In furtherance of the foregoing, the Credit Union shall provide reasonable cooperation to facilitate any Transfers of the Senior Subordinated Securities, including, as is reasonable under the circumstances, by furnishing such information concerning the Credit Union and its business as a proposed transferee may reasonably request (including such information as is required by Section 4.1(c)(iv)) and making management of the Credit Union reasonably available to respond to questions of a proposed transferee in accordance with customary practice, subject in all cases to the proposed transferee agreeing to a customary confidentiality agreement.

**Section 6.7** Replacement of Senior Subordinated Securities. Upon receipt of evidence reasonably satisfactory to the Credit Union of the loss, theft, destruction or mutilation of any Senior Subordinated Security, and, in the case of any such loss, theft or destruction, upon delivery of a bond of indemnity reasonably satisfactory to the Credit Union (*provided* that the Investor or any institutional Holder of a Senior Subordinated Security may instead deliver to the Credit Union an indemnity agreement in form and substance reasonably satisfactory to the Credit Union), or, in the case of any such mutilation, upon surrender and cancellation of the Senior Subordinated Security, as the case may be, the Credit Union will issue a new Senior Subordinated Security of like tenor, in lieu of such lost, stolen, destroyed or mutilated Senior Subordinated Security.

**Section 6.8** Cancellation. All Senior Subordinated Securities surrendered for the purpose of payment, exchange or registration of transfer, shall be surrendered to the Credit Union and promptly canceled by it, and no Senior Subordinated Securities shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Agreement. The Credit Union shall destroy all canceled Senior Subordinated Securities.

**Section 6.9** Depository Senior Subordinated Securities. Upon request by the Investor at any time following the Closing Date, the Credit Union shall promptly enter into a depository arrangement, pursuant to customary agreements reasonably satisfactory to the Investor and with a depository reasonably acceptable to the Investor, pursuant to which the Senior Subordinated Securities may be deposited.

**Section 6.10** Redemption. (a) The Senior Subordinated Securities at the time outstanding may be redeemed by the Credit Union at its option, subject to the approval of the Appropriate Supervisory Authority, in whole or in part and subject to Section 6.10(e), at any time and from time to time, out of funds legally available therefor, upon notice given as provided in Section 6.10(d) below, on any Interest Payment Date (the “*Redemption Date*”) at a redemption price equal to the sum of (i) 100% of the principal amount thereof being called for redemption (*provided* that, if less than all of the outstanding Senior Subordinated Securities are then being redeemed, such amount shall not be less than 20% of the Purchase Price) and (ii) any accrued and unpaid interest.

(b) The redemption price for any Senior Subordinated Securities shall be payable on the Redemption Date to the Holder of such Senior Subordinated Securities against surrender

thereof to the Credit Union or its agent. Interest shall be paid at the then applicable Interest Rate from the date of the last Interest Payment Date up to but not including the Redemption Date.

(c) No Sinking Fund. The Senior Subordinated Securities will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of Senior Subordinated Securities will have no right to require redemption or repurchase of any of the Senior Subordinated Securities.

(d) Notice of Redemption. Notice of redemption of the Senior Subordinated Securities shall be given by first-class mail, postage prepaid, addressed to the Holders of record of the Senior Subordinated Securities to be redeemed at their respective last addresses appearing on the Senior Subordinated Securities Register. Such mailing shall be at least 30 days and not more than 60 days before the Redemption Date. Any notice mailed as provided in this subsection shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any Holder of Senior Subordinated Securities designated for redemption shall not affect the validity of the proceedings for the redemption of any other Senior Subordinated Securities. Notwithstanding the foregoing, if Senior Subordinated Securities are issued in book-entry form through The Depository Trust Company or any other similar facility, notice of redemption may be given to the Holders of Senior Subordinated Securities at such time and in any manner permitted by such facility. Each notice of redemption given to a Holder shall state: (1) the Redemption Date; (2) the amount of Senior Subordinated Securities to be redeemed by such Holder; (3) the redemption price; and (4) the place or places where such Senior Subordinated Securities are to be surrendered for payment of the redemption price.

