

APPLICATION INSTRUCTIONS FOR EMERGENCY CAPITAL INVESTMENT PROGRAM

CAUTION: DRAFT – NOT FOR FILING

This is an early release draft of the application instructions (and related materials) for the Emergency Capital Investment Program, which the Department of the Treasury is providing for informational purposes. This draft is subject to modification. In the near future, Treasury will be releasing an online portal with the final application instructions and requirements. Entities seeking to apply for a capital investment under the ECIP may do so only through such online portal.

INTRODUCTION

The Department of the Treasury (Treasury) is providing these application instructions for Low- and Moderate-Income Community Financial Institutions considering to apply for a capital investment under the Emergency Capital Investment Program (ECIP or Program). Capitalized terms used throughout are defined in the Definitions section below.

General Authority. The Consolidated Appropriations Act, 2021 added Section 104A of the Community Development Banking and Financial Institutions Act of 1994 (the “Act”). Section 104A authorizes the Secretary of the Treasury to establish the Program to support the efforts of Low- and Moderate-Income Community Financial Institutions to, among other things, provide loans, grants, and forbearance for small businesses, Minority-owned businesses, and consumers, especially in Low-Income and Underserved Communities, including Persistent Poverty Counties, that may be disproportionately impacted by the economic effects of the COVID-19 pandemic by providing direct and indirect capital investments in Low-and Moderate-Income Community Financial Institutions.

This Program overview, application instructions, and application are issued pursuant to Section 104A(d) and (o)(9) of the Community Development Banking and Financial Institutions Act of 1994, as amended by the Consolidated Appropriations Act, 2021. These documents may be updated, revised, or modified at any time, and the requirements contained herein may be waived by the Secretary of the Treasury in his or her sole discretion to the extent permitted by law.

DEFINITIONS

The following definitions apply to these guidelines, the Emergency Investment Lending Plan, and to the application form.

“**Act**” means the Consolidated Appropriations Act, 2021.

“**Affiliate**” means any entity or person that Controls, is Controlled by, or is under common Control with another entity or person. For an Applicant that is a credit union, the term “affiliate” includes a credit union service organization, as defined under 12 C.F.R. part 712.

“**Control**” or “**Controlling Interest**” means owning, controlling, or holding not less than 20 percent, by vote or value, of the outstanding amount of any class of equity interest in an entity.

“**Community Development Financial Institution**” or “**CDFI**” has the same meaning as in 12 U.S.C. 4702.

“**Covered Entity**” means an entity for which a Covered Individual directly or indirectly holds a Controlling Interest.

“**Covered Individual**” means: (i) the President, the Vice President, the head of an Executive Department, or a Member of Congress, and (ii) the spouse, child, son-in-law, or daughter-in-law, as determined under applicable common law, of an individual described in clause (i).

“**Emergency Capital Investment Fund**” or “**ECIF**” means the Emergency Capital Investment Fund established under Section 104A(b) of the Community Development Banking and Financial Institutions Act of 1994, as amended by Division N, Title V, Subtitle B, Section 522 of the Act.

“**Emergency Investment Lending Plan**” means an investment and lending plan that meets the criteria set forth in Section 104A(b)(4) of the Community Development Banking and Financial Institutions Act of 1994, as amended by Division N, Title V, Subtitle B, Section 522 of the Act.

“**Emergency Capital Investment Program**,” “**ECIP**,” or “**Program**” means the Emergency Capital Investment Program established under Section 104A(b) of the Community Development Banking and Financial Institutions Act of 1994, as amended by Division N, Title V, Subtitle B, Section 522 of the Act.

“**Eligible Institution**” means any Low- and Moderate-Income Community Financial Institution that meets the criteria to participate in the Program.

“**Equity Interest**” means: (i) a share in an entity, without regard to whether the share is transferable or classified as stock or anything similar, (ii) a capital or profit interest in a limited liability company or partnership, or (iii) a warrant or right, other than a right to convert, to purchase, sell, or subscribe to a share or interest described in clause (i) or (ii), respectively.

“**Executive Department**” has the same meaning as in 5 U.S.C. 101.

“**FDIC**” means the Federal Deposit Insurance Corporation.

