

U.S. DEPARTMENT OF THE TREASURY

September 17, 2024

Dear Tribal Government Representative:

Thank you for your participation in the U.S. Department of the Treasury (Treasury) HAF program.

This letter is to inform HAF Tribal Participants of an important update to the HAF Quarterly Report that applies to all HAF Participants that is due to Treasury by November 15, 2024.

The [HAF Guidance](#) requires “not less than 60% of amounts made available to each HAF participant must be used for qualified expenses that assist homeowners having incomes equal to or less than 100% of the area median income or equal to or less than 100% of the median income for the United States, whichever is greater.” To ensure HAF Tribal Participants are in compliance with the HAF Guidance, the next HAF Quarterly Report will require HAF Tribal Participants to answer three additional questions. These questions will better position HAF Tribal Participants to answer potential questions from oversight bodies, such as the Government Accountability Office and Treasury’s Office of Inspector General, and auditors regarding the use of HAF award funds. These additional questions will be added to the Q3 2024 Quarterly report that is due to Treasury by November 15, 2024:

- 1. Did your program(s) expend at least 60% of monetary HAF assistance to homeowners with incomes less than the greater of 100% AMI or US Median Income?*
- 2. Please enter the dollar amounts of monetary HAF assistance that have been obligated to homeowners with incomes less than the greater of 100% AMI or US Median Income.*
- 3. Please enter the dollar amounts of monetary HAF assistance that have been expended to homeowners with incomes less than the greater of 100% AMI or US Median Income.*

Please note that all future Quarterly reports and the Final Quarterly Report for closeout of your HAF award will also include these questions. Tribes that are unable to retrieve this data in time for the November 15, 2024 report submission deadline will be able to request an extension to receive additional time to complete the report.

Treasury will host a special Office Hours session on Wednesday, October 2nd to review these changes and refresh your memory on the HAF reporting requirements. Please join our weekly office hours on **Wednesdays at 3:00 p.m. ET** by registering here:
