The terms defined in the singular have a comparable meaning when used in the plural, and vice versa. The Investor acknowledges that the Senior Subordinated Securities are not being sold pursuant to an indenture (an "*Indenture*") qualified under the Trust Indenture Act of 1939, as amended (the "*Indenture Act*"). The Investor (a) is acquiring the Senior Subordinated Securities pursuant to an exemption from registration under the Securities Act and an exemption from qualification of an indenture under the Indenture Act, and is acquiring the Senior Subordinated Securities solely for investment with no present intention to distribute them to any person in violation of the Securities Act or any applicable U.S. state securities laws, (b) will not sell or otherwise dispose of any of the Senior Subordinated Securities, except in compliance with the registration requirements or exemption provisions of the Securities Act and any applicable U.S. state securities laws, and (c) has such knowledge and experience in financial and business matters and in investments of this type that it is capable of evaluating the merits and risks of the Purchase and of making an informed investment decision.

The Senior Subordinated Security shall be substantially in the form of Annex A hereto, the terms of which are incorporated in and made a part of this Agreement. The Senior Subordinated Securities shall be issued, and may be transferred, only in denominations having an aggregate principal amount of not less than \$1,000 and integral multiples of \$1,000 in excess thereof. The Senior Subordinated Securities shall be in registered form without coupons and shall be numbered, lettered or otherwise distinguished in

such manner or in accordance with such plans as the officers executing the same may determine as evidenced by the execution thereof.

Section 6.3 Senior Subordinated Securities. The Senior Subordinated Securities shall be executed in the name and on behalf of the Company by the manual or facsimile signature of its President, Chief Executive Officer, Chief Financial Officer or one of its Executive Vice Presidents under its corporate seal (if legally required) which may be affixed thereto or printed, engraved or otherwise reproduced thereon, by facsimile or otherwise, and which need not be attested, unless otherwise required by the Company's Charter or bylaws or applicable law. Every Senior Subordinated Security shall be dated the date of its execution and delivery.

Section 6.4 Computation of Interest. (a) The amount of interest payable for any Interest Period (as defined below) will be computed as provided in the Senior Subordinated Securities.

(b) Each Senior Subordinated Security will bear interest at the Interest Rate (i) in the case of the initial Interest Period, for the period from, and including, the date of original issuance of such Senior Subordinated Security to, but excluding, the initial Interest Payment Date and (ii) thereafter, for the period from, and including, the first day following the end of the preceding Interest Period to, but excluding, the applicable Interest Payment Date or, in the case of the last Interest Period, the Maturity Date (each such period, an "*Interest Period*"), on the principal thereof, on any overdue principal and (to the extent that payment of such interest is enforceable under applicable law) on any overdue installment of interest (including Deferred Interest and Defaulted Interest), payable on each Interest Payment Date or the Maturity Date, as the case may be. Interest on any Senior Subordinated Security that is payable, and is punctually paid or duly provided for by the Company, on any Interest Payment Date shall be paid to the Person in whose name such Senior Subordinated Security is registered at the close of business on the Regular Record Date for such interest installment.

(c) So long as no other Event of Default has occurred and is continuing, the Company shall have the right, from time to time and without causing an Event of Default, to defer payments of interest on the Senior Subordinated Securities by extending the Interest Period on the Senior Subordinated Securities at any time and from time to time during the term of the Senior Subordinated Securities, for up to 20 consecutive quarterly periods (each such extended Interest Period, together with all previous and further consecutive extensions thereof, is referred to herein as an "*Interest Deferral Period*"). No Interest Deferral Period may end on a date other than an Interest Payment Date or extend beyond the Maturity Date, as the case may be. During any Interest Deferral Period, interest will continue to accrue on the Senior Subordinated Securities, and interest on such accrued interest (such accrued interest and interest thereon referred to herein as "*Deferred Interest*") will accrue at an annual rate equal to the Interest Rate applicable during such Interest Deferral Period, compounded on each Interest Payment Date during such Interest Deferral Period, to the extent permitted by applicable law. No interest or Deferred Interest shall be due and payable during a Interest Deferral Period, except at the end thereof. At the end of any Interest Deferral Period, the Company shall pay all Deferred Interest then accrued and unpaid on the Senior Subordinated Securities; *provided, however*, that during any Interest Deferral Period, the Company shall be subject to the restrictions set forth in Section 4.2(b). Upon the termination of any Interest Deferral Period and upon the payment of all Deferred Interest, the Company may commence a new Interest Deferral Period for up to 20 consecutive quarterly periods as if no prior Interest Deferral Period had occurred, subject to the foregoing requirements. The Company must give the Holders notice of its election to begin or extend a Interest Deferral Period at least one Business Day prior to the Regular Record Date applicable to the next succeeding Interest Payment Date.

(d) Any interest on the Senior Subordinated Security (other than Deferred Interest pursuant to Section 6.4(c)) that is payable, but is not punctually paid or duly provided for by the Company, on any Interest Payment Date (herein called "*Defaulted Interest*") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date, and such Defaulted Interest shall be paid by the Company to the Persons in whose names such Senior Subordinated Securities are registered at the close of business on a special record date for the payment of such Defaulted Interest, which shall be fixed in the following manner: the Company shall notify the Holder in writing of the amount of Defaulted Interest proposed to be paid on each such Senior Subordinated Security and the date of the proposed payment. Thereupon the Board of Directors shall fix a special record date for the payment of such Defaulted Interest, which shall not be more than 15 nor less than 10 days prior to the date of the proposed payment. The Company shall cause notice of the proposed payment of such Defaulted Interest and the special record date therefor to be mailed, first class postage prepaid, to each Holder of a Senior Subordinated Security at his, her or its address as it appears in the Senior Subordinated Securities Register, not less than 10 days prior to such special record date. THIS INSTRUMENT IS ISSUED SUBJECT TO THE RESTRICTIONS ON TRANSFER AND OTHER PROVISIONS OF THE AGREEMENT BETWEEN THE COMPANY AND THE INVESTOR REFERRED TO THEREIN, A COPY OF WHICH IS ON FILE WITH THE COMPANY. THIS SECURITY MAY NOT BE SOLD OR OTHERWISE TRANSFERRED EXCEPT IN COMPLIANCE WITH SAID AGREEMENT. ANY SALE OR OTHER TRANSFER NOT IN COMPLIANCE WITH SAID AGREEMENT WILL BE VOID."

(b) In the event that any Senior Subordinated Securities (A) (i) become registered under the Securities Act or (ii) are eligible to be transferred without restriction in accordance with Rule 144 or another exemption from registration under the Securities Act (other than Rule 144A), and (B) (i) become subject to an Indenture qualified under the Indenture Act or (ii) are exempt from qualification under the Indenture Act, the Company shall issue new certificates or other instruments representing such Senior Subordinated Securities, which shall not contain the applicable legends in Section 6.5(a) above; *provided* that the Investor surrenders to the Company the previously issued certificates or other instruments.

Section 6.6 Transfer of Senior Subordinated Securities (a) The Company or its duly appointed agent shall maintain a register (the "*Senior Subordinated Securities Register*") for the Senior Subordinated Securities in which it shall register the issuance and transfer of the Senior Subordinated Securities. All transfers of the Senior Subordinated Securities shall be recorded on the Senior Subordinated Securities Register maintained by the Company or its agent, and the Company shall be entitled to regard the registered Holder of such Senior Subordinated Security as the actual owner of the Senior Subordinated Security so registered until the Company or its agent is required to record a transfer of such Senior Subordinated Security on its Senior

Subordinated Securities Register. The Company or its agent shall, subject to applicable securities laws, be required to record any such transfer when it receives the Senior Subordinated Security to be transferred duly and properly endorsed by the registered Holder or by its attorney duly authorized in writing.

