I. Reporting Basics

a) Overview

This document provides information for Non-entitlement units of local government (NEUs) and units of general local government within counties that are not units of general local government (Non-UGLG) on using Treasury's Portal to submit the information required under the Coronavirus State and Local Fiscal Recovery Fund (SLFRF) Compliance and Reporting Guidance (Reporting Guidance). The Reporting Guidance contains relevant information and guidance on reporting requirements.

Each NEU and Non-UGLG is required to provide the following information once their accounts are established in Treasury's Portal and prior to the due date of their first annual Project and Expenditure Report, which is April 30, 2022:

• Copy of the signed award terms and conditions agreement (which was signed and submitted to the State or U.S. territory as part of the request for funding);
• Copy of the signed assurances of compliance with Title VI of the Civil Rights Act of 1964 (which was signed and submitted to the State or U.S. territory as part of the request for funding); and
• Copy of actual budget documents validating the top-line budget total provided to the State or U.S. territory as part of the request for funding.

You should visit the Treasury's SLFRF home page for the latest guidance and updates on programmatic and reporting topics.

Each SLFRF recipient, including NEUs and Non-UGLGs, is required to submit periodic reports with current performance and financial information including background information about the SLFRF projects that are the subjects of the reports; and financial information with details about obligations, expenditures, direct payments, and subawards. Additional details for submitting this information is included the Project and Expenditure Report user guide.

Note - as noted in the Reporting Guidance, consolidated jurisdictions or other types of jurisdictions that received multiple SLFRF allocations (e.g., a county and city with a consolidated government), are only required to file once per reporting period, and such reports will cover the total SLFRF allocations received by the jurisdiction. This includes NEUs and non-UGLGs. In addition, the total SLFRF allocations across all sources for a given jurisdiction will be used to identify that jurisdiction's Reporting Tier.

b) What is Covered in this User Guide?

This User Guide contains information for NEUs and Non-UGLGs on using Treasury's Portal to confirm their accounts, designate the SLFRF reporting roles and submit the required information.

c) Questions?

If you have any questions about the SLFRF program’s reporting requirements, please contact us by email via SLFRP@treasury.gov.
II. NEU Account Setup-Designating SLFRF Points of Contact

This section provides a brief instruction for SLFRF Account Administrators on accessing Treasury’s Portal and providing the names and contact information of individuals to be designated as your organization’s points of contact for SLFRF reporting.

SLFRF recipients are required to designate staff or officials for the following three roles in managing reports for their SLFRF award. Recipients must make the required designations prior to accessing Treasury’s Portal to submit report. The required roles are as follows:

- **Account Administrator** for the SLFRF award has the administrative role of maintaining the names and contact information of the designated individuals for SLFRF reporting. The Account Administrator is also responsible for working within your organization to determine its designees for the roles of Point of Contact for Reporting and Authorized Representative for Reporting and providing their names and contact information via Treasury’s Portal. The Account Administrator can also view and submit reports. Finally, the Account Administrator is responsible for making any changes or updates as needed over the award period. We recommend that the Account Administrator identify an individual to serve in his/her place in the event of staff changes.

- **Point of Contact for Reporting** is the primary contact for receiving official Treasury notifications about reporting on the SLFRF award, including alerts about upcoming reporting, requirements, and deadlines. The Point of Contact for Reporting is responsible for completing the SLFRF reports but cannot certify and submit these reports.

- **Authorized Representative for Reporting** is responsible for certifying and submitting official reports on behalf of the SLFRF award recipient. Treasury will accept reports or other official communications only when submitted by the Authorized Representative for Reporting. The Authorized Representative for Reporting is also responsible for communications with Treasury on such matters as extension requests and amendments of previously submitted reports. The official reports may include special reports, monthly reports, quarterly reports, interim reports, and final reports.

Some key items to note:

- Each designated individual must register with either Login.gov or ID.me for gaining access to Treasury’s Portal.
- If you have not previously registered an account, you should register through Login.gov following this link. This link includes further instructions. The following links provide additional information:
  - [https://login.gov/create-an-account/](https://login.gov/create-an-account/)
  - [https://login.gov/help/get-started/create-your-account/](https://login.gov/help/get-started/create-your-account/)
- **Note**: if you are a Non-Entitlement Unit of Local Government (NEU), you should register using the Login.gov process linked above.
- Users who have previously registered through ID.me may continue to access Treasury’s Portal through that method. This link includes further instructions.
• An individual may be designated for multiple roles. For example, the individual designated as the Point of Contact for Reporting may also be designated as the Authorized Representative for Reporting.
• The recipient may designate one individual for all three roles.
• Multiple individuals can be designated for each role.
• An organization may make changes and updates to the list of designation individuals whenever needed. These changes must be processed by the Account Administrator.
• The designated individuals’ names and contact information will be pre-populated in the “Recipient Profile” portion of the recipient’s SLFRF reports, and recipients will be able to update the information, if necessary.

Treasury also posted a series of webinars, as noted below:

• **NEU Intro to Reporting** – Account Creation, Roles, and Agreements/Supporting Docs Submission
• **Account Creation and Login** - creation of account in Treasury’s Portal through ID.me or Login.gov
• **User Roles** - assignment and updates of user roles in Treasury’s Portal

For NEUs and Non-UGLGs, Treasury will assign as the Account Administrator the point of contact (POC) provided by the State or U.S. territory when the NEU and Non-UGLG information was provided to Treasury. The Account Administrator is responsible of designating the three roles to manage the reporting requirements for the program.

In the event a change is needed to the Account Administrator designation, the individual currently assigned to that role should process the change in Treasury’s Portal, following the instructions below.
