## **ARTICLE II REPRESENTATIONS AND WARRANTIES**

The Company represents and warrants to Treasury that as of the Signing Date and as of the Closing Date (or such other date specified herein):

2.1 Organization, Authority and Significant Subsidiaries. The Company has been duly incorporated and is validly existing and in good standing under the laws of its jurisdiction of organization, with the necessary power and authority to own, operate and lease its properties and conduct its business as it is being currently conducted, and except as has not, individually or in the aggregate, had and would not reasonably be expected to have a Company Material Adverse Effect, has been duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification; each subsidiary of the Company that would be considered a “significant subsidiary” within the meaning of Rule 1-02(w) of Regulation S-X under the Securities Act of 1933 (the “*Securities Act*”), has been duly organized and is validly existing in good standing under the laws of its jurisdiction of organization. The Charter and Bylaws, copies of which have been provided to Treasury prior to the Signing Date, are true, complete and correct copies of such documents as in full force and effect as of the Signing Date and as of the Closing Date.

2.2 Capitalization. The Company maintains only one class of equity security. The outstanding shares of capital stock of the Company have been duly authorized and are validly issued and outstanding, fully paid and nonassessable, and subject to no preemptive or similar rights (and were not issued in violation of any preemptive rights). As of the Signing Date, the Company does not have outstanding any securities or other obligations providing the holder the right to acquire its common stock (“*Common Stock*”) that are not reserved for issuance as specified in Part 2.2 of the Disclosure Schedule, and the Company has not made any other commitment to authorize, issue or sell any Common Stock or other capital stock. Since the last day of the fiscal period covered by the last Call Report filed by the Company or the IDI Subsidiary(ies) prior to the Application Date (the “*Capitalization Date*”), the Company has not (a) declared, and has no present intention of declaring, any dividends on its Common Stock in a per-share amount greater than the per-share amount of declared dividends that are reflected in such Call Report; or (b) issued any shares of Common Stock, other than (i) shares issued upon the exercise of stock options or delivered under other equity-based awards or other convertible securities or warrants which were issued and outstanding on the Capitalization Date and disclosed in Part 2.2 of the Disclosure Schedule, (ii) shares disclosed in Part 2.2 of the Disclosure Schedule, and (iii) if the Company is Matching Private Investment-Supported, shares representing Matching Private Investment disclosed in the “Matching Private Investment” section of Annex A. Each holder of 5% or more of the Company and such holder’s primary

address are set forth in Part 2.2 of the Disclosure Schedule. The Company has received a representation from each Matching Private Investor that such Matching Private Investor has not received or applied for any investment from the SBLF, and the Company has no reason to believe that any such representation is inaccurate. If the Company is a Bank Holding Company or a Savings and Loan Holding Company, (x) the percentage of each IDI Subsidiary's issued and outstanding capital stock that is owned by the Company is set forth on Part 2.2 of the Disclosure Schedule; and (y) all shares of issued and outstanding capital stock of the IDI Subsidiary(ies) owned by the Company are free and clear of all liens, security interests, charges or encumbrances. Since the Application Date, there has been no change in the organizational hierarchy information regarding the Company that was available on the Application Date from the National Information Center of the Federal Reserve System. Part 2.2 of the Disclosure Schedule contains a list of all equity and debt securities issued by the Company, indicating in each case whether, upon issuance of the Senior Securities to Treasury in accordance herewith, such security will rank senior to, *pari passu* with, or junior to the Senior Securities with respect to the payment of interest, dividends and other distributions and the distribution of assets in the event of any dissolution, liquidation or winding up of the Company.

2.3 Senior Securities. The Senior Securities have been duly and validly authorized, and, when executed and delivered pursuant to this Agreement, such Senior Securities will be duly and validly issued, will not be issued in violation of any preemptive rights, and will rank senior to the Common Stock and all other series or classes of capital stock, whether or not designated, issued or outstanding, with respect to the payment of interest, dividends and other distributions and the distribution of assets in the event of any dissolution, liquidation or winding up of the Company.

2.4 Compliance With Identity Verification Requirements. The Company and the Company Subsidiaries (to the extent such regulations are applicable to the Company Subsidiaries) are in compliance with the requirements of Section 103.121 of title 31, Code of Federal Regulations.

2.5 Authorization, Enforceability.

(a) The Company has the corporate power and authority to execute and deliver this Agreement and to carry out its obligations hereunder (which includes the issuance of the Senior Securities). The execution, delivery and performance by the Company of this Agreement and the consummation of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of the Company and its stockholders, and no further approval or authorization is required on the part of the Company. This Agreement is a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, subject to any limitations of applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and general equitable principles, regardless of whether such enforceability is considered in a proceeding at law or in equity ("*Bankruptcy Exceptions*").

(b) The execution, delivery and performance by the Company of this Agreement and the consummation of the transactions contemplated hereby and compliance by the Company with the provisions hereof, will not (i) violate, conflict with, or result in a breach of

any provision of, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under, or result in the termination of, or accelerate the performance required by, or result in a right of termination or acceleration of, or result in the creation of, any lien, security interest, charge or encumbrance upon any of the properties or assets of the Company or any subsidiary of the Company (each subsidiary, a “*Company Subsidiary*” and, collectively, the “*Company Subsidiaries*”) under any of the terms, conditions or provisions of (A) its organizational documents or (B) any note, bond, mortgage, indenture, deed of trust, license, lease, agreement or other instrument or obligation to which the Company or any Company Subsidiary is a party or by which it or any Company Subsidiary may be bound, or to which the Company or any Company Subsidiary or any of the properties or assets of the Company or any Company Subsidiary may be subject, or (ii) subject to compliance with the statutes and regulations referred to in the next paragraph, violate any statute, rule or regulation or any judgment, ruling, order, writ, injunction or decree applicable to the Company or any Company Subsidiary or any of their respective properties or assets except, in the case of clauses (i)(B) and (ii), for those occurrences that, individually or in the aggregate, have not had and would not reasonably be expected to have a Company Material Adverse Effect.

(c) All filings and approvals as are required to be made or obtained under any state “blue sky” laws and such as have been made or obtained, no notice to, filing with, exemption or review by, or authorization, consent or approval of, any Governmental Entity is required to be made or obtained by the Company in connection with the consummation by the Company of the Purchase except for any such notices, filings, exemptions, reviews, authorizations, consents and approvals the failure of which to make or obtain would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

2.6 Anti-takeover Provisions and Rights Plan. The Board of Directors of the Company (the “*Board of Directors*”) has taken all necessary action to ensure that the transactions contemplated by this Agreement and the consummation of the transactions contemplated hereby will be exempt from any anti-takeover or similar provisions of the Charter and Bylaws, and any other provisions of any applicable “moratorium”, “control share”, “fair price”, “interested stockholder” or other anti-takeover laws and regulations of any jurisdiction.

2.7 No Company Material Adverse Effect. Since the last day of the fiscal period covered by the last Call Report filed by the Company or the IDI Subsidiary(ies) prior to the Application Date, no fact, circumstance, event, change, occurrence, condition or development has occurred that, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect.

2.8 Company Financial Statements. The Company Financial Statements present fairly in all material respects the consolidated financial position of the Company and its consolidated subsidiaries as of the dates indicated therein and the consolidated results of their operations for the periods specified therein; and except as stated therein, such financial statements (a) were prepared in conformity with GAAP applied on a consistent basis (except as may be noted therein) and (b) have been prepared from, and are in accordance with, the books and records of the Company and the Company Subsidiaries.

2.9 Reports.

(a) Since December 31, 2007, the Company and each Company Subsidiary has filed all reports, registrations, documents, filings, statements and submissions, together with any amendments thereto, that it was required to file with any Governmental Entity (the foregoing, collectively, the “*Company Reports*”) and has paid all fees and assessments due and payable in connection therewith, except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. As of their respective dates of filing, the Company Reports complied in all material respects with all statutes and applicable rules and regulations of the applicable Governmental Entities.