(b) The Company shall at any time, upon written request of the Holder of a Senior Subordinated Security and surrender of the Senior Subordinated Security for such purpose, at the expense of the Company, issue new Senior Subordinated Securities in exchange therefor in such denominations of at least \$1,000, as shall be specified by the Holder of such Senior Subordinated Security, in an aggregate principal amount equal to the then unpaid principal amount of the Senior Subordinated Securities surrendered and substantially in the form of Annex A, with appropriate insertions and variations, and bearing interest from the date to which interest has been paid on the Senior Subordinated Security surrendered. All Senior Subordinated Securities issued upon any registration of transfer of exchange pursuant to this Section 6.6(b) shall be valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Agreement, as the Senior Subordinated Securities surrendered upon such registration of transfer or exchange.

(c) All Senior Subordinated Securities presented for registration of transfer or for exchange or payment shall be duly endorsed by, or be accompanied by, a written instrument or instruments of transfer in a form satisfactory to the Company duly executed by the Holder or such Holder's attorney duly authorized in writing.

(d) No service charge shall be incurred for any exchange or registration of transfer of Senior Subordinated Securities, but the Company may require payment of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in connection therewith.

(e) Prior to due presentment for the registration of a transfer of any Senior Subordinated Security, the Company and any agent of the Company may deem and treat the person in whose name such Senior Subordinated Security is registered as the absolute owner and Holder of such Senior Subordinated Security for the purpose of receiving payment of principal of and interest on such Senior Subordinated Security and none of the Company or any agents of the Company shall be affected by notice to the contrary.

(f) Subject to compliance with applicable securities laws, the Holder shall be permitted to transfer, sell, assign or otherwise dispose of ("*Transfer*") all or a portion of the Senior Subordinated Securities at any time, and the Company shall take all steps as may be reasonably requested by the Investor to facilitate the Transfer of the Senior Subordinated Securities, including without limitation, as set forth in Section 6.9; *provided* that the Investor shall not Transfer any Senior Subordinated Securities if such transfer would require the Company to be subject to the periodic reporting requirements of Section 13 or 15(d) of the Securities Exchange Act of 1934 (the "*Exchange Act*") and the Company was not already subject to such requirements. In furtherance of the foregoing, the Company shall provide reasonable cooperation to facilitate any Transfers of the Senior Subordinated Securities, including, as is reasonable under the circumstances, by furnishing such information concerning the Company and its business as a proposed transferee may reasonably request (including such information as is required by Section 4.1(d)(iv)) and making management of the Company reasonably available

to respond to questions of a proposed transferee in accordance with customary practice, subject in all cases to the proposed transferee agreeing to a customary confidentiality agreement.

Section 6.7 Replacement of Senior Subordinated Securities. Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any Senior Subordinated Security, and, in the case of any such loss, theft or destruction, upon delivery of a bond of indemnity reasonably satisfactory to the Company (*provided* that the Investor or any institutional Holder of a Senior Subordinated Security may instead deliver to the Company an indemnity agreement in form and substance reasonably satisfactory to the Company), or, in the case of any such mutilation, upon surrender and cancellation of the Senior Subordinated Security, as the case may be, the Company will issue a new Senior Subordinated Security of like tenor, in lieu of such lost, stolen, destroyed or mutilated Senior Subordinated Security.

Section 6.8 Cancellation. All Senior Subordinated Securities surrendered for the purpose of payment, exchange or registration of transfer, shall be surrendered to the Company and promptly canceled by it, and no Senior Subordinated Securities shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Agreement. The Company shall destroy all canceled Senior Subordinated Securities.

Section 6.9 Rule 144; Rule 144A; 4(1½) Transactions. (a) At all times after the Signing Date, the Company covenants that (1) it will, upon the request of the Investor or any Holder, use its reasonable best efforts to (x), to the extent any Holder is relying on Rule 144 under the Securities Act to sell any of the Senior Subordinated Securities, make "current public information" available, as provided in Section (c)(1) of Rule 144 (if the Company is a "Reporting Issuer" within the meaning of Rule 144) or in Section (c)(2) of Rule 144 (if the Company is a "Non-Reporting Issuer" within the meaning of Rule 144), in either case for such time period as necessary to permit sales pursuant to Rule 144, (y), to the extent any Holder is relying on the so-called "Section 4(1½)" exemption to sell any of its Senior Subordinated Securities, prepare and provide to such Holder such information, including the preparation of private offering memoranda or circulars or financial information, as the Holder may reasonably request to enable the sale of the Senior Subordinated Securities pursuant to such exemption, or (z) to the extent any Holder is relying on Rule 144A under the Securities Act to sell any of its Senior Subordinated Securities, prepare and provide to such Holder the information required pursuant to Rule 144A(d)(4), and (2) it will take such further action as any Holder may reasonably request from time to time to enable such Holder to sell Senior Subordinated Securities without registration under the Securities Act within the limitations of the exemptions provided by (i) the provisions of the Securities Act or any interpretations thereof or related thereto by the SEC, including transactions based on the so-called "Section 4(1½)" and other similar transactions, (ii) Rule 144 or 144A under the Securities Act, as such Rules may be amended from time to time, or (iii) any similar rule or regulation hereafter adopted by the SEC; *provided* that the Company shall not be required to take any action described in this Section 6.9(a) that would cause the Company to become subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act if the Company was not subject to such requirements prior to taking such action. Upon the request of any Holder, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements and, if not, the specifics thereof.

(b) The Company agrees to indemnify Investor, Investor's officers, directors, employees, agents, representatives and Affiliates, and each person, if any, that controls Investor within the meaning of the Securities Act (each, an "*Indemnitee*"), against any and all losses, claims, damages, actions, liabilities, costs and expenses (including reasonable fees, expenses and disbursements of attorneys and other professionals incurred in connection with investigating, defending, settling, compromising or paying any such losses, claims, damages, actions, liabilities, costs and expenses), joint or several, arising out of or based upon any untrue statement or alleged untrue statement of material fact contained in any document or report provided by the Company pursuant to this Section 6.9 or any omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(c) If the indemnification provided for in Section 6.9(b) is unavailable to an Indemnitee with respect to any losses, claims, damages, actions, liabilities, costs or expenses referred to therein or is insufficient to hold the Indemnitee harmless as contemplated therein, then the Company, in lieu of indemnifying such Indemnitee, shall contribute to the amount paid or payable by such Indemnitee as a result of such losses, claims, damages, actions, liabilities, costs or expenses in such proportion as is appropriate to reflect the relative fault of the Indemnitee, on the one hand, and the Company, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, actions, liabilities, costs or expenses as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the Indemnitee, on the other hand, shall be determined by reference to, among other factors, whether the untrue statement of a material fact or omission to state a material fact relates to information supplied by the Company or by the Indemnitee and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; the Company and Investor agree that it would not be just and equitable if contribution pursuant to this Section 6.9(c) were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 6.9(b). No Indemnitee guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from the Company if the Company was not guilty of such fraudulent misrepresentation.

Section 6.10 Depository Senior Subordinated Securities. Upon request by the Investor at any time following the Closing Date, the Company shall promptly enter into a depository arrangement, pursuant to customary agreements reasonably satisfactory to the Investor and with a depository reasonably acceptable to the Investor, pursuant to which the Senior Subordinated Securities may be deposited.