(e) Partial Redemption. The Credit Union may redeem less than all of the outstanding Senior Subordinated Securities, *provided* that the amount called for redemption at any time is not less than 20% of the amount of the outstanding principal amount of the Senior Subordinated Securities. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which Senior Subordinated Securities shall be redeemed from time to time. If less than the full aggregate principal amount of any Senior Subordinated Security is redeemed, the Credit Union shall issue a new Senior Subordinated Security in the unredeemed aggregate principal amount thereof without charge to the Holder thereof. Senior Subordinated Securities may be redeemed in part only on a *pro rata* basis and only in minimum denominations of \$1,000 and integral multiples thereof.

(f) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the Redemption Date specified in the notice all funds necessary for the redemption have been deposited by the Credit Union, in trust for the *pro rata* benefit of the Holders of the Senior Subordinated Securities called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any Senior Subordinated Security so called for redemption has not been surrendered for cancellation, on and after the Redemption Date interest shall cease to accrue on the aggregate principal amount of such Senior Subordinated Securities so called for redemption, the aggregate principal amount of such Senior Subordinated

Securities so called for redemption shall no longer be deemed outstanding and shall cease to bear interest from and after the Redemption Date. All rights with respect to such Senior Subordinated Securities (or the portion thereof so called for redemption) shall forthwith on such Redemption Date cease and terminate, except only the right of the Holders thereof to receive the redemption price payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the Redemption Date shall, to the extent permitted by applicable law, be released to the Credit Union, after which time the Holders of such Senior Subordinated Securities (or portion thereof so called for redemption) shall look only to the Credit Union for payment of the redemption price of such Senior Subordinated Securities.

(g) Status of Redeemed Securities. Senior Subordinated Securities that are redeemed, repurchased or otherwise acquired by the Credit Union shall be cancelled and shall not thereafter be re-issued by the Credit Union.

#### **Section 6.11 Voting Rights.**

(a) General. The Holders of Senior Subordinated Securities shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Class Voting Rights as to Particular Matters. So long as any Senior Subordinated Securities are outstanding, in addition to any other vote or consent of Interest Holders required by law or by the Charter, but subject to any applicable State Restrictions, the vote or consent of the Holders of at least 66 2/3% of the Senior Subordinated Securities at the time outstanding, given in person or by proxy, either in writing without a meeting or by vote at any meeting of the Holders of Senior Subordinated Securities called for the purpose in accordance with Section 6.11(d), shall be necessary for effecting or validating:

(i) Amendment of Senior Subordinated Securities. Any amendment, alteration or repeal of any provision of this Agreement or of the form of the Senior Subordinated Securities or the Charter (including, unless no vote on such merger or consolidation is required by Section 6.11(b)(ii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Senior Subordinated Securities; or

(ii) Exchanges, Reclassifications, Mergers and Consolidations. Any consummation of a binding exchange or reclassification involving the Senior Subordinated Securities, or of a merger or consolidation of the Credit Union with another entity, unless in each case (x) the Senior Subordinated Securities remain outstanding or, in the case of any such merger or consolidation with respect to which the Credit Union is not the surviving or resulting entity, are converted into or exchanged for securities of the surviving or resulting entity or its ultimate parent, and (y) such remaining Senior Subordinated Securities outstanding or such securities, as the case may be, have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less favorable to the Holders thereof than the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of Senior Subordinated Securities immediately prior to such consummation, taken as a whole;

*provided, however, that, for all purposes of this Section 6.11(b), any increase in the amount of the Senior Subordinated Securities, or the creation and issuance of any other Indebtedness of the Credit Union, or any securities convertible into or exchangeable or exercisable for any Senior Subordinated Securities, ranking senior to, equally with and/or subordinate to the Senior Subordinated Securities with respect to the payment of interest (whether or not such interest compounds) and the distribution of assets upon liquidation, dissolution or winding up of the Credit Union, will not be deemed to adversely affect the rights, preferences, privileges or voting powers, and shall not require the affirmative vote or consent of, the Holders of outstanding Senior Subordinated Securities.*

(c) Changes after Provision for Redemption. No vote or consent of the Holders of Senior Subordinated Securities shall be required pursuant to Section 6.11(b) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding Senior Subordinated Securities shall have been redeemed or shall have been called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 6.10 above.

