

HAFP-0134-Guam

Treasury Additional Feedback for Updated Resubmission Plan

- Please reflect in the Salesforce plan that Contracts for Deed or Land Contracts is an eligible Mortgage Type.
Language is highlighted in the Mortgage Assistance Program section under brief description (page 10).
- Please update the Salesforce plan budget to reflect the updated budget provided in the response to Treasury's feedback.
Updated budget is inserted into the plan (page 21).
- Please confirm whether Guam has an expedited review process available when a homeowner has an immediate threat to housing stability. Please indicate your anticipated normal timeframe and any steps that will be taken to expedite or prioritize assistance when there is an immediate threat.
Yes, Guam does have an expedite review process for homeowners who have an immediate threat to housing stability. Additional language is inserted under the Prioritization of Assistance section (page 18).
