Section I. Reporting Basics

a) Overview

This document provides information on using Treasury’s Portal to submit the required Homeowner Assistance Fund (HAF) Quarterly Report. It supplements the HAF Guidance on Participant Compliance and Reporting Responsibilities containing relevant information on reporting requirements.

Additionally, you should visit Treasury’s HAF home page for the latest guidance and updates on Programmatic and reporting topics.

HAF participants are required to submit quarterly reports with current performance and financial information, including background information about applications approved, applications received, Homeowners assisted, and financial information with details about obligations and expenditures.

b) What is Covered in this User Guide?

This User Guide contains detailed guidance and instructions for HAF participants in using Treasury’s Portal for submitting the HAF Quarterly Report. HAF participants must submit required Quarterly Reports via Treasury’s Portal. This guide is not comprehensive and is meant to be used as a functional reference and in conjunction with the documents mentioned above.

This User Guide provides detailed instructions to help recipients enter and submit the following:

- Programmatic data
- Expenditure data
- Compliance information

c) Definitions

**Award Date** means the date the HAF participant signed the HAF Financial Assistance Agreement.

**Expended** means any HAF assistance that a HAF participant or Subrecipient has spent. Please note cumulative Expenditures cannot exceed cumulative Obligations.

**Homeowner** means an individual who applied and/or receives funds from the HAF participant or Subrecipient to pay for a singular qualified expense (i.e., if a Homeowner receives HAF assistance for more than one qualified expense category, they are counted for more than one qualified expense category).

In some places, Guidance requires that you provide the number of unique Homeowners. Unique Homeowners are only counted one time even if they applied and or/received funding for more than one qualified expense category.

**HAF Assistance** means any assistance provided by the HAF Program, whether through funds received by the HAF Program for qualified expenses or through services made available by the HAF program.
**Monetary HAF Assistance** means HAF assistance in the form of money provided to Homeowners or on behalf of Homeowners to financial institutions, utility providers, and taxing authorities or other third-party payees under a HAF Program. Homeowners that received both Monetary and Non-monetary Assistance should be counted once as having received Monetary HAF Assistance.

**Non-monetary HAF Assistance** means HAF assistance in any form other than money provided to Homeowners under a HAF Program (e.g., housing counseling or referral to legal services, etc.). Only Homeowners that received Non-monetary HAF Assistance and no Monetary HAF Assistance are to be counted as having received Non-Monetary HAF Assistance.

**Obligated** means an order placed for property and services, contracts and subawards, and similar transactions requiring payment. (See 2 CFR § 200.1) Obligated funds include funds that have been **Expended**.

Examples of Obligated funds include:

- HAF funds that have been committed, pledged, or otherwise promised, in writing, to a specific individual or entity as part of a HAF Program
- HAF funds that have been set aside to cover obligations arising from loan guarantees; HAF funds that have been committed, pledged, or otherwise promised, in writing, as part of a transaction
- HAF funds that have been committed, pledged, or otherwise promised, in writing, for allowable administrative expenses (e.g., an executed contract for services).
- HAF funds expended to provide assistance to a Homeowner for one or more qualified expense category.

**d) Designating Staff for Key Roles in Managing HAF Reports User Designations**

HAF participants must designate staff or officials for the following three roles in managing reports for their HAF award. Participants must make the required designations before accessing Treasury’s Portal. The required roles are as follows:

- **Account Administrator** for the HAF award maintains the names and contact information of the designated individuals for HAF reporting. The Account Administrator is also responsible for working within your organization to determine its designees for the roles of Point of Contact for Reporting and Authorized Representative for Reporting and providing their names and contact information via Treasury’s Portal. Finally, the Account Administrator is responsible for making any changes or updates to the user roles as needed over the award period. We recommend that the Account Administrator identify an individual to serve in their place in the event of staff changes.

- **Point of Contact for Reporting** is the primary contact for receiving official Treasury notifications about reporting on the HAF award, including alerts about upcoming reporting, requirements, and deadlines. The Point of Contact for Reporting is responsible for completing the HAF reports.
• **Authorized Representative for Reporting** or ARR is responsible for certifying and submitting official reports on behalf of the HAF participant. Treasury will accept reports or other official communications only when submitted by the Authorized Representative for Reporting. The Authorized Representative for Reporting is also responsible for communications with the Treasury on extension requests and amendments of previously submitted reports. The official reports may include special reports, Quarterly or Annual reports, and final reports.

