associated with one of the following:</p> <ul style="list-style-type: none">• Retirement• Disability• Social Security <p>The program will assist those qualified families by paying the lesser of:</p> <p>(a) \$1,000 of the principal, interest, property taxes and property insurance (PITI) (when impounded) toward the monthly first mortgage payment or</p> <p>(b) Total first mortgage payment due for the aforementioned components.</p> <p>Further, the borrower will be responsible for contributing a minimum of \$75 per month toward completing the full payment due. MAPA payments may be extended for qualified families for up to nine (9) months (MAPA Participation Period).</p> <p>MAPA payments are aimed at providing a financial bridge to income restricted, unemployed homeowners that are in pursuit of a homeownership sustainment program.</p> <p>For the purpose of this program, the target population will include individuals which cannot return to the workforce through no fault of their own and are in default or in a situation of imminent threat of going into default due to limited income – subject to satisfaction of all other borrower eligibility criteria.</p> <p>Borrowers will submit their partial payment to NAHAC where it will be combined with the HHF funds and a full remittance made to the loan servicer. Borrowers can apply directly through the NAHAC offices after first completing an appropriate screening tool</p>
----------------------------	---

	<p>and being given an appointment with the NAHAC loan underwriter. MAPA payments will invoke a non-recourse lien which will have an earned forgiveness embedded in the Note. Borrowers who are able to sustain their homeownership for thirty-six (36) successive months following closing will have their lien extinguished.</p> <p>If, during or after the MAPA Participation Period, the borrower can demonstrate that he/she can sustain mortgage payments with a debt-to-income ratio (DTI) below 43%, the borrower may become eligible for additional reinstatement assistance (Reinstatement). In order to achieve a DTI below 43%, the borrower may, but is not required to enroll in a homeownership sustainment program. Reinstatement assists qualified borrowers by providing up to \$12,500 to eliminate arrearages and bring the loan current. Reinstatement is only applicable when the entire amount of arrearages can be eliminated.</p>
2. Program Goals	The MAPA goal is to assist fixed-income borrowers in keeping their homes during a period of temporary financial hardship and, thereby, prevent avoidable defaults and foreclosures. MAPA in conjunction with subsequent homeownership sustainment programs and Reinstatement aims to decrease both the number and probability of future foreclosures in Nevada.
3. Target Population / Areas	Funding will be distributed on a first-come, first-served basis with target populations spanning (a) the Clark County/Las Vegas valley area, (b) the Reno-Sparks SMSA area and (c) all of rural Nevada.
4. Program Allocation (Excluding Administrative Expenses)	\$1,613,278
5. Borrower Eligibility Criteria	<p>To ensure both consistencies with previously approved Participation Agreement programs and to lessen the burdens of administering the MAPA program, adherence to the same underwriting qualification standards will be generally utilized.</p> <p>Thus, borrower eligibility criteria will consist of:</p> <ul style="list-style-type: none"> • Legal U.S. resident or lawful permanent U.S. resident. • Borrower must be in default or facing imminent default. • Borrower must be experiencing financial hardship due to circumstances beyond the homeowner’s control (no contrived defaults allowed). • Borrower will be required to sign a financial hardship affidavit attesting to their inability to make mortgage payments.

	<p>Reinstatement candidates must demonstrate sustainability of current payments. By definition that would mean that their mortgage payment is less than 43% of their household income. The borrower must also demonstrate they still have little or no ability to extinguish past missed payments, penalties or fees. Reinstatement will only be allocated in those instances where the entire past due balance and/or accrued penalties can be eliminated such that the borrower is in good standing post assistance.</p> <p>Basic eligibility criteria will be analyzed either on-line (through the borrower's visit to the website and use of the 'screening tool'), directly at the NAHAC offices or by the designated call center. If borrowers meet screening criteria, application packages will be assembled by the NAHAC underwriters who will do the full verifications/confirmation, enter the borrower's data into the NAHAC database and accounts payable systems and begin the relationship with the borrower's participating banks/lenders/servicers to ensure aid is acceptable to them.</p>
<p>6. Property / Loan Eligibility Criteria</p>	<ul style="list-style-type: none"> • Home is currently owner occupied and serves as the borrower's primary residence. • Mortgage balance is less than the current GSE loan limit.
<p>7. Program Exclusions</p>	<p>Borrowers that have received nine (9) months of assistance through MAP will be ineligible for assistance through MAPA. In the event a borrower has received less than nine (9) months of assistance through MAP or MAPA, the borrower can reapply to receive assistance through either program on a pro-rata basis where any borrower will receive a maximum of nine (9) months of combined assistance.</p>
<p>8. Structure of Assistance</p>	<p>Borrower must proactively pursue homeownership sustainment program which must be verified with forty-five (45) days of closing on MAPA or borrower will be disenrolled from program.</p> <p>This program is administered through direct payments to the servicer. All MAPA assistance will be structured as a 0% interest, forgivable loan secured by a lien recorded against the subject property. The lien has a term of three (3) years and is forgiven following final funding at a rate of thirty-three percent (33%) per year with full forgiveness at the end of year three (3) provided the borrower complies with the terms of the loan. The loan will be repayable if the borrower defaults under the terms of the loan or if the borrower sells the property before the three (3) year time period expires and there is equity in the property after payment of the 1st priority lien holder. All funds returned to NAHAC will be recycled</p>

	<p>until December 31, 2017; thereafter any remaining funds must be returned to Treasury.</p> <p>MAPA recipients who qualify for reinstatement will have up to \$12,500 in reinstatement funds made on a 'one-time basis' directly to the mortgage servicer.</p>
9. Per Household Assistance	<p>The maximum MAPA assistance should not exceed \$1,000/month per recipient for up to nine (9) months for a total aggregate mortgage payment assistance of \$9,000.</p> <p>Reinstatement candidates will be eligible to receive a limited, one-time payment of up to \$12,500.</p> <p>The combined maximum amount of MAPA assistance available to a qualified borrower is \$21,500.</p>
10. Duration of Assistance	<p>MAPA will last up to nine (9) months.</p>
11. Estimated Number of Participating Households	<p>Based upon average assistance of \$9,000 per household, it is anticipated that 75% of the program funds be exhausted by monthly mortgage payment expenditures – for a total of approximately 176 households.</p> <p>The average Reinstatement payout is expected to be \$12,500 per eligible borrower with a portion of MAPA eligible borrowers also qualifying and receiving Reinstatement benefits. The remaining 25% of program funds are anticipated to be used for Reinstatement candidates, a total of approximately forty-two (42) households.</p>
12. Program Inception / Duration	<p>This program began February 2012 and terminated on October 1, 2012.</p>
13. Program Interactions with Other HFA Programs	<p>The MAPA program could have some form of interactions with the other HHF programs both pre- and post-assistance. Borrowers may receive assistance from more than one HHF program as long as the total combined assistance does not exceed \$100,000.</p>
14. Program Interactions with HAMP	<p>MAPA recipients that become employed or have an improvement in their economic situation during the period of assistance may also benefit from HAMP.</p> <p>MAPA funds may be applied prior to HAMP since it is most beneficial to both the homeowner and mortgage servicer as payments would be made instead of capitalized and no additional late charges accrued.</p>

**15. Program Leverage
with Other Financial
Resources**

NAHAC will work directly with a loan servicer in conjunction with each MAPA borrower to ensure that MAPA funds are strictly used for MAPA-eligible purposes. NAHAC accounting staff will communicate with the servicer to ensure that the MAPA payments are credited only toward current amounts of PITI due on the borrower's first mortgage. Funds will not be applied toward past due penalties except in those instances where the borrower qualifies for Reinstatement.
