Upon the request of the Lender, while any Event of Default exists, the Borrower shall pay interest on the principal amount of all Loans outstanding hereunder at a rate per annum equal to the applicable Default Rate.

SECTION 2.06. Promissory Note. As of the Closing Date, the Borrower shall prepare, execute and deliver to the Lender a promissory note (the "Note") of the Borrower payable to the Lender in the form attached as Exhibit A hereto, which shall evidence the Lender's Loan in addition to the Lender's records.

SECTION 2.07. Payments Generally.

(a) Payments by Borrower. All payments to be made by the Borrower hereunder and the other Loan Documents shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, each payment shall be paid in Dollars in immediately available funds by electronic funds transfer to the Lender's Office, in each case not later than 12:00 noon (New York City time) on the date specified herein. All amounts received by the Lender after such time on any date shall be deemed to have been received on the next succeeding Business Day and any applicable interest or fees shall continue to accrue. If any payment to be made by the Borrower shall fall due on a day that is not a Business Day, payment shall be made on the next succeeding Business Day and such extension of time shall be reflected in computing interest or fees, as the case may be; provided that, if such next succeeding Business Day would fall after the Maturity Date, payment shall be made on the immediately preceding Business Day. Except as otherwise expressly provided herein, all payments hereunder or under any other Loan Document shall be made in Dollars.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Lender to pay fully all amounts of principal, interest, fees and other amounts then due hereunder, such funds shall be applied (i) first, to pay interest, fees and other amounts then due hereunder, and (ii) second, to pay principal then due hereunder.

ARTICLE III. REPRESENTATIONS AND WARRANTIES

SECTION 3.01. Representations and Warranties. As of the Closing Date, each Credit Party represents and warrants to the Lender that the representations and warranties set forth on Annex A hereto are true and correct in all respects.

ARTICLE IV. CONDITIONS

SECTION 4.01. Conditions Precedent to Closing Date. The effectiveness of this Agreement and the funding of the Borrowing hereunder on the Closing Date are subject to the satisfaction (or waiver in accordance with Section 9.02) of the conditions set forth in Annex B (and, in the case of each document specified in Annex B to be received by the Lender, such document shall be in form and substance satisfactory to the Lender). Each Borrowing Request by the Borrower hereunder and each Borrowing shall be deemed to constitute a representation and warranty by the Borrower on and as of the date of the applicable Borrowing as to the matters specified in clause (8) of Annex B.

ARTICLE V. AFFIRMATIVE COVENANTS

SECTION 5.01. Affirmative Covenants. Until all Obligations shall have been paid in full or until any later date as provided for in this Agreement, each Credit Party covenants and agrees with the Lender to comply with (and, if applicable, to cause its Subsidiaries to comply with) the applicable affirmative covenants set forth in Part I of Annex C.

ARTICLE VI. NEGATIVE COVENANTS

SECTION 6.01. Negative Covenants. Until all Obligations have been paid in full or until any later date as provided for in this Agreement, each Credit Party covenants and agrees with the Lender to comply with (and, if applicable, to cause its Subsidiaries to comply with) the applicable negative covenants (including financial covenants) set forth in Part II of Annex C.

ARTICLE VII. GUARANTEES

SECTION 7.01. Guarantees. The Guarantors listed on the signature page to this Agreement hereby guarantee the Guaranteed Obligations as set forth in Annex E. If any Subsidiary (other than an Excluded Subsidiary) is formed or acquired after the Closing Date or if any Subsidiary ceases to be an Excluded Subsidiary, then the Borrower will cause such Subsidiary to become a Guarantor within 30 days of such Subsidiary being formed or acquired or of such Subsidiary ceasing to be an Excluded Subsidiary pursuant to customary documentation reasonably acceptable to the Lender and on the terms and conditions set forth in Annex E.

