THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): _____

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	<u>May 4, 2014</u>	Rate:	<u>\$204.70</u>
Effective Date:	<u>May 3, 2016</u>	Rate:	<u>\$217.00</u>
Effective Date:	<u>May 1, 2018</u>	Rate:	<u>\$225.70</u>
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	<u>August 31, 2014</u>	Rate:	<u>\$256.50</u>	_____	_____
Effective Date:	<u>May 3, 2015</u>	Rate:	<u>\$285.40*</u>	_____	_____
Effective Date:	<u>May 1, 2016</u>	Rate:	<u>\$317.10*</u>	_____	_____
Effective Date:	_____	Rate:	_____	_____	_____
Effective Date:	_____	Rate:	_____	_____	_____

* rates required to maintain plan, not to exceed quoted rates

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): Truck Drivers

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	<u>July 1, 2012</u>	Rate:	<u>\$52.90 daily</u>
Effective Date:	<u>July 1, 2013</u>	Rate:	<u>\$55.00 daily</u>
Effective Date:	<u>July 1, 2014</u>	Rate:	<u>\$57.20 daily</u>
Effective Date:	<u>July 1, 2015</u>	Rate:	<u>\$59.50 daily</u>
Effective Date:	<u>July 1, 2016</u>	Rate:	<u>\$61.90 daily</u>

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	_____	Rate:	_____	_____	_____
Effective Date:	_____	Rate:	_____	_____	_____
Effective Date:	_____	Rate:	_____	_____	_____
Effective Date:	_____	Rate:	_____	_____	_____
Effective Date:	_____	Rate:	_____	_____	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their designated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): drivers

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	<u>04/01/14</u>	Rate:	<u>\$142.90 PER WEEK</u>
Effective Date:	<u>04/01/15</u>	Rate:	<u>\$151.50 PER WEEK</u>
Effective Date:	<u>04/01/16</u>	Rate:	<u>\$157.60 PER WEEK</u>
Effective Date:	<u> </u>	Rate:	<u> </u>
Effective Date:	<u> </u>	Rate:	<u> </u>

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	<u> </u>	Rate:	<u> </u>
Effective Date:	<u> </u>	Rate:	<u> </u>
Effective Date:	<u> </u>	Rate:	<u> </u>
Effective Date:	<u> </u>	Rate:	<u> </u>
Effective Date:	<u> </u>	Rate:	<u> </u>

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contract's Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90 7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): Doan Construction Co., Inc.

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	<u>01/01/2015</u>	Rate:	<u>\$13.00 per day</u>
Effective Date:	<u>12/15/2015</u>	Rate:	<u>\$14.00 per day</u>
Effective Date:	<u>12/15/2016</u>	Rate:	<u>\$15.10 per day</u>
Effective Date:	<u>N/A</u>	Rate:	<u>\$16.30 per day</u>
Effective Date:	<u>N/A</u>	Rate:	<u>\$17.60 per day</u>

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	<u>Not H&W Fund Participant</u>	Rate:	<u>N/A</u>	_____	_____
Effective Date:	_____	Rate:	_____	_____	_____
Effective Date:	_____	Rate:	_____	_____	_____
Effective Date:	_____	Rate:	_____	_____	_____
Effective Date:	_____	Rate:	_____	_____	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): Truck Driver and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	<u>9/2/07</u>	Rate:	<u>\$19.20/day</u>
Effective Date:	<u>8/31/08</u>	Rate:	<u>\$20.70/day</u>
Effective Date:	<u>8/29/09</u>	Rate:	<u>\$22.40/day</u>
Effective Date:	<u>8/28/10</u>	Rate:	<u>\$24.20/day</u>
Effective Date:	<u>8/27/11</u>	Rate:	<u>\$26.10/day</u>

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	<u>3/25/07</u>	Rate:	<u>\$178.00</u>
Effective Date:	<u>3/23/08</u>	Rate:	<u>\$194.00</u>
Effective Date:	<u>3/22/09</u>	Rate:	<u>\$213.00</u>
Effective Date:	<u>Open</u>	Rate:	<u>Open</u>
Effective Date:	<u>Open</u>	Rate:	<u>Open</u>

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which effects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