“**Fed**” means the Board of Governors of the Federal Reserve System.

“**Federally Insured Credit Union**” means any credit union that has deposits that are protected by the National Credit Union Share Insurance Fund.

“**Insured Depository Institution**” has the same meaning as in 12 U.S.C. 1813.

“**Low-Income**” means having an income, adjusted for family size, of not more than—

- for Metropolitan Areas, 80 percent of the area median income; and
- for Non-Metropolitan Areas, the greater of 80 percent of the area median income; or 80 percent of the statewide Non-Metropolitan area median income.

“**Low-Income Credit Union**” or “**LICU**” means a credit union that received designation of low-income status from the National Credit Union Administration, pursuant to 12 C.F.R. § 701.34.

“**Low- and/or Moderate-Income**” or “**LMI**” means an individual income that is less than 120 percent of the area median income, or a median family income that is less than 120 percent, in the case of a geography.

“**Low- and Moderate-Income Community Financial Institution**” means any financial institution that is (i) a CDFI or an MDI and, (ii):

- an Insured Depository institution that is not controlled by a BHC or SLHC that is also an Eligible Institution;
- a Bank Holding Company;
- a Savings and Loan Holding Company; or
- a Federally Insured Credit Union.

“**Low-Income Area/Community**” means a local community, neighborhood, or rural district in which the median income does not exceed 80 percent of the median income for the area in which such census tract or block numbering area is located. With respect to a census tract or block numbering area located within a Metropolitan Area, the median family income shall be at or below 80 percent of the Metropolitan Area median family income or the national Metropolitan Area median family income, whichever is greater. In the case of a census tract or block numbering area located outside of a Metropolitan Area, the median family income shall be at or below 80 percent of the statewide Non-Metropolitan Area median family income or the national Non-Metropolitan Area median family income, whichever is greater.

“**Member of Congress**” means a member of the U.S. Senate or the U.S. House of Representatives, and the Resident Commissioner from Puerto Rico.

“**Metropolitan Area**” means area within a Metropolitan Statistical Area, as such term is defined in OMB Bulletin No. 15-01 and applied to the 2010 census tracts.

“**Minority**” means any Black American, Native American, Hispanic American, Asian American, Native Alaskan, Native Hawaiian, or Pacific Islander.

“**Minority Depository Institution**” or “**MDI**” means an institution that is:

- a minority depository institution as defined in section 308 of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (12 U.S.C. 1463 note); or
- considered to be a minority depository institution by the appropriate Federal banking agency or the National Credit Union Administration, in the case of an insured credit union; or
- listed in the Federal Deposit Insurance Corporation’s Minority Depository Institutions List published for the Third Quarter 2020.

“**Mutual Institution**” means a savings institution, other than a credit union, that is organized in a nonstock business form. All depositors in a mutual institution have a share in the ownership of the institution, according to the amounts of their deposits.

“**NCUA**” means National Credit Union Administration.

“**Non-Metropolitan Area**” means an area not contained within a Metropolitan Statistical Area, as such term is defined in OMB Bulletin No. 15–01 and applied to the 2010 census tracts.

“**OCC**” means the Office of the Comptroller of the Currency.

“**Other Targeted Population**” means individuals, or an identifiable group of individuals, who lack adequate access to financial products or financial services. The members of Other Targeted Populations shall reside within the boundaries of the United States (which shall encompass any State of the United States, the District of Columbia or any territory of the United States, Puerto Rico, Guam, American Samoa, the Virgin Islands, and the Northern Mariana Islands). This shall include such population so designated pursuant to any regulation issued by the CDFI Fund, and includes Black Americans, Hispanics, Asian Americans, Native Americans, Native Alaskans residing in Alaska, Native Hawaiians residing in Hawaii, and Other Pacific Islanders residing in Other Pacific Islands.

“**Parent Company**,” for an Applicant whose primary regulator is the FDIC, the Fed, or the OCC, has the same meaning as in 12 C.F.R. § 223.2, and for an Applicant whose primary regulator is the NCUA, has the same meaning as in 12 C.F.R. § 716.3.