(d) Procedures for Voting and Consents. The rules and procedures for calling and conducting any meeting of the Holders of Senior Subordinated Securities (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to such a meeting or such consents shall be governed by any rules of the Board of Directors or any duly authorized committee of the Board of Directors, in its discretion, may adopt from time to time, which rules and/or procedures shall conform to the requirements of the Charter, the bylaws, and applicable law and the rules of any national securities exchange or other trading facility on which the Senior Subordinated Securities are listed or traded at the time.

## **Section 6.12 Secondary Capital Account Status.**

(a) Characterization of Senior Subordinated Securities. The Investor and the Credit Union hereby agree that the funds received by the Credit Union in connection with the Purchase shall be deposited into an account (the “*Secondary Capital Account*”) and that the Secondary Capital Account, together with the Senior Subordinated Securities, shall constitute a “secondary capital account” for purposes of the NCUA Regulations.

(b) Characterization of Letter Agreement. The Investor and the Credit Union hereby agree that the Letter Agreement shall constitute a “secondary capital account contract agreement” as contemplated by Section 701.34(b)(10) of the NCUA Regulations.

(c) Availability to Cover Losses. The Investor and the Credit Union hereby agree that funds deposited in the Secondary Capital Account shall be available to cover operating losses realized by the Credit Union that exceed its net available reserves (exclusive of secondary capital accounts and allowance accounts for loan and lease losses). Such funds held in the Secondary Capital Account shall be available to cover operating losses only to the extent that accrued but unpaid interest on the Senior Subordinated Securities is unavailable to cover such losses. To the extent funds held in the Secondary Capital Account are used to cover losses, the Credit Union shall not restore or replenish the Secondary Capital Account.

(d) Security. The Investor hereby agrees that it shall not pledge or provide the Secondary Capital Account as security on a loan or other obligation with the Credit Union or any other party.

**Section 6.13** Rule 144; Rule 144A; 4(1½) Transactions. (a) At all times after the Signing Date, the Credit Union covenants that (i) it will, upon the request of the Investor or any Holder, use its reasonable best efforts to (x), to the extent any Holder is relying on Rule 144 under the Securities Act to sell any of the Senior Subordinated Securities, make “current public information” available, as provided in Section (c)(1) of Rule 144 (if the Credit Union is a “Reporting Issuer” within the meaning of Rule 144) or in Section (c)(2) of Rule 144 (if the Credit Union is a “Non-Reporting Issuer” within the meaning of Rule 144), in either case for such time period as necessary to permit sales pursuant to Rule 144, (y), to the extent any Holder is relying on the so-called “Section 4(1½)” exemption to sell any of its Senior Subordinated Securities, prepare and provide to such Holder such information, including the preparation of private offering memoranda or circulars or financial information, as the Holder may reasonably request to enable the sale of the Senior Subordinated Securities pursuant to such exemption, or (z) to the extent any Holder is relying on Rule 144A under the Securities Act to sell any of its Senior Subordinated Securities, prepare and provide to such Holder the information required pursuant to Rule 144A(d)(4), and (ii) it will take such further action as any Holder may reasonably request from time to time to enable such Holder to sell Senior Subordinated Securities without registration under the Securities Act within the limitations of the exemptions provided by (A) the provisions of the Securities Act or any interpretations thereof or related thereto by the SEC, including transactions based on the so-called “Section 4(1½)” and other similar transactions, (B) Rule 144 or 144A under the Securities Act, as such Rules may be amended from time to time, or (C) any similar rule or regulation hereafter adopted by the SEC; *provided* that the Credit Union shall not be required to take any action described in this Section 6.13(a) that would cause the Credit Union to become subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act if the Credit Union was not subject to such requirements prior to taking such action. Upon the request of any Holder, the Credit Union will deliver to such Holder a written statement as to whether it has complied with such requirements and, if not, the specifics thereof.

