

**Bricklayers & Allied Craftsmen Local No. 7 Pension Plan
Checklist Item #25**

If the answer to Checklist Item #24 is yes, does the application specify the effective date of the proposed partition and include a plan-year-by-plan-year projection of the amount of the reduction in benefit payments attributable to the partition? See section 6.02.

Document 25.1 discusses the year-by-year projection of the reduction of benefit payments attributable to a proposed partition under § 4233 of ERISA.

6.02 Year-by-Year Projection of the Reduction of Benefit Payments Attributable to the Partition (If Applicable)

Document 25.1

**Pension Plan's Year-by-Year Projection of
Reduced Benefit Payments under the Proposed Partition**

Checklist Item #24 is not applicable to this application, so the Pension Plan is not required to provide a year-by-year projection of reduced benefit payments attributable to a proposed partition under § 4233 of ERISA.