“**Persistent Poverty County**” means any county, including county equivalent areas in Puerto Rico, that has had 20 percent or more of its population living in poverty over the past 30 years, as measured by the 1990 and 2000 decennial censuses and the 2011–2015 5-year data series available from the American Community Survey of the Bureau of the Census or any other territory or possession of the United States that has had 20 percent or more of its population living in poverty over the past 30 years, as measured by the 1990, 2000 and 2010 Island Areas Decennial Censuses, or equivalent data, of the Bureau of the Census.

“**Rural**” describes persons or areas within a county not contained within a Metropolitan Statistical Area, as such term is defined in OMB Bulletin No. 15-01 and applied using 2010 census tracts.

“**S Corporation**” has the same meaning as in 26 U.S.C. 1361.

“**Savings and Loan Holding Company**” or “**SLHC**” has the same meaning as in section 10(a)(1)(D) of the Home Owners’ Loan Act (12 U.S.C. 1467a(a)(1)(D)).

“**Secretary**” means the Secretary of the Treasury.

“**Subsidiary**” has the same meaning as in 12 U.S.C. 1813, except that a CDFI that is a corporation shall not be considered to be a subsidiary of any Insured Depository Institution or Depository Institution Holding Company that controls less than 25 percent of any class of the voting shares of such corporation, and does not otherwise control in any manner the election of a majority of the directors of the corporation.

“**Total Assets**” means for an Insured Depository Institution, the amount of total assets reported in the most recent Call Report, or for a BHC or SLHC, the total consolidated assets as reported in the most recent FR Y-9C. A BHC or SLHC that does not report total assets on a consolidated basis should report its Total Assets and also report the Total Assets of any subsidiary Insured Depository Institution.

“**Troubled Condition**” has the meaning given to such term under 12 C.F.R. 303.101(c) for an Applicant whose primary regulator is the FDIC, under 12 C.F.R. § 225.71 for an Applicant whose primary regulator is the Fed, under 12 C.F.R. 5.51(c)(7) for an Applicant whose primary regulator is the OCC, and for an Applicant whose primary regulator is the NCUA, the meaning given to such term under 12 C.F.R. 700.2.

“**Underserved Area/Community**” means a local community, neighborhood, or rural district that is an “investment area” as defined in 12 C.F.R. 1805.201(b)(3)(ii).

“**Urban**” describes persons or areas within a Metropolitan Statistical Area, as such term is defined in OMB Bulletin No. 15-01.

APPLICATION PROCESS

To be eligible to receive a capital investment under the Program, an Applicant must complete the Emergency Capital Investment Program Application Form. For each application received, the Secretary will consult with, and share certain application materials with, the FDIC, the Fed, the OCC, and/or the NCUA, as applicable, to determine whether the Applicant may receive a capital investment under the Program. Responses to the Emergency Investment Program Application, including the Emergency Investment Lending Plan, may be used to determine investment amounts or prioritization of determinations.

Applications determined to be complete will be reviewed and evaluated by the Treasury Department on an ongoing basis, in the order in which they are received, or by such other criteria that the Treasury Department may establish in its sole discretion. Applications received after [date] will generally not be considered, but the Secretary may, in his or her discretion and subject to the availability of the Program, consider such applications for approval.

ELIGIBILITY

Only Low- and Moderate-Income Community Financial Institutions are eligible to participate in the

Program. To be eligible to receive a capital investment under the Program, an Applicant must:

- provide the Secretary, along with the Appropriate Federal Banking Agency or the NCUA, as applicable, an Emergency Investment Lending Plan that:
 - demonstrates that not less than 30 percent of the lending of the Applicant over the past 2 fiscal years was made directly to LMI borrowers, to borrowers that create direct benefits for LMI populations, to Other Targeted Populations, or any combination thereof, as measured by the total number and dollar amount of loans;
 - describes how the business strategy and operating goals of the Applicant will address community development needs in communities that may be disproportionately impacted by the economic effects of COVID-19, which includes the needs of small businesses, consumers, nonprofit organizations, community development, and other projects providing direct benefits to LMI communities, Low-Income individuals, and Minorities within the Minority, Rural, and Urban Low-Income and Underserved Areas served by the Applicant;
 - includes a plan to provide community outreach and communication that, where appropriate, describes the availability and application process of receiving loans made possible by the Program through organizations, trade associations, and individuals that represent or work within or are members of Minority communities; and
 - includes details on how the Applicant plans to expand or maintain significant lending or investment activity in LMI Minority communities, especially those that may be disproportionately impacted by COVID-19, to historically disadvantaged borrowers, and to Minorities that have significant unmet capital or financial services needs; and
- agree to adhere to requirements on preferred stock and other financial instruments issued under the Program set forth in Section 104A(b) of the Community Development Banking and Financial Institutions Act of 1994, and implementing regulations adopted by Treasury.