Section 6.11 Redemption. (a) The Senior Subordinated Securities at the time outstanding may be redeemed by the Company at its option, subject to the approval of the Appropriate Federal Banking Agency, in whole or in part and subject to Section 6.11(e), at any time and from time to time, out of funds legally available therefor, upon notice given as provided in Section 6.11(d) below, on any Interest Payment Date (the "*Redemption Date*") at a redemption price equal to the sum of (i) 100% of the principal amount thereof being called for redemption (*provided* that, if less than all of the outstanding Senior Subordinated Securities are then being redeemed, such amount shall not be less than 25% of the Purchase Price and (ii) any accrued and unpaid interest (including Deferred Interest).

(b) The redemption price for any Senior Subordinated Securities shall be payable on the Redemption Date to the Holder of such Senior Subordinated Securities against surrender thereof to the Company or its agent. Interest shall be paid at the then applicable Interest Rate from the date of the last Interest Payment Date up to but not including the Redemption Date.

(c) No Sinking Fund. The Senior Subordinated Securities will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of Senior Subordinated Securities will have no right to require redemption or repurchase of any of the Senior Subordinated Securities.

(d) Notice of Redemption. Notice of redemption of the Senior Subordinated Securities shall be given by first class mail, postage prepaid, addressed to the Holders of record of the Senior Subordinated Securities to be redeemed at their respective last addresses appearing on the Senior Subordinated Securities Register. Such mailing shall be at least 30 days and not more than 60 days before the Redemption Date. Any notice mailed as provided in this subsection shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any Holder of Senior Subordinated Securities designated for redemption shall not affect the validity of the proceedings for the redemption of any other Senior Subordinated Securities. Notwithstanding the foregoing, if Senior Subordinated Securities are issued in book-entry form through The Depository Trust Company or any other similar facility, notice of redemption may be given to the Holders of Senior Subordinated Securities at such time and in any manner permitted by such facility. Each notice of redemption given to a Holder shall state: (1) the Redemption Date; (2) the amount of Senior Subordinated Securities to be redeemed by such Holder; (3) the redemption price; and (4) the place or places where such Senior Subordinated Securities are to be surrendered for payment of the redemption price.

(e) Partial Redemption. The Company may redeem less than all of the outstanding Senior Subordinated Securities, *provided* that the amount called for redemption at any time is not less than 25% of the amount of the outstanding principal amount of the Senior Subordinated Securities. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which Senior Subordinated Securities shall be redeemed from time to time. If less than the full aggregate principal amount of any Senior Subordinated Security is redeemed, the Company shall issue a new Senior Subordinated Security in the unredeemed aggregate principal amount thereof without charge to the Holder thereof. Senior Subordinated Securities may be redeemed in part only on a *pro rata* basis and only in minimum denominations of \$1,000 and integral multiples thereof.

(f) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the Redemption Date specified in the notice all funds necessary for the redemption have been deposited by the Company, in trust for the *pro rata* benefit of the Holders of the Senior Subordinated Securities called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any Senior Subordinated Security so called for redemption has not been surrendered for cancellation, on and after the Redemption Date

interest shall cease to accrue on the aggregate principal amount of such Senior Subordinated Securities so called for redemption, the aggregate principal amount of such Senior Subordinated Securities so called for redemption shall no longer be deemed outstanding and shall cease to bear interest from and after the Redemption Date. All rights with respect to such Senior Subordinated Securities (or the portion thereof so called for redemption) shall forthwith on such Redemption Date cease and terminate, except only the right of the Holders thereof to receive the redemption price payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the Redemption Date shall, to the extent permitted by applicable law, be released to the Company, after which time the Holders of such Senior Subordinated Securities (or portion thereof so called for redemption) shall look only to the Company for payment of the redemption price of such Senior Subordinated Securities.

(g) Status of Redeemed Securities. Senior Subordinated Securities that are redeemed, repurchased or otherwise acquired by the Company shall be cancelled and shall not thereafter be reissued by the Company.

Section 6.12 Voting Rights.

(a) General. The Holders of Senior Subordinated Securities shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Senior Subordinated Securities Directors. Subject to the provisions of Section 3.1(w), whenever, at any time or times, interest payable on the Senior Subordinated Securities has not been paid in full for an aggregate of eight (8) quarterly Interest Periods or more, whether or not consecutive, the authorized number of directors of the Company shall automatically be increased by two and the Holders of the Senior Subordinated Securities shall have the right, voting as a class, to elect or appoint two directors to fill such newly created directorships or, if applicable law does not permit the Holders to elect or appoint such directors, to designate or nominate two individuals for election or appointment to fill such directorships (such directors, hereinafter, the "*Senior Subordinated Securities Directors*" and each, a "*Senior Subordinated Securities Director*") at the Company's next annual meeting of shareholders (or at a special meeting called for that purpose prior to such next annual meeting) and at each subsequent annual meeting of shareholders until all accrued and unpaid interest for four (4) consecutive Interest Periods, including the latest completed Interest Period (including, if applicable as provided in Section 6.4 above, interest on such amount), on all outstanding Senior Subordinated Securities has been paid in full at which time such right shall terminate with respect to the Senior Subordinated Securities, except as herein or by law expressly provided, subject to revesting in the event of each and every subsequent default of the character above mentioned; *provided* that it shall be a qualification for election for any Senior Subordinated Securities Director that the election of such Senior Subordinated Securities Director shall not cause the Company to violate any corporate governance requirements of any securities exchange or other trading facility on which securities of the Company may then be listed or traded that listed or traded companies must have a majority of independent directors. Upon any termination of the right of the Holders of Senior Subordinated Securities as a class to vote for directors as provided above, the Senior Subordinated Securities Directors shall cease to be qualified as directors, the term of office of all Senior Subordinated Securities Directors then in office shall terminate immediately and the authorized number of directors shall be reduced by the number of

Senior Subordinated Securities Directors elected pursuant hereto. Any Senior Subordinated Securities Director may be removed at any time, with or without cause, and any vacancy created thereby may be filled, only by the affirmative vote of the Majority Holders of the Senior Subordinated Securities at the time outstanding voting separately as a class, to the extent the voting rights of such Holders described above are then exercisable. If the office of any Senior Subordinated Securities Director becomes vacant for any reason other than removal from office as aforesaid, the remaining Senior Subordinated Securities Director may choose a successor who shall hold office for the unexpired term in respect of which such vacancy occurred.

(c) Class Voting Rights as to Particular Matters. So long as any Senior Subordinated Securities are outstanding, in addition to any other vote or consent of shareholders required by law or by the Charter, the vote or consent of the Holders of at least 66 2/3% of the Senior Subordinated Securities at the time outstanding, voting as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose in accordance shall be necessary for effecting or validating:

(i) Amendment of Senior Subordinated Securities. Any amendment, alteration or repeal of any provision of this Agreement or of the form of the Senior Subordinated Securities or the Charter (including, unless no vote on such merger or consolidation is required by Section 6.12(c)(ii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Senior Subordinated Securities;

(ii) Exchanges, Reclassifications, Mergers and Consolidations. Any consummation of a binding exchange or reclassification involving the Senior Subordinated Securities, or of a merger or consolidation of the Company with another corporation or other entity, unless in each case (x) the Senior Subordinated Securities remain outstanding or, in the case of any such merger or consolidation with respect to which the Company is not the surviving or resulting entity, are converted into or exchanged for securities of the surviving or resulting entity or its ultimate parent, and (y) such remaining Senior Subordinated Securities outstanding or such securities, as the case may be, have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less favorable to the Holders thereof than the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of Senior Subordinated Securities immediately prior to such consummation, taken as a whole; or

(iii) Creation of Senior Capital Instruments. Any issuance of any equity securities or other capital instruments authorized by state law of the Company, or any securities convertible into or exchangeable or exercisable for any equity securities or capital instruments, ranking senior to the Senior Subordinated Securities with respect to the payment of interest (whether or not such interest compounds) or principal and the distribution of assets upon liquidation, dissolution or winding up of the Company;

provided, however, that for all purposes of this Section 6.12(c), any increase in the amount of the Senior Subordinated Securities, or the creation and issuance of any other Indebtedness of the Company, or any securities convertible into or exchangeable or exercisable for any Senior Subordinated Securities, ranking senior to, equally with and/or subordinate to the Senior Subordinated Securities with respect to the payment of interest (whether or not such interest compounds) and the distribution of assets upon liquidation, dissolution or winding up of the Company will not be deemed to adversely affect the rights, preferences, privileges or voting powers, and shall not require the affirmative vote or consent of, the Holders of outstanding Senior Subordinated Securities.