ARTICLE VIII. EVENTS OF DEFAULT

SECTION 8.01. Events of Default. If any of the following events (each, an “Event of Default”) shall occur:

- (a) the Borrower shall fail to pay any principal of any Loan when and as the same shall become due and payable;
- (b) the Borrower shall fail to pay any interest on any Loan, or any fee or any other amount (other than an amount referred to in clause (a) of this Section) payable under this Agreement or under any other Loan Document, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of two (2) or more Business Days;
- (c) any representation or warranty made or deemed made by or on behalf of any Credit Party, including those made prior to the Closing Date, in or in connection with the Loan Application or any Loan Document or in any report, certificate, financial statement or other document furnished pursuant to or in connection with the Loan Application or any Loan Document shall prove to have been incorrect in any material respect when made or deemed made;

- (e) any Credit Party shall fail to observe or perform any covenant, condition or agreement contained in this Agreement or any other Loan Document (other than those specified in clause (a), (b) or (d) of this Section) and such failure shall continue unremedied for a period of 30 or more days after notice thereof by the Lender to the Parent;
- (f) any Material Indebtedness of any Credit Party or any Subsidiary thereof (i) is not paid when due (after the expiry of any originally applicable grace period) or (ii) (w) becomes prematurely due and payable; (x) is placed on demand; (y) is required to be repurchased, redeemed or defeased or (z) is capable of being declared by a creditor to be prematurely due and payable, being placed on demand or being required to be repurchased, redeemed or defeased, in each case, as a result of a breach, default or event of default (howsoever described);
- (g) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of any Credit Party or any Subsidiary thereof or its debts, or of a substantial part of its assets, under any Debtor Relief Law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for any Credit Party or any Subsidiary thereof or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for a period of 60 or more days or an order or decree approving or ordering any of the foregoing shall be entered;
- (h) any Credit Party or any Subsidiary thereof shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any Debtor Relief Law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (g) of this Section, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Parent or any of its Subsidiaries or for a substantial part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, (vi) take any action for the purpose of effecting any of the foregoing;
- (i) there is entered against any Credit Party or any Subsidiary thereof one or more judgments for the payment of money in an aggregate amount in excess of the Threshold Amount and the same shall remain undischarged for a period of thirty (30) days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of any Credit Party or any Subsidiary to enforce any such judgment;

- (j) any event or series of events occurs which, in the opinion of the Lender, is reasonably likely to have a Material Adverse Effect;
- (k) any material provision of any Loan Document shall cease to be in full force and effect (other than in accordance with the terms thereof);
- (l) a Change of Control shall occur;

then, and in every such event, and at any time thereafter during the continuance of such event, the Lender may, by notice to the Borrower, take any or all of the following actions, at the same or different times:

- (i) declare the Loans then outstanding to be due and payable in whole or in part, and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other Obligations of the Credit Parties accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower and the other Credit Parties; and

- (ii) exercise all rights and remedies available to it under the Loan Documents and applicable law;

provided that, in the case of any event described in clause (g) or (h) of this Section, the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other Obligations accrued hereunder, shall automatically become due and payable, in each case without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Credit Parties.

ARTICLE IX. MISCELLANEOUS

SECTION 9.01. Notices. Except as otherwise expressly provided in a Loan Document, any communication in connection with any Loan Document shall be in writing and shall be given in person (by courier service or otherwise), by fax or via electronic communication (including e-mail, FpML, and Internet or intranet websites) as follows:

- (i) if to a Credit Party, to Meridian Rapid Defense Group LLC at 177 E. Colorado Blvd., Suite 200 Pasadena, CA 91105, Attention of William L. Fields (Telephone No. 818-641-4431; Email: BFields@Meridian-Barrier.com);

- (ii) if to the Lender, to the address, facsimile number, electronic mail address or telephone number specified for the Lender on Schedule 9.01.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received and notices sent by fax or through electronic communications shall be deemed to have been given when receipt is confirmed; provided that, a notice or other communication given above but received on a non-Business Day or after business hours in the place of receipt will only be deemed to be given on the next Business Day in that place.

