

Capital Projects Fund Award Fact Sheet

Puerto Rico

Treasury approves Puerto Rico's plan to invest \$64.7 million of CPF funding in multi-purpose community facilities to improve resources for communities that enable work, education, and health monitoring.

Puerto Rico Capital Projects Fund Program Overview

- **Program Summary:** \$64.7 million for Multi-Purpose Community Facilities (41% of CPF allocation)
- **Program Description:** The Multi-Purpose Community Technology Centers program will provide funding to build or renovate facilities—Centros Tecnológicos—to provide the public with access to high-speed internet and on-site devices. Centros Tecnológicos will have long-term backup power generation and the capacity to support a substantive influx of patrons when a natural disaster or other event occurs.
- **Key State Contact:** Puerto Rico's Office of Management and Budget (PROMB)

Puerto Rico estimates this program will fund 8-10 Centros Tecnológicos.