Effective Date: <u>5-1-13</u>	Rate: <u>9.70 per hour</u>
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employees shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorney's fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois long year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 16th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until: a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, ho day pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs; and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employees shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

CONTRACT
DEPARTMENT

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

Effective Date: _____ Rate: _____

Effective Date: _____ Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. Health and Welfare contribution rate changes after the last effective date shall be determined by the Board of Trustees in order to maintain the same level of benefits. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either: a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short-term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employees shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of unformed service as defined at 10 C.F.R. §104.3

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s) adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. 5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. 9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. Health and Welfare contribution rate changes after the last effective date shall be determined by the Board of Trustees in order to maintain the same level of benefits. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration). Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 80-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practices that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund, all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

Effective Date: _____	Rate: _____

3. The Employer shall contribute to the Health and Welfare Fund per week (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: <u>N/A</u>	Rate: <u>N/A</u>
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): Driver, Laborer, Mechanic, Maintenance

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	<u>May 31, 2008</u>	Rate:	<u>\$ 162.33 week</u>
Effective Date:	<u>May 30, 2010</u>	Rate:	<u>\$ 173.90 week</u>
Effective Date:	<u>May 28, 2011</u>	Rate:	<u>\$ 184.30 week</u>
Effective Date:	<u>June 03, 2012</u>	Rate:	<u>\$ 185.50 week</u>

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	<u>N/A</u>	Rate:	<u> </u>	<u> </u>	<u> </u>	<u> </u>
Effective Date:	<u>N/A</u>	Rate:	<u> </u>	<u> </u>	<u> </u>	<u> </u>
Effective Date:	<u>N/A</u>	Rate:	<u> </u>	<u> </u>	<u> </u>	<u> </u>
Effective Date:	<u>N/A</u>	Rate:	<u> </u>	<u> </u>	<u> </u>	<u> </u>
Effective Date:	<u>N/A</u>	Rate:	<u> </u>	<u> </u>	<u> </u>	<u> </u>

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until: a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contributions Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean, any, full-time, or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that on-call time shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 80-7) and agrees that while this Agreement remains in effect it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): _____

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

Effective Date:	<u>4/1/13</u>	Rate:	<u>\$201.20 weekly</u>
Effective Date:	<u>4/1/14</u>	Rate:	<u>\$209.20 weekly</u>
	<u>4/1/15</u>		<u>\$217.60 weekly</u>

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	<u>not applicable</u>	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund. If the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates

to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

Effective Date:	<u> </u>	Rate:	<u> </u>

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4 Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5 This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

3. The Employer shall contribute to the Health and Welfare Fund per week (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e., short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until: a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. 12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the job classification(s) of: See Article II Union Recognition, Section 2 and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund, all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund per Week week/day/hour (choose one) (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: <u>7-1-2001</u>	Rate: <u>\$85.00</u>
Effective Date: <u>7-1-2002</u>	Rate: <u>\$85.00</u>
Effective Date: <u>7-1-2003</u>	Rate: <u>\$85.00</u>
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

3. The Employer shall contribute to the Health and Welfare Fund per week (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") in accordance with its collective bargaining agreement with the Union covering the job classification(s) of: Exposition Workers

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement of the Pension Fund, and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date: 06/01/2015 Rate: \$13.40 per Hour - Regular Employees

Effective Date: 06/01/2015 Rate: \$9.10 per Hour - Casual Employees

3. Contribution rate changes after the last Effective Date set forth in paragraphs 2 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

4. This Agreement and the obligation to pay contributions to the Fund will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund and the Fund has received a written notice directed to the Fund's Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest.

5. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund's Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund; b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

6. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund and includes casual employees (i.e. short term employees who work for uncertain or irregular duration). Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund.

7. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund on behalf of any Covered Employee who is not working

due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

8. On or before the 15th day of each month, the Employer must report to the Fund any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund, including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

9. The Employer shall provide the Trustees with access to its payroll records and other pertinent records, when requested by the Fund. If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund.

10. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

11. The Employer acknowledges that it is aware of the Fund's adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

12. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund receives actual written notice of the existence of the Employer's liability.

