It is understood and agreed that the Contractor and/or the Contractor’s employees and shall perform the services specified herein as independent contractors, not as employees of the Government. ## **2.0 Background**

The spread of the coronavirus has disrupted activity throughout the United States and caused significant volatility in financial markets. In furtherance of its mission to ensure the safety and soundness of the U.S. financial system, the Treasury is considering the immediate implementation of a new federal financial assistance program for air carriers to respond to the economic risks.

This action is authorized pursuant to the President's declaration regarding a national emergency concerning the novel coronavirus disease (COVID-19) under section 501(b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121-5207 (the "Stafford Act"). As a result of this emergency declaration, the flexibilities identified in FAR 18.202, "Defense or recovery from certain events," are available for use in supporting response efforts to COVID-19. These flexibilities include increases to the micro-purchase threshold, the simplified acquisition threshold, and the threshold for using simplified procedures for certain commercial items.

## **3.0 Description of Services**

The Contractor shall provide legal expertise and advice with respect to structuring the loan, loan guarantee and grant program and preparing standard forms of documentation, including the basic credit agreements, loan guarantees, security agreements, trust agreements, financial instruments compensating the Federal Government, and closing documentation, for the loan, loan guarantee and grant programs for U.S. cargo air carriers and other participants under Section 4003(b)(2) of the CARES Act (the "Cargo Air Carrier and Contractors Program") and inspection, repair, replace and overhaul services (but not any other participants) under Section 4003(b)(1) (the "B1 Repair Service Program"). In addition, the Contractor shall include preparation of the Payroll Support Agreement and related documentation under Section 4112(a)(2)-(3) (the "Cargo Air Carrier and Contractors Payroll Support Program"). (The Cargo Air Carrier and Contractors Program, B1 Repair Service Program, and Cargo Air Carrier and Contractors Payroll Support Program are collectively called the "Designated Programs.") The parties anticipate that the work in this term will not require significant individual negotiation of definitive agreements with more than a small number of specific counterparties.

Treasury's policy goals for the program are to (1) provide stability and prevent further disruption to the financial markets and financial system, (2) ensure the availability of credit and liquidity, and (3) protect the interests of taxpayers. The specific strategies may change over time but will be consistent with these policy goals. To the extent practicable, the program will be managed to limit the potential for losses. Treasury may publicly publish transaction documentation before or after consummation of the transactions.

(End of clause)

**C.6 DTAR 1052.212-4 - Contract Terms and Conditions-Commercial Items (Alternate II) (Deviation 2016-00001) (Apr 2018)**

(e) Definitions.

(1) The clause at FAR 52.202-1, Definitions, is incorporated herein by reference.

(2) As used in this clause, "Commercial supplier agreements" means terms and conditions customarily offered to the public by vendors of supplies or services that meet the definition of commercial item set forth in FAR 2.101 and intended to create a binding legal obligation on the end user. Commercial supplier agreements (CSA) are particularly common in information technology acquisitions, including acquisitions of commercial computer software and commercial technical data, but they may apply to any supply or service. The term applies-

(i) Regardless of the format or style of the document. For example, a CSA may be styled as standard terms of sale or lease, Terms of Service (TOS), End User License Agreement (EULA), or another similar legal instrument or agreement, and may be presented as part of an offer or quotation responding to a solicitation;

(ii) Regardless of the media or delivery mechanism used. For example, a CSA may be presented as one or more paper documents or may appear on a computer or other electronic device screen during a purchase, software installation, other product delivery, registration for a service, or another transaction.

(s) Order of precedence. Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order:

(1) The schedule of supplies/services.

(2) The Assignments, Disputes, Payments, Invoice, Other Compliances, Compliance with Laws Unique to Government Contracts, Unauthorized Obligations, and Commercial Supplier Agreements-Unenforceable Clauses paragraphs of this clause,

(3) The clause at 52.212-5.

(4) Addenda to this solicitation or contract, including any license agreements for computer software.

