*Some recipients were eligible to receive funding under multiple recipient types (e.g. metro city and county), and thus, may appear multiple times across tables.

**The \$9,664,326.00 decrease between the county allocation listing and the county disbursement listing is due to six counties that declined to claim their SLFRF allocations.

***Total Funding for counties in this table excludes non-UGLG funding currently included for counties in the allocation listing. See Disbursement to UGLGs.

****This is the most recent disbursement data as of 3/1/25. These amounts are subject to change as recipients return unobligated/unexpended funds or elect to return funds voluntarily.
