

Capital Projects Fund Award Fact Sheet

New Jersey

Treasury approves New Jersey's plan to invest \$15 million of CPF funding in Digital Connectivity Technology projects that aim to address gaps in digital equity, affordability, and broadband adoption.

New Jersey Capital Projects Fund Program Overview

- **Program Summary:** \$15 million for Digital Connectivity Technology (8% of CPF allocation)
- **Program Description:** The NJ TRANSIT Connected Bus program aims to address the inequity in broadband access through provision of free high-speed Wi-Fi onboard public transport buses. The provision of Wi-Fi onboard public transit will directly enable work, education, and health monitoring by providing access to public Wi-Fi in a setting that may be the only convenient and/or practical time and place to access public internet when needed for many bus riders.
- **Key State Contact:** NJ TRANSIT

New Jersey estimates this program will benefit approximately 208,000 individuals per year.