(b) The Credit Union agrees to indemnify Investor, Investor’s officers, directors, employees, agents, representatives and Affiliates, and each person, if any, that controls Investor within the meaning of the Securities Act (each, an “*Indemnatee*”), against any and all losses, claims, damages, actions, liabilities, costs and expenses (including reasonable fees, expenses and disbursements of attorneys and other professionals incurred in connection with investigating, defending, settling, compromising or paying any such losses, claims, damages, actions, liabilities, costs and expenses), joint or several, arising out of or based upon any untrue statement or alleged untrue statement of material fact contained in any document or report provided by the Credit Union pursuant to this Section 6.13 or any omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(c) If the indemnification provided for in Section 6.13(b) is unavailable to an Indemnatee with respect to any losses, claims, damages, actions, liabilities, costs or expenses referred to therein or is insufficient to hold the Indemnatee harmless as contemplated therein,

then the Credit Union, in lieu of indemnifying such Indemnitee, shall contribute to the amount paid or payable by such Indemnitee as a result of such losses, claims, damages, actions, liabilities, costs or expenses in such proportion as is appropriate to reflect the relative fault of the Indemnitee, on the one hand, and the Credit Union, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, actions, liabilities, costs or expenses as well as any other relevant equitable considerations. The relative fault of the Credit Union, on the one hand, and of the Indemnitee, on the other hand, shall be determined by reference to, among other factors, whether the untrue statement of a material fact or omission to state a material fact relates to information supplied by the Credit Union or by the Indemnitee and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; the Credit Union and Investor agree that it would not be just and equitable if contribution pursuant to this Section 6.13(c) were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 6.13(b). No Indemnitee guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from the Credit Union if the Credit Union was not guilty of such fraudulent misrepresentation.

**Section 6.14 Expenses and Further Assurances.** (a) Unless otherwise provided in this Agreement, each of the parties hereto will bear and pay all costs and expenses incurred by it or on its behalf in connection with the transactions contemplated under this Agreement, including fees and expenses of its own financial or other consultants, investment bankers, accountants and counsel.

(b) The Credit Union shall, at the Credit Union's sole cost and expense, (i) furnish to the Investor all instruments, documents and other agreements required to be furnished by the Credit Union pursuant to the terms of this Agreement, including, without limitation, any documents required to be delivered pursuant to Section 6.13 above, or which are reasonably requested by the Investor in connection therewith; (ii) execute and deliver to the Investor such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the Senior Subordinated Securities purchased by the Investor, as Investor may reasonably require; and (iii) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement, as the Investor shall reasonably require from time to time.

**Section 6.15 Communications to Holders.** Any Holder shall have the right, upon five (5) business days prior written notice to the Credit Union or its duly appointed agent to obtain a complete list of Holders. In addition, any Holder shall have the right to request that the Credit Union or its duly appointed agent send a notice on behalf of such Holder to all other Holders at the addresses set forth on the Senior Subordinated Securities Register or, to the extent the Credit Union has entered into a depositary arrangement, by means of any procedures applicable to such depositary arrangement.

**ARTICLE VII**  
**Subordination of the Senior Subordinated Securities**

**Section 7.1** Agreement to Subordinate. (a) The Credit Union covenants and agrees, and each Holder of Senior Subordinated Securities issued hereunder likewise covenants and agrees, that the Senior Subordinated Securities shall be issued subject to the provisions of this Article VII; and each Holder of a Senior Subordinated Security, whether upon original issue or upon transfer or assignment thereof, accepts and agrees to be bound by such provisions.

(b) The payment by the Credit Union of the principal of and interest on all Senior Subordinated Securities issued hereunder shall, to the extent and in the manner hereinafter set forth, be subordinated and subject in right of payment to the prior payment in full of all amounts then due and payable in respect of Senior Indebtedness, whether outstanding at the date of this Agreement or thereafter incurred.