(b) The records, systems, controls, data and information of the Company and the Company Subsidiaries are recorded, stored, maintained and operated under means (including any electronic, mechanical or photographic process, whether computerized or not) that are under the exclusive ownership and direct control of the Company or the Company Subsidiaries or their accountants (including all means of access thereto and therefrom), except for any non-exclusive ownership and non-direct control that would not reasonably be expected to have a material adverse effect on the system of internal accounting controls described below in this Section 2.9(b). The Company (i) has implemented and maintains adequate disclosure controls and procedures to ensure that material information relating to the Company, including the consolidated Company Subsidiaries, is made known to the chief executive officer and the chief financial officer of the Company by others within those entities, and (ii) has disclosed, based on its most recent evaluation prior to the Signing Date, to the Company’s outside auditors and the audit committee of the Board of Directors (A) any significant deficiencies and material weaknesses in the design or operation of internal controls that are reasonably likely to adversely affect the Company’s ability to record, process, summarize and report financial information and (B) any fraud, whether or not material, that involves management or other employees who have a significant role in the Company’s internal controls over financial reporting.

2.10 No Undisclosed Liabilities. Neither the Company nor any of the Company Subsidiaries has any liabilities or obligations of any nature (absolute, accrued, contingent or otherwise) which are not properly reflected in the Company Financial Statements to the extent required to be so reflected and, if applicable, reserved against in accordance with GAAP applied on a consistent basis, except for (a) liabilities that have arisen since the last fiscal year end in the ordinary and usual course of business and consistent with past practice and (b) liabilities that, individually or in the aggregate, have not had and would not reasonably be expected to have a Company Material Adverse Effect.

2.11 Offering of Securities. Neither the Company nor any person acting on its behalf has taken any action (including any offering of any securities of the Company under circumstances which would require the integration of such offering with the offering of any of the Senior Securities under the Securities Act, and the rules and regulations of the Securities and Exchange Commission (the “*SEC*”) promulgated thereunder), which might subject the offering, issuance or sale of any of the Senior Securities to Treasury pursuant to this Agreement to the registration requirements of the Securities Act.

2.12 Litigation and Other Proceedings. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, there is no (a) pending or, to the knowledge of the Company, threatened, claim, action, suit, investigation or proceeding, against the Company or any Company Subsidiary or to which any of their assets are subject nor is the Company or any Company Subsidiary subject to any order, judgment or decree or (b) unresolved violation, criticism or exception by any Governmental Entity with respect to any report or relating to any examinations or inspections of the Company or any Company Subsidiaries. There is no claim, action, suit, investigation or proceeding pending or, to the Company's knowledge, threatened against any institution-affiliated party (as defined in 12 U.S.C. §1813(u)) of the Company or any of the IDI Subsidiaries that, if determined or resolved in a manner adverse to such institution-affiliated party, could result in such institution-affiliated party being prohibited from participation in the conduct of the affairs of any financial institution or holding company of any financial institution and, to the Company's knowledge, there are no facts or circumstances could reasonably be expected to provide a basis for any such claim, action, suit, investigation or proceeding.

2.13 Compliance with Laws. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, the Company and the Company Subsidiaries have all permits, licenses, franchises, authorizations, orders and approvals of, and have made all filings, applications and registrations with, Governmental Entities that are required in order to permit them to own or lease their properties and assets and to carry on their business as presently conducted and that are material to the business of the Company or such Company Subsidiary. Except as set forth in Part 2.13 of the Disclosure Schedule, the Company and the Company Subsidiaries have complied in all respects and are not in default or violation of, and none of them is, to the knowledge of the Company, under investigation with respect to or, to the knowledge of the Company, have been threatened to be charged with or given notice of any violation of, any applicable domestic (federal, state or local) or foreign law, statute, ordinance, license, rule, regulation, policy or guideline, order, demand, writ, injunction, decree or judgment of any Governmental Entity, other than such noncompliance, defaults or violations that would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. Except for statutory or regulatory restrictions of general application, no Governmental Entity has placed any restriction on the business or properties of the Company or any Company Subsidiary that would, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

2.15 Taxes. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, (a) the Company and the Company Subsidiaries have filed all federal, state, local and foreign income and franchise Tax returns (together with any schedules and attached thereto) required to be filed through the Signing Date, subject to permitted extensions, and have paid all Taxes due thereon, (b) all such Tax returns (together with any schedules and attached thereto) are true, complete and correct in all material respects and were prepared in compliance with all applicable laws and (c) no Tax deficiency has been determined adversely to the Company or any of the Company Subsidiaries, nor does the Company have any knowledge of any Tax deficiencies.

(A) no IDI Subsidiary shall receive any amount pursuant to this Section 3.1(i) in excess of (A) three percent (3%) of the insured depository institution's Total Risk-Weighted Assets as reported in its Call Report filed immediately prior to the Application Date, if the insured depository institution has Total Assets of more than \$1,000,000,000 and less than \$10,000,000,000 as of December 31, 2009 or (B) five percent (5%) of the IDI Subsidiary's Total Risk-Weighted Assets as reported in its Call Report filed immediately prior to the Application Date, if the IDI Subsidiary has Total Assets of \$1,000,000,000 or less as of December 31, 2009; and

(B) if Treasury held any Previously Acquired Securities immediately prior to the Closing Date, the amount required to be transferred pursuant this Section 3.1(i) shall be ninety percent (90%) of the difference obtained by subtracting the Repayment Amount from the Purchase Price (unless the Purchase Price is less than the Repayment Amount, in which case no amount shall be required to be transferred pursuant to this Section 3.1(i)).

(j) Outreach to Minorities, Women and Veterans. The Company shall comply with Section 4103(d)(8) of the SBJA.

The Company shall retain all such certifications in accordance with standard recordkeeping practices established by the Appropriate Federal Banking Agency.

3.2 Negative Covenants. The Company hereby covenants and agrees with Treasury that:

(a) Certain Transactions.

(i) The Company shall not merge or consolidate with, or sell, transfer or lease all or substantially all of its property or assets to, any other party unless the successor, transferee or lessee party (or its ultimate parent entity), as the case may be (if not the Company), expressly assumes the due and punctual performance and observance of each and every covenant, agreement and condition of this Agreement to be performed and observed by the Company.

(ii) Without the prior written consent of Treasury, until such time as Treasury shall cease to own any Senior Securities, the Company shall not permit any of its “significant subsidiaries” (as such term is defined in Rule 12b-2 promulgated under the Exchange Act) to (A) engage in any merger, consolidation, statutory share exchange or similar transaction following the consummation of which such significant subsidiary is not wholly-owned by the Company, (B) dissolve or sell all or substantially all of its assets or property other than in connection with an internal reorganization or consolidation involving wholly-owned subsidiaries of the Company or (C) issue or sell any shares of its capital stock or any securities convertible or exercisable for any such shares, other than issuances or sales in connection with an internal reorganization or consolidation involving wholly-owned subsidiaries of the Company.

(iv) The Company or an IDI Subsidiary shall consent to the appointment of a receiver for it or all or substantially all of its property in any liquidation, insolvency or similar proceeding with respect to it or all or substantially all of its property.

4.2 Acceleration and Other Remedies. When any Event of Default has occurred and is continuing, then the Senior Securities, including both principal and interest, and all fees, charges and other obligations payable hereunder and under the Transaction Documents, shall immediately become due and payable without presentment, demand, protest or notice of any kind. In addition, the Holders may exercise any and all remedies available to them under the Transaction Documents or applicable law.