(d) Changes after Provision for Redemption. No vote or consent of the Holders of Senior Subordinated Securities shall be required pursuant to Section 6.12(c) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding Senior Subordinated Securities shall have been redeemed, or shall have been called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 6.11 above.

(e) Procedures for Voting and Consents. The rules and procedures for calling and conducting any meeting of the Holders of Senior Subordinated Securities (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to such a meeting or such consents shall be governed by any rules of the Board of Directors or any duly authorized committee of the Board of Directors, in its discretion, may adopt from time to time, which rules and/or procedures shall conform to the requirements of the Charter, the bylaws, and applicable law and the rules of any national securities exchange or other trading facility on which the Senior Subordinated Securities are listed or traded at the time.

Section 6.13 Expenses and Further Assurances. (a) Unless otherwise provided in this Agreement, each of the parties hereto will bear and pay all costs and expenses incurred by it or on its behalf in connection with the transactions contemplated under this Agreement, including fees and expenses of its own financial or other consultants, investment bankers, accountants and counsel.

(b) The Company shall, at the Company's sole cost and expense, (i) furnish to the Investor all instruments, documents and other agreements required to be furnished by the Company pursuant to the terms of this Agreement, including, without limitation, any documents required to be delivered pursuant to Section 6.9 above, or which are reasonably requested by the Investor in connection therewith; (ii) execute and deliver to the Investor such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the Senior Subordinated Securities purchased by the Investor, as Investor may reasonably require; and (iii) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement, as the Investor shall reasonably require from time to time.

Section 6.14 Communications to Holders. Any Holder shall have the right, upon five (5) business days prior written notice to the Company or its duly appointed agent to obtain a

complete list of Holders. In addition, any Holder shall have the right to request that the Company or its duly appointed agent send a notice on behalf of such Holder to all other Holders at the addresses set forth on the Senior Subordinated Securities Register or, to the extent the Company has entered into a depositary arrangement, by means of any procedures applicable to such depositary arrangement.

ARTICLE VII

SUBORDINATION OF THE SENIOR SUBORDINATED SECURITIES

Section 7.1 Agreement to Subordinate. (a) The Company covenants and agrees, and each Holder of Senior Subordinated Securities issued hereunder likewise covenants and agrees, that the Senior Subordinated Securities shall be issued subject to the provisions of this Article VII; and each Holder of a Senior Subordinated Security, whether upon original issue or upon transfer or assignment thereof, accepts and agrees to be bound by such provisions.

(b) The payment by the Company of the principal of and interest on all Senior Subordinated Securities issued hereunder shall, to the extent and in the manner hereinafter set forth, be subordinated and subject in right of payment to the prior payment in full of (i) with respect to Senior Subordinated Securities issued by a bank or savings association, all claims of the Company's depositors, if applicable, and all amounts then due and payable in respect of Senior Indebtedness, whether outstanding at the date of this Agreement or thereafter incurred or (ii) with respect to Senior Subordinated Securities issued by a Bank Holding Company or Savings and Loan Holding Company, any Senior Indebtedness of the Company in accordance with applicable regulations governing Bank Holding Companies or Savings and Loan Holding Companies.

(c) No provision of this Article VII shall prevent the occurrence of any Event of Default (or any event which, after notice or the lapse of time or both would become, an Event of Default) with respect to the Senior Subordinated Securities hereunder.

Section 7.2 Default on Senior Indebtedness. (a) In the event and during the continuation of any default by the Company in the payment of principal, premium, interest or any other payment due on any Senior Indebtedness, no payment shall be made by the Company with respect to the principal or interest on the Senior Subordinated Securities or any other amounts which may be due on the Senior Subordinated Securities pursuant to the terms hereof or thereof.

(b) In the event of the acceleration of the maturity of the Senior Indebtedness, then no payment shall be made by the Company with respect to the principal or interest on the Senior Subordinated Securities or any other amounts which may be due on the Senior Subordinated Securities pursuant to the terms hereof or thereof until the holders of all Senior Indebtedness outstanding at the time of such acceleration shall receive payment, in full, of all amounts due on or in respect of such Senior Indebtedness (including any amounts due upon acceleration).

(c) In the event that, notwithstanding the foregoing, any payment is received by any Holder of a Senior Subordinated Security, when such payment is prohibited by the preceding

paragraphs of this Section 7.2, such payment shall be held in trust for the benefit of, and shall be paid over or delivered by the Holder of the Senior Subordinated Securities to the holders of Senior Indebtedness or their respective representatives, or to the trustee or trustees under any indenture pursuant to which any of such Senior Indebtedness may have been issued, as their respective interests may appear, but only to the extent of the amounts in respect of such Senior Indebtedness and to the extent that the holders of the Senior Indebtedness (or their representative or representatives or a trustee) notify the Company in writing within 90 days of such payment of the amounts then due and owing on such Senior Indebtedness, and only the amounts specified in such notice to the Company shall be paid to the holders of such Senior Indebtedness. The Company shall, within ten (10) business days of receipt of such notice, provide Investor with (i) a copy of such notice delivered to the Company and (ii) a certificate signed on behalf of the Company by a Senior Executive Officer certifying that the information set forth in such notice is true and correct and confirming that the Holder of the Senior Subordinated Securities should pay or deliver the amounts specified in such notice in the manner specified therein.

Section 7.3 Liquidation; Dissolution. (a) Upon any payment by the Company or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to creditors upon any dissolution, winding-up, liquidation or reorganization of the Company, whether voluntary or involuntary or in insolvency, receivership or other proceedings, the holders of all Senior Indebtedness of the Company will first be entitled to receive payment in full of amounts due on or in respect of such Senior Indebtedness, before any payment is made by the Company on account of the principal of or interest on the Senior Subordinated Securities or any other amounts which may be due on the Senior Subordinated Securities pursuant to the terms hereof or thereof; and upon any such dissolution, winding-up, liquidation or reorganization, any payment by the Company, or distribution of assets of the Company of any kind or character, whether in cash, property or securities, which the Holder of the Senior Subordinated Securities would be entitled to receive from the Company, except for the provisions of this Article VII, shall be paid by the Company or by any receiver, liquidating trustee, agent or other person making such payment or distribution, or by the Holder of the Senior Subordinated Securities under this Agreement if received by them or it, directly to the holders of Senior Indebtedness of the Company (*pro rata* to such holders on the basis of the respective amounts of Senior Indebtedness held by such holders, as calculated by the Company) or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Indebtedness may have been issued, as their respective interests may appear, to the extent necessary to pay all such amounts of Senior Indebtedness in full, in money or money's worth, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Indebtedness, before any payment or distribution is made to the Holder of the Senior Subordinated Securities.