SECTION 9.02. Waivers; Amendments.

- (a) No Waiver; Remedies Cumulative; Enforcement. The rights of the Lender under this Agreement (i) may be exercised as often as necessary; (ii) are cumulative and not exclusive of its rights under the general law and (iii) may be waived only in writing and specifically. Delay in exercising or non-exercise of any right is not a waiver of that right. Any waiver, consent or amendment shall be effective only in the specific instance and for the specific purpose for which it was given and shall not entitle the Borrower or any other Credit Party to any further or subsequent waiver, consent or amendment.

- (b) Amendments, Etc. Except as otherwise expressly set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Credit Party therefrom, shall be effective unless in writing executed by the Borrower and the Lender, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

SECTION 9.03. Expenses; Indemnity; Damage Waiver.

- (a) Costs and Expenses. The Borrower shall pay to the Lender (i) the amount of all costs and expenses (including legal fees and expenses) reasonably incurred by the Lender in connection with (a) the negotiation, preparation, printing and execution of any Loan Document and (b) any amendment, waiver or consent requested by or on behalf of the Borrower or specifically allowed by this Agreement, or any workout or restructuring, or any requested or proposed workout or restructuring, of the obligations under this Agreement and (ii) the amount of all costs and expenses (including legal fees and expenses) incurred by the Lender in connection with the enforcement of, or the preservation of any rights under, any Loan Document.

(b) Indemnification by the Borrower. The Borrower shall indemnify the Lender and each of its Related Parties (each such Person being called an “Indemnitee”) from and against all claims, litigation, liabilities, obligation, losses, damages, penalties, judgments, costs and expenses of any kind (including attorney’s fees and expenses) which may be imposed on, incurred by or asserted against any of them by any Person (including the Borrower) in any way relating to or arising out of (i) the execution, delivery or performance of the Loan Documents; (ii) the funding or use of any Loan; (iii) any Default or (iv) any action taken or omitted by the Lender under this Agreement or any exercise or enforcement of rights or remedies under this Agreement.

(c) Waiver of Consequential Damages, Etc. To the extent permitted by applicable law, no Credit Party shall assert, and each Credit Party hereby waives, any claim against the Lender, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as result of, the Loan Documents or any agreement, instrument or transaction contemplated by the Loan Documents, the funding or failure to fund any Loan or the use of the proceeds of any Loan.

(d) Payments. All amounts due under this Section shall be payable not later than five (5) days after demand therefor.

(e) Survival. Each party’s obligations under this Section shall survive the termination of the Loan Documents and payment of the obligations hereunder.

SECTION 9.04. Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender and the Lender may assign or otherwise transfer its rights or obligations only in accordance with clause (b) of this Section 9.04 (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of the Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lender. The Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of the Loan at the time owing to it). From and after the effective date of any such assignment, the assigning Lender shall be released from its obligations under this Agreement (and, in the case of an assignment covering all of the assigning Lender’s rights and obligations under this Agreement, the Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment.

SECTION 9.05. Counterparts; Integration; Effectiveness; Electronic Execution. This Agreement and any amendments, waivers, consents or supplements hereto may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement constitutes the entire contract between the Borrower, each Guarantor and the Lender with respect to the subject matter hereof and supersedes all previous agreements and understandings, oral or written, with respect thereto. Notwithstanding anything herein to the contrary, delivery of an executed counterpart of a signature page of this Agreement by electronic means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.06. Severability. If a term of a Loan Document is or becomes illegal, invalid or unenforceable in any jurisdiction, that will not affect (a) the legality, validity or enforceability in that jurisdiction of any other term of the Loan Documents or (b) the legality, validity or enforceability in other jurisdictions of that or any other term of the Loan Documents.