4.3 Suits for Enforcement. In case any one or more Events of Default shall have occurred and be continuing, unless such Events of Default shall have been waived in the manner provided in Section 4.5 hereof, the Holders holding more than fifty percent (50%) of the aggregate outstanding principal amount of the Senior Securities (the “*Majority Holders*”), subject to the terms of Article VI hereof, may proceed to protect and enforce their rights under this Article IV by suit in equity or action at law. It is agreed that in the event of such action, or any action between the Holders of the Senior Securities and the Company (including its officers

and agents) in connection with a breach or enforcement of this Agreement, the Holders of the Senior Securities shall be entitled to receive all reasonable fees, costs and expenses incurred, including without limitation such reasonable fees and expenses of attorneys (whether or not litigation is commenced) and reasonable fees, costs and expenses of appeals.

4.4  Holders May File Proofs of Claim. 4.5  Waiver of Past Defaults. The Holders of not less than a majority in aggregate principal amount of the outstanding Senior Securities may on behalf of the Holders of all the Senior Securities waive any past default hereunder with respect such Senior Securities and its consequences. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

## **ARTICLE V ADDITIONAL AGREEMENTS**

The Senior Securities shall be issued, and may be transferred, only in denominations having an aggregate principal amount of not less than \$1,000 and integral multiples of \$1,000 in excess thereof. The Senior Securities shall be in registered form without coupons and shall be numbered, lettered or otherwise distinguished in such manner or in accordance with such plans as the officers executing the same may determine as evidenced by the execution thereof.

5.3 Execution of Senior Securities. The Senior Securities shall be executed in the name and on behalf of the Company by the manual or facsimile signature of its President, Chief Executive Officer, Chief Financial Officer or one of its Executive Vice Presidents under its corporate seal (if legally required) which may be affixed thereto or printed, engraved or otherwise reproduced thereon, by facsimile or otherwise, and which need not be attested, unless otherwise required by the Charter or Bylaws or applicable law. 5.4 Computation of Interest. (a) The amount of interest payable for any Interest Period will be computed as provided in the Senior Securities.

(b) Each Senior Security delivered under this Agreement upon registration of transfer of or in exchange for or in lieu of any other Senior Security shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Senior Security.

5.5 Legends.

(a) Treasury agrees that all certificates or other instruments representing the Senior Securities will bear a legend substantially to the following effect:

“THIS SENIOR SECURITY WILL BE ISSUED AND MAY BE TRANSFERRED ONLY IN MINIMUM DENOMINATIONS OF \$1,000 AND MULTIPLES OF \$1,000 IN EXCESS THEREOF. ANY ATTEMPTED TRANSFER OF SUCH SECURITIES IN A DENOMINATION OF LESS THAN \$1,000 AND MULTIPLES OF \$1,000 IN EXCESS THEREOF SHALL BE DEEMED TO BE VOID AND OF NO LEGAL EFFECT WHATSOEVER. ANY SUCH PURPORTED TRANSFEREE SHALL BE DEEMED NOT TO BE THE HOLDER OF SUCH SECURITIES FOR ANY PURPOSE, INCLUDING, BUT NOT LIMITED TO, THE RECEIPT OF PAYMENTS ON SUCH SECURITIES, AND SUCH PURPORTED TRANSFEREE SHALL BE DEEMED TO HAVE NO INTEREST WHATSOEVER IN SUCH SECURITIES.

THIS SECURITY IS SUBJECT TO THE TERMS AND CONDITIONS SET FORTH IN THE SECURITIES PURCHASE AGREEMENT BY AND BETWEEN THE COMPANY AND THE UNITED STATES DEPARTMENT OF THE TREASURY (THE “*AGREEMENT*”), WHICH IS INCORPORATED INTO THIS SENIOR SECURITY.

THIS SECURITY IS NOT A SAVINGS ACCOUNT OR DEPOSIT AND IT IS NOT INSURED OR GUARANTEED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION, THE BOARD OF GOVERNORS OF THE FEDERAL RESERVE SYSTEM OR ANY OTHER GOVERNMENTAL AGENCY.

THE FOLLOWING NOTICES ARE APPLICABLE IF THE COMPANY IS A DEPOSITORY INSTITUTION: THIS OBLIGATION IS NOT ELIGIBLE AS COLLATERAL FOR ANY LOAN BY THE COMPANY. PURSUANT TO 12 U.S.C. 1831o(h), THE COMPANY MAY NOT MAKE ANY PAYMENT OF PRINCIPAL OR INTEREST ON THIS OBLIGATION BEGINNING 60 DAYS AFTER BECOMING CRITICALLY UNDERCAPITALIZED, UNLESS THE FEDERAL DEPOSIT INSURANCE CORPORATION HAS MADE AN EXCEPTION PURSUANT TO 12 U.S.C. 1831o(h)(2)(B).

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “*SECURITIES ACT*”), OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS. EACH PURCHASER OF THIS SECURITY IS NOTIFIED THAT THE SELLER MAY BE RELYING ON THE EXEMPTION FROM SECTION 5 OF THE SECURITIES ACT

PROVIDED BY RULE 144A THEREUNDER (THE “144A EXEMPTION”). IF ANY TRANSFEREE OF THIS SECURITY IS ADVISED BY THE TRANSFEROR THAT SUCH TRANSFEROR IS RELYING ON THE 144A EXEMPTION, SUCH TRANSFEREE, BY ITS ACCEPTANCE HEREOF (1) REPRESENTS THAT IT IS A “QUALIFIED INSTITUTIONAL BUYER” (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT), (2) AGREES THAT IT WILL NOT OFFER, SELL OR OTHERWISE TRANSFER THE SECURITIES REPRESENTED BY THIS INSTRUMENT EXCEPT (A) PURSUANT TO A REGISTRATION STATEMENT WHICH IS THEN EFFECTIVE UNDER THE SECURITIES ACT, (B) FOR SO LONG AS THE SECURITIES REPRESENTED BY THIS INSTRUMENT ARE ELIGIBLE FOR RESALE PURSUANT TO RULE 144A, TO A PERSON IT REASONABLY BELIEVES IS A “QUALIFIED INSTITUTIONAL BUYER” AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT THAT PURCHASES FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER TO WHOM NOTICE IS GIVEN THAT THE TRANSFER IS BEING MADE IN RELIANCE ON RULE 144A, (C) TO THE COMPANY OR (D) PURSUANT TO ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND (3) AGREES THAT IT WILL GIVE TO EACH PERSON TO WHOM THIS SECURITY IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND.

THIS INSTRUMENT IS ISSUED SUBJECT TO THE RESTRICTIONS ON TRANSFER AND OTHER PROVISIONS OF THE AGREEMENT, A COPY OF WHICH IS ON FILE WITH THE COMPANY. THIS SECURITY MAY NOT BE SOLD OR OTHERWISE TRANSFERRED EXCEPT IN COMPLIANCE WITH SAID AGREEMENT. ANY SALE OR OTHER TRANSFER NOT IN COMPLIANCE WITH SAID AGREEMENT WILL BE VOID.”

(b) In the event that any Senior Securities (A) (i) become registered under the Securities Act or (ii) are eligible to be transferred without restriction in accordance with Rule 144 or another exemption from registration under the Securities Act (other than Rule 144A), or (B) (i) become subject to an Indenture qualified under the Indenture Act or (ii) are exempt from qualification under the Indenture Act, the Company shall issue new certificates or other instruments representing such Senior Securities, which shall not contain the applicable legends in Section 5.5(a) above; *provided* that the Holder surrenders to the Company the previously issued certificates or other instruments.

5.6 Transfer of Senior Securities.

(a) The Company or its duly appointed agent shall maintain a register (the “*Senior Securities Register*”) for the Senior Securities in which it shall register the issuance and transfer of the Senior Securities. All transfers of the Senior Securities shall be recorded on the Senior Securities Register maintained by the Company or its agent, and the Company shall be entitled to regard the registered Holder of such Senior Security as the actual owner of the Senior Security so registered until the Company or its agent is required to record a transfer of such Senior Security on its Senior Securities Register. The Company or its agent shall, subject to applicable securities laws, be required to record any such transfer when it receives the Senior Security to be transferred duly and properly endorsed by the registered Holder or by its attorney duly authorized in writing.

