Date:  February 12, 2014
Arizona: Students In Need

• 61% of undergraduates have financial need
• Pell-eligible population has doubled in 5 years
• Minimal state-based financial aid program
AZ Earn to Learn Steps

Personal Finance Training → 1 on 1 Financial Coaching → College Readiness Training → Build Savings Skills → $4,000 Towards College

“My daughter is very motivated to go to college and pursue her education. This program would allow us to help her make her dream a reality.”
– Current AZEL Saver's Parent
Inaugural Cohort: Fall 2013

“AZEL doesn't only benefit the student's in their education, but it’s (also) a great way to learn how to budget and grow as an individual adult.”
– Current AZEL Saver

$280,000 in scholarships : $35,000 in student savings

>70% First Generation

>75% Students of Color

>65% Females
Changing Lives

• Transformative effect on students and families

• Increasing educated population

• Aligned with nation’s founding principles of saving and access to education