SECTION 9.07. Right of Setoff. The Lender may, without notice or demand (both of which are expressly and irrevocably waived by each Credit Party to the extent permissible under applicable law), set off any matured obligation owed to it by the Borrower under the Loan Documents against any obligation (including all deposits - general or special, time or demand, provisional or final - and all credits, indebtedness or claims) owed by the Lender to the Borrower, regardless of whether or not the obligation is matured and regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Lender may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off. The rights of the Lender under this Section are in addition to any other rights and remedies (including any banker’s lien or other rights of set-off) which the Lender may have by contract, under applicable law or otherwise.

SECTION 9.08. Governing Law; Jurisdiction; Etc. This Agreement and the other Loan Documents will be governed by and construed in accordance with the federal law of the United States if and to the extent such law is applicable, and otherwise in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within such State. Each of the Credit Parties and the Lender agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia for any civil action, suit or proceeding arising out of or relating to this Agreement, the Loan Documents, or the transactions contemplated hereby or thereby, and (b) that notice may be served upon any Credit Party or the Lender at the applicable address in Section 9.01 hereof (or upon any Lender that is not Treasury at an address provided by

such Lender to the Borrower in writing). To the extent permitted by applicable law, each Credit Party and the Lender hereby unconditionally waives trial by jury in any civil legal action or proceeding relating to this Agreement, the Loan Documents or the transactions contemplated hereby or thereby.

SECTION 9.09. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.10. USA Patriot Act. The Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow the Lender to identify each Credit Party in accordance with the USA Patriot Act. The Borrower agrees that it will provide the Lender with such information as it may request in order for the Lender to satisfy the requirements of the USA Patriot Act.

SECTION 9.11. Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to the Lender, or the Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred.

ARTICLE X. CARES ACT REQUIREMENTS

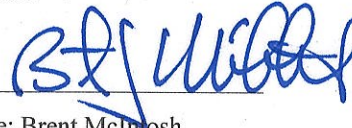

SECTION 10.01. CARES Act Requirements. Notwithstanding anything in this Agreement to the contrary, the Credit Parties, on behalf of themselves and their Affiliates, agree with the Lender to comply with the requirements set forth in Annex D. The Borrower represents and warrants to the Lender that the representations and warranties set forth in Annex D are true and correct in all respects.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year written below.

FORM OF NOTE

PROMISSORY NOTE

October 30, 2020

Reference is made to that certain Loan and Guarantee Agreement, dated as of October 30, 2020 (the “Loan Agreement”), between MERIDIAN RAPID DEFENSE GROUP LLC, a limited liability company organized under the laws of Delaware (the “Borrower” or the “Parent”), the Guarantors party thereto from time to time and the United States Department of the Treasury (“Treasury”). Capitalized terms used but not defined herein have the respective meanings assigned to them in the Loan Agreement.

FOR VALUE RECEIVED, the Borrower hereby unconditionally promises to pay to the Lender, the principal sum of SEVEN MILLION ONE HUNDRED THOUSAND DOLLARS (\$7,100,000), subject to increases and/or decreases as a result of Sections 2.01, 2.03 and 2.04 of the Loan Agreement and as otherwise provided for herein with respect to PIK Interest Amounts, in each case as noted by the Lender in Schedule I (the “Principal Amount”), outstanding hereunder, together with all accrued interest thereon on the Maturity Date as provided in the Loan Agreement and below. Notations made by the Lender in Schedule I shall be final and conclusive absent manifest error; provided, however, that any failure by the Lender to make such notations or any error by omission by the Lender in this regard shall not affect the obligation of the Borrower to pay the full amount of the principal of and interest on the Loan or any other amount owing hereunder or under the Loan Agreement.

SECTION I. Interest Rate

Subject to Section 2.05(b) of the Loan Agreement, the Loan shall bear interest payable on the Principal Amount outstanding from time to time at a rate per annum equal to the sum of (i) the Adjusted LIBO Rate; plus (ii) the Applicable Rate; plus (iii) the Additional Tax Payer Protection Rate. To the extent the Principal Amount is increased pursuant to Section 2.01 of the Loan Agreement, the Loan will bear interest on such increased Principal Amount from and after the date of such increase. Accrued interest on each Loan shall be payable in cash in arrears on each Interest Payment Date, beginning with December 15, 2020 and at such other times as may be specified in the Loan Agreement; provided that (x) interest accrued pursuant to Section 2.05(b) of the Loan Agreement shall be payable on demand, (y) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (z) any PIK Interest Amount may be paid in kind in accordance with the following paragraph. All interest hereunder and under the Loan Agreement shall be computed on the basis of a year of 360 days and in each case shall be payable for the actual number of days elapsed in the applicable period (including the first day but excluding the last day of such period). The Adjusted LIBO Rate shall be determined by the Lender, and such determination shall be conclusive absent manifest error.

By written notice to the Lender at least thirty (30) days prior to each Interest Payment Date, the Borrower may elect to pay all of the PIK Interest Amount in respect of such Interest Payment Date in cash on such Interest Payment Date. If the Borrower does not elect to pay any such PIK Interest Amount in cash as set forth in this clause, such PIK Interest Amount shall be paid by increasing the Principal Amount of the Loan by an amount equal to such PIK Interest Amount as of the applicable Interest Payment Date.

SECTION II. Benchmark Replacement

A. Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Note or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (3) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Borrower without any amendment to, or further action or consent of any other party to, this Note or any other Loan Document.

B. In connection with the implementation of a Benchmark Replacement, the Lender will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Note or any other Loan Document.

Form of Note

C. The Lender will promptly notify the Borrower of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (D) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Lender pursuant to this Section II including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Note or any other Loan Document, except, in each case, as expressly required pursuant to this Section II.

D. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or the USD LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Lender in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Lender may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Lender may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

E. During any Benchmark Unavailability Period, all calculations of interest by reference to a LIBO Rate hereunder shall instead be made by reference to the Alternate Base Rate.

SECTION III. Definitions

As used herein and in any other Loan Document, the following terms have the meanings specified below:

"Additional Tax Payer Protection Rate" means 3.00%.

"Adjusted LIBO Rate" means, as to any Borrowing for any Interest Period, an interest rate per annum (rounded upwards, if necessary, to the next 1/100 of 1%) equal to (a) the LIBO Rate for such Interest Period divided by (b) one minus the Eurodollar Reserve Percentage.

"Alternate Base Rate" means, for any day, a rate per annum equal to the highest of (a) the Prime Rate in effect on such day, (b) the Federal Funds Effective Rate in effect on such day plus 0.50% and (c) the Adjusted LIBO Rate for a one-month term in effect on such day (taking into account any LIBO Rate floor under the definition of "Adjusted LIBO Rate") plus 1.00%. Any change in the Alternate Base Rate due to a change in the Prime Rate, the Federal Funds Effective Rate or such Adjusted LIBO Rate shall be effective from and including the effective date of such change in the Prime Rate, the Federal Funds Effective Rate or such Adjusted LIBO Rate, respectively.

"Applicable Rate" means 5.50%.

"Available Tenor" means, as of any date of determination and with respect to the then-current Benchmark, as applicable, any tenor for such Benchmark or payment period for interest calculated with reference to such Benchmark, as applicable, that is or may be used for determining the length of an Interest Period pursuant to this Agreement as of such date and not including, for the avoidance of doubt, any tenor for such Benchmark that is then-removed from the definition of "Interest Period" pursuant to clause (D) of Section II of this Note.

"Benchmark" means, initially, the USD LIBO Rate; provided that if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred with respect to the USD LIBO Rate or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to clause (A) of Section II of this Note.