Essential items to note:

- Each designated individual must register with ID.me or Login.gov to access Treasury’s Portal.
- Users who have previously registered through ID.me may continue to access Treasury’s Portal through that method. This link includes further instructions.
- If you have not previously registered with ID.me, you should register through Login.gov following this link. The following links provide additional information:
  - [https://login.gov/create-an-account/](https://login.gov/create-an-account/)
  - [https://login.gov/help/get-started/create-your-account/](https://login.gov/help/get-started/create-your-account/)
- An individual may be designated for multiple roles. For example, the individual designated as the Point of Contact for Reporting may also be designated as the Authorized Representative for Reporting.
- The recipient may designate one individual for all three roles.
- Multiple individuals can be designated for each role.
- An organization may make changes and updates to the list of designated individuals whenever needed. The Account Administrator must process these changes.

Refer to **Appendix A** for guidance on designating individuals for the three roles.

The designated individuals’ names and contact information will be pre-populated in the “Recipient Profile” portion of the participant’s HAF reports, and recipients will update the information, if necessary.

Please contact [HAF@treasury.gov](mailto:HAF@treasury.gov) for additional information on procedures for registering with ID.me or Login.gov.

e) **Questions?**

If you have any questions about the HAF Program’s reporting requirements, please contact us by email via [HAF@treasury.gov](mailto:HAF@treasury.gov).

**Section II. Navigation and Logistics**

a) **Login to Landing Page and Portal Navigation**

After logging into Treasury’s Portal, the landing page (see Figure 1) will appear. The landing page will display brief introductions related to reporting for the State and Local Fiscal Recovery Funds (SLFRF) Program, Emergency Rental Assistance (ERA) Program, Capital Projects Fund (CPF) Program, and Homeowner Assistance Fund (HAF) Program.
Figure 1 Portal Landing Page

Please select “Compliance Reports” on the left side panel of the portal landing page or “Go to Your Reports” on the bottom of the portal landing page to be taken to the My Compliance Reports landing page (Figure 2 below). The Compliance Reports page displays all compliance reports by Program that have been created and are in draft or submitted status.
In the HAF Compliance Reports section, please locate the quarterly report with Report Period = “Award Date – “Current Reporting Period End Date””. For the second quarter of 2022 reporting period, for example, the Report Period will show “Award Date – June 30, 2022”. Note this is a change from the Q1 2022 Quarterly Report for which recipients had to create a new compliance report using the button shown in Figure 3.

To begin your Quarterly Report, select the “pencil” button under the “Edit” column shown below in Figure 6, which will take you into the report to fill out information related to your HAF Program activities for the designated reporting period.
The Navigation Bar shown in Figure 5 on the left of Treasury’s Portal will allow you to move between Quarterly Report screens.

**Helpful Tips/Shortcuts for Submitting Data to Treasury’s Portal**

Treasury’s Portal leads you through a series of online forms that, when completed, will fulfill your reporting obligations. While navigating through Treasury’s Portal and submitting required information for the Quarterly Report, users will need to enter data directly into Treasury’s Portal manually.

1. **Manual Data Entry**

   Manual data entry requires you to provide inputs as instructed on the screen. Manual inputs are described in detail below for each User Guide section.

   Your inputs will be subject to validation by Treasury’s Portal to ensure that the data provided is consistent with the expected format or description (e.g., entering “one hundred” instead of 100). If a given data entry fails a validation rule, Treasury’s Portal will display an error for you to address.

   You will not be able to submit manually entered data that does not satisfy the data validation rules.
2. **Narrative Boxes**

Tip: When filling out detailed narratives, you are encouraged to type out responses in a word processing application (such as Microsoft Word) to minimize grammatical errors, track word count, and concisely answer all required narrative details. You can copy and paste the final written narratives directly into the Treasury Portal text boxes.

3. **Corrections and Resubmissions**

Once information is entered into Treasury’s Portal, the information will be accepted by Treasury’s Portal as a record if there are no data validation errors.

Once your report is complete has passed all data validation checks, your quarterly report is ready for certification and submission by an Account Administrator (AA) or Authorized Representative for Reporting (ARR). After submission, if it is still before the filing deadline, a report can be “unsubmitted” and corrected or edited in the Portal by selecting the edit icon button next to the drafted or submitted report (see Figure 6). Once edits have been completed, an Account Administrator (AA) or Authorized Representative for Reporting (ARR) will need to recertify and resubmit the Quarterly Report.