(b) The Company shall at any time, upon written request of the Holder of a Senior Security and surrender of the Senior Security for such purpose, at the expense of the Company, issue new Senior Securities in exchange therefor in such denominations of at least \$1,000, as shall be specified by the Holder of such Senior Security, in an aggregate principal amount equal to the then unpaid principal amount of the Senior Securities surrendered and substantially in the form of Annex F, with appropriate insertions and variations, and bearing interest from the date to which interest has been paid on the Senior Security surrendered. All Senior Securities issued upon any registration of transfer of exchange pursuant to this Section 5.6(b) shall be valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Agreement, as the Senior Securities surrendered upon such registration of transfer or exchange.

(c) All Senior Securities presented for registration of transfer or for exchange or payment shall be duly endorsed by, or be accompanied by, a written instrument or instruments of transfer in a form satisfactory to the Company duly executed by the Holder or such Holder’s attorney duly authorized in writing.

(d) No service charge shall be incurred for any exchange or registration of transfer of Senior Securities, but the Company may require payment of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in connection therewith.

(e) Prior to due presentment for the registration of a transfer of any Senior Security, the Company and any agent of the Company may deem and treat the person in whose name such Senior Security is registered as the absolute owner and Holder of such Senior Security for the purpose of receiving payment of principal of and interest on such Senior Security and none of the Company or any agents of the Company shall be affected by notice to the contrary.

(f) Subject to compliance with applicable securities laws, the Holder shall be permitted to transfer, sell, assign or otherwise dispose of (“*Transfer*”) all or a portion of the Senior Securities at any time, and the Company shall take all steps as may be reasonably requested by Treasury to facilitate the Transfer of the Senior Securities, including without limitation, as set forth in Section 5.9; *provided* that Treasury shall not Transfer any Senior Securities if such transfer would require the Company to be subject to the periodic reporting

requirements of Section 13 or 15(d) of the Securities Exchange Act of 1934 (the “*Exchange Act*”) and the Company was not already subject to such requirements. In furtherance of the foregoing, the Company shall provide reasonable cooperation to facilitate any Transfers of the Senior Securities, including, as is reasonable under the circumstances, by furnishing such information concerning the Company and its business as a proposed transferee may reasonably request (including such information as is required by Section 3.1(c)(iv)) and making management of the Company reasonably available to respond to questions of a proposed transferee in accordance with customary practice, subject in all cases to the proposed transferee agreeing to a customary confidentiality agreement.

5.7 Replacement of Senior Securities. Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any Senior Security, and, in the case of any such loss, theft or destruction, upon delivery of a bond of indemnity reasonably satisfactory to the Company (*provided* that Treasury or any institutional Holder of a Senior Security may instead deliver to the Company an indemnity agreement in form and substance reasonably satisfactory to the Company), or, in the case of any such mutilation, upon surrender and cancellation of the Senior Security, as the case may be, the Company will issue a new Senior Security of like tenor, in lieu of such lost, stolen, destroyed or mutilated Senior Security.

5.8 Cancellation. All Senior Securities surrendered for the purpose of payment, exchange or registration of transfer, shall be surrendered to the Company and promptly canceled by it, and no Senior Securities shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Agreement. The Company shall destroy all canceled Senior Securities.

5.9 Rule 144; Rule 144A; 4(1½) Transactions.

(a) At all times after the Signing Date, the Company covenants that (1) it will, upon the request of Treasury or any subsequent Holder, use its reasonable best efforts to (x), to the extent any Holder is relying on Rule 144 under the Securities Act to sell any of the Senior Securities, make “current public information” available, as provided in Section (c)(1) of Rule 144 (if the Company is a “Reporting Issuer” within the meaning of Rule 144) or in Section (c)(2) of Rule 144 (if the Company is a “Non-Reporting Issuer” within the meaning of Rule 144), in either case for such time period as necessary to permit sales pursuant to Rule 144, (y), to the extent any Holder is relying on the so-called “Section 4(1½)” exemption to sell any of its Senior Securities, prepare and provide to such Holder such information, including the preparation of private offering memoranda or circulars or financial information, as the Holder may reasonably request to enable the sale of the Senior Securities pursuant to such exemption, or (z) to the extent any Holder is relying on Rule 144A under the Securities Act to sell any of its Senior Securities, prepare and provide to such Holder the information required pursuant to Rule 144A(d)(4), and (2) it will take such further action as any Holder may reasonably request from time to time to enable such Holder to sell Senior Securities without registration under the Securities Act within the limitations of the exemptions provided by (i) the provisions of the Securities Act or any interpretations thereof or related thereto by the SEC, including transactions based on the so-called “Section 4(1½)” and other similar transactions, (ii) Rule 144 or 144A under the Securities Act, as such rules may be amended from time to time, or (iii) any similar rule or regulation

hereafter adopted by the SEC; *provided* that the Company shall not be required to take any action described in this Section 5.9(a) that would cause the Company to become subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act if the Company was not subject to such requirements prior to taking such action. Upon the request of any Holder, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements and, if not, the specifics thereof.

(b) The Company agrees to indemnify Treasury, Treasury's officials, officers, employees, agents, representatives and Affiliates, and each person, if any, that controls Treasury within the meaning of the Securities Act (each, an "*Indemnitee*"), against any and all losses, claims, damages, actions, liabilities, costs and expenses (including reasonable fees, expenses and disbursements of attorneys and other professionals incurred in connection with investigating, defending, settling, compromising or paying any such losses, claims, damages, actions, liabilities, costs and expenses), joint or several, arising out of or based upon any untrue statement or alleged untrue statement of material fact contained in any document or report provided by the Company pursuant to this Section 5.9 or any omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(c) If the indemnification provided for in Section 5.9(b) is unavailable to an Indemnitee with respect to any losses, claims, damages, actions, liabilities, costs or expenses referred to therein or is insufficient to hold the Indemnitee harmless as contemplated therein, then the Company, in lieu of indemnifying such Indemnitee, shall contribute to the amount paid or payable by such Indemnitee as a result of such losses, claims, damages, actions, liabilities, costs or expenses in such proportion as is appropriate to reflect the relative fault of the Indemnitee, on the one hand, and the Company, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, actions, liabilities, costs or expenses as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the Indemnitee, on the other hand, shall be determined by reference to, among other factors, whether the untrue statement of a material fact or omission to state a material fact relates to information supplied by the Company or by the Indemnitee and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; the Company and Treasury agree that it would not be just and equitable if contribution pursuant to this Section 5.9(c) were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 5.9(b). No Indemnitee guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from the Company if the Company was not guilty of such fraudulent misrepresentation.

5.10 Depository Senior Securities. Upon request by Treasury at any time following the Closing Date, the Company shall promptly enter into a depository arrangement, pursuant to customary agreements reasonably satisfactory to Treasury and with a depository reasonably acceptable to Treasury, pursuant to which the Senior Securities may be deposited.

5.11 Redemption.

(a) The Senior Securities at the time outstanding may be redeemed by the Company at its option, subject to the approval of the Appropriate Federal Banking Agency, in whole or in part and subject to Section 5.11(e), at any time and from time to time, out of funds legally available therefor, upon notice given as provided in Section 5.11(d) below, on any Interest Payment Date (the “*Redemption Date*”) at a redemption price equal to the sum of (i) 100% of the principal amount thereof being called for redemption (*provided* that, if less than all of the outstanding Senior Securities are then being redeemed, such amount shall not be less than 25% of the Original Aggregate Principal Amount of the Senior Securities), (ii) any accrued and unpaid interest and CPP Lending Incentive Fees, and (iii) the pro-rata amount of CPP Lending Incentive Fees for the then-current Interest Period.