(b) In the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company of any kind or character prohibited by Section 7.3(a), whether in cash, property or securities, shall be received by any Holder of the Senior Subordinated Securities, before the amounts of all Senior Indebtedness is paid in full, or provision is made for such payment in money in accordance with its terms, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered by any Holder of a Senior Subordinated Security, to the holders of such Senior Indebtedness or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any

instruments evidencing such Senior Indebtedness may have been issued, as their respective interests may appear, as calculated by the Company, for application to the payment of all amounts of Senior Indebtedness remaining unpaid to the extent necessary to pay all amounts due on or in respect of such Senior Indebtedness in full in money in accordance with its terms, after giving effect to any concurrent payment or distribution to or for the benefit of the holders of such Senior Indebtedness. In such event, the Company shall provide Investor with a certificate signed on behalf of the Company by a Senior Executive Officer confirming that the Holder of the CDCI Senior Subordinated Securities should pay or deliver such amounts to the holders of such Senior Indebtedness.

(c) For purposes of this Article VII, the words "*cash, property or securities*" shall not be deemed to include shares of stock of the Company as reorganized or readjusted, or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment, the payment of which is subordinated at least to the extent provided in this Article VII with respect to the Senior Subordinated Securities to the payment of Senior Indebtedness that may at the time be outstanding, *provided* that (i) such Senior Indebtedness is assumed by the new corporation, if any, resulting from any such reorganization or readjustment, and (ii) the rights of the holders of such Senior Indebtedness are not, without the consent of such holders, altered by such reorganization or readjustment. The consolidation of the Company with, or the merger of the Company into, another person or the liquidation or dissolution of the Company following the sale, conveyance, transfer or lease of its property as an entirety, or substantially as an entirety, to another person upon the terms and conditions provided for in Section 4.2(a) of this Agreement shall not be deemed a dissolution, winding-up, liquidation or reorganization for the purposes of this Section 7.3 if such other person shall, as a part of such consolidation, merger, sale, conveyance, transfer or lease, comply with the conditions stated in Section 4.2(a) of this Agreement.

Section 7.4 Subrogation. (a) Subject to the payment in full of all of Senior Indebtedness, the rights of the Holders of the Senior Subordinated Securities shall be subrogated to the rights of the holders of such Senior Indebtedness to receive payments or distributions of cash, property or securities of the Company, as the case may be, applicable to such Senior Indebtedness until the principal of and interest on the Senior Subordinated Securities shall be paid in full; and, for the purposes of such subrogation, no payments or distributions to the holders of such Senior Indebtedness of any cash, property or securities to which the Holders of the Senior Subordinated Securities would be entitled except for the provisions of this Article VII, and no payment pursuant to the provisions of this Article VII to or for the benefit of the holders of such Senior Indebtedness by the Holders of the Senior Subordinated Securities shall, as between the Company, its creditors other than holders of Senior Indebtedness of the Company, and the Holders of the Senior Subordinated Securities, be deemed to be a payment by the Company to or on account of such Senior Indebtedness. It is understood that the provisions of this Article VII are intended solely for the purposes of defining the relative rights of the Holders of the Senior Subordinated Securities, on the one hand, and the holders of such Senior Indebtedness on the other hand.

(b) Nothing contained in this Article VII or elsewhere in this Agreement or in the Senior Subordinated Securities is intended to or shall impair, as between the Company, its creditors other than the holders of Senior Indebtedness of the Company, and the Holders of the

Senior Subordinated Securities, the obligation of the Company, which is absolute and unconditional, to pay to the Holders of the Senior Subordinated Securities the principal of and interest on the Senior Subordinated Securities as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders of the Senior Subordinated Securities and creditors of the Company, as the case may be, other than the holders of Senior Indebtedness of the Company, as the case may be, nor shall anything herein or therein prevent the Holder of any Senior Subordinated Securities from exercising all remedies otherwise permitted by applicable law upon default under this Agreement, subject to the rights, if any, under this Article VII of the holders of such Senior Indebtedness in respect of cash, property or securities of the Company, as the case may be, received upon the exercise of any such remedy.

Section 7.5 Notice by the Company. (a) The Company shall give prompt written notice to the Holders of the Senior Subordinated Securities of any fact known to the Company that would prohibit the making of any payment of monies in respect of the Senior Subordinated Securities pursuant to the provisions of this Article VII.

In the event of termination of this Agreement as provided in this Section 8.1, this Agreement shall forthwith become void and there shall be no liability on the part of either party hereto except that nothing herein shall relieve either party from liability for any breach of this Agreement.

Section 8.2 Survival. (a) This Agreement and all representations, warranties, covenants and agreements made herein shall survive the Closing without limitation.

(b) The covenants set forth in Article IV and Annex E and the agreements set forth in Articles V and VI shall, to the extent such covenants do not explicitly terminate at such time as the Investor no longer owns any Senior Subordinated Securities, survive the termination of this Agreement pursuant to Section 8.1(c) hereof without limitation until the date on which all of the Senior Subordinated Securities have been redeemed in whole.

Section 8.3 Amendment. Except as otherwise provided herein, no amendment, modification, termination or waiver of any provision of this Agreement, the Senior Subordinated Securities or any of the other Transaction Documents, or consent to any departure by the Company therefrom, shall be effective unless made in writing and signed by an officer or a duly authorized representative of the Company, and in the case of the Senior Subordinated Securities, the Majority Holders; *provided* that for so long as the Senior Subordinated Securities are outstanding, the Investor may at any time and from time to time unilaterally amend Section 4.1(e) to the extent the Investor deems necessary, in its sole discretion, to comply with, or conform to, any changes after the Signing Date in any federal statutes, any rules and regulations promulgated thereunder and any other publications or interpretative releases of the Fund governing CDFIs, including, without limitation, any changes in the criteria for certification of an entity as a CDFI by the Fund; *provided, further*, that, notwithstanding anything else in this Section 8.3, no amendment, modification, termination or waiver with respect to the Senior Subordinated Securities shall, unless in writing and signed by all Holders, do any of the following: (A) change the principal of or the rate of interest on any Senior Subordinated Security; (B) extend any date fixed for any payment of principal or interest; (C) change the definition of the terms "Holders" or "Majority Holders" or the percentage of Holders which shall be required for Holders to take any action hereunder; (D) amend or waive this Section 8.3 or the definitions of the terms used in this Section 8.3 insofar as the definitions affect the substance of this Section 8.3; or (E) consent to the assignment, delegation or other transfer by the Company of any of its rights and obligations under any Transaction Documents. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 8.3 shall be binding upon each Holder of the Senior Subordinated Securities at the time outstanding, each future Holder of the Senior Subordinated Securities and the Company. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative of any rights or remedies provided by law.

Section 8.4 Waiver of Conditions. The conditions to each party's obligation to consummate the Purchase are for the sole benefit of such party and may be waived by such party in whole or in part to the extent permitted by applicable law. No waiver will be effective unless it is in a writing signed by a duly authorized officer of the waiving party that makes express reference to the provision or provisions subject to such waiver.

Section 8.5 Governing Law; Submission to Jurisdiction, etc. This Agreement and any claim, controversy or dispute arising under or related to this Agreement, the relationship of the parties, and/or the interpretation and enforcement of the rights and duties of the parties shall be

In consideration for the benefits I will receive as a result of the participation of [NAME OF COMPANY] (together with its subsidiaries and affiliates, the "Company") in the United States Department of the Treasury's ("Treasury") Community Development Capital Initiative and/or any other economic stabilization program implemented by Treasury under the Emergency Economic Stabilization Act of 2008 (as amended, supplemented or otherwise modified, "EESA") (any such initiative or program, including the Community Development Capital Initiative, a "Program"), I hereby voluntarily waive any claim against the United States (and each of its departments and agencies) or the Company or any of its directors, officers, employees and agents for any changes to my compensation or benefits that are required to comply with the executive compensation and corporate governance requirements of Section 111 of EESA, as implemented by any guidance or regulation thereunder, including the rules set forth in 31 C.F.R. Part 30, or any other guidance or regulations under EESA, and the applicable requirements of the Securities Purchase Agreement by and between the Company and Treasury dated as of [], 2010, as amended (such requirements, the "Limitations").

