

Capital Projects Fund Award Fact Sheet

American Samoa

Treasury approves American Samoa's plan to invest \$14.3 million of CPF funding in a multi-purpose community facility to improve resources for communities that enable work, education, and health monitoring.

American Samoa Capital Projects Fund Program Overview

- **Program Summary:** \$14.3 million for Multi-Purpose Community Facilities (100% of CPF allocation)
- **Program Description:** The American Samoa Innovation & Technology Campus (ASITC) will provide residents with access to computers with high-speed internet as well as programming and services for workforce development, entrepreneurialism, and access to improved healthcare and wellness services.
- **Key State Contact:** American Samoa Department of Commerce

The facility will be located in the village of Tafuna, making it accessible to the vast majority of American Samoa's residents