(b) The redemption price for any Senior Securities shall be payable on the Redemption Date to the Holder of such Senior Securities against surrender thereof to the Company or its agent. Interest shall be paid at the then Applicable Interest Rate from the date of the last Interest Payment Date up to but not including the Redemption Date.

(c) No Sinking Fund. The Senior Securities will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of Senior Securities will have no right to require redemption or repurchase of any of the Senior Securities.

(d) Notice of Redemption. Notice of redemption of the Senior Securities shall be given by first class mail, postage prepaid, addressed to the Holders of record of the Senior Securities to be redeemed at their respective last addresses appearing on the Senior Securities Register. Such mailing shall be at least 30 days and not more than 60 days before the Redemption Date. Any notice mailed as provided in this subsection shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any Holder of Senior Securities designated for redemption shall not affect the validity of the proceedings for the redemption of any other Senior Securities. Notwithstanding the foregoing, if Senior Securities are issued in book-entry form through The Depository Trust Company or any other similar facility, notice of redemption may be given to the Holders of Senior Securities at such time and in any manner permitted by such facility. Each notice of redemption given to a Holder shall state: (1) the Redemption Date; (2) the amount of Senior Securities to be redeemed by such Holder; (3) the redemption price; and (4) the place or places where such Senior Securities are to be surrendered for payment of the redemption price.

(e) Partial Redemption. The Company may redeem less than all of the outstanding Senior Securities, *provided* that the amount called for redemption at any time is not less than 25% of the amount of the outstanding principal amount of the Senior Securities. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which Senior Securities shall be redeemed from time to time. If less than the full aggregate principal amount of any Senior Security is redeemed, the Company shall issue a new Senior Security in the unredeemed aggregate principal amount thereof without charge to the Holder thereof. Senior Securities may

be redeemed in part only on a *pro rata* basis and only in minimum denominations of \$1,000 and integral multiples thereof.

(f) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the Redemption Date specified in the notice all funds necessary for the redemption have been deposited by the Company, in trust for the *pro rata* benefit of the Holders of the Senior Securities called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any Senior Security so called for redemption has not been surrendered for cancellation, on and after the Redemption Date interest shall cease to accrue on the aggregate principal amount of such Senior Securities so called for redemption, the aggregate principal amount of such Senior Securities so called for redemption shall no longer be deemed outstanding and shall cease to bear interest from and after the Redemption Date. All rights with respect to such Senior Securities (or the portion thereof so called for redemption) shall forthwith on such Redemption Date cease and terminate, except only the right of the Holders thereof to receive the redemption price payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the Redemption Date shall, to the extent permitted by applicable law, be released to the Company, after which time the Holders of such Senior Securities (or portion thereof so called for redemption) shall look only to the Company for payment of the redemption price of such Senior Securities.

(g) Status of Redeemed Securities. Senior Securities that are redeemed, repurchased or otherwise acquired by the Company shall be cancelled and shall not thereafter be reissued by the Company.

(h) Conversion. Holders of Senior Securities shall have no right to exchange or convert any Senior Securities into any other securities.

#### 5.12 Provisions for Nonpayment of Interest and Voting Rights.

(a) General. The Holders of Senior Securities shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Restrictions For Any Missed Payment. The following restrictions will apply whenever interest payable on the Senior Securities has not been paid for any quarterly interest period:

- (i) The Chief Executive Officer and Chief Financial Officer of the Company will be required to provide written notice, in a form reasonably satisfactory to Treasury, which is to include the rationale of the Company's board of directors for not paying interest;

- (ii) No repurchases may be effected and no dividends may be declared or paid on the Company's securities except in accordance with Section 5.13(b); and
- (iii) No interest may be paid on any Indebtedness that ranks *pari passu* with, or junior to, the Senior Securities with respect to the payment of interest.

(c) Obligations of the Board of Directors After Four Missed Payments.

Whenever interest on the Senior Securities has not been paid for four quarterly interest periods or more, whether or not consecutive, and during such time the Company was not subject to a regulatory determination that prohibits the payment of interest, the board of directors of the Company must certify, in writing, that the Company used best efforts to pay such quarterly interest in a manner consistent with safe and sound banking practices and the directors' fiduciary obligations.

(d) Board Observation Rights.

Whenever, at any time or times, interest on the Senior Securities has not been paid in full within five (5) business days after each Interest Payment Date for an aggregate of five (5) Interest Periods or more, whether or not consecutive, the Company shall invite a representative selected by the holders of a majority of the outstanding Senior Securities, voting as a single class, to attend all meetings of its Board of Directors in a nonvoting observer capacity and, in this respect, shall give such representative copies of all notices, minutes, consents, and other materials that it provides to its directors in connection with such meetings; *provided*, that the holders of the Senior Securities shall not be obligated to select such a representative, nor shall such representative, if selected, be obligated to attend any meeting to which he/she is invited. The rights of the holders of the Senior Securities set forth in this Section 5.12(d) shall terminate when full dividends have been timely paid on the Senior Securities for at least four consecutive Interest Periods, subject to revesting in the event of each and every subsequent default of the character above mentioned.

(e) Senior Securities Directors.

Whenever, at any time or times, (i) interest on the Senior Securities has not been paid in full within five (5) business days after each Interest Payment Date for an aggregate of six (6) Interest Periods or more, whether or not consecutive, and (ii) the aggregate principal amount of the then-outstanding Senior Securities is greater than or equal to \$25,000,000, the authorized number of directors of the Company shall automatically be increased by two and the Holders of a majority of the aggregate principal amount of the Senior Securities, voting as a class, shall have the right, but not the obligation, to elect two directors to fill such newly created directorships (such directors, hereinafter the "*Senior Securities Directors*" and each a "*Senior Securities Director*") at the Company's next annual meeting of stockholders (or, if the next annual meeting is not yet scheduled or is scheduled to occur more than thirty days later, the President of the Company shall promptly call a special meeting for that purpose) and at each subsequent annual meeting of stockholders until all accrued but unpaid interest for four (4) consecutive Interest Periods on all outstanding Senior Securities has been timely paid in full, at which time such right shall terminate with respect to the Senior Securities, except as herein or by law expressly provided, subject to revesting in the event of each and every subsequent default of the character above mentioned. Upon any

termination of the right of the Holders of Senior Securities (as a class) to vote for directors as provided above, the Senior Securities Directors shall cease to be qualified as directors, the term of office of all Senior Securities Directors then in office shall terminate immediately and the authorized number of directors shall be reduced by the number of Senior Securities Directors elected pursuant hereto. Any Senior Securities Director may be removed at any time, with or without cause, and any vacancy created thereby may be filled, only by the affirmative vote of the Holders of a majority of the aggregate principal amount of the Senior Securities at the time outstanding voting separately as a class. If the office of any Senior Securities Director becomes vacant for any reason other than removal from office as aforesaid, the Holders of a majority of the aggregate principal amount of the outstanding Senior Securities, voting as a class, may choose a successor who shall hold office for the unexpired term in respect of which such vacancy occurred.

