Capital Projects Fund Award Fact Sheet

Alabama

Treasury approves Alabama's plan to invest $182.3 million of CPF funding in broadband infrastructure projects that will provide high-quality internet to locations that lack access to adequate service.

Alabama Capital Projects Fund Program Overview

- **Program Summary:** $182.3 million for Broadband Infrastructure (100% of program allocation)
- **Locations to Be Served:** 55,000 (estimated)
- **Program Description:** The Alabama Broadband Capital Projects Fund (ABCPF) program is a competitive grant program designed to deploy last-mile infrastructure projects in rural areas of the state.
  - The program is designed to provide internet service with speeds of 100/100 Mbps symmetrical to households and businesses upon project completion.
  - Each of the internet service providers funded by the program will participate in the FCC's Affordable Connectivity Program (ACP) – a $30 per month subsidy for low-income families.
- **Key State Contact:** The Alabama Department of Economic and Community Affairs (ADECA)

*As reported by Alabama, estimates show that investments made using the Capital Projects Fund will serve ~**9% of locations** still lacking high-speed internet access in the state.*