I acknowledge that the Limitations may require modification or termination of the employment, compensation, bonus, incentive, severance, retention and other benefit plans, arrangements, policies and agreements (including so-called "golden parachute" agreements), whether or not in writing, that I may have with the Company or in which I may participate as they relate to the period the United States holds any equity or debt securities of the Company acquired through a Program or for any other period applicable under such Program or Limitations, as the case may be, and I hereby consent to all such modifications.

This waiver includes all claims I may have under the laws of the United States or any other jurisdiction (whether or not in existence as of the date hereof) related to the requirements imposed by the Limitations, including without limitation a claim for any compensation or other payments or benefits I would otherwise receive, any challenge to the process by which the Limitations are or were adopted and any tort or constitutional claim about the effect of the Limitations on my employment relationship and I hereby agree that I will not at any time initiate, or cause or permit to be initiated on my behalf, any such claim against the United States (or any of its departments or agencies) or the Company or any of its directors, officers, employees or agents in or before any local, state, federal or other agency, court or body.

I agree that, in the event and to the extent that the Compensation Committee of the Board of Directors of the Company or similar governing body (the "Committee") reasonably determines that any compensatory payment or benefit provided to me, including any bonus or incentive compensation based on materially inaccurate financial statements or performance criteria, would cause the Company to fail to be in compliance with the Limitations (such payment or benefit, an "Excess Payment"), upon notification from the Company, I shall repay such Excess Payment to the Company within 15 business days. In addition, I agree that the Company shall have the right to postpone any such payment or benefit for a reasonable period of

time to enable the Committee to determine whether such payment or benefit would constitute an Excess Payment.

I understand that any determination by the Committee as to whether or not, including the manner in which, a payment or benefit needs to be modified, terminated or repaid in order for the Company to be in compliance with Section 111 of EESA and/or the Limitations shall be a final and conclusive determination of the Committee which shall be binding upon me. I further understand that the Company is relying on this letter from me in connection with its participation in a Program.

In witness whereof, I execute this waiver on my own behalf, thereby communicating my acceptance and acknowledgement to the provisions herein.

Respectfully,

REGISTRATION RIGHTS

1.1 Definitions. Terms not defined in this Annex shall have the meaning ascribed to such terms in the Agreement. As used in this Annex E, the following terms shall have the following respective meanings:

(a) “*Holder*” means the Investor and any other Holder of Registrable Securities to whom the registration rights conferred by this Agreement have been transferred in compliance with Section 1.9 hereof.

(b) “*Holders’ Counsel*” means one counsel for the selling Holders chosen by Holders holding a majority interest in the Registrable Securities being registered.

(c) “*Pending Underwritten Offering*” means, with respect to any Holder forfeiting its rights pursuant to Section 1.11 of this Annex E, any underwritten offering of Registrable Securities in which such Holder has advised the Company of its intent to register its Registrable Securities either pursuant to Section 1.2(b) or Section 1.2(d) of this Annex E prior to the date of such Holder’s forfeiture.

(d) “*Register*”, “*registered*”, and “*registration*” shall refer to a registration effected by preparing and (A) filing a registration statement or amendment thereto in compliance with the Securities Act and applicable rules and regulations thereunder, and the declaration or ordering of effectiveness of such registration statement or amendment thereto or (B) filing a prospectus and/or prospectus supplement in respect of an appropriate effective registration statement on Form S-3.

(e) “*Registrable Securities*” means (A) all Senior Subordinated Securities, and (B) any securities issued or issuable directly or indirectly with respect to the securities referred to in the foregoing clause (A) by way of conversion, exercise or exchange thereof, or in connection with a combination, recapitalization, reclassification, merger, amalgamation, arrangement, consolidation or other reorganization, *provided* that, once issued, such securities will not be Registrable Securities when (1) they are sold pursuant to an effective registration statement under the Securities Act, (2) they shall have ceased to be outstanding or (3) they have been sold in any transaction in which the transferor’s rights under this Agreement are not assigned to the transferee of the securities. No Registrable Securities may be registered under more than one registration statement at any one time.

(f) “*Registration Expenses*” mean all expenses incurred by the Company in effecting any registration pursuant to this Agreement (whether or not any registration or prospectus becomes effective or final) or otherwise complying with its obligations under this Annex E, including all registration, filing and listing fees, printing expenses, fees and disbursements of counsel for the Company, blue sky fees and expenses, expenses incurred in connection with any “road show”, the reasonable fees and disbursements of Holders’ Counsel, and expenses of the Company’s independent accountants in connection with any regular or

special reviews or audits incident to or required by any such registration, but shall not include Selling Expenses.

(g) “Rule 144”, “Rule 144A”, “Rule 159A”, “Rule 405” and “Rule 415” mean, in each case, such rule promulgated under the Securities Act (or any successor provision), as the same shall be amended from time to time.

(h) “Selling Expenses” mean all discounts, selling commissions and security transfer taxes applicable to the sale of Registrable Securities and fees and disbursements of counsel for any Holder (other than the fees and disbursements of Holders’ Counsel included in Registration Expenses).

(i) “Special Registration” means the registration of (A) equity securities and/or options or other rights in respect thereof solely registered on Form S-4 or Form S-8 (or successor form) or (B) shares of equity securities and/or options or other rights in respect thereof to be offered to directors, members of management, employees, consultants, customers, lenders or vendors of the Company or Company Subsidiaries or in connection with dividend reinvestment plans.

1.2 Registration. (a) The Company covenants and agrees that as promptly as practicable after the date that the Company becomes subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act (and in any event no later than 30 days thereafter), the Company shall (A) prepare and file with the SEC a Shelf Registration Statement covering all Registrable Securities (or otherwise designate an existing Shelf Registration Statement filed with the SEC to cover the Registrable Securities), and, to the extent the Shelf Registration Statement has not theretofore been declared effective or is not automatically effective upon such filing, the Company shall use reasonable best efforts to cause such Shelf Registration Statement to be declared or become effective and to keep such Shelf Registration Statement continuously effective and in compliance with the Securities Act and usable for resale of such Registrable Securities for a period from the date of its initial effectiveness until such time as there are no Registrable Securities remaining (including by refiling such Shelf Registration Statement (or a new Shelf Registration Statement) if the initial Shelf Registration Statement expires), and (B) prepare an Indenture covering the Registrable Securities meeting the requirements of the Indenture Act and use its reasonable best efforts to cause such Indenture to be qualified under the Indenture Act. Notwithstanding the foregoing, if the Company is not eligible to file a registration statement on Form S-3, then the Company shall not be obligated to file a Shelf Registration Statement unless and until requested to do so in writing by the Investor.

(b) Any registration pursuant to Section 1.2(a) of this Annex E shall be effected by means of a shelf registration on an appropriate form under Rule 415 under the Securities Act (a “Shelf Registration Statement”). If the Investor or any other Holder intends to distribute any Registrable Securities by means of an underwritten offering it shall promptly so advise the Company and the Company shall take all reasonable steps to facilitate such distribution, including the actions required pursuant to Section 1.2(d) of this Annex E; *provided* that the Company shall not be required to facilitate an underwritten offering of Registrable Securities unless (i) the expected gross proceeds from such offering exceed \$200,000 or (ii) such underwritten offering includes all of the outstanding Registrable Securities held by such Holder.