An Applicant will certify the reasonableness of projections made in the Emergency Investment Lending Plan when it is submitted to Treasury, along with the Appropriate Federal Banking Agency or the NCUA. To determine what type of financial instrument the Applicant may be able to issue under the Program, as well as conditions related to the issuance and sale of such an instrument, please review the applicable eligibility criteria outlined in the following term sheets, which will be posted on the Treasury website:

- Senior preferred stock term sheet
- Subordinated debt terms for Mutual Institutions term sheet
- Subordinated debt terms for S Corporations term sheet
- Subordinated debt terms for credit unions term sheet

An institution is ineligible to participate in the Program if it is designated in Troubled Condition by the Appropriate Federal Banking Agency or the NCUA, as applicable, or is subject to a formal enforcement action with its primary Federal regulator that addresses unsafe or unsound lending practices. Applicants that are uncertain regarding eligibility status due to a formal enforcement action may contact the Program for further information.

CONFLICTS OF INTEREST

No Covered Entity is eligible for any investment made under the Program.

The principal executive officer and the principal financial officer, or individuals performing similar functions, of a Low- and Moderate-Income Community Financial Institution seeking to receive an investment made under the Program shall, before that investment is approved, certify to the Secretary and the Appropriate Federal Banking Agency or the NCUA, as applicable, that the Low- and Moderate-Income Community Financial Institution is eligible to receive the investment, including that the institution is not a Covered Entity.

For purposes of the Program certifications, “Covered Entity” means an entity in which a Covered Individual directly or indirectly holds a Controlling Interest.

For purposes of the Program certifications, “Covered Individual” means the President, the Vice President, the head of an Executive department as defined in 5 U.S.C. § 101, or a member of Congress (each a “Government Official” and collectively “Government Officials”), and the spouse, child, son-in-law, or daughter-in-law, as determined under applicable common law, of the Government Official (each a “Family Member” and any group of which are “Family Members”). The term “child” includes a step-child, but the term “spouse” does not include an ex-spouse. To determine a Covered Individual’s equity interest in an entity, the Government Official’s and Family Members’ equity interests shall be aggregated.

For purposes of the Program certifications, a “Controlling Interest” means owning, controlling, or holding not less than 20 percent, by vote or value, of the outstanding amount of any class of equity interest in an entity. An “equity interest” means (a) shares, (b) capital or profit interest in a limited liability company or partnership, or (c) a warrant or right (other than a right to convert) to purchase, sell, or subscribe to any such equity interest. The determination of whether a Covered Individual directly or indirectly holds a Controlling Interest in an entity must take into account a Covered Individual’s direct interest in the entity as well as a Covered Individual’s interest in any entity that directly or indirectly has an interest in such entity (*e.g.*, the entity’s parent companies).

Direct Interests. If a Covered Individual directly owns, controls, or holds 20 percent or more, by vote or value, of the outstanding amount of any class of equity interest in an entity that is seeking to participate in the Program, that entity is a Covered Entity.

Indirect Interests. For the purpose of determining the amount of an equity interest indirectly owned or held by a Covered Individual in an entity:

A Covered Individual’s indirect equity interest by value (*i.e.*, economic interest that may or may not include voting rights) shall be calculated on a proportional basis, taking into account any partial ownership of the relevant entity’s parents. For example, if a Government Official owns 25 percent of the economic interest in Company A, and Company A owns 40 percent of the outstanding amount of a class of voting securities of Company B, the Government Official is deemed to own 10 percent of the class of voting securities of Company B.

