How to Create an ID.me Account

May 2024

Introduction

This document outlines the processes associated for credentialing and identity proofing as defined by NIST SP 800-63 v3, Digital Identity Guidelines, to obtain an ID.me credential. ID.me is a certified commercial identity provider offering Identity Assurance Level (IAL) 2 and Authentication Assurance Level (AAL) 2 credential.

- ▶ All Payroll Support Program recipients who attempt to logon to the CARES Portal for the first time need to sign up with ID.me through the following three-step process:
 - Email Verification (Slides 4– 5)
 - Two Factor Authentication Verification (Slides 6 – 9)
 - Identity Verification (Slides 10 – 30)
 - Examples are provided for the following Identity Verification Options
 - Option 1: Upload Photos of Your License or State ID (Slides 11 – 21)
 - Option 2: Virtual In-Person Identity Proofing (Slides 22 – 31)
- ▶ Process to logon to CARES Portal once ID.me registration is complete (Slides 33 through 35)
- ▶ NIST SP 800-63 v3

► Confirmation

The screenshot shows a confirmation page for ID.me + TREASURY. At the top, the logos for ID.me and TREASURY are displayed. Below the logos, the text reads "YOUR ACCOUNT IS NOW SECURE" followed by "Your phone number can now be used for two-factor authentication." A central icon depicts a padlock with a green checkmark. Below this, it says "Visit [ID.me My Account](#) to view and manage two-factor authentication settings." A light blue section titled "Recovery code" explains that a recovery code can be used if access to the two-factor authentication device is lost. A button labeled "Generate recovery code" is present. At the bottom, a blue button labeled "Continue" is highlighted with a red border.

Congratulations! You have enabled two factor authentication for your account. Next step is to verify your identity.

ID.me will send you an email notification that you enabled two-factor authentication.

You have enabled two-factor authentication for your account

Thank you for enabling two-factor authentication for your ID.me account.

Two-factor authentication is an additional layer of security designed to prevent unauthorized access to your account and protect your information with ID.me.

From now on, whenever you sign in, you can authenticate yourself using the following two-factor authentication option:
