

Capital Projects Fund Award Fact Sheet

Maryland

Treasury approves Maryland's plan to invest \$45 million of CPF funding in broadband infrastructure projects that will provide high-quality internet to locations that lack access to adequate service.

Maryland Capital Projects Fund Program Overview

- **Program Summary:** \$45 million for Broadband Infrastructure (26% of CPF allocation)
- **Locations to Be Served:** 15,000 (estimated)
- **Program Description:** The Connect Maryland: Broadband for Public Housing (MD-BPH) Program is a new competitive grant program designed to bring high-speed internet access to publicly- owned Multi-Dwelling Units (MDUs) by upgrading units with reliable, high-speed internet and installing public Wi-Fi in common areas.
 - This program is designed to provide internet service with speeds of 100/100 Mbps upon project completion.
 - Internet service providers utilizing investments funded by CPF will be required to participate in the FCC's [Affordable Connectivity Program \(ACP\)](#) – a \$30 per month subsidy for low-income families.
- **Key State Contact:** The Maryland Office of Statewide Broadband (OSB)

As reported by Maryland, estimates show that investments made using the Capital Projects Fund will serve ~11% of locations still lacking high-speed internet access in the state.