![Figure 6 Edit Icon Button to Edit/Resubmit Entry](image)
Section III. Quarterly Report

The first Quarterly Report provides information on Program obligations and expenditures covering the period from Award Date to March 31, 2022. For subsequent quarterly reports, the range will be from Award Date to the Calendar Quarter end date (e.g., the second Quarterly Report data range will be Award Date – June 30, 2022). Multiple modules or “screens” will help participants navigate through the Quarterly Report in Treasury’s Portal as follows:

a) Instructions
b) Participant Information
c) Budget Reporting
d) Programmatic Information
e) Import Disaggregated Data
f) Disaggregated Application Data
g) Disaggregated Assistance Data
h) Geographic Data
i) Programs
j) Obligations & Expenditures Verification
k) Participant Compliance
l) Certification

The following sections describe the reporting steps and information to be collected in each module.

a) Instructions

Upon creating a Quarterly Report, you will land on an instructions page. Please read the instructions as they are essential to understand before completing the subsequent screens. After reading the instructions, please select “Next.”

b) Participant Information

On this page you will review, input, and confirm critical information about your organization. Participant Information will be pre-populated from your HAF Application file.

1. Review and confirm your Recipient Profile prepopulated from your HAF Application file.
2. Verify the names and contact information for individuals the recipient has designated for key reporting roles for the HAF Program displayed on the screen (see Figure 8).
If changes to the Participant Information are needed, use the discrepancy textbox (see Figure 7). If changes to the Point of Contact List are required, navigate to the account settings and add/delete/edit information. If there are any other questions regarding participant information, please contact us at HAF@treasury.gov.

After completing this screen, please select “Save and Next” to continue.

c) Budget Reporting

On this screen, enter aggregate information regarding the sum of all cumulative Obligated (including Expended amounts) and cumulative Expended funds across all Programs related to your approved budget (see Figure 9). All Programs using the budgetary item “Other measures to prevent homeowner displacement” will need to be broken out by Program Design Element on subsequent screens in the Portal.
Figure 9 Budget Reporting

   - This information will be prepopulated from the participant’s submitted HAF Plan. The budgeted amounts reflected here should match one-to-one with the participant’s submitted HAF Plan.

- The sum of the Expended amount, across all Programs, for each Program Design Element noted in the HAF participant’s submitted HAF Plan. Please refer to **Expended** in the Definitions section 1.c, if you need further clarification.

**d) Programmatic Information**

On the next screen, HAF participants will be asked to provide programmatic information related to HAF assistance. State HAF Participants will also be asked to disaggregate certain data elements by various categories detailed in section **e) Disaggregated Data** below. Please note that all numerical figures provided on this screen will be **Cumulative** from Award Date to Calendar Quarter end date.

To use the bulk upload feature, please download the HAF Quarterly Disaggregated Data Template by clicking the “Download the HAF Quarterly Disaggregated Data Template” button (See Figure 13 above). Once you have downloaded the template, please fill out the corresponding information. If needed, further information on each column in the template can be found in section f and section g below.

Once you have filled out all cells in the template, please select the “Import Data File” button (see Figure 13 above), and you will be presented with the upload module (see Figure 14 below).
Please select “Upload Files” and upload your completed disaggregated data template. Select “Close” to continue when you have finished entering/uploading your disaggregated data template.

f) Disaggregated Application Data

In this section, you will be asked to provide disaggregate data by various categories such as race, gender, ethnicity, area median income, and reason for denial (see Figures 15-17). Disaggregated data can be entered manually on this page or uploaded directly from a template file provided to you noted in section e. Be sure to save your work as you go by using the “Save” button.

Note that all Columns of each Table require cumulative counts of applications.

   • Please provide the cumulative figures for the number of applications submitted, completed, withdrawn, approved, and denied, each broken out by Ethnicity from Award Date – Calendar Quarter end date.
   • Note that individuals may not be both "Hispanic or Latino/a" and "Not Hispanic or Latino/a" concurrently.

3. Table 3 Data Element: Disaggregate Gender Application Cumulative Totals
   • Please provide the cumulative figures for the number of applications submitted, completed, withdrawn, approved, and denied, each broken out by Gender from Award Date – Calendar Quarter end date.
   • Note that individuals reporting a Gender other than “Male” or “Female” or who reported both “Male” and “Female” concurrently, should be classified as “Non-binary.”

4. Table 4 Data Element: Disaggregate Area Median Income Application Cumulative Totals
• Please provide the cumulative figures for the number of applications submitted, completed, withdrawn, approved, and denied, each broken out by AMI from Award Date – Calendar Quarter end date.