(c) No provision of this Article VII shall prevent the occurrence of any Event of Default (or any event which, after notice or the lapse of time or both would become, an Event of Default) with respect to the Senior Subordinated Securities hereunder.

**Section 7.2** Default on Senior Indebtedness. (a) In the event and during the continuation of any default by the Credit Union in the payment of principal, premium, interest or any other payment due on any Senior Indebtedness, no payment shall be made by the Credit Union with respect to the principal or interest on the Senior Subordinated Securities or any other amounts which may be due on the Senior Subordinated Securities pursuant to the terms hereof or thereof.

(b) In the event of the acceleration of the maturity of the Senior Indebtedness, then no payment shall be made by the Credit Union with respect to the principal or interest on the Senior Subordinated Securities or any other amounts which may be due on the Senior Subordinated Securities pursuant to the terms hereof or thereof until the holders of all Senior Indebtedness outstanding at the time of such acceleration shall receive payment, in full, of all amounts due on or in respect of such Senior Indebtedness (including any amounts due upon acceleration).

(c) In the event that, notwithstanding the foregoing, any payment is received by any Holder of a Senior Subordinated Security, when such payment is prohibited by the preceding paragraphs of this Section 7.2, such payment shall be held in trust for the benefit of, and shall be paid over or delivered by the Holder of the Senior Subordinated Securities to the holders of Senior Indebtedness or their respective representatives, or to the trustee or trustees under any indenture pursuant to which any of such Senior Indebtedness may have been issued, as their respective interests may appear, but only to the extent of the amounts in respect of such Senior Indebtedness and to the extent that the holders of the Senior Indebtedness (or their representative or representatives or a trustee) notify the Credit Union in writing within 90 days of such payment of the amounts then due and owing on such Senior Indebtedness, and only the amounts specified in such notice to the Credit Union shall be paid to the holders of such Senior Indebtedness. The Credit Union shall, within ten (10) business days of receipt of such notice, provide Investor with (i) a copy of such notice delivered to the Credit Union and (ii) a certificate signed on behalf of the Credit Union by a Senior Executive Officer certifying that the information set forth in such

notice is true and correct and confirming that the Holder of the Senior Subordinated Securities should pay or deliver the amounts specified in such notice in the manner specified therein.

**Section 7.3** Liquidation; Dissolution. (a) Upon any payment by the Credit Union or distribution of assets of the Credit Union of any kind or character, whether in cash, property or securities, to creditors upon any dissolution, winding-up, liquidation or reorganization of the Credit Union, whether voluntary or involuntary or in insolvency, receivership or other proceedings, the holders of all Senior Indebtedness of the Credit Union will first be entitled to receive payment in full of amounts due on or in respect of such Senior Indebtedness, before any payment is made by the Credit Union on account of the principal of or interest on the Senior Subordinated Securities or any other amounts which may be due on the Senior Subordinated Securities pursuant to the terms hereof or thereof); and upon any such dissolution, winding-up, liquidation or reorganization, any payment by the Credit Union, or distribution of assets of the Credit Union of any kind or character, whether in cash, property or securities, which the Holder of the Senior Subordinated Securities would be entitled to receive from the Credit Union, except for the provisions of this Article VII, shall be paid by the Credit Union or by any receiver, liquidating trustee, agent or other person making such payment or distribution, or by the Holder of the Senior Subordinated Securities under this Agreement if received by them or it, directly to the holders of Senior Indebtedness of the Credit Union (*pro rata* to such holders on the basis of the respective amounts of Senior Indebtedness held by such holders, as calculated by the Credit Union) or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Indebtedness may have been issued, as their respective interests may appear, to the extent necessary to pay all such amounts of Senior Indebtedness in full, in money or money's worth, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Indebtedness, before any payment or distribution is made to the Holder of the Senior Subordinated Securities.

