Letter of Understanding

between

Teamsters Local Union No. 507

and

Riser Foods Company

This Letter of Understanding supplements the extended collective bargaining agreement entered into by and between Riser Foods Company ("Riser" or the "Employer") and Teamsters Local Union No. 507 ("Local 507" or the "Union"), for the term of April 1, 2011, to April 1, 2015, (the "Riser-Local 507 CBA"), and is intended to be consistent with the Settlement Agreement and Release entered into between Riser and the Central States, Southeast and Southwest Areas Health and Welfare Fund and the Central States, Southeast and Southwest Areas Pension Fund (collectively "Central States Funds"), dated on or about August 17, 2011, a copy of which is attached hereto as Exhibit A.

The parties to the extended collective bargaining agreement agree that pursuant to the settlement entered into between Riser and the Central States Funds, for so long as that settlement agreement remains in effect, the first three of every five drivers hired by Riser after August 1, 2011, will be covered by the Central States, Southeast and Southwest Areas Pension Fund ("Central States Pension Fund"), and the next two drivers hired by Riser after August 1, 2011, will be covered by the Cleveland Bakers and Teamsters Pension Fund ("CBT Pension Fund") as provided in the 2011 – 2015 labor agreement between Riser and Local 507. For the first three of every five drivers hired, Riser will make weekly contributions to the Central States Pension Fund, and the weekly contribution rates to the Central States Pension Fund will be equal to the then-current rate applicable to Riser's contributions to the CBT Pension Fund. For the next two drivers hired, Riser will make contributions to the CBT Pension Fund pursuant to said labor agreement. It is further agreed that a newly hired driver's benefit accrual rate in the Central States Pension Fund will be 1% of the contributions paid on the driver's behalf to a maximum benefit accrual of $15.00 per year, and that any amount paid after an employee reaches the $15.00 annual benefit accrual will be treated as a participation fee. The parties to the extended collective bargaining agreement acknowledge and agree that during the term of that agreement the payment of employer contributions by Riser to each respective pension plan, the Central States Pension Fund and the CBT Pension Fund, are intended to provide for accrual of pension benefits for affected employees that are substantially the same.

As part of the agreement between Local 507 and Riser, Riser agrees to accept responsibility for up to $500,000 for any loss or damages awarded against the Union, its successors and assigns, officers, agents, representatives, and attorneys, (including payment of attorney's fees and costs to defend any such proceeding or litigation...
irrespective whether damages are awarded or agreed by settlement) in connection with any litigation or proceeding brought by any then current or former Local 507 represented employee, by or on behalf of such employee, who claims he or she is entitled to any type of pension or pension credit from either the Central States Pension Fund, or the CBT Pension Fund, as a result of this Letter of Understanding or the labor agreement. The Union agrees that Riser will immediately be notified of any and all claims, and Riser will be actively involved in any such litigation or proceeding, and no settlement may be entered into without Riser's approval, provided further, however, that any such reimbursement or indemnification obligation on the part of Riser shall cease after December 31, 2025.

The parties further agree that this Letter of Understanding shall be considered ongoing and continuously in effect, through all subsequent renewals of the collective bargaining agreement by and between Riser and Local 507, without the necessity of re-execution of the Letter of Understanding, unless the parties mutually agree to the contrary.

IN WITNESS WHEREOF the parties by their authorized representatives have executed this Supplemental Letter of Understanding on the date entered below.

Mellon Bank, Central States Funds, Dept. 10291, Palatine IL 60055-0291

Contributions to the Health and Welfare Fund and to the Pension Fund must be made for each week on each regular employee, even though such employee may work only part-time under the provisions of this Contract, including paid vacations and weeks where work is performed for the Employer but not under provisions of this Contract, and although contributions may be made for those weeks into some other Health & Welfare Fund and/or Pension Fund.

Employees who work either temporarily or in cases of emergency under the terms of this Contract will not be covered by the provisions of this Article.

If an employee is absent because of illness or off-the-job injury and notifies the Employer of such absence, the Employer will continue to make the required contributions to the Health and Welfare Fund and Pension Fund for a period of four (4) weeks. If an employee is injured on the job, the Employer will continue to pay the required contributions until such employee returns to work; however, such contribution will not be paid for a period of more than twelve (12) months.

