*Some recipients were eligible to receive funding under multiple recipient types (e.g. metro city and county), and thus, may appear multiple times across tables.

**The \$10,958,717.60 increase between the state allocation listing and the disbursement listing is attributed to NEUs in 21 states that declined their SLFRF allocations and, as permitted under section 603(c)(4) of the Social Security Act, transferred those funds to their respective states.

***This disbursement data is as of 3/1/25. These amounts are subject to change as some recipients may elect to withdraw from the program and return funds voluntarily.