13. This Agreement may not be modified or terminated without the written consent of the Fund. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. Effective Date: _____	Rate: _____	_____	_____	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): DRIVERS and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund, all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date: <u>07/01/2015</u>	Rate: <u>\$ 80.60 per week</u>
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. This parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which effects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employees shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period in which he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, ayoflossurance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s). Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 80-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the job classification(s) of: DRIVERS and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund, all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund PER DAY per week/day/hour (choose one) (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: <u>JULY 1, 2013</u>	Rate: <u>\$55.00 Per Day</u>

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

3. The Employer shall contribute to the Health and Welfare Fund per week/hour (choose one) (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: <u>JUNE 30, 2013</u>	Rate: <u>\$317.70/Week</u>
Effective Date: <u>JUNE 29, 2014</u>	Rate: <u>\$340.70/Week</u>
Effective Date: <u>JUNE 28, 2015</u>	Rate: <u>\$374.80/Week</u>
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of unformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions owed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date if a Union's representative status terminates through a valid disclaimer of interest. Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or clause to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/leave pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 80-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.
7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).
8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.
9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.
10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).
11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.
12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.
13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.
14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

5. 4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. 10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (Including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. 4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

Effective Date:	5/1/12	Rate:	\$168.70 weekly

Effective Date:	5/1/14	Rate:	\$193.10 weekly
Effective Date:	5/1/15	Rate:	\$204.70 weekly

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	not applicable	Rate:	
Effective Date:		Rate:	
Effective Date:		Rate:	
Effective Date:		Rate:	
Effective Date:		Rate:	

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity of any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including snow up time pay, overtime pay, holiday pay, disability or illness pay, layoff severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period, if required by the applicable collective bargaining agreement. Contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs; and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions owed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The Parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employees shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of informed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement. 13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): _____

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	2-6-2015	Rate:	\$44.80 per day
Effective Date:	2-6-2016	Rate:	\$46.60 per day
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. 9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s). Including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. 9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the job classification(s) of: All covered classifications and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund, all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund per week per week/day/hour (choose one) (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: <u>06/01/2003</u>	Rate: <u>\$158.00</u>
Effective Date: <u>06/01/2004</u>	Rate: <u>\$166.00</u>
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

3. The Employer shall contribute to the Health and Welfare Fund per week/hour (choose one) (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: <u>06/01/2003</u>	Rate: <u>\$219.70</u>
Effective Date: <u>06/01/2004</u>	Rate: <u>\$243.70</u>
Effective Date: <u>06/01/2005</u>	Rate: <u>\$267.70</u>
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e., short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of unformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs; and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90.7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the minor ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. 10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term Covered Employees shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives or is entitled to receive compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a reemployed service member or former service member but for his or her absence during a period of uniformed services defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee work force (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered work force on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the work force. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, this day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the job classification(s) of: Drivers

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund, all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund per day week/day/hour (choose one) (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: <u>May 1st, 2002</u>	Rate: <u>\$18.80</u>
Effective Date: <u>May 1st, 2003</u>	Rate: <u>\$20.60</u>
Effective Date: <u>May 1st, 2004</u>	Rate: <u>\$22.80</u>
Effective Date: <u>May 1st, 2005</u>	Rate: <u>\$25.60</u>
Effective Date: _____	Rate: _____

3. The Employer shall contribute to the Health and Welfare Fund per week (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

6. When a new collective bargaining agreement is signed by the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contract Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted by the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund; or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement (excluding contributions to the Fund(s)) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employees shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs; and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual termination, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the job classification(s) of driver and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund, all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund per week week/day/hour (choose one) (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: <u>May 1, 1998</u>	Rate: <u>\$85.00</u>
Effective Date: <u>May 1, 1999</u>	Rate: <u>\$85.00</u>
Effective Date: <u>May 1, 2000</u>	Rate: <u>\$85.00</u>
Effective Date: <u>May 1, 2001</u>	Rate: <u>\$85.00</u>
Effective Date: _____	Rate: _____

3. The Employer shall contribute to the Health and Welfare Fund per week (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated) including show up time pay, overtime pay, holiday pay, disability or less pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional monies that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s), b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. 12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, over-time pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). 14. This Agreement may not be orally modified or terminated.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): Truck Driver & General Warehouse-Combination.