(f) Class Voting Rights as to Particular Matters. So long as any Senior Securities are outstanding, in addition to any other vote or consent of stockholders required by law or by the Charter, the written consent of (x) Treasury, if Treasury holds any Senior Securities, or (y) the holders of a majority of the outstanding Senior Securities, voting as a single class, if Treasury does not hold any Senior Securities, shall be necessary for effecting or validating:

(i) Authorization of Senior Stock. Any amendment or alteration of the Charter to authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock of the Company ranking senior to Senior Securities with respect to either or both the payment of dividends or interest and/or the distribution of assets on any liquidation, dissolution or winding up of the Company;

(ii) Amendment of Senior Securities. Any amendment, alteration or repeal of any provision of the Senior Securities or the Charter (including, unless no vote on such merger or consolidation is required by Section 5.12(f)(iii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Senior Securities;

(iii) Share Exchanges, Reclassifications, Mergers and Consolidations. Subject to Section 5.12(f)(v) below, any consummation of a binding share exchange or reclassification involving the Senior Securities, or of a merger or consolidation of the Company with another corporation or other entity, unless in each case (x) the Senior Securities remain outstanding or, in the case of any such merger or consolidation with respect to which the Company is not the surviving or resulting entity, are converted into or exchanged for securities of the surviving or resulting entity or its ultimate parent, and (y) such Senior Securities remaining outstanding or such securities of the surviving or resulting entity or its ultimate parent, as the case may be, have such terms, conditions, rights, preferences, privileges and voting powers, and limitations and restrictions thereof that are the same as the terms, conditions, rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of Senior Securities immediately prior to such consummation, taken as a whole; provided, that in all cases,

the obligations of the Company are assumed (by operation of law or by express written assumption) by the resulting entity or its ultimate parent;

(iv) Certain Asset Sales. Any sale of all, substantially all, or any material portion of, the assets of the Company, if the Senior Securities will not be redeemed in full contemporaneously with the consummation of such sale; and

(v) Holding Company Transactions. Any consummation of a Holding Company Transaction, unless as a result of the Holding Company Transaction each Senior Security shall be converted into or exchanged for securities having equal face amount, rank and preferences of the Company or the Acquiror (a “*Holding Company Senior Security*”). Any such Holding Company Senior Security shall entitle holders thereof to interest from the date of issuance of such Holding Company Senior Security on terms that are equivalent to the terms set forth herein, and shall have such other rights, preferences, privileges and voting powers, and limitations and restrictions thereof that are the same as the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of Senior Securities immediately prior to such conversion or exchange, taken as a whole;

(g) Changes after Provision for Redemption. No vote or consent of the Holders of Senior Securities shall be required pursuant to Section 5.12(f) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding Senior Securities shall have been redeemed, or shall have been called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 5.11 above.

(h) Procedures for Voting and Consents. The rules and procedures for calling and conducting any meeting of the Holders of Senior Securities, the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to such a meeting or such consents shall be governed by any rules of the Board of Directors or any duly authorized committee of the Board of Directors, in its discretion, may adopt from time to time, which rules and/or procedures shall conform to the requirements of the Charter, the Bylaws, and applicable law and the rules of any national securities exchange or other trading facility on which the Senior Securities are listed or traded at the time.

#### 5.13 Right to Pay Dividends; Restriction on Dividends and Repurchases.

(a) Subject to Sections 5.13(b) and (c) and any restrictions imposed by the Appropriate Federal Banking Agency or, if applicable, the Appropriate State Banking Agency, so long as any Senior Securities are outstanding, the Company may declare and pay dividends on shares of Common Stock, or repurchase or redeem any shares of Common Stock, in each case only if after giving effect to such dividend, repurchase or redemption, the Company’s (or if the Company is a Bank Holding Company or a Savings and Loan Holding Company, its IDI Subsidiaries’) Total Risk-Based Capital would be at least equal to the Total Risk-Based Capital Dividend Threshold.

(b) If interest is not paid on the Senior Securities in respect of any Interest Period, then until all accrued interest on the Senior Securities has been paid in full, neither the Company nor any Company Subsidiary shall, redeem, purchase or acquire, or pay any dividends on, any shares of Common Stock or other capital stock or other equity securities of any kind of the Company or any Company Subsidiary, or any trust preferred securities issued by the Company or any Affiliate of the Company, (other than (i) redemptions, purchases, repurchases or other acquisitions of the Senior Securities (ii) redemptions of securities held by the Company or any wholly-owned Company Subsidiary or (iii) redemptions, purchases or other acquisitions of capital stock or other equity securities of any kind of any Company Subsidiary required pursuant to binding contractual agreements entered into prior to (x) if Treasury held Previously Acquired Securities immediately prior to the Original Issue Date, the original issue date of such Previously Acquired Securities, or (y) otherwise, the Signing Date).

(c) After the tenth (10th) anniversary of the Signing Date, so long as any Senior Securities are outstanding, (i) no Common Stock or other capital stock or other equity securities of any kind of the Company or any Company Subsidiary shall be, directly or indirectly, purchased, redeemed or otherwise acquired for consideration by the Company or any Company Subsidiary; and (ii) neither the Company nor any Company Subsidiary shall pay any dividends on any shares of Common Stock or other capital stock or other equity securities of any kind of the Company or any Company Subsidiary.

5.14 No Preemptive Rights. 5.15 References to Line Items of Supplemental Reports. If Treasury modifies the form of Supplemental Report, pursuant to its rights under the Agreement, and any such modification includes a change to the caption or number of any line item on the Supplemental Report, then any reference herein to such line item shall thereafter be a reference to such re-captioned or re-numbered line item

5.16 Record Holders. To the fullest extent permitted by applicable law, the Company and the transfer agent for Senior Securities may deem and treat the record holder of any Senior Securities as the true and lawful owner thereof for all purposes, and neither the Company nor such transfer agent shall be affected by any notice to the contrary.

5.17 Notices. All notices or communications in respect of Senior Securities shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Agreement, in the Charter or Bylaws or by applicable law. Notwithstanding the foregoing, if Senior Securities are issued in book-entry form through The Depository Trust Company or any similar facility, such notices may be given to the holders of such Senior Securities in any manner permitted by such facility.

5.18 Expenses and Further Assurances.

(a) Unless otherwise provided in this Agreement, each of the parties hereto will bear and pay all costs and expenses incurred by it or on its behalf in connection with the transactions contemplated under this Agreement, including fees and expenses of its own financial or other consultants, investment bankers, accountants and counsel.

(b) The Company shall, at the Company's sole cost and expense, (i) furnish to Treasury all instruments, documents and other agreements required to be furnished by the Company pursuant to the terms of this Agreement, including, without limitation, any documents required to be delivered pursuant to Section 5.9 above, or which are reasonably requested by Treasury in connection therewith; (ii) execute and deliver to Treasury such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the Senior Securities purchased by Treasury, as Treasury may reasonably require; and (iii) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement, as Treasury shall reasonably require from time to time.

In addition, any Holder shall have the right to request that the Company or its duly appointed agent send a notice on behalf of such Holder to all other Holders at the addresses set forth on the Senior Securities Register or, to the extent the Company has entered into a depository arrangement, by means of any procedures applicable to such depository arrangement.

## **ARTICLE VI SUBORDINATION OF THE SENIOR SECURITIES**

### 6.1 Agreement to Subordinate.

(a) The Company covenants and agrees, and each Holder of Senior Securities issued hereunder likewise covenants and agrees, that the Senior Securities shall be issued subject to the provisions of this Article VI; and each Holder of a Senior Security, whether upon original issue or upon transfer or assignment thereof, accepts and agrees to be bound by such provisions.

(b) The payment by the Company of the principal of and interest on all Senior Securities issued hereunder shall, to the extent and in the manner hereinafter set forth, be subordinated and subject in right of payment to the prior payment in full of all amounts then due and payable in respect of (i) with respect to Senior Securities issued by a bank or savings association, all claims of the Company's depositors, if applicable, and Senior Indebtedness, whether outstanding at the date of this Agreement or thereafter incurred or (ii) with respect to Senior Securities issued by a Bank Holding Company or Savings and Loan Holding Company,

any Senior Indebtedness of the Company in accordance with applicable regulations governing Bank Holding Companies or Savings and Loan Holding Companies.

(c) No provision of this Article VI shall prevent the occurrence of any Event of Default (or any event which, after notice or the lapse of time or both would become, an Event of Default) with respect to the Senior Securities hereunder.

