Loan Refinancing Assistance Pilot Project
Summary Guidelines**

<p>1. Program Overview</p>	<p>This schedule applies to applications initiated after the effective date of the Seventeenth Amendment to Commitment to Purchase Financial Instrument and HFA Participation Agreement.</p> <p>The Loan Refinancing Assistance Pilot Project will target Oregon homeowners with negative equity mortgages, who have recovered from unemployment, underemployment or financial distress and show the capability to pay a mortgage payment based on a principal amount reflective of the current market value of the home. There are two structures that will be utilized to accomplish the refinance, depending on restrictions affecting the loan holder.</p> <p>Loan Purchase Structure: Under the Loan Purchase Structure, OAHAC, after review and approval by Oregon Housing and Community Services (OHCS), will provide funding for the purchase of loans on behalf of homeowners. All as part of one concurrent and seamless transaction, the loan will be purchased in accordance with a funding agreement with OAHAC, for a price that is at or below the current appraised value and at least 10 percent below the current unpaid principal balance of the loan. A new, affordable loan based on a principal amount equal to or lesser than the home’s current appraised value will be originated.</p> <p>Short Sale Structure: The Short Sale Structure will be utilized in the event the holder of the loan is subject to certain restrictions, operationally and/or legally, with respect to a loan sale transaction. In this scenario, OAHAC will utilize its contractor, Further 2 Development LLC (“Further”), to facilitate a short sale. All as part of one concurrent and seamless transaction, the home will be sold to Further for a price that is at or below the current appraised value and at least 10% below the current unpaid principal balance of the loan. Title to the home will be transferred to Further and then back to the homeowner through a newly originated affordable loan for the homeowner at a principal amount equal to or lesser than the home’s current appraised value. That new loan will be assigned to OHCS, in accordance with a funding agreement with OAHAC.</p> <p>The end result will be the same under either structure: the homeowner remains in the home with a new, affordable loan.</p>
-----------------------------------	---

<p>2. Program Goals</p>	<p>The Loan Refinancing Assistance Pilot Project’s goals are to assist homeowners escape negative equity situations, help to slow the ongoing decline in property value, and provide approved homeowners with reliable, affordable, sustainable mortgages.</p>
<p>3. Target Population/ Areas</p>	<p>The Program will be available in select Oregon counties and focus exclusively on homeowners who have recovered from a financial hardship, are saddled with negative equity mortgages, and demonstrate the capability to pay a loan refinanced to an amount that is equal to or less than the home’s current value.</p>

The borrower must meet criteria as defined in program guidelines.</p>

Property/Loan Eligibility Criteria</p>	<p>The subject property must be an owner-occupied, primary residence and be located in Oregon.</p> <p>The subject property must be a one-unit, single-family residence that is not a condominium.</p> <p>The unpaid principal balance of the borrower’s first-lien mortgage cannot exceed \$499,000.</p> <p>Loans must be purchased at or below appraised market value of the home.</p> <p>The new loan cannot have a debt-to-income ratio in which PITIA is greater than 35 percent of total income and total household debt is greater than 45 percent of total income. Exceptions to the maximum debt-to-income ratio may be considered based on the borrower’s creditworthiness.</p> <p>Loans can only be purchased if the lender/servicer has discounted the price of the loan by at least 10 percent of the current unpaid principal balance.</p> <p>The loan must meet criteria as defined in the program guidelines.</p>
<p>7. Program Exclusions</p>	<p>The borrower cannot be in active bankruptcy.</p> <p>The borrower’s first-lien mortgage cannot be a home equity line of credit, third party contract, or other private party loan.</p> <p>The borrower cannot own other residential real property.</p> <p>Employees of contractor Further.</p>