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	<u>April 1, 2015</u>	Rate:	<u>\$290.40</u>
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s) adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the United ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/sovereignty pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

13. This Agreement shall in all respects be construed according to the laws of the United States. THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): _____

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	6/1/13	Rate:	\$55.10 daily
Effective Date:	6/1/14	Rate:	\$57.30 daily
Effective Date:	6/1/15	Rate:	\$59.60 daily
Effective Date:	6/1/16	Rate:	\$62.00 daily
Effective Date:	6/1/17	Rate:	\$64.50 daily

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	not applicable	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

P.5

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short-term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records which requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s) adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

Effective Date	_____	Rate	_____
Effective Date	_____	Rate	_____
Effective Date	_____	Rate	_____
Effective Date	_____	Rate	_____

4 Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class

5 This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until: a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. 9. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

3.

The Employer agrees to increase the contributions to the Health & Welfare Fund on July 1st each contract year by the amount required by the Fund Trustees to maintain the Top level of benefits not to exceed the maximum specified above in any year.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. The Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer; or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. 6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. § 104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contribution is owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

Effective Date:	_____	Rate:	_____	_____	_____

* Not to Exceed

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

Any changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. 6. The Employer agrees to make contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/overseas pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of unformed service as defined at 10 C.F.R. §104.3.

However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of unformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. 11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): _____

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	4/1/12	Rate:	\$52.90 day/\$264.50 max week
Effective Date:	4/1/13	Rate:	\$55.00 day/\$275.00 max week
Effective Date:	4/1/14	Rate:	\$57.20 day/\$286.00 max week
Effective Date:	4/1/15	Rate:	\$59.50 day/\$297.50 max week
Effective Date:	4/1/16	Rate:	\$61.90 day/\$309.50 max week

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	not applicable	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.
7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).
8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.
9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.
10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).
11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.
12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.
13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.
14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

5. This agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date: <u>MAY 1, 2012</u>	Rate: <u>\$ 40.10 / DAY</u>

Effective Date: _____	Rate: _____

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date: <u>MAY 1, 2012</u>	Rate: <u>\$ 9.30 / Hour</u>
Effective Date: <u>MAY 1, 2013</u>	Rate: <u>\$ 9.70 / Hour</u>
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). 11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contract Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): _____

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

Effective Date:	<u>FEBRUARY 7, 2018</u>	Rate:	<u>\$115.50/WEEK</u>
Effective Date:	<u>FEBRUARY 7, 2019</u>	Rate:	<u>\$120.10/WEEK</u>

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	<u>N/A</u>	Rate:	<u>N/A</u>
Effective Date:	<u>/</u>	Rate:	<u>/</u>
Effective Date:	<u>/</u>	Rate:	<u>/</u>
Effective Date:	<u>/</u>	Rate:	<u>/</u>
Effective Date:	<u>/</u>	Rate:	<u>/</u>

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding, or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. 9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all the expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. 10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their designated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will terminate upon the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election is held with respect to the Fund, the Agreement shall remain in effect with respect to the remainder of the bargaining unit.

8. When a new collective bargaining agreement is signed or the Employer and the Union agree to alter the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund. The Fund shall have the right to review the entire agreement or modification and to object to the Employer's obligation to contribute to the Fund. Any agreement or modification which is not submitted to the Fund as required by this paragraph, shall not be binding on the Union and the Agreement and the entire agreement or modification shall remain in effect. The following agreements shall not be valid: (a) an agreement that purports to retroactively alter the rate of the Employer's contribution or to contribute to the Fund; (b) an agreement that purports to retroactively reduce the contribution rate payable to the Pension Fund or (c) an agreement that purports to retroactively alter the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

12. The Employer acknowledges that it is subject to the Fund's election selection rule (Section 104.3) and agrees that if the Fund's election selection rule is violated, it will not enter into any agreement or engage in any practice that violates the election selection rule.

