■ 2. Add § 801.14 to read as follows:

§ 801.14 Public access to records.

(a) *Purpose.* The Commission, as an independent compact agency, is not subject to any of its member jurisdictions' laws regarding public access to records. Nevertheless, the Commission wishes to assure, to the maximum extent practicable, the availability of Commission records consistent with the Susquehanna River Basin Compact. The Commission shall maintain an "Access to Records Policy" that outlines the details and procedures related to public access to the Commission's records. Any revisions to this policy shall be consistent with this section and undertaken in accordance with appropriate public notice and comment consistent with requirements of 18 CFR 808.1(b).

(b) *Scope.* This section shall apply to all recorded information, regardless of whether the information exists in written or electronic format. There is a strong presumption that records shall be public, except where considerations of privacy, confidentiality, and security must be considered and require thoughtful balancing. The Commission shall identify types of records that are not subject to public access:

(1) Personnel or employment records, excluding salary information;

(2) Trade secrets, copyrighted material, or any other confidential business information;

(3) Records exempted from disclosure by statute, regulation, court order, or recognized privilege;

(4) Records reflecting internal pre-decisional deliberations, including deliberations between the commission and representatives of member jurisdictions;

(5) Records reflecting employee medical information, evaluations, tests or other identifiable health information;

(6) Records reflecting employee personal information, such as social security number, driver's license number, personal financial information, home addresses, home or personal cellular numbers, confidential personal information, spouse names, marital status or dependent information;

(7) Investigatory or enforcement records that would interfere with active enforcement proceedings or individual due process rights, disclose the identity of public complainants or confidential sources or investigative techniques or endanger the life or safety of Commission personnel; or

(8) Records related to critical infrastructure, excluding financial

records, emergency procedures, or facilities.

(c) *Procedures.* The Access to Records Policy will detail the necessary procedures for requesting records and processing records requests:

(1) Requests shall be in writing and shall be reasonably specific;

(2) The Commission shall identify an Access to Records Officer to handle requests;

(3) The Commission shall respond to a records request within a reasonable time and in consideration of available resources and the nature of the request;

(4) The Commission shall not be required to create a record that does not already exist, or to compile, maintain, format or organize a public record in a manner in which the Commission does not currently practice;

(5) A procedure shall be identified for electronic transfer, copying or otherwise providing records in a manner that maintains the integrity of the Commission's files; and

(6) A procedure shall be identified for handling review of requests that seek access to information that has been identified as confidential and for notifying the person(s) who submitted the confidential information that it is subject to a records request.

(d) *Fees.* The Commission shall adopt and maintain a "Records Processing Fee Schedule." The fees shall be calculated to reflect the actual costs to the Commission for processing records requests and may include the costs of reproducing records and the cost to search, prepare and/or redact records for extraordinary requests.

(e) *Appeals.* Any person aggrieved by a Commission action on a records request shall have 30 days to appeal a decision in accordance with 18 CFR 808.2.

(f) *Disclosure to consultants, advisory committees, and State and local government officials and employees.* Data and information otherwise exempt from public disclosure may be disclosed to Commission consultants, advisory committees, and state and local government officials and employees for use only in their work in cooperation with the Commission. Such persons are thereafter subject to the same restrictions with respect to the disclosure of such data and information as any other Commission employee.

SUPPLEMENTARY INFORMATION:

I. Background

In order to improve the effectiveness of CMPs and to maintain their deterrent effect, the Federal Civil Penalties Inflation Adjustment Act of 1990, 28 U.S.C. 2461 note (“the Inflation Adjustment Act”), as amended by the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (Pub. L. 114-74) (“the 2015 Act”), requires Federal agencies to adjust each CMP provided by law within the jurisdiction of the agency. The 2015 Act requires agencies to adjust the level of CMPs with an initial “catch-up” adjustment through an interim final rulemaking and to make subsequent annual adjustments for inflation, without needing to provide notice and the opportunity for public comment required by 5 U.S.C. 553. The Department’s initial catch-up adjustment interim final rules were published on June 30, 2016 (FinCEN) (81 FR 42503), July 1, 2016 (OFAC) (81 FR 43070), and December 7, 2016 (Departmental Offices) (81 FR 88600). The Department’s 2017 annual adjustment was published on February 10, 2017 (82 FR 10434). The 2015 Act provides that any increase in a CMP shall apply to CMPs that are assessed after the date the increase takes effect, regardless of whether the underlying violation predated such increase.¹

II. Method of Calculation

The method of calculating CMP adjustments applied in this final rule is required by the 2015 Act. Under the 2015 Act and the Office of Management and Budget guidance required by the 2015 Act, annual inflation adjustments subsequent to the initial catch-up adjustment are to be based on the percent change between the Consumer Price Index for all Urban Consumers (“CPI-U”) for the October preceding the date of the adjustment and the prior year’s October CPI-U. As set forth in Office of Management and Budget Memorandum M-18-03 of December 15, 2017, the adjustment multiplier for

2018 is 1.02041. In order to complete the 2018 annual adjustment, each current CMP is multiplied by the 2018 adjustment multiplier. Under the 2015 Act, any increase in CMP must be rounded to the nearest multiple of \$1.

Procedural Matters

1. Administrative Procedure Act

The Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015 (Section 701(b)) requires agencies, beginning in 2017, to make annual adjustments for inflation to CMPs, without needing to provide notice and the opportunity for public comment required by 5 U.S.C. 553. Additionally, the methodology used, effective 2017, for adjusting CMPs for inflation is provided by statute, with no discretion provided to agencies regarding the substance of the adjustments for inflation to CMPs. The Department is charged only with performing ministerial computations to determine the dollar amount of adjustments for inflation to CMPs. Accordingly, prior public notice and an opportunity for public comment and a delayed effective date are not required for this rule.

2. Regulatory Flexibility Act

Because no notice of proposed rulemaking is required, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply.

3. Executive Order 12866

This rule is not a significant regulatory action as defined in section 3.f of Executive Order 12866.

4. Paperwork Reduction Act

The provisions of the Paperwork Reduction Act of 1995, Public Law 104-13, 44 U.S.C. Chapter 35, and its implementing regulations, 5 CFR part 1320, do not apply to this rule because there are no new or revised recordkeeping or reporting requirements.