For the purpose of determining the amount of an equity interest indirectly controlled by a Covered

Individual in an entity:

- A Covered Individual shall be deemed to indirectly control an equity interest in an entity if he or she controls, directly or indirectly, the entity that owns or holds the equity interest.
- An individual or entity shall be deemed to control another entity only when the individual or entity owns or holds a majority of the voting interest in such entity, or is, or holds a majority of the voting interest in, the general partner of such entity. For example, if a Government Official owns a 51 percent voting interest in Company A, which owns a 51 percent voting interest in Company B, which owns 20 percent of the equity interests of Company C, the Government Official shall be deemed to control 20 percent of the equity interests of Company C.

Shares. A share is considered an ownership interest without regard to whether the share is transferrable or classified as stock or anything similar and without regard to whether the share is a voting security. For example, a nonvoting preferred share would be considered a share.

Warrants or Rights. If the Covered Individual has warrants or other rights (other than a right to convert), calculate the Covered Individual's interest in the underlying equity interest on a fully diluted basis assuming that both the individual and other holders of such warrants or rights have exercised such interests. Warrants, options, and similar rights must be counted even if they are unexercised or "out of the money." For example, when calculating an individual's percentage in an equity interest, use the following formula:

$$\frac{(\text{Individual's shares in a class})+(\text{Individual's options and warrants in that class})}{(\text{Total outstanding shares in that class, assuming all warrants or rights are exercised})}$$

Basis for Certification: Reasonable Diligence. In light of limited public information on ownership interests of Government Officials, and that the identities of Government Officials' Family Members are not disclosed or reported in any routine or comprehensive manner, it is necessary to prescribe the minimum level of diligence required to make a conflict of interest certification in good faith. To determine whether any Covered Individual holds a Controlling Interest in an entity, it is necessary and sufficient for the entity to undertake the following minimum level of diligence:

- Entities must take into account the ownership, control, and holding of any equity interest of any size if the entity has actual knowledge that a Covered Individual, directly or indirectly, owns, controls, or holds the interest; and
- Entities must determine the beneficial owner of any 5 percent or greater equity interest of the entity and determine whether such beneficial owner is a Covered Individual (i) by checking the name of each such beneficial owner against a list of all Government Officials ([link here](#)) and (ii) if the entity has not otherwise been able to confirm whether such beneficial owner is a Family Member, by asking each such beneficial owner whether the owner is a Family Member. If the aggregate amount of equity interests owned by the identified beneficial owners, together with the aggregate percentage ownership determined from actual knowledge in (i) above, is less than 20 percent, an entity need not determine if the identified beneficial owners are Family Members.

- To determine the identity of beneficial owners of publicly traded securities, Borrowers may rely on information disclosed by such persons in reporting under sections 13(d) and 13(g) of the Securities Exchange Act of 1934 (15 U.S.C. §§ 78m(d), 78m(g)).

AGGREGATE AMOUNTS

Under the Program, each Low- and Moderate-Income Community Financial Institution may only issue financial instruments to Treasury with an aggregate principal amount (or comparable amount) that is not more than \$250,000,000 and:

- not more than 7.5 percent of Total Assets as of [date] for an institution with Total Assets of more than \$2,000,000,000;
- not more than 15 percent of Total Assets as of [date] for an institution with Total Assets of not less than \$500,000,000 and not more than \$2,000,000,000; and
- not more than 22.5 percent of Total Assets as of [date] for an institution with Total Assets of less than \$500,000,000.

Across Program investments, Treasury may make not less than \$4,000,000,000 available for Eligible Institutions with Total Assets of not more than \$2,000,000,000 that timely apply to receive a capital investment under the Program, of which not less than \$2,000,000,000 may be made available for Eligible Institutions with Total Assets of less than \$500,000,000 that timely apply to receive a capital investment under the Program. To timely apply to the ECIP means for an entity to submit a complete application by no later than 11:59 p.m., ET on [date].

TERMINATION OF INVESTMENT AUTHORITY

The authority to make new capital investments in Low- and Moderate-Income Community Financial Institutions, including commitments to purchase preferred stock or other instruments, provided under the Program will terminate six months after the termination of the national emergency concerning the COVID-19 outbreak declared by the President under the National Emergencies Act (50 U.S.C. 1601 et seq.).