13. This Agreement shall be in full compliance with the laws of the United States. In all actions taken by the Fund to enforce the terms of this Agreement, including actions to collect delinquent contributions or to enforce the election selection rule, the laws of the United States shall apply. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the term of the collective bargaining agreement. 4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including snow up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of unformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency: a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions owed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the union ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. 9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/survivorship pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed retiree member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement. 13. This Agreement shall in all respects be construed according to the laws of the United States. THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the job classification(s) of: Drivers/Combination Men and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund, all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

Effective Date: <u>April 1, 2014</u>	Rate: <u>\$142.90</u>
Effective Date: <u>April 1, 2015</u>	Rate: <u>\$151.50</u>
Effective Date: <u>April 1, 2016</u>	Rate: <u>\$157.60</u>
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

3. The Employer shall contribute to the Health and Welfare Fund per week/hour (choose one) (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. 5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): _____

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	<u>February 1, 2014</u>	Rate:	<u>\$274.00</u>
Effective Date:	<u>February 1, 2015</u>	Rate:	<u>\$290.40</u>
Effective Date:	<u>February 1, 2016</u>	Rate:	<u>\$302.00</u>
Effective Date:	<u>February 1, 2017</u>	Rate:	<u>\$314.10</u>
Effective Date:	_____	Rate:	_____

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. 9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. 10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

See CBA

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	<u>01/01/2014</u>	Rate:	<u>\$ 168.70</u>
Effective Date:	<u>01/01/2015</u>	Rate:	<u>\$ 162.20</u>
Effective Date:	<u>01/01/2016</u>	Rate:	<u>\$ 166.80</u>
Effective Date:	<u> </u>	Rate:	<u> </u>
Effective Date:	<u> </u>	Rate:	<u> </u>

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	<u>01/01/2014</u>	Rate:	<u>\$ 337.70</u>		
Effective Date:	<u>01/01/2015</u>	Rate:	<u>\$ 367.00</u>	<u>NOT TO EXCEED</u>	
Effective Date:	<u>01/01/2016</u>	Rate:	<u>\$ 388.10</u>	<u>NOT TO EXCEED</u>	
Effective Date:	<u> </u>	Rate:	<u> </u>		
Effective Date:	<u> </u>	Rate:	<u> </u>		

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until: a) the Trustees decide to terminate the participation of the Employer and provide written notice to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

AGREEMENT

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs, and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 80-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. 4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit a strike agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. 8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s): TRUCK DRIVER

2. The Employer shall contribute to the Pension Fund for each Covered Employee at the following rates:

Effective Date:	<u>3-1-2013</u>	Rate:	<u>\$99.00</u>
Effective Date:	<u>3-1-2014</u>	Rate:	<u>\$103.00</u>
Effective Date:	<u>3-1-2015</u>	Rate:	<u>\$107.10</u>
Effective Date:	<u>/</u>	Rate:	<u>/</u>
Effective Date:	<u>/</u>	Rate:	<u>/</u>

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	<u>3-3-2013</u>	Rate:	<u>\$288.00</u>
Effective Date:	<u>3-2-2014</u>	Rate:	<u>Out to Excess 316.80</u>

Effective Date:	<u>/</u>	Rate:	<u>/</u>
Effective Date:	<u>/</u>	Rate:	<u>/</u>

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. 6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the following job classification(s):

and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund and all amendments subsequently adopted as well as all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

Effective Date:	April 1, 2011	Rate:	\$ 46.20

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	Rate:			
Effective Date:	Rate:			
Effective Date:	Rate:			
Effective Date:	Rate:			
Effective Date:	Rate:			

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the term of the collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s) b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement including actions to collect delinquent contributions or to conduct audits the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. 4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/soverance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s) adverse selection rule (including Special Bulletin 80-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the job classification(s) of: Drivers/Combination Men and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund, all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

Effective Date: <u>April 1, 2014</u>	Rate: <u>\$142.90</u>
Effective Date: <u>April 1, 2015</u>	Rate: <u>\$151.50</u>
Effective Date: <u>April 1, 2016</u>	Rate: <u>\$157.60</u>
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

3. The Employer shall contribute to the Health and Welfare Fund per week/hour (choose one) (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

3. Health and Welfare Fund - Not Applicable

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

THIS AGREEMENT sets forth the terms under which the Employer will participate in the Central States, Southeast and Southwest Areas Pension Fund ("Pension Fund") and/or the Central States, Southeast and Southwest Areas Health and Welfare Fund ("Health and Welfare Fund") in accordance with its collective bargaining agreement with the Union covering the job classification(s) of: DRIVERS/COMBINATION MEN and any other job classification covered by the collective bargaining agreement.

