II THE SECURITIES PURCHASE.

2.01. Purchase and Sale of the Shares and the Warrant. Subject to, and on the terms and conditions of, this Agreement, effective at the Closing, the Company will purchase from the Seller, and the Seller will sell, transfer, convey, assign and deliver to the Company, all of the Shares and the Warrant, free and clear of all Liens. 2.02. Closing of the Securities Purchase.

(A) Subject to Article V, the closing of the Securities Purchase (the “Closing”) shall be held at such time or date that is agreed to in writing by the Seller and the Company (the date on which the Closing occurs, the “Closing Date”). The Closing shall be held at such place as the Seller and the Company shall mutually agree in writing.

(B) At the Closing, or simultaneously therewith, the following shall occur:

(1) the Seller will deliver to the Company certificates for the Shares and the Warrant, duly endorsed in blank or accompanied by stock powers duly endorsed in blank or other required instruments of transfer; and

(2) the Company will pay the aggregate Purchase Price to the Seller, by wire transfer in immediately available funds, to an account designated in writing by the Seller to the Company, such designation to be made not later than two Business Days prior to the Closing Date.

III REPRESENTATIONS AND WARRANTIES.

3.01. Representations and Warranties of the Company. The Company hereby represents and warrants to the Seller as follows:

(A) Existence and Power. The Company is duly organized and validly existing as a corporation under the Laws of the State of Washington and is a Washington state-chartered bank supervised by the Federal Deposit Insurance Corporation and the Washington Department of Financial Institutions and has all requisite power and authority to execute and deliver this Agreement and to consummate the transactions contemplated by this Agreement.

(B) Authorization. The execution and delivery of this Agreement, and the consummation by the Company of the transactions contemplated hereby, have been duly and validly approved by all necessary corporate action of the Company, and no other corporate or shareholder proceedings on the part of the Company are necessary to approve this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by the Company, and (assuming the due authorization, execution and delivery of this Agreement by the Seller) this Agreement constitutes a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as enforcement may be limited

by general principles of equity whether applied in a court of law or a court of equity and by bankruptcy, insolvency and similar Laws affecting creditors' rights and remedies generally.

(C) Non-Contravention. Neither the execution and delivery of this Agreement nor the consummation by the Company of the transactions contemplated hereby will violate any provision of the charter or bylaws or similar governing documents of the Company or, assuming that the consents, approvals, filings and registrations referred to in Section 3.01(D) are received or made (as applicable), applicable Law.

(D) Consents and Approvals. Except for the prior written approval of the Federal Deposit Insurance Corporation and the Washington Department of Financial Institutions for the Company to purchase the Shares from the Seller, no consents or approvals of, or filings or registrations with, any Governmental Entity or of or with any other third party by and on behalf of the Company are necessary in connection with the execution and delivery by the Company of this Agreement and the consummation by the Company of the transactions contemplated hereby.

(E) Securities Matters. The Shares and the Warrant are being acquired by the Company for its own account and without a view to the public distribution or sale of the Shares or the Warrant.

(F) Availability of Funds. The Company will have, as of the Closing, sufficient funds available to consummate the transactions contemplated hereunder.

IV COVENANTS.

4.01. Forbearances of the Seller. From the date hereof until the Closing, without the prior written consent of the Company, the Seller will not:

(A) directly or indirectly transfer, sell, assign, distribute, exchange, pledge, hypothecate, mortgage, encumber or otherwise dispose of, or engage in or enter into any hedging transactions with respect to, any of the Shares, the Warrant or any portion thereof or interest therein (other than pursuant to the Securities Purchase);

(B) exercise the Warrant, in whole or in part; or

(C) agree, commit to or enter into any agreement to take any of the actions referred to in Section 4.01(A).

Notwithstanding the foregoing, the Seller may undertake any of the actions set forth in Section 4.01(A) with an Affiliate of the Seller so long as this Agreement is assigned to such Affiliate in accordance with Section 7.07 of this Agreement. For the avoidance of doubt, until the Closing, except as expressly set forth in this Section 4.01, the Seller shall continue to be able to exercise all rights and privileges with respect to the Shares and the Warrant.

4.02. Further Action. The Seller and the Company (A) shall each execute and deliver, or shall cause to be executed and delivered, such documents and other instruments and shall take,

or shall cause to be taken, such further action as may be reasonably necessary to carry out the provisions of this Agreement and give effect to the transactions contemplated by this Agreement and (B) shall refrain from taking any actions that could reasonably be expected to impair, delay or impede the Closing or the consummation of the transactions contemplated by this Agreement.