COLLECTION OF DATA

Notwithstanding the Equal Credit Opportunity Act (15 U.S.C. 1691 et seq.), any Low- and Moderate-Income Community Financial Institution may collect data described in 15 U.S.C. 1691(a)(1) from borrowers and applicants for credit for the sole purpose and exclusive use of monitoring compliance under the Emergency Investment Lending Plan. A Low- and Moderate-Income Community Financial Institution that collects such data will not be subject to adverse action related to that collection by the Bureau of Consumer Financial Protection or any other Federal agency. This includes data that will enable the Secretary to conduct a study of impact on the program. Those additional reporting requirements will be outlined in the final agreement, and may be added to or modified at any time at the discretion of the Secretary.

Expiration Date: [TBC]

EMERGENCY CAPITAL INVESTMENT PROGRAM APPLICATION FORM

All applications and supporting materials for the Program must be submitted to Treasury via an online application portal for application submissions to be available at [link to come]. As noted, for each Program application received, the Secretary will consult with, and share certain application materials with, the FDIC, the Fed, the OCC, and/or the NCUA, as applicable, to determine whether the Applicant may receive a capital investment under the Program.

The definitions of the capitalized terms contained in this application and the Emergency Investment Lending Plan appear in the Community Development Banking and Financial Institutions Act of 1994, as amended by the Consolidated Appropriations Act, 2021, or the Application Instructions for the Emergency Capital Investment Program.

EMERGENCY INVESTMENT LENDING PLAN

CAUTION: DRAFT – NOT FOR FILING

This is an early release draft of the Emergency Investment Lending Plan for the Emergency Capital Investment Program, which the Department of the Treasury is providing for informational purposes. This draft is subject to modification. In the near future, Treasury will be releasing an online portal with the final application instructions and requirements. Entities seeking to apply for a capital investment under the ECIP may do so only through such online portal.

ATTENTION:

- The Applicant must provide documentation that supports its responses to questions 1 through 4 of the Emergency Investment Lending Plan.
- Responses to the Emergency Investment Lending Plan may be used to determine investment amounts or prioritization of determinations.
- If the Applicant is a BHC or a SLHC, the information provided in response to questions 1 through 4 must be based on information aggregated across all of the Applicant's Subsidiary Insured Depository Institutions.
- The definitions of the capitalized terms contained in the Emergency Investment Lending Plan appear in the Community Development Banking and Financial Institutions Act of 1994, as amended by the Consolidated Appropriations Act, 2021, and the Application Instructions for the Emergency Capital Investment Program.
- Following submission of its Application and Emergency Investment Lending Plan the Applicant must submit a copy of this Emergency Investment Lending Plan to its primary federal regulator.

Question 1: Lending to LMI and Other Targeted Populations

Applicant is a CDFI. Skip to Question 2.

Question 1(a)

Each response should represent the sum of loans or loan amounts originated during fiscal year (FY) 2019 and 2020. Carry out calculations to two decimal places. If the Applicant is a BHC or a SLHC, the information provided must be information aggregated across all of the Applicant's Subsidiary Insured Depository Institutions.

	% of Applicant's total number of loans originated during FY 2019 and 2020	% of Applicant's total \$ value of loans originated during FY 2019 and 2020
Applicant's lending made directly to LMI borrowers, to borrowers that create direct benefits for LMI populations*, and/or to Other Targeted Populations.	___%	___%

*"Borrowers that create direct benefits for LMI populations" represents a category that is distinct and separate from "LMI borrowers." For purposes of this question, "borrowers that create direct benefits for LMI populations" refers to companies and nonprofit organizations (i) headquartered in LMI areas for which over 50 percent of customers or persons served by the company or nonprofit organization are LMI individuals and households, and (ii) in the case of companies, for which neither the owner nor senior leadership is an LMI borrower that received a loan from the Applicant in the past 2 fiscal years.