(5) Solicitation provisions if this is a solicitation.

(6) Other paragraphs of this clause.

(7) The Standard Form 1449.

(8) Other documents, exhibits, and attachments.

(9) The specification.

(u) Unauthorized Obligations

(1) Except as stated in paragraph (e) of this clause, when any supply or service acquired under this contract is subject to any CSA as defined in DTAP 1002.101, that includes any language, provision, or clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such language, provision, or clause is unenforceable against the Government.

(iii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the CSA. If the CSA is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iv) Any such language, provision, or clause is deemed to be stricken from the CSA.

(2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(w) Commercial supplier agreements -unenforceable clauses. When any supply or service acquired under this contract is subject to a CSA, the following language shall be deemed incorporated into the CSA. As used herein, "this agreement" means the CSA:

(1) Notwithstanding any other provision of this agreement, when the end user is an agency or instrumentality of the Government, the following shall apply:

(i) Applicability. This agreement is a part of a contract between the commercial supplier and the Government for the acquisition of the supply or service that necessitates a license (including all contracts, task orders, and delivery orders under FAR part 12).

(ii) End user. This agreement shall bind the Government as end user but shall not operate to bind a Government employee or person acting on behalf of the Government in his or her personal capacity.

(iii) Law and disputes. This agreement is governed by Federal law.

(A) Any language purporting to subject the Government to the laws of a U.S. state, U.S. territory, district, or municipality, or a foreign nation, except where Federal law expressly provides for the application of such laws, is hereby deleted.

(B) Any language requiring dispute resolution in a specific forum or venue that is different from that prescribed by applicable Federal law is hereby deleted.

(C) Any language prescribing a different time period for bringing an action than that prescribed by applicable Federal law in relation to a dispute is hereby deleted.

(iv) Continued performance. The supplier or licensor shall not unilaterally revoke, terminate, or suspend any rights granted to the Government except as allowed by this contract. If the supplier or licensor believes the Government to be in breach of the agreement, it shall pursue its rights under the Contract Disputes Act or other applicable Federal statute while continuing performance as set forth in paragraph (d) of this clause.

(v) Arbitration; equitable or injunctive relief. In the event of a claim or dispute arising under or relating to this agreement, a binding arbitration shall not be used unless specifically authorized by agency guidance, and equitable or injunctive relief, including the award of attorney fees, costs or interest, may be awarded against the Government only when explicitly provided by statute (e.g., Prompt Payment Act or Equal Access to Justice Act).

(vi) Updating terms.

(A) After award, the contractor may unilaterally revise terms if they are not material. A material change is defined as:

(1) Terms that change Government rights or obligations;

(2) Terms that increase Government prices;

(3) Terms that decrease overall level of service; or

(4) Terms that limit any other Government right addressed elsewhere in this contract.

(5) Terms do not limit any other Government rights addressed elsewhere in this contract.

(B) For revision that will materially change the terms of the contract, the revised commercial supplier agreement must be incorporated into the contract using a bilateral modification.

(C) Any agreement terms or conditions unilaterally revised subsequent to award that are inconsistent with any material term or provision of this contract shall not be enforceable against the Government, and the Government shall not be deemed to have consented to them.

(vii) No automatic renewals. If any license or service tied to periodic payment is provided under this agreement (e.g., annual software maintenance or annual lease term), such license or service shall not renew automatically upon expiration of its current term without prior express consent by an authorized Government representative.

(viii) Indemnification. Any clause of this agreement requiring the commercial supplier or licensor to defend or indemnify the end user is hereby amended to provide that the U.S. Department of Justice has the sole right to represent the United States in any such action, in accordance with 28 U.S.C.516.

(ix) Audits. Any clause of this agreement permitting the commercial supplier or licensor to audit the end user's compliance with this agreement is hereby amended as follows:

(A) Discrepancies found in an audit may result in a charge by the commercial supplier or licensor to the Government. Any resulting invoice must comply with the proper invoicing requirements specified in the underlying Government contract or order.