4.03. Remaining Certification and Disclosure Requirements. The Company acknowledges and agrees to comply with the certification and disclosure requirements set forth in the Compensation Regulations, including without limitation those submissions that are required with respect to the final portion of the Relevant Period (see, for example, Sections 30.7(c) and (d), Sections 30.11(b) and (c) and Section 30.15(a)(3) of the Compensation Regulations and FAQ-14 in the Frequently Asked Questions to the Compensation Regulations, available at www.financialstability.gov).

4.04. Transferability Restrictions Related to Long-Term Restricted Stock. The Company acknowledges that any long-term restricted stock (as defined in Section 30.1 of the Compensation Regulations) awarded by the Company that has otherwise vested may not become transferable, or payable in the case of a restricted stock unit, at any time earlier than as permitted under the schedule set forth in the definition of long-term restricted stock in Section 30.1 of the Compensation Regulations. For this purpose, aggregate financial assistance received (for purposes of the definition of long-term restricted stock) includes the full original liquidation amount with respect to 7,400 Shares (see FAQ-15 in the Frequently Asked Questions to the Compensation Regulations, available at www.financialstability.gov). Upon the sale of the Shares to the Company, in the event that any long-term restricted stock awarded by the Company is not permitted to become transferable, or payable in the case of a restricted stock unit, under the schedule set forth in the definition of long-term restricted stock in Section 30.1 of the Compensation Regulations, the Company shall cancel such long-term restricted stock and/or restricted stock units.

V CONDITIONS TO THE CLOSING.

5.01. Conditions to Each Party's Obligations. The respective obligations of each of the Company and the Seller to consummate the Securities Purchase are subject to the fulfillment, or written waiver by the Company and the Seller, prior to the Closing, of each of the following conditions:

(A) **Completion of Equity Offering.** The Company shall have closed one or more transactions in which investors have collectively provided a minimum aggregate amount of Seven Million Dollars (\$7,000,000.00) in gross cash proceeds to the Company in exchange for Company Common Stock and such Company Common Stock shall have been offered and sold at a price not greater than \$0.05 per share of Company Common Stock.

(B) **Company Regulatory Approvals.** All regulatory approvals required to consummate the Securities Purchase shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired or been terminated.

(C) No Injunctions or Restraints; Illegality. No order, injunction or decree issued by any court or agency of competent jurisdiction or other legal restraint or prohibition preventing the consummation of the Securities Purchase shall be in effect. No Law shall have been enacted, entered, promulgated or enforced by any Governmental Entity which prohibits or makes illegal the consummation of the Securities Purchase.

5.02. Condition to Obligations of the Seller. The obligation of the Seller to consummate the Securities Purchase is also subject to the fulfillment, or written waiver by the Seller, prior to the Closing, of the following conditions:

(A) Other Events. None of the following shall have occurred since the date hereof:

(1) the Company or any of its Subsidiaries shall have (a) dissolved (other than pursuant to a consolidation, amalgamation or merger); (b) become insolvent or unable to pay its debts or failed or admitted in writing its inability generally to pay its debts as they become due; (c) made a general assignment, arrangement or composition with or for the benefit of its creditors; (d) instituted or have instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition shall have been presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition shall have resulted in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation; (e) had a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (f) sought or shall have become subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (g) had a secured party take possession of all or substantially all its assets or had a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets; (h) caused or shall have been subject to any event with respect to it which, under the applicable laws of any jurisdiction, had an analogous effect to any of the events specified in clauses (a) to (g) (inclusive); or (i) taken any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts;

(2) a Governmental Entity in any jurisdiction shall have (a) commenced an action or proceeding against the Company or any of its Subsidiaries; or (b) issued or entered a temporary restraining order, preliminary or permanent injunction or other order applicable to the Company or any of its Subsidiaries, which in the case of (a) and (b) shall have had or shall be reasonably expected to have a Company Material Adverse Effect;

(3) any fact, circumstance, event, change, occurrence, condition or development shall have occurred that, individually or in the aggregate, shall have had or shall be reasonably likely to have a Company Material Adverse Effect; or

(4) any Regulatory Event not otherwise existing on the date hereof.

(B) Representations and Warranties. The representations and warranties set forth in Article III of this Agreement shall be true and correct as though made on and as of the Closing Date.

(C) Consents and Approvals. All consents and approvals of, and filings and registrations with, all Governmental Entities and of or with any other third party by and on behalf of the Company that are necessary in connection with the execution and delivery by the Company of this Agreement and the consummation by the Company of the transactions contemplated hereby shall have been obtained or made, as applicable, and shall remain in full force and effect.

(D) Performance Obligations. The Company shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing.

(E) Closing Certificate. The Company shall deliver to the Seller a certificate, dated as of the Closing Date, signed on behalf of the Company by a senior executive officer thereof certifying to the effect that all conditions precedent to the Closing have been satisfied.

VI TERMINATION.