Question 1(b)

For loans originated by the Applicant over the past 2 fiscal years to “borrowers that create direct benefits for LMI populations” counted towards percentages reported in Question 1(a), provide the following information using the attached workbook for up to the five largest of such borrowers served by the Applicant. [download link]

Description of borrower	County	State	Estimated # of LMI individuals benefited	# of loans originated to borrower	Total \$ of loans outstanding to borrower	Description of benefits to LMI communities

Question 2: Business Strategy to Address Community Development Needs

Describe how the business strategy and operating goals of the Applicant will address the community development needs in communities that may be disproportionately impacted by the economic effects of COVID-19, which includes the needs of small businesses, consumers, nonprofit organizations, community development, and other projects providing direct benefits to LMI communities, Low-Income individuals, and Minorities within the Minority, Rural, and Urban Low-Income and Underserved Areas served by the Applicant. Provide measurable factors for how the community has been impacted by COVID-19, such as increases in unemployment, the number of businesses closed due to the pandemic, or mortgage delinquencies.

The response to this question should also include up to five examples of particular business activities that the Applicant will perform in FY 2021 to address community development needs in communities that may be disproportionately impacted by the economic effects of COVID-19. For each example, provide quantitative estimates and anticipated timing information that illustrate how the relevant community development needs will be met, what particular groups and communities (e.g. small businesses, Low-Income individuals) will benefit, and the overall planned economic impact to those groups/communities and in Minority, Rural, and Urban Low-Income and Underserved Areas served by the Applicant. Where appropriate, address how an investment received under the ECIP will support the described activities.

Each Applicant should provide data and information that support its belief that business strategy and operating goals are realistic and achievable and will address the Community Development needs in communities that may be disproportionately impacted by the economic effects of COVID-19.

Question 3: Emergency Lending Plan

Question 3(a)

Provide the additional aggregate dollar amount of loans, grants, and forbearance that the Applicant, as a direct result of issuing the full amount of financial instruments or senior preferred stock to the Treasury Department that it is seeking to issue under the Program, projects would be provided in FY 2021 relative to FY 2020 levels for small businesses, Minority-owned businesses, and consumers that may be disproportionately impacted by the economic effects of the COVID-19 pandemic.	\$ _____
---	----------

Question 3(b)

Lending or Investment Activity	FY 2020	FY 2021 (projected)	FY 2022 (projected)	FY 2023 (projected)
Provide the aggregate dollar volume of the Applicant’s FY 2020 and projected FYs 2021-23 levels of lending and investment activity, as measured by new loans originated and new investments made each year.	[\$]	[\$]	[\$]	[\$]
Provide the aggregate dollar volume of the Applicant’s FY 2020 and projected FYs 2021-23 levels of lending and investment activity, as measured by new loans originated and new investments made each year, across each of the following groups: LMI communities, LMI communities disproportionately impacted by COVID-19, historically disadvantaged borrowers, and Minorities that have significant unmet capital or financial services needs.	[\$]	[\$]	[\$]	[\$]

Provide an overview of the principal underlying assumptions used by the Applicant to reach the projections provided for FYs 2021 to 2023 above. [UPLOAD BOX for response]

Question 3(c)

Include details on how the Applicant plans to expand or maintain significant lending or investment activity in LMI Minority communities, especially those that may be disproportionately impacted by COVID-19, to historically disadvantaged borrowers, and to Minorities that have significant unmet capital or financial services needs.

The response should include quantifiable details on the Applicant’s planned approach to expanding or maintaining significant levels of lending or investment in these communities related to current/projected types of lending and investment (e.g., small business loans, loans to consumers), current/projected types of projects that will be funded (e.g., housing), and the community needs that projected lending or investment activities would serve.

Question 4: Community Outreach and Communication

Provide a detailed plan describing how the Applicant will provide community outreach and communication, where appropriate. The Applicant’s plan for community outreach and communication may be provided or described through a community benefits agreement between the Applicant and organizations, trade associations, and individuals that represent or work within minority or LMI communities.

The response should include quantitative details on how particular aspects and features of the Applicant’s planned community outreach and communication approach (e.g., advertisements to be purchased, sales personnel hired) may help the Applicant achieve the group-specific projected FY 2021-2023 lending and/or investment activity amounts set forth in response to Question 3(c).
