# AGENDA

## Introduction to DC PTAC

- Who we are
- What we do
- How to work with DC PTAC
- Contracting tips and tools

# WHO WE ARE

The Procurement Technical Assistance Program (PTAP) was authorized by Congress in 1985 to expand the number of businesses capable of participating in the government marketplace.

Administered by the Department of Defense, Defense Logistics Agency (DLA), the PTAP provides matching funds through cooperative agreements with state and local governments and non-profit organizations for the establishment of Procurement Technical Assistance Centers (PTACs) to provide procurement assistance.

# WHO WE ARE

- ❖ DC Procurement Technical Assistance Center (**DC PTAC**)
- ❖ is a program of the District of Columbia Department of Small and Local Business Development (DSLBD)
- ❖ The **DC PTAC** offers District of Columbia based businesses personalized counseling and competitive insight for navigating the government procurement process successfully.
- ❖ **DC PTAC** provides personalized counseling and training to increase the procurement readiness of clients
- ❖ **PTACs** reflect the needs, priorities and resources of the areas they serve

# DSLBD Mission

The DC Department of Small and Local Development (DSLBD) supports the development, economic growth, and retention of District-based businesses, and promotes economic development throughout the District's commercial corridors.
