Create an ID.me Account
January 2021

This document outlines the processes associated for credentialing and identity proofing as defined by NIST SP 800-63 v3, Digital Identity Guidelines, to obtain an ID.me credential. ID.me is a certified commercial identity provider offering Identity Assurance Level (IAL) 2 and Authentication Assurance Level (AAL) 2 credential.

- ▶ All Payroll Support Program recipients who attempt to logon to the CARES Portal for the first time need to sign up with ID.me through the following three-step process:
 - Email Verification (Slides 4– 5)
 - Two Factor Authentication Verification (Slides 6 – 9)
 - Identity Verification (Slides 10 – 30)
 - Examples are provided for the following Identity Verification Options
 - Option 1: Upload Photos of Your License or State ID (Slides 11 – 20)
 - Option 2: Virtual In-Person Identity Proofing (Slides 21 – 31)
- ▶ Process to logon to CARES Portal once ID.me registration is complete (Slides 33 through 35)

Two-Factor Authentication

- ▶ Select one of the options to setup two-factor authentication
 - Text Message or Phone Call (**Preferred**)
 - Push Notification
 - Code Generator Application
 - FIDO U2F Security Key
 - Mobile Yubikey

Note: This presentation captures screen shots for the first option: Text Message or Phone Call.

The screenshot shows the 'SECURE YOUR ACCOUNT' page from ID.me + Treasury. At the top, the ID.me and Treasury logos are displayed. Below them, a progress indicator shows three steps, with the first step (1) selected. The main heading is 'SECURE YOUR ACCOUNT'. A paragraph explains that two-factor authentication adds an extra layer of security. Below this, a prompt asks the user to 'Select an option below to setup two-factor authentication'. Five options are listed, each with an icon, a title, a description, and a 'Select' button. The first option, 'Text Message or Phone Call', is highlighted with a red rectangular border. The other options are 'Push Notification', 'Code Generator Application', 'FIDO U2F Security Key', and 'Mobile YubiKey'.

Two-Factor Authentication: Text Message or Phone Call

- ▶ Select Text message
 - Enter **your phone number**
 - Select **Text message**
 - Select **Continue**

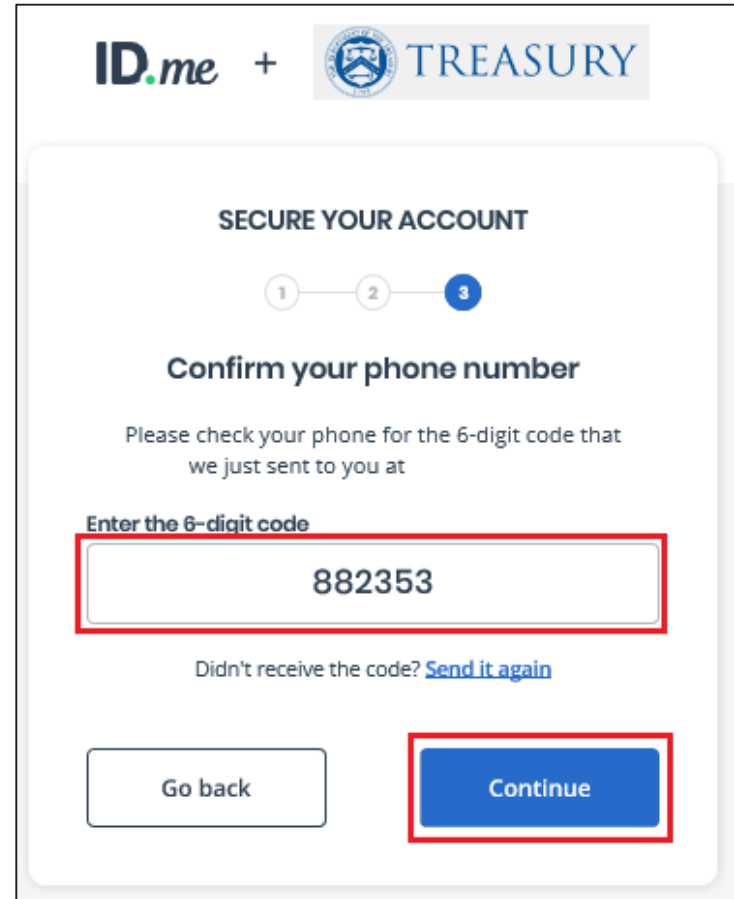

Note: Please use your valid mobile phone number.

