## **MATCHING PROGRAMS FOR CALENDAR YEAR 2020**

In calendar year 2020, the Board reviewed and approved 7 re-establishments and 56 renewal matching agreements. On January 23, 2020, the matching agreement between the Department of Housing and Urban Development – Fiscal Service/Do Not Pay expired. All computer matching activities associated with this agreement were suspended on the expiration date. A reestablishment CMA is pending review and approval. The Board did not disapprove any of the proposed agreements and all requested extensions were granted. No violations of any of the Department’s matching agreements were alleged or identified.

The Inspector General Empowerment Act of 2016 includes an Inspector General (IG) exemption to the Computer Matching and Privacy Protection Act of 1988 (CMPPA). This exemption excuses IGs from obtaining formal matching agreements before matching data with other agencies and entities to identify fraud and waste. As a result, Treasury will not discuss any computer matching agreements in which the Treasury Office of the Inspector General (OIG), Treasury Inspector General for Tax Administration (TIGTA), or the Special Inspector General for the Troubled Asset Relief Program (SIGTARP) are participants.