#### 6.2 Default on Senior Indebtedness.

(a) In the event and during the continuation of any default by the Company in the payment of principal, premium, interest or any other payment due on any Senior Indebtedness, no payment shall be made by the Company with respect to the principal or interest on the Senior Securities or any other amounts which may be due on the Senior Securities pursuant to the terms hereof or thereof.

(b) In the event of the acceleration of the maturity of the Senior Indebtedness, then no payment shall be made by the Company with respect to the principal or interest on the Senior Securities or any other amounts which may be due on the Senior Securities pursuant to the terms hereof or thereof until the holders of all Senior Indebtedness outstanding at the time of such acceleration shall receive payment, in full, of all amounts due on or in respect of such Senior Indebtedness (including any amounts due upon acceleration).

(c) In the event that, notwithstanding the foregoing, any payment is received by any Holder of a Senior Security, when such payment is prohibited by the preceding paragraphs of this Section 6.2, such payment shall be held in trust for the benefit of, and shall be paid over or delivered by the Holder of the Senior Securities to the holders of Senior Indebtedness or their respective representatives, or to the trustee or trustees under any indenture pursuant to which any of such Senior Indebtedness may have been issued, as their respective interests may appear, but only to the extent of the amounts in respect of such Senior Indebtedness and to the extent that the holders of the Senior Indebtedness (or their representative or representatives or a trustee) notify the Company in writing within 90 days of such payment of the amounts then due and owing on such Senior Indebtedness, and only the amounts specified in such notice to the Company shall be paid to the holders of such Senior Indebtedness. The Company shall, within ten (10) business days of receipt of such notice, provide Treasury with (i) a copy of such notice delivered to the Company and (ii) a certificate signed on behalf of the Company by an Executive Officer certifying that the information set forth in such notice is true and correct and confirming that the Holder of the Senior Securities should pay or deliver the amounts specified in such notice in the manner specified therein.

#### 6.3 Liquidation; Dissolution.

(a) Upon any payment by the Company or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to creditors upon any dissolution, winding-up, liquidation or reorganization of the Company, whether voluntary or involuntary or in insolvency, receivership or other proceedings, the holders of all Senior Indebtedness of the Company will first be entitled to receive payment in full of amounts due on

or in respect of such Senior Indebtedness, before any payment is made by the Company on account of the principal of or interest on the Senior Securities or any other amounts which may be due on the Senior Securities pursuant to the terms hereof or thereof); and upon any such dissolution, winding-up, liquidation or reorganization, any payment by the Company, or distribution of assets of the Company of any kind or character, whether in cash, property or securities, which the Holder of the Senior Securities would be entitled to receive from the Company, except for the provisions of this Article VI, shall be paid by the Company or by any receiver, liquidating trustee, agent or other person making such payment or distribution, or by the Holder of the Senior Securities under this Agreement if received by them or it, directly to the holders of Senior Indebtedness of the Company (*pro rata* to such holders on the basis of the respective amounts of Senior Indebtedness held by such holders, as calculated by the Company) or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Indebtedness may have been issued, as their respective interests may appear, to the extent necessary to pay all such amounts of Senior Indebtedness in full, in money or money's worth, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Indebtedness, before any payment or distribution is made to the Holder of the Senior Securities.

(b) In the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company of any kind or character prohibited by Section 6.3(a), whether in cash, property or securities, shall be received by any Holder of the Senior Securities, before the amounts of all Senior Indebtedness is paid in full, or provision is made for such payment in money in accordance with its terms, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered by any Holder of a Senior Security, to the holders of such Senior Indebtedness or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Indebtedness may have been issued, as their respective interests may appear, as calculated by the Company, for application to the payment of all amounts of Senior Indebtedness remaining unpaid to the extent necessary to pay all amounts due on or in respect of such Senior Indebtedness in full in money in accordance with its terms, after giving effect to any concurrent payment or distribution to or for the benefit of the holders of such Senior Indebtedness. In such event, the Company shall provide Treasury with a certificate signed on behalf of the Company by an Executive Officer confirming that the Holder of the Senior Securities should pay or deliver such amounts to the holders of such Senior Indebtedness.

(c) For purposes of this Article VI, the words "*cash, property or securities*" shall not be deemed to include shares of stock of the Company as reorganized or readjusted, or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment, the payment of which is subordinated at least to the extent provided in this Article VI with respect to the Senior Securities to the payment of Senior Indebtedness that may at the time be outstanding, *provided* that (i) such Senior Indebtedness is assumed by the new corporation, if any, resulting from any such reorganization or readjustment, and (ii) the rights of the holders of such Senior Indebtedness are not, without the consent of such holders, altered by such reorganization or readjustment. The consolidation of the Company with, or the merger of the Company into, another person or the liquidation or dissolution of the Company following the sale, conveyance, transfer or lease of its property as an entirety, or substantially as an entirety, to

another person upon the terms and conditions provided for in Section 3.2(a)(i) shall not be deemed a dissolution, winding-up, liquidation or reorganization for the purposes of this Section 6.3 if such other person shall, as a part of such consolidation, merger, sale, conveyance, transfer or lease, comply with the conditions stated in Section 3.2(a)(i).

6.4 Merger, Consolidation and Sale of Assets Is Not Liquidation. For purposes of this Article VI, the merger or consolidation of the Company with any other corporation or other entity, including a merger or consolidation in which the holders of Senior Securities receive cash, securities or other property for their shares, or the sale, lease or exchange (for cash, securities or other property) of all or substantially all of the assets of the Company, shall not constitute a liquidation, dissolution or winding up of the Company.

6.5 Subrogation.

(a) Subject to the payment in full of all of Senior Indebtedness, the rights of the Holders of the Senior Securities shall be subrogated to the rights of the holders of such Senior Indebtedness to receive payments or distributions of cash, property or securities of the Company, as the case may be, applicable to such Senior Indebtedness until the principal of and interest on the Senior Securities shall be paid in full; and, for the purposes of such subrogation, no payments or distributions to the holders of such Senior Indebtedness of any cash, property or securities to which the Holders of the Senior Securities would be entitled except for the provisions of this Article VI, and no payment pursuant to the provisions of this Article VI to or for the benefit of the holders of such Senior Indebtedness by the Holders of the Senior Securities shall, as between the Company, its creditors other than holders of Senior Indebtedness of the Company, and the Holders of the Senior Securities, be deemed to be a payment by the Company to or on account of such Senior Indebtedness. It is understood that the provisions of this Article VI are intended solely for the purposes of defining the relative rights of the Holders of the Senior Securities, on the one hand, and the holders of such Senior Indebtedness on the other hand.

(b) Nothing contained in this Article VI or elsewhere in this Agreement or in the Senior Securities is intended to or shall impair, as between the Company, its creditors other than the holders of Senior Indebtedness of the Company, and the Holders of the Senior Securities, the obligation of the Company, which is absolute and unconditional, to pay to the Holders of the Senior Securities the principal of and interest on the Senior Securities as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders of the Senior Securities and creditors of the Company, as the case may be, other than the holders of Senior Indebtedness of the Company, as the case may be, nor shall anything herein or therein prevent the Holder of any Senior Securities from exercising all remedies otherwise permitted by applicable law upon default under this Agreement, subject to the rights, if any, under this Article VI of the holders of such Senior Indebtedness in respect of cash, property or securities of the Company, as the case may be, received upon the exercise of any such remedy.

6.6 Notice by the Company.

(a) The Company shall give prompt written notice to the Holders of the Senior Securities of any fact known to the Company that would prohibit the making of any payment of monies in respect of the Senior Securities pursuant to the provisions of this Article VI.

