Capital Projects Fund Award Fact Sheet

Minnesota

Treasury approves Minnesota's plan to invest $47.5 million of CPF funding in multi-purpose community facilities to improve resources for communities that enable work, education, and health monitoring.

Minnesota Capital Projects Fund Program Overview

- **Program Summary:** $47.5 million for Multi-Purpose Community Facilities (36% of CPF allocation)
- **Program Description:** Minnesota's Multi-Purpose Community Facility Projects to Support Community Revitalization, Connectedness and Equity by Promoting Education, Work and Health program will fund projects that support community revitalization, connectedness, and equity by promoting education, work and health for Minnesota children and families in areas that would benefit most from expanded community facilities and serve communities most impacted by the challenges exacerbated by the pandemic. Projects in the following types of community facilities will be prioritized for funding: family resource centers, full-service community schools, libraries, and community centers.

  Minnesota estimates this program will fund up to 75 facilities that will serve approximately 150,000 individuals.