(b) In the event that, notwithstanding the foregoing, any payment or distribution of assets of the Credit Union of any kind or character prohibited by Section 7.3(a), whether in cash, property or securities, shall be received by any Holder of the Senior Subordinated Securities, before the amounts of all Senior Indebtedness is paid in full, or provision is made for such payment in money in accordance with its terms, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered by any Holder of a Senior Subordinated Security, to the holders of such Senior Indebtedness or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Indebtedness may have been issued, as their respective interests may appear, as calculated by the Credit Union, for application to the payment of all amounts of Senior Indebtedness remaining unpaid to the extent necessary to pay all amounts due on or in respect of such Senior Indebtedness in full in money in accordance with its terms, after giving effect to any concurrent payment or distribution to or for the benefit of the holders of such Senior Indebtedness. In such event, the Credit Union shall provide Investor with a certificate signed on behalf of the Credit Union by a Senior Executive Officer confirming that the Holder of the Senior Subordinated Securities should pay or deliver such amounts to the holders of such Senior Indebtedness.

(c) For purposes of this Article VII, the words "*cash, property or securities*" shall not be deemed to include Capital Interests in the Credit Union as reorganized or readjusted, or

securities of the Credit Union or any other entity provided for by a plan of reorganization or readjustment, the payment of which is subordinated at least to the extent provided in this Article VII with respect to the Senior Subordinated Securities to the payment of Senior Indebtedness that may at the time be outstanding, *provided* that (i) such Senior Indebtedness is assumed by the new entity, if any, resulting from any such reorganization or readjustment, and (ii) the rights of the holders of such Senior Indebtedness are not, without the consent of such holders, altered by such reorganization or readjustment. The consolidation of the Credit Union with, or the merger of the Credit Union into, another person or the liquidation or dissolution of the Credit Union following the sale, conveyance, transfer or lease of its property as an entirety, or substantially as an entirety, to another person upon the terms and conditions provided for in Section 4.2(a) of this Agreement shall not be deemed a dissolution, winding-up, liquidation or reorganization for the purposes of this Section 7.3 if such other person shall, as a part of such consolidation, merger, sale, conveyance, transfer or lease, comply with the conditions stated in Section 4.2(a) of this Agreement.

**Section 7.4 Subrogation.** (a) Subject to the payment in full of all of Senior Indebtedness, the rights of the Holders of the Senior Subordinated Securities shall be subrogated to the rights of the holders of such Senior Indebtedness to receive payments or distributions of cash, property or securities of the Credit Union, as the case may be, applicable to such Senior Indebtedness until the principal of and interest on the Senior Subordinated Securities shall be paid in full; and, for the purposes of such subrogation, no payments or distributions to the holders of such Senior Indebtedness of any cash, property or securities to which the Holders of the Senior Subordinated Securities would be entitled except for the provisions of this Article VII, and no payment pursuant to the provisions of this Article VII to or for the benefit of the holders of such Senior Indebtedness by the Holders of the Senior Subordinated Securities shall, as between the Credit Union, its creditors other than holders of Senior Indebtedness of the Credit Union, and the Holders of the Senior Subordinated Securities, be deemed to be a payment by the Credit Union to or on account of such Senior Indebtedness. It is understood that the provisions of this Article VII are intended solely for the purposes of defining the relative rights of the Holders of the Senior Subordinated Securities, on the one hand, and the holders of such Senior Indebtedness on the other hand.

(b) Nothing contained in this Article VII or elsewhere in this Agreement or in the Senior Subordinated Securities is intended to or shall impair, as between the Credit Union, its creditors other than the holders of Senior Indebtedness of the Credit Union, and the Holders of the Senior Subordinated Securities, the obligation of the Credit Union, which is absolute and unconditional, to pay to the Holders of the Senior Subordinated Securities the principal of and interest on the Senior Subordinated Securities as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders of the Senior Subordinated Securities and creditors of the Credit Union, as the case may be, other than the holders of Senior Indebtedness of the Credit Union, as the case may be, nor shall anything herein or therein prevent the Holder of any Senior Subordinated Securities from exercising all remedies otherwise permitted by applicable law upon default under this Agreement, subject to the rights, if any, under this Article VII of the holders of such Senior Indebtedness in respect of cash, property or securities of the Credit Union, as the case may be, received upon the exercise of any such remedy.