The screenshot shows the ID.me + U.S. Treasury Two-Factor Authentication setup interface. At the top, the logos for ID.me and the U.S. Treasury are displayed. Below them, the heading "SECURE YOUR ACCOUNT" is followed by a progress indicator with three steps: 1, 2 (highlighted), and 3. The main heading is "Receive authentication code via phone". A note states: "Be sure to use a phone number you have access to whenever you plan to sign in." Below this is a red-bordered input field for the phone number, which includes a dropdown menu for the country code (currently showing the US flag). Underneath the input field is the heading "Choose how you want to receive the code". There are two options: "Text message" (highlighted with a red border and a blue checkmark) and "Phone call". At the bottom, there are two buttons: "Go back" and "Continue" (highlighted with a red border). A disclaimer at the bottom reads: "THE NUMBER PROVIDED WILL ONLY BE USED FOR ACCOUNT SECURITY. MESSAGE AND DATA RATES MAY APPLY."

Two-Factor Authentication: Text Message or Phone Call

- ▶ Verify phone number

The screenshot shows a web interface for ID.me + Treasury. At the top, the logos for ID.me and the Treasury Department are displayed. Below them, the heading "SECURE YOUR ACCOUNT" is followed by a progress indicator with three steps: 1, 2, and 3. Step 3 is highlighted in blue. The main heading is "Confirm your phone number". Below this, a message says "Please check your phone for the 6-digit code that we just sent to you at". A text input field is labeled "Enter the 6-digit code" and contains the number "882353". Below the input field, there is a link that says "Didn't receive the code? [Send it again](#)". At the bottom, there are two buttons: "Go back" and "Continue". The "Continue" button is highlighted with a red border.

Note: The code will expire after 15 minutes.

Two-Factor Authentication: Text Message or Phone Call

► Confirmation

The screenshot shows the ID.me confirmation screen. At the top, it says "ID.me + TREASURY". Below that, it says "YOUR ACCOUNT IS NOW SECURE" and "Your phone number can now be used for two-factor authentication." There is a lock icon with a checkmark. Below that, it says "Visit [ID.me My Account](#) to view and manage two-factor authentication settings." There is a section titled "Recovery code" with the text "A recovery code can be used in the event you lose access to your two-factor authentication device." Below that is a button labeled "Generate recovery code". At the bottom, there is a blue button labeled "Continue" which is highlighted with a red border.

Congratulations! You have enabled two factor authentication for your account. Next step is to verify your identity.

ID.me will send you an email notification that you enabled two-factor authentication.

You have enabled two-factor authentication for your account

Thank you for enabling two-factor authentication for your ID.me account.

Two-factor authentication is an additional layer of security designed to prevent unauthorized access to your account and protect your information with ID.me.

From now on, whenever you sign in, you can authenticate yourself using the following two-factor authentication option:

Text Message or Phone Call — (***) ***-703

NOTE FOR AFFILIATED ENTITIES. Each corporate entity eligible to receive PSP2 financial assistance must complete a separate application. However, multiple eligible entities who are approved for PSP2 and who are affiliates under common ownership may enter into a single, consolidated PSP2 Agreement with Treasury covering all the affiliates. The last section of the application will allow members of a corporate family to notify the Treasury that they would like to enter into a consolidated PSP2 Agreement.

Note: Successful logon (authentication) to PSP2 Application Portal