(B) This charge, if disputed by the Government, will be resolved through paragraph (d) of this clause; no payment obligation shall arise on the part of the Government until the conclusion of the dispute process.

(C) Any audit requested by the commercial supplier or licensor will be performed at the commercial supplier's or licensor's expense, without reimbursement by the Government and must be performed within the parameters of the Government's security procedures.

(D) The Contractor must notify the Contracting Officer of any audit request.

(x) Taxes or surcharges. Any taxes or surcharges which the commercial supplier or licensor seeks to pass along to the Government as end user will be governed by the terms of the underlying Government contract and, in any event, must be submitted to the Contracting Officer for a determination of applicability prior to invoicing unless specifically agreed to otherwise in the underlying contract.

(xi) Non-assignment. This agreement may not be assigned, nor may any rights or obligations thereunder be delegated, without the Government's prior approval, except as expressly permitted under paragraph (b) of this clause.

(xii) Confidential information. If this agreement includes a confidentiality clause, such clause is hereby amended to state that neither the agreement nor the contract price, as applicable, shall be deemed "confidential information." Issues regarding release of "unit pricing" will be resolved consistent with the Freedom of Information Act. Notwithstanding anything in this agreement to the contrary, the Government may retain any confidential information as required by law, regulation or its internal document retention procedures for legal, regulatory or compliance purposes; provided, however, that all such retained confidential information will continue to be subject to the confidentiality obligations of this agreement.

(2) If any language, provision, or clause of this agreement conflicts or is inconsistent with the preceding paragraph (w)(1) of this clause, the language, provisions, or clause of paragraph (w)(1) of this clause shall prevail to the extent of such inconsistency.

**C.7 DTAR 1052.232-39 - Unenforceability of Unauthorized Obligations. (Deviation 00002) (Apr 2018)**

(a) Definition. As used in this clause-

"Commercial supplier agreements" means terms and conditions customarily offered to the public by vendors of supplies or services that meet the definition of commercial item set forth in FAR 2.101 and intended to create a binding legal obligation on the end user. Commercial supplier agreements (CSA) are particularly common in information technology acquisitions, including acquisitions of commercial computer software and commercial technical data, but they may apply to any supply or service. The term applies-

(1) Regardless of the format or style of the document. For example, a CSA may be styled as standard terms of sale or lease, Terms of Service (TOS), End User License Agreement (EULA), or another similar legal instrument or agreement, and may be presented as part of an offer or quotation responding to a solicitation;

(2) Regardless of the media or delivery mechanism used. For example, a CSA may be presented as one or more paper documents or may appear on a computer or other electronic device screen during a purchase, software installation, other product delivery, registration for a service, or another transaction.

(b) Except as stated in paragraph (c) of this clause, when any supply or service acquired under this contract is subject to any CSA, that includes any language, provision, or clause requiring the Government to pay any future fees, penalties, interest, legal costs or to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(1) Any such language, provision, or clause is unenforceable against the Government.

(2) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the CSA. If the CSA is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

(3) Any such language, provision, or clause is deemed to be stricken from the CSA.

(c) Paragraph (b) of this clause does not apply to indemnification or any other payment by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(End of clause)

### **C.9 DTAR 1052.232-7003 - Electronic Submission of Payment Requests (Apr 2015)**

(b) Except as provided in paragraph (c) of this clause, the Contractor shall submit payment requests electronically using the Invoice Processing Platform (IPP). Information regarding IPP, including IPP Customer Support contact information, is available at [www.ipp.gov](http://www.ipp.gov) or any successor site.

(c) The Contractor may submit payment requests using other than IPP only when the Contracting Officer authorizes alternate procedures in writing in accordance with Treasury procedures.

(h) Certification Regarding Responsibility Matters (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1)  Are,  are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2)  Have,  have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3)  Are,  are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4)  Have,  have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been

assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).