The lead underwriters in any such distribution shall be selected by the Holders of a majority of the Registrable Securities to be distributed.

(c) The Company shall not be required to effect a registration (including a resale of Registrable Securities from an effective Shelf Registration Statement) or an underwritten offering pursuant to Section 1.2 of this Annex E: (A) with respect to securities that are not Registrable Securities; or (B) if the Company has notified the Investor and all other Holders that in the good faith judgment of the Board of Directors, it would be materially detrimental to the Company or its securityholders for such registration or underwritten offering to be effected at such time, in which event the Company shall have the right to defer such registration for a period of not more than 45 days after receipt of the request of the Investor or any other Holder; *provided* that such right to delay a registration or underwritten offering shall be exercised by the Company (1) only if the Company has generally exercised (or is concurrently exercising) similar black-out rights against holders of similar securities that have registration rights and (2) not more than three times in any 12-month period and not more than 90 days in the aggregate in any 12-month period.

(d) If during any period when an effective Shelf Registration Statement is not available, the Company proposes to register any of its equity securities, other than a registration pursuant to Section 1.2(a) of this Annex E or a Special Registration, and the registration form to be filed may be used for the registration or qualification for distribution of Registrable Securities, the Company will (A) give prompt written notice to the Investor and all other Holders of its intention to effect such a registration (but in no event less than ten days prior to the anticipated filing date) and will include in such registration all Registrable Securities with respect to which the Company has received written requests for inclusion therein within ten business days after the date of the Company's notice and (B) if requested by the Investor or a Holder, prepare an Indenture meeting the requirements of the Indenture Act and use its reasonable best efforts to cause such Indenture to be qualified under the Indenture Act (such registration and qualification, a "*Piggyback Registration*"). Any such person that has made such a written request may withdraw its Registrable Securities from such Piggyback Registration by giving written notice to the Company and the managing underwriter, if any, on or before the fifth (5th) business day prior to the planned effective date of such Piggyback Registration. The Company may terminate or withdraw any registration or qualification under this Section 1.2(d) of this Annex E prior to the effectiveness of such registration or qualification, whether or not Investor or any other Holders have elected to include Registrable Securities in such registration or qualification.

(e) If the registration referred to in Section 1.2(d) of this Annex E is proposed to be underwritten, the Company will so advise Investor and all other Holders as a part of the written notice given pursuant to Section 1.2(d) of this Annex E. In such event, the right of Investor and all other Holders to registration pursuant to Section 1.2 of this Annex E will be conditioned upon such persons' participation in such underwriting and the inclusion of such person's Registrable Securities in the underwriting if such securities are of the same class of securities as the securities to be offered in the underwritten offering, and each such person will (together with the Company and the other persons distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by the Company; *provided* that the Investor (as opposed to other Holders) shall not be required to indemnify any person in connection with any registration. If any

participating person disapproves of the terms of the underwriting, such person may elect to withdraw therefrom by written notice to the Company, the managing underwriters and the Investor (if the Investor is participating in the underwriting).

(f) If either (x) the Company grants "piggyback" registration rights to one or more third parties to include their securities in an underwritten offering under the Shelf Registration Statement pursuant to Section 1.2(b) of this Annex E or (y) a Piggyback Registration under Section 1.2(d) of this Annex E relates to an underwritten offering on behalf of the Company, and in either case the managing underwriters advise the Company that in their reasonable opinion the number of securities requested to be included in such offering exceeds the number which can be sold without adversely affecting the marketability of such offering (including an adverse effect on the per security offering price), the Company will include in such offering only such number of securities that in the reasonable opinion of such managing underwriters can be sold without adversely affecting the marketability of the offering (including an adverse effect on the per security offering price), which securities will be so included in the following order of priority: (A) first, in the case of a Piggyback Registration under Section 1.2(d) of this Annex E, the securities the Company proposes to sell, (B) then the Registrable Securities of the Investor and all other Holders who have requested inclusion of Registrable Securities pursuant to Section 1.2(b) or Section 1.2(d) of this Annex E, as applicable, *pro rata* on the basis of the aggregate number of such securities owned by each such person and (C) lastly, any other securities of the Company that have been requested to be so included, subject to the terms of this Agreement; *provided, however*, that if the Company has, prior to the Signing Date, entered into an agreement with respect to its securities that is inconsistent with the order of priority contemplated hereby then it shall apply the order of priority in such conflicting agreement to the extent that it would otherwise result in a breach under such agreement.

1.3 Expenses of Registration. All Registration Expenses incurred in connection with any registration, qualification or compliance hereunder shall be borne by the Company. All Selling Expenses incurred in connection with any registrations hereunder shall be borne by the holders of the securities so registered *pro rata* on the basis of the aggregate offering or sale price of the securities so registered.

1.4 Obligations of the Company. Whenever required to effect the registration of any Registrable Securities or facilitate the distribution of Registrable Securities pursuant to an effective Shelf Registration Statement, the Company shall, as expeditiously as reasonably practicable:

(a) Prepare and file with the SEC: (A) a prospectus supplement or post-effective amendment with respect to a proposed offering of Registrable Securities pursuant to an effective registration statement, subject to Section 1.4 of this Annex E, keep such registration statement effective and keep such prospectus supplement current until the securities described therein are no longer Registrable Securities; and (B) an Indenture for qualification under the Indenture Act.

(b) Prepare and file with the SEC such amendments and supplements: (A) to the applicable registration statement and the prospectus or prospectus supplement used in connection with such registration statement as may be necessary to comply with the provisions of the

Securities Act; and (B) to the Indenture, with respect to the disposition of all securities covered by such registration statement and Indenture.

(c) Furnish to the Holders and any underwriters such number of copies of the applicable registration statement and each such amendment and supplement thereto (including in each case all exhibits) and of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, the Indenture and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned or to be distributed by them.

(d) Use its reasonable best efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by the Holders or any managing underwriter(s), to keep such registration or qualification in effect for so long as such registration statement remains in effect, and to take any other action which may be reasonably necessary to enable such seller to consummate the disposition in such jurisdictions of the securities owned by such Holder; *provided* that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions.

(e) Notify each Holder of Registrable Securities at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the applicable prospectus, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

(f) Give written notice to the Holders:

(A) when any registration statement or Indenture filed pursuant to Section 4.1(m) of the Agreement or any amendment thereto has been filed with the SEC (except for any amendment effected by the filing of a document with the SEC pursuant to the Exchange Act) and when such registration statement or any post-effective amendment thereto has become effective;

(B) of any request by the SEC for amendments or supplements to any registration statement or the prospectus included therein, or the Indenture or for additional information;

(C) of the issuance by the SEC of any stop order suspending the effectiveness of any registration statement or the initiation of any proceedings for that purpose;

(D) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification of the applicable Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose;

(E) of the happening of any event that requires the Company to make changes in any effective registration statement or the prospectus related to the registration statement or to the Indenture in order to make the statements therein not misleading (which notice shall be accompanied by an instruction to suspend the use of the prospectus until the requisite changes have been made); and

(F) if at any time the representations and warranties of the Company contained in any underwriting agreement contemplated by Section 1.4(j) of this Annex E cease to be true and correct.

(g) Use its reasonable best efforts to prevent the issuance or obtain the withdrawal of any order suspending the effectiveness of any registration statement referred to in Section 1.4(f)(C) of this Annex E at the earliest practicable time.