1. The Union and Employer agree to be bound by the Trust Agreement(s) of the Pension Fund and/or the Health and Welfare Fund, all rules and regulations presently in effect or subsequently adopted by the Trustees of the Fund(s) and accept the respective Employer and Employee Trustees and their successors.

2. The Employer shall contribute to the Pension Fund _____ per week/day/hour (choose one) (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: <u>APRIL 1, 2014</u>	Rate: <u>\$142.90</u>
Effective Date: <u>APRIL 1, 2015</u>	Rate: <u>\$151.50</u>
Effective Date: <u>APRIL 1, 2016</u>	Rate: <u>\$157.60</u>
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

3. The Employer shall contribute to the Health and Welfare Fund per week/hour (choose one) (the "Contribution Period") for each Covered Employee at the following rates:

Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____
Effective Date: _____	Rate: _____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) unless the collective bargaining agreement explicitly excludes contributions on casual employees. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 10 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rules (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rules.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until: a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employees shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated) including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. 9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. 11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

3. The Employer shall contribute to the Health and Welfare Fund for each Covered Employee at the following rates:

Effective Date:	<u>not applicable</u>	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____
Effective Date:	_____	Rate:	_____

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until a) the Trustees decide to terminate the participation of the Employer and provide written notice of their decision to the Employer specifying the date of termination of participation or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s)' Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute or c) the date the NLRB certifies the result of an election that terminates the Union's representative status or d) the date the Union's representative status terminates through a valid disclaimer of interest. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund. In the event an NLRB election or disclaimer of interest referred to in c) or d) relates to only part of the bargaining unit, this Agreement shall remain in effect with respect to the remainder of the bargaining unit.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s)' Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable. The following agreements shall not be valid: a) an agreement that purports to retroactively eliminate or reduce the Employer's statutory or contractual duty to contribute to the Fund(s); b) an agreement that purports to prospectively reduce the contribution rate payable to the Pension Fund or c) an agreement that purports to prospectively eliminate the duty to contribute to the Pension Fund during the stated term of a collective bargaining agreement that has been accepted by the Pension Fund.

7. For purposes of this Agreement, the term "Covered Employee" shall mean any full-time or part-time employee covered by a collective bargaining agreement requiring contributions to the Fund(s) and includes casual employees (i.e. short term employees who work for uncertain or irregular duration) except a casual employee shall not be a Covered Employee with respect to the Health and Welfare Fund if the collective bargaining agreement explicitly excludes casual employees from participation in the Health and Welfare Fund. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee for any period he/she receives, or is entitled to receive, compensation (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of uniformed service as defined at 32 C.F.R. §104.3.

9. On or before the 15th day of each month, the Employer must report to the Fund(s) any change in the Covered Employee workforce (including, but not limited to new hires, layoffs or terminations) which occurred during the prior month and must pay all contributions owed for the prior month. In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

11. The Trustees shall not be required to submit any dispute concerning the Employer's obligation to pay contributions to any grievance/arbitration procedure set forth in any collective bargaining agreement.

12. The Employer acknowledges that it is aware of the Fund(s)' adverse selection rule (including Special Bulletin 90-7) and agrees that while this Agreement remains in effect, it will not enter into any agreement or engage in any practice that violates the adverse selection rule.

13. This Agreement shall in all respects be construed according to the laws of the United States. In all actions taken by the Trustees to enforce the terms of this Agreement, including actions to collect delinquent contributions or to conduct audits, the Illinois ten year written contract statute of limitations shall apply. The Employer agrees that the statute of limitations shall not begin to accrue with respect to any unpaid contributions until such time as the Fund(s) receive actual written notice of the existence of the Employer's liability.

14. This Agreement may not be modified or terminated without the written consent of the Fund(s). To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.