**Section 7.5** Notice by the Credit Union. (a) The Credit Union shall give prompt written notice to the Holders of the Senior Subordinated Securities of any fact known to the Credit Union that would prohibit the making of any payment of monies in respect of the Senior Subordinated Securities pursuant to the provisions of this Article VII.

(b) Upon any payment or distribution of assets of the Credit Union referred to in this Article VII, the Holders of the Senior Subordinated Securities shall be entitled to conclusively rely upon any order or decree entered by any court of competent jurisdiction in which such insolvency, receivership, liquidation, reorganization, dissolution, winding-up or similar case or proceeding is pending, or a certificate of the liquidating trustee, custodian, receiver, assignee for the benefit of creditors, agent or other person making such payment or distribution, delivered to the Holders of the Senior Subordinated Securities, for the purpose of ascertaining the persons entitled to participate in such payment or distribution, the holders of Senior Indebtedness and other indebtedness of the Credit Union, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article VII.

**Section 7.6** Subordination May Not Be Impaired. (a) No right of any present or future holder of any Senior Indebtedness of the Credit Union to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Credit Union, as the case may be, or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Credit Union, as the case may be, with the terms, provisions and covenants of this Agreement, regardless of any knowledge thereof that any such holder may have or otherwise be charged with.

(b) Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Indebtedness of the Credit Union may, at any time and from time to time, without the consent of or notice to the Holders of the Senior Subordinated Securities, without incurring responsibility to the Holders of the Senior Subordinated Securities and without impairing or releasing the subordination provided in this Article VII or the obligations hereunder of the Holders of the Senior Subordinated Securities to the holders of such Senior Indebtedness, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, such Senior Indebtedness, or otherwise amend or supplement in any manner such Senior Indebtedness or any instrument evidencing the same or any agreement under which such Senior Indebtedness is outstanding; (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing such Senior Indebtedness; (iii) release any person liable in any manner for the collection of such Senior Indebtedness; and (iv) exercise or refrain from exercising any rights against the Credit Union, as the case may be, and any other person.

## **ARTICLE VIII**

### **Miscellaneous**

**Section 8.1** Termination. This Agreement shall terminate upon the earliest to occur of:

(a) termination at any time prior to the Closing:

(i) by either the Investor or the Credit Union if the Closing shall not have occurred by the 30th calendar day following the Signing Date; *provided, however*, that in the event the Closing has not occurred by such 30th calendar day, the parties will consult in good faith to determine whether to extend the term of this Agreement, it being understood that the parties shall be required to consult only until the fifth calendar day after such 30th calendar day and not be under any obligation to extend the term of this Agreement thereafter; *provided, further*, that the right to terminate this Agreement under this Section 8.1(a)(i) shall not be available to any party whose breach of any representation or warranty or failure to perform any obligation under this Agreement shall have caused or resulted in the failure of the Closing to occur on or prior to such date; or

(ii) by either the Investor or the Credit Union in the event that any Governmental Entity shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement and such order, decree, ruling or other action shall have become final and nonappealable; or

(iii) by the mutual written consent of the Investor and the Credit Union; or

(b) the date on which all of the Senior Subordinated Securities have been redeemed in whole; or

(c) the date on which the Investor has transferred all of the Senior Subordinated Securities to third parties which are not Affiliates of the Investor; or

(d) if the Closing shall not have occurred by September 30, 2010, on such date.

In the event of termination of this Agreement as provided in this Section 8.1, this Agreement shall forthwith become void and there shall be no liability on the part of either party hereto except that nothing herein shall relieve either party from liability for any breach of this Agreement.

**Section 8.2** Survival. (a) This Agreement and all representations, warranties, covenants and agreements made herein shall survive the Closing without limitation.

(b) The covenants set forth in Article IV and the agreements set forth in Articles V and VI shall, to the extent such covenants do not explicitly terminate at such time as the Investor no longer owns any Senior Subordinated Securities, survive the termination of this Agreement

pursuant to Section 8.1(c) hereof without limitation until the date on which all of the Senior Subordinated Securities have been redeemed in whole.