6.01. Termination Events. This Agreement may be terminated at any time prior to the Closing:

(A) by mutual written agreement of the Company and the Seller; or

(B) by the Company, upon written notice to the Seller, or by the Seller, upon written notice to the Company, in the event that the Closing Date does not occur on or before April 30, 2013; *provided, however*, that the respective rights to terminate this Agreement pursuant to this Section 6.01(B) shall not be available to any party whose failure to fulfill any obligation under this Agreement shall have been the cause of, or shall have resulted in, the failure of the Closing Date to occur on or prior to such date.

6.02. Effect of Termination. In the event of termination of this Agreement as provided in Section 6.01, this Agreement shall forthwith become void and have no effect, and none of the Seller, the Company, any affiliates of the Company or any officers or directors of the Company or any of its affiliates shall have any liability of any nature whatsoever hereunder, or in connection with the transactions contemplated hereby, except that this Section 6.02 and Sections 7.03, 7.04, 7.05 and 7.06 shall survive any termination of this Agreement.

VII MISCELLANEOUS.

7.01. Waiver; Amendment.

Any provision of this Agreement may be (A) waived in writing by the party benefiting by the provision, or (B) amended or modified at any time by an agreement in writing signed by each of the parties hereto. Neither any failure nor any delay by any party in exercising any right, power or privilege under this Agreement or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege.

7.02. Counterparts. This Agreement may be executed by facsimile or other electronic means and in counterparts, all of which shall be considered an original and one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart.

7.03. Governing Law; Choice of Forum; Waiver of Jury Trial.

(A) This Agreement and any claim, controversy or dispute arising under or related to this Agreement, the relationship of the parties, and/or the interpretation and enforcement of the rights and duties of the parties shall be enforced, governed, and construed in all respects (whether in contract or in tort) in accordance with the federal law of the United States if and to the extent such law is applicable, and otherwise in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within such State. Each of the parties hereto agrees (a) to submit to the exclusive jurisdictions and venue of the United States District Court of the District of Columbia and the United States Court of Federal Claims for any and all civil actions, suits or proceedings arising out of or relating to this Agreement or the transactions contemplated hereby, and (b) that notice may be served upon (i) the Company at the address and in the manner set forth for notices to the Company in Section 7.05 and (ii) the Seller at the address and in the manner set forth for notices to the Seller in Section 7.05, but otherwise in accordance with federal law.

(B) To the extent permitted by applicable Law, each of the parties hereto hereby unconditionally waives trial by jury in any civil legal action or proceeding relating to this Agreement or the transactions contemplated hereby.

7.04. Expenses. If requested by the Seller, the Company shall pay all reasonable out of pocket and documented costs and expenses associated with this Agreement and the transactions contemplated by this Agreement, including, but not limited to, the reasonable fees, disbursements and other charges of the Seller's legal counsel and financial advisors.

7.05. Notices. All notices and other communications hereunder shall be in writing and shall be deemed given on the date of delivery if delivered personally or telecopied (upon telephonic confirmation of receipt), on the first Business Day following the date of dispatch if

delivered by a recognized next day courier service, or on the third Business Day following the date of mailing if delivered by registered or certified mail, return receipt requested, postage prepaid. 7.06. Entire Understanding; No Third Party Beneficiaries. This Agreement (together with the documents, agreements and instruments referred to herein) represents the entire understanding of the parties with respect to the subject matter hereof and supersedes any and all other oral or written agreements heretofore made with respect to the subject matter hereof. Nothing in this Agreement, expressed or implied, is intended to confer upon any person, other than the parties hereto, any rights or remedies hereunder.

7.07. Assignment. Neither this Agreement nor any right, remedy, obligation or liability arising hereunder or by reason hereof shall be assignable by any party hereto without the prior written consent of the other party, and any attempt to assign any right, remedy, obligation or liability hereunder without such consent shall be null and void; *provided, however*, that the Seller may assign this Agreement to an Affiliate of the Seller. If the Seller assigns this Agreement to an Affiliate, the Seller shall be relieved of its obligations and liabilities under this Agreement but (i) all rights, remedies, obligations and liabilities of the Seller hereunder shall continue and be enforceable by and against and assumed by such Affiliate, (ii) the Company's obligations and liabilities hereunder shall continue to be outstanding and (iii) all references to the Seller herein shall be deemed to be references to such Affiliate. any such assignment; *provided*, that the failure to provide such notice shall not void any such assignment.

7.08. Severability. Any term or provision of this Agreement which is determined by a court of competent jurisdiction to be invalid, illegal or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid, illegal or unenforceable the remaining terms and provisions of this Agreement or affecting the validity, legality or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction, and if any provision of this Agreement is determined to be so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable, in all cases so long as neither the economic nor legal substance of the transactions contemplated hereby is affected in any manner materially adverse to any party or its shareholders. Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.