4. Contribution rate changes after the last Effective Date set forth in paragraphs 2 and 3 shall be determined by each new collective bargaining agreement and such rate changes shall be incorporated into this Agreement. The parties may execute an interim agreement establishing contribution rates during the periods when a new collective bargaining agreement is being negotiated. In the absence of an interim agreement, the contribution rate required to be paid after termination of a collective bargaining agreement and prior to either the execution of a new collective bargaining agreement or the termination of this Agreement, shall be the rates in effect on the last day of the terminated collective bargaining agreement. However, the Trustees reserve the right to reduce benefit levels if the contribution rate is or becomes less than the then published rate for the applicable benefit plan or class.

5. This Agreement and the obligation to pay contributions to the Fund(s) will continue after the termination of a collective bargaining agreement and during a strike except no contributions shall be due during a strike unless the Union and the Employer mutually agree in writing otherwise. This Agreement and the Employer's obligation to pay contributions shall not terminate until either a) the Trustees decide to terminate the Agreement and provide written notice of their decision to the Employer or b) the Employer is no longer obligated by a contract or statute to contribute to the Fund(s) and the Fund(s) have received a written notice directed to the Fund(s) Contracts Department at the address specified above sent by certified mail with return receipt requested which describes the reason why the Employer is no longer obligated to contribute. In the event the Employer participates in both the Pension Fund and the Health and Welfare Fund and the termination referred to in a) or b) relates to only one Fund, then this Agreement shall remain in effect with respect to the other Fund.

6. When a new collective bargaining agreement is signed or the Employer and the Union agree to change the collective bargaining agreement, the Employer shall promptly submit the entire agreement or modification to the Fund(s) Contracts Department by certified mail (return receipt requested) at the address specified above. Any agreement or understanding which affects the Employer's contribution obligation which has not been submitted to the Fund(s) as required by this paragraph, shall not be binding on the Trustees and this Agreement and the written agreement(s) that has been submitted to the Fund(s) shall alone remain enforceable.

7. Covered Employee shall not include any person employed in a managerial or supervisory capacity or any person employed for the principal purpose of obtaining benefits from the Fund(s).

8. The Employer agrees to remit contributions on behalf of each Covered Employee who receives, or is entitled to receive, compensation for any part of the Contribution Period (regardless of whether the employment relationship is terminated), including show up time pay, overtime pay, holiday pay, disability or illness pay, layoff/severance pay, vacation pay or the payment of wages which are the result of any National Labor Relations Board proceeding, grievance/arbitration proceeding or other legal proceeding or settlement. If the collective bargaining agreement states that contributions shall not be due on newly hired Covered Employees for a specified waiting period, no contributions shall be due until the Covered Employee completes the specified waiting period. If required by the applicable collective bargaining agreement, contributions shall also be made to the Fund(s) on behalf of any Covered Employee who is not working due to illness or injury even if the Covered Employee is not entitled to compensation. The Employer shall pay any contributions that would have otherwise been paid on any Covered Employee who is a re-employed service member or former service member but for his or her absence during a period of unformed service as defined at 10 C.F.R. §104.3.

In the event of a delinquency, a) the Employer shall be obligated to pay interest on the monies due to the Fund(s) from the date when payment was due, to the date when the payment is made, together with all expenses of collection incurred by the Fund(s), including, but not limited to, attorneys' fees and costs and b) at the option of the Trustees or their delegated representative, the payment of contributions that accrue after the Employer has become delinquent shall be accelerated so that the contributions owed for each calendar week (Sunday through Saturday) shall be due on the following Monday. If the Employer fails to report changes in the covered workforce on time, the Employer must pay the contributions billed by the Health and Welfare Fund regardless of actual terminations, leaves of absence, layoffs or other changes in the workforce. The Trustees reserve the right to terminate the participation of any Employer that fails to timely pay required contributions.

10. The Employer shall provide the Trustees with access to its payroll records and other pertinent records when requested by the Fund(s). If litigation is required to either obtain access to the Employer's records or to collect additional billings that result from the review of the records, all costs incurred by the Fund(s) in conducting the review shall be paid by the Employer and the Employer shall pay any attorneys' fees and costs incurred by the Fund(s).

14. This Agreement may not be orally modified or terminated. To the extent there exists any conflict between any provisions of this Participation Agreement and any provisions of the collective bargaining agreement, this Participation Agreement shall control.

IN WITNESS WHEREOF, said Employer and Union have caused this Instrument to be executed by their duly authorized representatives, the day and year first above written.
