

RESTORE Act Application Milestones and Performance Measures – Department of the Treasury

OMB Approval No. 1505-0250

A. Milestones:

Provide the milestones and the estimated timeframe for completion (Number of Months After Performance Period Start Date).

B. Performance Measures:

Include the following information. For guidance, see Treasury RESTORE guidance on performance metrics.

- a. Measure: An indicator of success toward reaching a goal. The measure should reflect how the applicant will evaluate success from the narrative of the accepted multiyear plan.