If an employee is granted a leave of absence, the Employer will collect from said employee, prior to the leave of absence being effective, sufficient monies to pay the required contributions into the Health and Welfare Fund during the period of absence.

In those instances where the Employer is involved in an "owner-operators" arrangement, there will be no deduction from equipment rental of owner-operators by virtue of the contributions made to the Health and Welfare and Pension Fund, regardless of whether the manner of computation is at the minimum rate or more and regardless of the manner of computation of owner-driver compensation.

Notwithstanding anything herein contained, it is agreed that in the event any Employer is delinquent at the end of a monthly period in the payment of his contribution to the Health and Welfare and/or Pension Funds, in accordance with the rules and regulations of the Trustees of such Funds and
after the proper official of the Local Union will have given seventy-two (72) hour notice to the Employer of such delinquency in the Health and Welfare and Pension Fund payments, the Union will have the right to take such action as it deems necessary until such delinquent payments are made, and it is further agreed that in the event such action is taken, the Employer will be responsible to the employees for losses resulting.

It is agreed that the Welfare Fund and the Pension Fund will be separately administered each jointly by Employer and Union in compliance with all applicable laws and regulations, both State and Federal.

By the execution of this agreement, the Employer authorizes the Employer's Associations who are signatories to collective bargaining agreements with Teamster Unions containing similar provisions, to enter into appropriate trust agreements necessary for the administration of such funds, and to designate the Employer Trustees under such Trust Agreements, hereby waiving all notice hereof and ratifying all actions already taken or to be taken by such Trustees within the scope of their authority.

All employees covered by this Agreement will be paid for all time spent in the service of the Employer. Rates of pay provided for by this Agreement will be minimums, except that over scale wage rates may be established or maintained only by mutual agreement of both parties where not already protected by Article 14. Time will be computed from the time that the employee is ordered to report for work and registers in, until the time that he is effectively released from duty. All time lost due to delays as a result of overloads or certificated violations involving federal, state, or city regulations, which occur through no fault of the driver, will be paid. Such payment for driver's time when not driving will be at the hourly rate.

If not put to work, employees will be guaranteed four (4) hours' pay at the rate specified in this Agreement.

Individual employer differences settled between the Employer and the Union shall be conclusive and binding only on all persons affected at that dealership.

It is the intent and purpose of the parties hereto that this Agreement shall promote and improve the industrial and economic relationship between the Employer and the Union representing its employees.

ARTICLE 1

CONDITIONS OF EMPLOYMENT--ALL CLASSIFICATIONS--ALL EMPLOYEES

Section 1.1. RECOGNITION. The Employer recognizes the Union as the sole bargaining agent for the employees under its jurisdiction. It is further agreed that no other labor organization or group of employees shall be recognized in any form for any purpose respecting collective bargaining. The Employer agrees that all duties coming under the jurisdiction of or specified in this Contract shall be performed only by members of the bargaining unit.

The bargaining unit is defined to include those employees covered by the job classifications listed in Article 21 and work directly relating to such operations.

Section 1.2. UNION SECURITY. It is understood and agreed by and between the parties hereto that as a condition of employment, all persons who are hereafter employed by the Employer in the unit which is the subject of this Agreement shall become members of the Union not later than the thirty-first (31st) day following the beginning of their employment or the execution date of this Agreement, whichever is the later; that the continued employment by the Employer in said unit of persons who are already members in good standing of the Union shall be conditioned upon those persons continuing their payment of the periodic dues of the Union, and that the continued employment of persons who were in the employ of the Employer prior to the date of this Agreement and who are not now members of the Union, shall be conditioned upon those persons becoming members of the Union not later than the thirty-first (31st) day following the execution date of this Agreement. The failure of any persons to become a member of the Union at such required times shall obligate the Employer, upon written notice from the Union to such effect and to the further effect that Union membership was available to such person on the same terms and conditions generally available to other members, to forthwith discharge such person. Further, the failure of any person to maintain their Union membership through the payment of periodic dues uniformly required as a condition of membership, as required herein shall, upon written notice to the Employer by the Union to such effect, obligate the Employer to discharge such person within ten (10) work days after receipt of such notice. Notwithstanding any provision of this contract to the contrary, the Employer may have children and grandchildren of the dealers and owners perform bargaining unit work, not to exceed one year for training purposes, and are not subject to this Agreement.
Section 24.2. In the event of the passage of national or state health insurance legislation which substantially, materially affects the benefits provided by the Automotive, Petroleum and Allied Industries Health and Welfare, Dental and Vision Fund or the total cost to the Employer or employees of providing such welfare benefits (including any new or increased taxes for that purpose), either party may reopen this Agreement upon sixty (60) days' written notice to the other for the purpose of negotiating new or revised welfare and/or wage provisions to reflect such changed conditions. If the parties cannot agree on a resolution of their differences, they shall either submit their dispute to final offer (baseball type) arbitration by mutual agreement at that time or, if both parties are not mutually agreeable to arbitration under those conditions then, notwithstanding the provisions of Section 6.1, the parties shall be free to use all lawful, economic recourse to settle such dispute.

ARTICLE 25

ACT OF GOD

No matter respecting such Plan or any differences arising thereunder shall be subject to the grievance procedure of this or any other labor agreement. All reasonable expenses incurred in connection with the administration of the Plan and its related Trust shall be paid for from its assets. The Association Plan will feature immediate vesting of all employee contributions.

The Employer can use its 401(k) plan or move to the Association Plan.

All 401(k) contributions made by the Member should be in the possession of the St. Louis Auto Dealers' Association on or before the fifth (5th) working day of the month following the month that the contributions were made.

MASTER AGREEMENT

This Agreement is entered into, effective on March 26, 2013 by and between SHEPARD EXPO EXPOSITION ("Employer") and Truck Drivers Local Union No. 299, affiliated with the International Brotherhood of Teamsters ("Union"). This Agreement shall be considered as the "Master Agreement" between the Employer and the Union, referenced in another agreement, known as the "Exposition Workers' Agreement," jointly entered into between the Employer and the Union and Local 25 of the Ironworker's Union. Any conflict between the Exposition Workers Agreement and this "Master Agreement" shall be resolved in favor of this Master Agreement.

Article 1
Intent and Purpose

1.1 The intent and purpose of this agreement is to promote cooperation and harmony between the Employer and the Union, to recognize mutual interests, to provide a channel through which information and grievances may be transmitted, to formulate rules and procedures to govern the relationship between the Employer and the Union, to promote efficiency and service, to maximize and preserve the greatest work opportunities as are humanly possible for the benefit of both parties and to set forth herein the wages, hours and other terms and conditions of employment for employees who are covered by this Master Agreement.

Article 2
Recognition and Jurisdiction

2.1 The Union shall be the sole and exclusive bargaining representative for all employees of the Employer performing work within the Union's jurisdiction in the State of Michigan. This shall include work traditionally performed by Teamsters at show and convention sites in the Detroit Metropolitan Area, it being understood that certain of such work is shared by the Ironworkers Union (by means of composite Teamsters/Ironworker crews) and that other work performed at shows and convention sites may be within the traditional jurisdiction of other unions. The Employer shall not enter into another agreement with another union that will intentionally diminish the jurisdiction of the Union.

Article 3
Favored Nations

3.1 The Union will not enter into an Agreement with any contractor providing services at the City of Detroit Civic Center, Hyatt Regency Dearborn or Renaissance Center with different terms and conditions as set forth in this Master Agreement or the Exposition Workers Agreement. If the Union does enter into an Agreement with a contractor providing services at any of the above referenced facilities with different terms, then the Employer, at its option and upon notice to the Union, may implement the different terms.

All payments to the Welfare Fund must be received by the Fund within ten (10) days from the end of each calendar month to Bank One which has been made depository for the Michigan Conference of Teamsters Welfare Fund.

Notwithstanding anything contained herein, it is agreed that in the event the Employer is delinquent at the end of a monthly period in the payment of its contributions to the Welfare Fund, in accordance with the rules and regulations of the Trustees of such Fund and after the proper official of the Local Union will have given seventy-two hour notice to the Employer of such delinquency, the Union shall have the right to take such action as it deems necessary until such delinquent payments are made, and it is further agreed that in the event such action is taken, the Employer will be responsible to the employees for resulting losses.

If a notice is given in accordance with the provisions of this Section, the expiration date of this Agreement will be the sixty-first (61st) day following such notice.