"Benchmark Replacement" means, for any Available Tenor, the first alternative set forth in the order below that can be determined by the Lender for the applicable Benchmark Replacement Date:

Form of Note

- (1) the sum of: (a) Term SOFR and (b) the related Benchmark Replacement Adjustment;
- (2) the sum of: (a) Daily Simple SOFR and (b) the related Benchmark Replacement Adjustment;
- (3) the sum of: (a) the alternate benchmark rate that has been selected by the Lender as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for the then-current Benchmark for U.S. dollar-denominated syndicated credit facilities at such time and (b) the related Benchmark Replacement Adjustment;

provided that, in the case of clause (1), such Unadjusted Benchmark Replacement is displayed on a screen or other information service that publishes such rate from time to time as selected by the Lender in its reasonable discretion. If the Benchmark Replacement as determined pursuant to clause (1), (2) or (3) above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Note and the other Loan Documents; provided further that any such Benchmark Replacement shall be administratively feasible as determined by the Lender in its reasonable discretion.

“Benchmark Replacement Adjustment” means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable Interest Period and Available Tenor for any setting of such Unadjusted Benchmark Replacement:

(1) for purposes of clauses (1) and (2) of the definition of “Benchmark Replacement,” the first alternative set forth in the order below that can be determined by the Lender:

(a) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that has been selected or recommended by the Relevant Governmental Body for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for the applicable Corresponding Tenor;

(b) the spread adjustment (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that would apply to the fallback rate for a derivative transaction referencing the ISDA Definitions to be effective upon an index cessation event with respect to such Benchmark for the applicable Corresponding Tenor; and

(2) for purposes of clause (3) of the definition of “Benchmark Replacement,” the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Lender for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar- denominated syndicated credit facilities;

provided that, in the case of clause (1) above, such adjustment is displayed on a screen or other information service that publishes such Benchmark Replacement Adjustment from time to time as selected by the Lender in its reasonable discretion; provided that, any such Benchmark Replacement Adjustment shall be administratively feasible as determined by the Lender in its reasonable discretion.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “Alternate Base Rate,” the definition of “Business Day,” the definition of “Interest Period,” timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Lender decides may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by the Lender in a manner substantially consistent with market practice (or, if the Lender decides that adoption of any portion of such market practice is not administratively feasible or if the Lender determines that no market practice for the administration of such Benchmark Replacement exists, in such other manner of administration as the Lender decides is reasonably necessary in connection with the administration of this Note and the other Loan Documents).

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then-current Benchmark:

- (1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof);
- (2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein; or
- (3) in the case of an Early Opt-in Election, the sixth (6th) Business Day after the date notice of such Early Opt-in Election is provided to the Borrower.

For the avoidance of doubt, (i) if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (ii) the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark:

- (1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);
- (2) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the Federal Reserve Bank of New York, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or
- (3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are no longer representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Unavailability Period” means the period (if any) (x) beginning at the time that a Benchmark Replacement Date pursuant to clauses (1) or (2) of that definition has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section II of this Note and (y) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section II of this Note.

(2) the election by the Lender to trigger a fallback from the USD LIBO Rate and the provision to the Borrower of written notice of such election.

“Eurodollar Reserve Percentage” means, for any day during any Interest Period, the reserve percentage in effect on such day, whether or not applicable to the Lender, under regulations issued from time to time by the Federal Reserve Board for determining the maximum reserve requirement (including any emergency, special, supplemental or other marginal reserve requirement) with respect to eurocurrency funding (currently referred to as “Eurocurrency liabilities” in Regulation D). GUARANTEE

1. Guarantee of the Obligations. Each Guarantor jointly and severally hereby irrevocably and unconditionally guarantees to the Lender the due and punctual payment in full of all Obligations (or such lesser amount as agreed by the Lender in its sole discretion) when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)) (collectively, the “Guaranteed Obligations”).

2. Payment by a Guarantor. Each Guarantor hereby jointly and severally agrees, in furtherance of the foregoing and not in limitation of any other right which the Lender may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of the Borrower to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)), such Guarantor will upon demand pay, or cause to be paid, in cash, to the Borrower an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for the Borrower’s becoming the subject of a case under the Bankruptcy Code, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against the Borrower for such interest in the related bankruptcy case) and all other Guaranteed Obligations then owed to the Lender as aforesaid.

3. Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

- (a) this Guarantee is a guarantee of payment when due and not of collectability;
- (b) the Lender may enforce this Guarantee upon the occurrence of an Event of Default notwithstanding the existence of any dispute between the Borrower and the Lender with respect to the existence of such Event of Default;
- (c) a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against the Borrower or any other Guarantors and whether or not the Borrower or such Guarantors are joined in any such action or actions;
- (d) payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any other Guarantor’s liability for any portion of the Guaranteed Obligations which has not been paid;
- (e) the Lender, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor’s liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or subordinate the payment of the same to the payment of any other obligations; (iii) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guarantees of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; and (iv) enforce its rights and remedies even though such action may operate to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against the Borrower or any security for the Guaranteed Obligations; and
- (f) this Guarantee and the obligations of each Guarantor hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations), including the occurrence of any of the following: (i) any failure, delay or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy with respect to the Guaranteed Obligations, or with respect to any security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions hereof; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the Lender’s consent to the change, reorganization or termination of the corporate structure or existence of the Borrower or any of its Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (v) any defenses, set-offs or counterclaims which the Borrower or any Guarantor may allege or assert against the Lender in respect of the Guaranteed Obligations, including failure of consideration, lack of authority, validity or enforceability, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (vi) any other event or circumstance that might in any manner vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

4. Waivers by Guarantors. Each Guarantor hereby waives, for the benefit of the Lender: (a) any right to require the Lender, as a condition of payment or performance by such Guarantor, to (i) proceed against the Borrower, any Guarantor or any other Person; (ii) proceed against or exhaust any security in favor of the Lender; or (iii) pursue any other remedy in the power of the Lender whatsoever or (b) presentment to, demand for payment from and protest to the Borrower or any Guarantor or notice of acceptance; and (c) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.
5. Guarantors' Rights of Subrogation, Contribution, etc. Until the Guaranteed Obligations shall have been paid in full, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against the Borrower or any other Guarantor or any of its assets in connection with this Guarantee or the performance by such Guarantor of its obligations hereunder, including without limitation (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against the Borrower with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that the Lender now has or may hereafter have against the Borrower, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by the Lender. In addition, until the Guaranteed Obligations shall have been paid in full, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations shall not have been finally and paid in full, such amount shall be held in trust for the Lender and shall forthwith be paid over to the Lender to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.
6. Subordination. Any indebtedness of the Borrower or any Guarantor now or hereafter held by any Guarantor (the "Obligee Guarantor") is hereby subordinated in right of payment to the Guaranteed Obligations, and any such indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall be held in trust for the Lender and shall forthwith be paid over to the Lender to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.
7. Continuing Guarantee. This Guarantee is a continuing guarantee and shall remain in effect until all of the Guaranteed Obligations shall have been paid in full. Each Guarantor hereby irrevocably waives any right to revoke this Guarantee as to future transactions giving rise to any Guaranteed Obligations.
8. Financial Condition of the Issuer. The Loan may be made to the Borrower without notice to or authorization from any Guarantor regardless of the financial or other condition of the Borrower at the time of such grant. Each Guarantor has adequate means to obtain information from the Borrower on a continuing basis concerning the financial condition of the Borrower and its ability to perform its obligations under the Agreement, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of the Borrower and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations.
9. Reinstatement. In the event that all or any portion of the Guaranteed Obligations are paid by the Borrower or any Guarantor, the obligations of any other Guarantor hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from the Lender as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.
10. Discharge of Guarantee Upon Sale of the Guarantor. If, in compliance with the terms and provisions of the Agreement, all of the capital stock of any Guarantor that is a Subsidiary of the Borrower or any of its successors in interest hereunder shall be sold or otherwise disposed of (including by merger or consolidation) to any Person (other than to the Borrower or to any other Guarantor), the Guarantee of such Guarantor or such successor in interest, as the case may be, hereunder shall automatically be discharged and released without any further action by any beneficiary or any other Person effective as of the time of such asset sale.
