Homeowner Assistance Fund

The Homeowner Assistance Fund (HAF) authorized by the American Rescue Plan Act, provides $9.961 billion to support homeowners facing financial hardship associated with COVID-19. HAF funds were distributed to states, U.S. Territories, and Indian Tribes. Funds from HAF may be used for assistance with mortgage payments, homeowner’s insurance, utility payments, and other specified purposes.

Through 2022, HAF-funded programs have assisted over 230,000 homeowners, helping to prevent mortgage delinquencies and defaults, foreclosures, losses of utilities and home energy services, and displacement. In 2022, foreclosure filings were significantly lower than in any pre-pandemic year with available data. Data also show that very low-income homeowners, homeowners of color, and female homeowners have received a majority of HAF assistance.

Commonly Asked Questions

1. Do we have to complete both the quarterly and annual report? What’s the difference?
   • Quarterly reports capture more quantitative data.
     – For Tribes with a HAF award that exceed $5 million, quarterly reports are due 45 days after the end of each quarterly reporting period.
     – For Tribes with a HAF award that is less than $5 million, one quarterly report reflecting cumulative activities through September 30 is due mid-November each year.
   • Annual reports capture more qualitative data.
     – All Tribes are required to complete and submit an Annual report reflecting activities October 1 - September 30 that is due mid-November each year.

2. What is an obligation?
   • An obligation is an order placed for property and services, entry into contracts, subawards, and similar transactions that require payment by the Tribe to a person or vendor with HAF funds (as defined in Uniform Guidance at 2 CFR 200.1). For example, an approved invoice, application, timesheet, purchase order, etc. are examples of documentation that supports that your Tribe is obligated to pay a person or a vendor.

3. Do we still have to report if we haven’t spent any of the funds?
   • Yes, your Tribe should complete and submit to Treasury each required report regardless of the amount of HAF award funds expended for each reporting period.

4. When does the HAF Award Period of Performance end?
   • The HAF Award Period of Performance ends on September 30, 2026. All HAF award funds must be obligated by that date and expenditures for such obligations must be completed no later than 120 days after that date.

5. What is the reporting period for annual and quarterly reports?
   • Annual reports must reflect activities funded with the HAF award from October 1 – September 30.
   • Quarterly reports for Tribes with a HAF award that exceed $5 million must reflect HAF award funded activities for the latest quarter.
   • Quarterly reports for Tribes with HAF award that is less than $5 million must reflect HAF award funded activities from October 1 – September 30.

The marked rows need attention:

In general, Obligations and Expenditures should not be more than 10% greater than the budget amounts. HAF participants must seek prior approval before making changes to the scope or objectives of their HAF program. As specifically noted in the HAF guidance, Treasury’s prior approval is required to reallocate funding from a program previously approved in a HAF plan to be used for a different purpose.

☐ Please review the marked rows and revise entries OR check this box to confirm that you would like to submit this report with Obligations or Expenditures more than 10% greater than budgeted amount, and provide an explanation in the space below.

Be sure to click this box to acknowledge and provide an explanation.