Section 6. In the event of war, declaration of emergency, or imposition of civilian controls, during the life of this Contract, either party may reopen the same upon sixty (60) days written notice and request re-negotiation of matters dealing with wages and hours. ARTICLE I: PURPOSE

Section 1: The purpose of this Agreement is to regulate the mutual relations of the Company and the Union in its ready-mix operation, with a view of securing harmonious cooperation between the Company and its ready-mix truck drivers and mechanical employees; avoiding disputes, strikes, and lockouts; avoiding delays and expenses, so as to secure as much continuous employment for the employees as possible in order that stable conditions may prevail for the Company and in order that costs may be held as low as possible, consistent with fair wages and fair conditions of employment.

ARTICLE II: DECLARATION OF PRINCIPLES

Section 1: The parties to this Agreement believe that an agreement arrived at by means of collective bargaining will further the interests of the Company, and they agree to use their best effort to bring about such action and further believe that such an Agreement should contain the following principles:
ARTICLE XII: PENSION PLAN

Effective May 1, 2012, and contributing thereafter during this Agreement, the Company shall contribute to the Central States Southeast and Southwest Areas Pension Fund the following sums each week for each employee covered by this Agreement set forth in the schedule of contributions contained in the Participation Agreement which is made a part hereof and also set forth herein as follows: Effective May 1, 2014; $274.00 per week; May 1, 2015; $290.40 per week; May 1, 2016; $302.00 subject however to the following conditions:

(a). No contribution shall be required for the first thirty (30) days of employment.

(b). In any work week where an employee performs less than sixteen (16) hours of actual work, no contribution shall be required, except for purposes of this subsection, paid vacation hours shall be considered "hours of actual work".

The Company agrees to tender a legal defense to the Union in any resulting litigation brought by a bargaining unit employee charging a breach of the duty of fair representation by the Union or a breach of statutory fiduciary duties toward said employee by either the Union or the Trustees of the Pension Fund, and to hold same harmless from any resulting liability legally established against the Union which results from the Company and the Union negotiating this subparagraph of the Agreement and the Company making payments to the Pension Fund in accordance with these payment procedures.

Should this subparagraph of the Agreement be declared illegal by a decree of a Court of competent jurisdiction, or by legislation, or by decision of any authorized governmental agency, the parties shall meet as soon thereafter as possible and negotiate on a replacement clause and on any other adjustment thereby required.

(c). After the first thirty (30) days of employment, contributions to the Pension Fund must be made for each week on each regular or extra employee under the provisions of this Agreement and although contributions may be made for those weeks into some other pension fund. Employees who work either temporarily or in cases of emergency under the terms of this Agreement shall not be covered by the provisions of this subparagraph.

(d). Actions for delinquent contributions may be instituted by the Local Union, the Area Conference, or the Trustees. Employers who are delinquent must also pay all litigation costs, including reasonable attorney fees.

(e). Remittances of pension contributions shall be made at the end of each calendar
month for all of the work weeks for which contributions are due contained in the preceding calendar month. Should any Company be in default of its payments provided above and the same are not made within twenty (20) calendar days following the end of the calendar month in which the work was performed, and such Company has been notified by certified letter, return receipt requested, concerning the delinquency of payments due, and the delinquent Company does not comply with the request for payment within seventy-two (72) hours after receipt of such letter, the Union shall thereafter have the right to strike and picket such delinquent Company, and that Company only, without being in violation of the No-Strike/No-Lockout provisions of this Agreement.

ARTICLE XIII: HIRING HALL

Section 1: The Company agrees that prior to hiring a new driver, it will first call the Union and give the Union the opportunity to refer qualified mixer drivers for employment consideration. The Company shall be the sole judge of the employee's qualifications in deciding whether he is acceptable for referral or hire. The Company shall have the right to accept or reject any applicant so referred for employment. If the Union has no mixer driver for referral with experience in the industry, possessing the skills and qualifications required by the Company, the Company can then hire from any source available. If the Company cannot then find a qualified mixer driver and must hire and train a driver with no previous mixing experience, it will first give the Union an opportunity to refer an inexperienced mixer driver for employment consideration, with the Company having the same right to judge qualifications and the same right of rejection as are stated above.

ARTICLE XIV: CHECKOFF

Section 1 - Deduction: The Company, where so authorized and directed by an individual employee in writing, upon the authorization and direction form furnished by the Union, will deduct Local Union dues and initiation fees from the wages of such employee and remit the same to the Union where the authorization and direction form is permanently filed with the Company. No deduction shall be made which is prohibited by applicable law.