**FORM OF WAIVER**

In consideration for the benefits I will receive as a result of the participation of [NAME OF CREDIT UNION] (together with its subsidiaries and affiliates, the “*Credit Union*”) in the United States Department of the Treasury’s (“*Treasury*”) Community Development Capital Initiative and/or any other economic stabilization program implemented by Treasury under the Emergency Economic Stabilization Act of 2008 (as amended, supplemented or otherwise modified, “*EESA*”) (any such initiative or program, including the Community Development Capital Initiative, a “*Program*”), I hereby voluntarily waive any claim against the United States (and each of its departments and agencies) or the Credit Union or any of its directors, officers, employees and agents for any changes to my compensation or benefits that are required to comply with the executive compensation and corporate governance requirements of Section 111 of EESA, as implemented by any guidance or regulation thereunder, including the rules set forth in 31 C.F.R. Part 30, or any other guidance or regulations under EESA, and the applicable requirements of the Securities Purchase Agreement by and between the Credit Union and Treasury dated as of [ ], 2010, as amended (such requirements, the “*Limitations*”).

I acknowledge that the Limitations may require modification or termination of the employment, compensation, bonus, incentive, severance, retention and other benefit plans, arrangements, policies and agreements (including so-called “golden parachute” agreements), whether or not in writing, that I may have with the Credit Union or in which I may participate as they relate to the period the United States holds any equity or debt securities of the Credit Union acquired through a Program or for any other period applicable under such Program or Limitations, as the case may be, and I hereby consent to all such modifications.

This waiver includes all claims I may have under the laws of the United States or any other jurisdiction (whether or not in existence as of the date hereof) related to the requirements imposed by the Limitations, including without limitation a claim for any compensation or other payments or benefits I would otherwise receive, any challenge to the process by which the Limitations are or were adopted and any tort or constitutional claim about the effect of the Limitations on my employment relationship and I hereby agree that I will not at any time initiate, or cause or permit to be initiated on my behalf, any such claim against the United States (or any of its departments or agencies) or the Credit Union or any of its directors, officers, employees or agents in or before any local, state, federal or other agency, court or body.

I agree that, in the event and to the extent that the Compensation Committee of the Board of Directors of the Credit Union or similar governing body (the “Committee”) reasonably determines that any compensatory payment or benefit provided to me, including any bonus or incentive compensation based on materially inaccurate financial statements or performance criteria, would cause the Credit Union to fail to be in compliance with the Limitations (such payment or benefit, an “Excess Payment”), upon notification from the Credit Union, I shall repay such Excess Payment to the Credit Union within 15 business days. In addition, I agree that the Credit Union shall have the right to postpone any such payment or benefit for a reasonable

period of time to enable the Committee to determine whether such payment or benefit would constitute an Excess Payment.

I understand that any determination by the Committee as to whether or not, including the manner in which, a payment or benefit needs to be modified, terminated or repaid in order for the Credit Union to be in compliance with Section 111 of EESA and/or the Limitations shall be a final and conclusive determination of the Committee which shall be binding upon me. I further understand that the Credit Union is relying on this letter from me in connection with its participation in a Program.

In witness whereof, I execute this waiver on my own behalf, thereby communicating my acceptance and acknowledgement to the provisions herein.

Respectfully,

(g) Other than the filings with the applicable Governmental Entity, such filings and approvals as are required to be made or obtained under any state “blue sky” laws, if applicable, and such as have been made or obtained, no notice to, filing with, exemption or review by, or authorization, consent or approval of, any Governmental Entity is required to be made or obtained by the Credit Union in connection with the consummation by the Credit Union of the Purchase.

Dividends are not considered operating losses and are not eligible to be paid out of secondary capital.

6. *Accrued interest.* By initialing below, [name of Credit Union] and United States Department of Treasury agree that accrued interest will be:

☐ Paid into and become part of the secondary capital account;

☒ Paid directly to the United States Department of the Treasury;

\_\_\_ Any combination of the above provided the details are specified and agreed to in writing.