(h) Upon the occurrence of any event contemplated by Section 1.4(e) or 1.4(f)(E) of this Annex E, promptly prepare a post-effective amendment to such registration statement or a supplement to the related prospectus or the Indenture or file any other required document so that, as thereafter delivered to the Holders and any underwriters, the prospectus or the Indenture will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If the Company notifies the Holders in accordance with Section 1.4(f)(E) of this Annex E to suspend the use of the prospectus until the requisite changes to the prospectus or the Indenture have been made, then the Holders and any underwriters shall suspend use of such prospectus and use their reasonable best efforts to return to the Company all copies of such prospectus (at the Company's expense) other than permanent file copies then in such Holders' or underwriters' possession. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

(i) Use reasonable best efforts to procure the cooperation of the Company's transfer agent in settling any offering or sale of Registrable Securities, including with respect to the transfer of physical certificates into book-entry form in accordance with any procedures reasonably requested by the Holders or any managing underwriter(s).

(j) If an underwritten offering is requested pursuant to Section 1.2(b) of this Annex E, enter into an underwriting agreement in customary form, scope and substance and take all such other actions reasonably requested by the Holders of a majority of the Registrable Securities being sold in connection therewith or by the managing underwriter(s), if any, to expedite or facilitate the underwritten disposition of such Registrable Securities, and in connection therewith in any underwritten offering (including making members of management and executives of the Company available to participate in "road shows", similar sales events and other marketing activities), (A) make such representations and warranties to the Holders that are selling securityholders and the managing underwriter(s), if any, with respect to the business of the Company and its subsidiaries, and the Shelf Registration Statement, prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, in customary form, substance and scope, and, if true, confirm the same if and when requested, (B) use its reasonable best efforts to furnish the underwriters with opinions of counsel to the Company, addressed to the managing underwriter(s), if any, covering the matters customarily

covered in such opinions requested in underwritten offerings, (C) use its reasonable best efforts to obtain "cold comfort" letters from the independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any business acquired by the Company for which financial statements and financial data are included in the Shelf Registration Statement) who have certified the financial statements included in such Shelf Registration Statement, addressed to each of the managing underwriter(s), if any, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters, (D) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures customary in underwritten offerings (*provided* that the Investor shall not be obligated to provide any indemnity), and (E) deliver such documents and certificates as may be reasonably requested by the Holders of a majority of the Registrable Securities being sold in connection therewith, their counsel and the managing underwriter(s), if any, to evidence the continued validity of the representations and warranties made pursuant to clause (A) above and to evidence compliance with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company.

(k) Make available for inspection by a representative of selling Holders, the managing underwriter(s), if any, and any attorneys or accountants retained by such Holders or managing underwriter(s), at the offices where normally kept, during reasonable business hours, financial and other records, pertinent governance documents and properties of the Company, and cause the officers, directors and employees of the Company to supply all information in each case reasonably requested (and of the type customarily provided in connection with due diligence conducted in connection with a registered public offering of securities) by any such representative, managing underwriter(s), attorney or accountant in connection with such Shelf Registration Statement.

(l) Use reasonable best efforts to cause all such Registrable Securities to be listed on each national securities exchange on which similar securities issued by the Company are then listed or, if no similar securities issued by the Company are then listed on any national securities exchange, use its reasonable best efforts to cause all such Registrable Securities to be listed on such securities exchange as the Investor may designate.

(m) If requested by Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith, or the managing underwriter(s), if any, promptly include in a prospectus supplement or amendment such information as the Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith or managing underwriter(s), if any, may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or such amendment as soon as practicable after the Company has received such request.

(n) Timely provide to its security holders earning statements satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

1.5 Suspension of Sales. Upon receipt of written notice from the Company that a registration statement, prospectus or prospectus supplement, or Indenture contains or may contain an untrue statement of a material fact or omits or may omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or that

circumstances exist that make inadvisable use of such registration statement, prospectus or prospectus supplement, or Indenture, the Investor and each Holder of Registrable Securities shall forthwith discontinue disposition of Registrable Securities until the Investor and/or Holder has received copies of a supplemented or amended prospectus or prospectus supplement, or Indenture, or until the Investor and/or such Holder is advised in writing by the Company that the use of the prospectus and, if applicable, prospectus supplement or Indenture may be resumed, and, if so directed by the Company, the Investor and/or such Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in the Investor and/or such Holder's possession, of the prospectus and, if applicable, prospectus supplement or Indenture covering such Registrable Securities current at the time of receipt of such notice. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

1.6 Termination of Registration Rights. A Holder's registration rights as to any securities held by such Holder (and its Affiliates, partners, members and former members) shall not be available unless such securities are Registrable Securities.

1.7 Furnishing Information. (a) Neither the Investor nor any Holder shall use any free writing prospectus (as defined in Rule 405) in connection with the sale of Registrable Securities without the prior written consent of the Company.

(b) It shall be a condition precedent to the obligations of the Company to take any action pursuant to Section 1.4 of this Annex E that Investor and/or the selling Holders and the underwriters, if any, shall furnish to the Company such information regarding themselves, the Registrable Securities held by them and the intended method of disposition of such securities as shall be required to effect the registered offering of their Registrable Securities.

1.8 Indemnification.

The Company agrees to indemnify each Holder and, if a Holder is a person other than an individual, such Holder's officers, directors, employees, agents, representatives and Affiliates, and each person, if any, that controls a Holder within the meaning of the Securities Act (each, an "*Indemnatee*"), against any and all losses, claims, damages, actions, liabilities, costs and expenses (including reasonable fees, expenses and disbursements of attorneys and other professionals incurred in connection with investigating, defending, settling, compromising or paying any such losses, claims, damages, actions, liabilities, costs and expenses), joint or several, arising out of or based upon any untrue statement or alleged untrue statement of material fact contained in any registration statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto or any documents incorporated therein by reference or contained in any free writing prospectus (as such term is defined in Rule 405) or contained in any Indenture, prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto); or any omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided* that the Company shall not be liable to such Indemnatee in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon (A) an untrue statement or omission made in such registration statement, including any such

preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto or contained in any free writing prospectus (as such term is defined in Rule 405) or contained in any Indenture, prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto), in reliance upon and in conformity with information regarding such Indemnatee or its plan of distribution or ownership interests which was furnished in writing to the Company by such Indemnatee for use in connection with such registration statement, including any such preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto, or any Indenture or (B) offers or sales effected by or on behalf of such Indemnatee "by means of" (as defined in Rule 159A) a "free writing prospectus" (as defined in Rule 405) that was not authorized in writing by the Company.

If the indemnification provided for in Section 1.8(i) of this Annex E is unavailable to an Indemnatee with respect to any losses, claims, damages, actions, liabilities, costs or expenses referred to therein or is insufficient to hold the Indemnatee harmless as contemplated therein, then the Company, in lieu of indemnifying such Indemnatee, shall contribute to the amount paid or payable by such Indemnatee as a result of such losses, claims, damages, actions, liabilities, costs or expenses in such proportion as is appropriate to reflect the relative fault of the Indemnatee, on the one hand, and the Company, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, actions, liabilities, costs or expenses as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the Indemnatee, on the other hand, shall be determined by reference to, among other factors, whether the untrue statement of a material fact or omission to state a material fact relates to information supplied by the Company or by the Indemnatee and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; the Company and each Holder agree that it would not be just and equitable if contribution pursuant to this Section 1.8(ii) of this Annex E were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 1.8(i) of this Annex E. No Indemnatee guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from the Company if the Company was not guilty of such fraudulent misrepresentation.

1.9 Assignment of Registration Rights. The rights of the Investor to registration of Registrable Securities pursuant to Section 1.2 may be assigned by the Investor to a transferee or assignee of Registrable Securities; *provided, however*, the transferor shall, within ten days after such transfer, furnish to the Company written notice of the name and address of such transferee or assignee and the number and type of Registrable Securities that are being assigned.

1.10 Clear Market.
