(d) All such payments to be made to the Fund are to be received by the Fund office on or before the tenth (10th) day of the month following the month in which said monies were accrued, except when otherwise agreed by the Fund, but not to exceed by the end of the same month due.

However, if these employees are included, the Employer agrees to make contributions on all employees in this category subject to the same conditions and on the same basis as is provided in this Participation Agreement, and the Employer also agrees to continue to make contributions on all these employees for as long as there shall be a collective bargaining agreement between the Employer and the Union, subject to any and all rules and regulations or decisions covering this group that are issued by the Fund. The Employer must request in writing and receive written approval from the Fund in order to have these non-covered employees included. Such request must specifically define the category or categories involved.

5. Should any of the provisions of this Participation Agreement be declared to be in violation of the Labor-Management Relations Act of 1947, as amended, or any other State or Federal statute or regulation, such declaration shall in no way impair the effectiveness or continuity of the rest of the provisions of this Participation Agreement and such provisions are hereby expressly declared to be saved from such illegality.