• Please bucket applications by the percentile brackets provided to you in the Disaggregate Area Median Income Table.

Figure 17 Disaggregated Application Data pt. 3

5. Table 5 Data Element: Disaggregate Reason for Denied Application Cumulative Totals

• Please provide the cumulative figures for the number of applications denied, each broken out by Reason for Denial from Award Date – Calendar Quarter end date.

• Note that applications may have been denied for more than one, so your totals for cumulative number of applications denied may be greater than the total number of unique applications denied.

**g) Disaggregated Assistance Data**

In this section, you will be asked to provide disaggregate data by various categories such as race, gender, ethnicity, area median income, targeting, and mortgages (see Figure 18).

Disaggregated data can be entered manually on this page or uploaded directly from a template file provided to you. Be sure to save your work as you go by using the “Save” button.

Note that Columns 1, 2, and 3 of each Table in the following section require cumulative counts of homeowners that received Monetary Assistance (Homeowners), Non-Monetary Assistance, and SDIs broken out by the categories listed above. Homeowners receiving both Monetary and Non-Monetary Assistance should be reported in both Columns 1 and 2. Columns 4 and 5 require cumulative fund Obligation and Expenditure amounts, refer to the Definitions section for clarification on the distinction between the two terms.

---

13 Tribal governments and the Department of Hawaiian Homelands will not be required to fill out this screen.
1. Table 1 Data Element: Disaggregate Race Cumulative Totals

- Please provide the cumulative figures for the number of Homeowners that received Monetary Assistance, number of Homeowners that received Non-Monetary Assistance, number of SDI’s assisted, funds Obligated, and funds Expended, each broken out by Race from Award Date – Calendar Quarter end date. Note, if an individual received both Monetary and Non-Monetary Assistance, they should be reported in both Columns 1 and 2.

**Section B: Questions and Answers**

Who is authorized to designate the Account Administrator, the Point of Contact for Reporting, and the Authorized Representative for Reporting for my organization’s HAF’s award?

- Treasury requests that each HAF participant follow its own decision-making procedures in making the three designations for each award.

What is the deadline for making the designation?

- Treasury requests that users of Treasury’s portal make the three designations as soon as possible to enable your organization to submit Compliance Reporting and Recovery Plan Performance Report (if applicable).
What are the responsibilities for each of the three designated roles?

- **Account Administrator** for the HAF award has the administrative role of maintaining the names and contact information of the designated individuals for HAF reporting. The Account Administrator is also responsible for working within your organization to determine its designees for the roles of Point of Contact for Reporting and Authorized Representative for Reporting and providing their names and contact information via Treasury’s Portal. The Account Administrator can also view and submit reports. Finally, the Account Administrator is responsible for making any changes or updates as needed over the award period. We recommend that the Account Administrator identify an individual to serve in their place in the event of staff changes.

- **Point of Contact for Reporting** is the primary contact for receiving official Treasury notifications about reporting on the HAF award, including alerts about upcoming reporting, requirements, and deadlines. The Point of Contact for Reporting is responsible for completing the HAF reports but cannot certify and submit these reports.

- **Authorized Representative for Reporting** is responsible for certifying and submitting official reports on behalf of the HAF award recipient. Treasury will accept reports or other official communications only when submitted by the Authorized Representative for Reporting. The Authorized Representative for Reporting is also responsible for communications with Treasury on extension requests and amendments of previously submitted reports. The official reports may include special reports, monthly reports, quarterly reports, and final reports.

**May my organization designate one individual for multiple roles?**

- Yes, an individual may be designated for multiple roles. For example, the individual designated as the Account Administrator can also be designated as the Authorized Representative for Reporting or Point of Contact for Reporting. It is also acceptable for an organization to designate one individual for all three roles; however, it should also adhere to any applicable personnel checks and balances rules.

**May my organization designate more than one individual per role?**

- Yes, you may designate more than one person per role but are encouraged to limit the number of users assigned to each role.

**May my organization change the designations from time to time?**

- Yes, an organization may make changes and updates to the list of designated individuals whenever needed.

**Must each of the designated individuals register for using Treasury’s Portal?**

- Yes, each individual designated for any of the roles must register with ID.me or Login.gov before being given access to Treasury’s portal. Please contact us at the email address below for more information and guidance on registering with ID.me or Login.gov. If you are already registered with ID.me, you do not have to register to Login.gov to access your reports.
Additional Questions or Additional Assistance?

- If you have additional questions about accessing or using Treasury’s portal to provide the designees’ names and contact information, please email us at HAF@treasury.gov.