(b) Upon any payment or distribution of assets of the Company referred to in this Article VI, the Holders of the Senior Securities shall be entitled to conclusively rely upon any order or decree entered by any court of competent jurisdiction in which such insolvency, bankruptcy, receivership, liquidation, reorganization, dissolution, winding-up or similar case or proceeding is pending, or a certificate of the trustee in bankruptcy, liquidating trustee, custodian, receiver, assignee for the benefit of creditors, agent or other person making such payment or distribution, delivered to the Holders of the Senior Securities, for the purpose of ascertaining the persons entitled to participate in such payment or distribution, the holders of Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article VI.

#### 6.7 Subordination May Not Be Impaired.

(a) No right of any present or future holder of any Senior Indebtedness of the Company to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company, as the case may be, or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company, as the case may be, with the terms, provisions and covenants of this Agreement, regardless of any knowledge thereof that any such holder may have or otherwise be charged with.

(b) Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Indebtedness of the Company may, at any time and from time to time, without the consent of or notice to the Holders of the Senior Securities, without incurring responsibility to the Holders of the Senior Securities and without impairing or releasing the subordination provided in this Article VI or the obligations hereunder of the Holders of the Senior Securities to the holders of such Senior Indebtedness, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, such Senior Indebtedness, or otherwise amend or supplement in any manner such Senior Indebtedness or any instrument evidencing the same or any agreement under which such Senior Indebtedness is outstanding; (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing such Senior Indebtedness; (iii) release any person liable in any manner for the collection of such Senior Indebtedness; and (iv) exercise or refrain from exercising any rights against the Company, as the case may be, and any other person.

## **ARTICLE VII MISCELLANEOUS**

7.1 Termination. This Agreement shall terminate upon the earliest to occur of:

(a) termination at any time prior to the Closing:

(i) by either Treasury or the Company if the Closing shall not have occurred on or before the 30th calendar day following the date on which Treasury issued its preliminary approval of the Company's application to participate in SBLF (the "Closing Deadline"); *provided, however*, that in the event the Closing has not occurred by the Closing Deadline, the parties will consult in good faith to determine whether to extend the term of this Agreement, it being understood that the parties shall be required to consult only until the fifth calendar day after the Closing Deadline and not be under any obligation to extend the term of this Agreement thereafter; *provided, further*, that the right to terminate this Agreement under this Section 5.1(a)(i) shall not be available to any party whose breach of any representation or warranty or failure to perform any obligation under this Agreement shall have caused or resulted in the failure of the Closing to occur on or prior to such date; or

(ii) by either Treasury or the Company in the event that any Governmental Entity shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement, and such order, decree, ruling or other action shall have become final and nonappealable; or

(iii) by the mutual written consent of Treasury and the Company; or

(b) the date on which all of the Senior Securities have been paid or redeemed in whole; or

(c) the date on which Treasury has transferred all of the Senior Securities to third parties which are not Affiliates of Treasury.

In the event of termination of this Agreement as provided in this Section 7.1, this Agreement shall forthwith become void and there shall be no liability on the part of either party hereto except that nothing herein shall relieve either party from liability for any breach of this Agreement.

## 7.2 Survival.

(a) This Agreement and all representations, warranties, covenants and agreements made herein shall survive the Closing without limitation.

(b) The covenants set forth in Article III and Annex E and the agreements set forth in Article V shall, to the extent such covenants do not explicitly terminate at such time as Treasury no longer owns any Senior Securities, survive the termination of this Agreement pursuant to Section 7.1(c) without limitation until the date on which all of the Senior Securities have been redeemed in whole.

(c) The rights and remedies of Treasury with respect to the representations, warranties, covenants and obligations of the Company herein shall not be affected by any investigation conducted with respect to, or any knowledge acquired (or capable of being acquired) at any time by Treasury or any of its personnel or agents with respect to the accuracy or inaccuracy of, or compliance with, any such representation, warranty, covenant or obligation.

7.3 Amendment. No amendment of any provision of this Agreement will be effective unless made in writing and signed by an officer or a duly authorized representative of each party, except as set forth in Section 3.1(d)(v). No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative of any rights or remedies provided by law.

7.4 Waiver of Conditions. The conditions to each party's obligation to consummate the Purchase are for the sole benefit of such party and may be waived by such party in whole or in part to the extent permitted by applicable law. No waiver will be effective unless it is in a writing signed by a duly authorized officer of the waiving party that makes express reference to the provision or provisions subject to such waiver.

7.5 Governing Law; Submission to Jurisdiction, etc. This Agreement and any claim, controversy or dispute arising under or related to this Agreement, the relationship of the parties, and/or the interpretation and enforcement of the rights and duties of the parties shall be enforced, governed, and construed in all respects (whether in contract or in tort) in accordance with the federal law of the United States if and to the extent such law is applicable, and otherwise in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within such State. Each of the parties hereto agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia and the United States Court of Federal Claims for any and all civil actions, suits or proceedings arising out of or relating to this Agreement or the Purchase contemplated hereby and (b) that notice may be served upon (i) the Company at the address and in the manner set forth for notices to the Company in Section 7.7 and (ii) Treasury at the address and in the manner set forth for notices to the Company in Section 7.7, but otherwise in accordance with federal law. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE PARTIES HERETO HEREBY UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY CIVIL LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR THE PURCHASE CONTEMPLATED HEREBY.

7.6 No Relationship to TARP. The parties acknowledge and agree that (i) the SBLF program is separate and distinct from the Troubled Asset Relief Program established by the Emergency Economic Stabilization Act of 2008; and (ii) the Company shall not, by virtue of the investment contemplated hereby, be considered a recipient under the Troubled Asset Relief Program.

7.7 Notices. Any notice, request, instruction or other document to be given hereunder by any party to the other will be in writing and will be deemed to have been duly given (a) on the date of delivery if delivered personally, or by facsimile, upon confirmation of receipt, or (b) on the second business day following the date of dispatch if delivered by a recognized next day courier service. All notices to the Company shall be delivered as set forth on the cover page of this Agreement, or pursuant to such other instruction as may be designated in writing by the Company to Treasury. All notices to Treasury shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by Treasury to the Company.

7.8 Assignment. Neither this Agreement nor any right, remedy, obligation nor liability arising hereunder or by reason hereof shall be assignable by any party hereto without the prior written consent of the other party, and any attempt to assign any right, remedy, obligation or liability hereunder without such consent shall be void, except (a) an assignment, in the case of a merger, consolidation, statutory share exchange or similar transaction that requires the approval of the Company's stockholders (a "*Business Combination*") where such party is not the surviving entity, or a sale of substantially all of its assets, to the entity which is the survivor of such Business Combination or the purchaser in such sale, (b) an assignment of certain rights as provided in Sections 3.1(c) or Annex E or (c) an assignment by Treasury of this Agreement to an Affiliate of Treasury; *provided* that if Treasury assigns this Agreement to an Affiliate, Treasury shall be relieved of its obligations under this Agreement but (i) all rights, remedies and obligations of Treasury hereunder shall continue and be enforceable by such Affiliate, (ii) the Company's obligations and liabilities hereunder shall continue to be outstanding and (iii) all references to Treasury herein shall be deemed to be references to such Affiliate.

7.9 Severability. If any provision of this Agreement, or the application thereof to any person or circumstance, is determined by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions hereof, or the application of such provision to persons or circumstances other than those as to which it has been held invalid or unenforceable, will remain in full force and effect and shall in no way be affected, impaired or invalidated thereby, so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

7.10 No Third Party Beneficiaries. Other than as expressly provided herein, nothing contained in this Agreement, expressed or implied, is intended to confer upon any person or entity other than the Company and Treasury (and any Indemnitee) any benefit, right or remedies.

7.11 Specific Performance. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms. It is accordingly agreed that the parties shall be entitled (without the necessity of posting a bond) to specific performance of the terms hereof, this being in addition to any other remedies to which they are entitled at law or equity.

7.12 Interpretation. When a reference is made in this Agreement to "Articles" or "Sections" such reference shall be to an Article or Section of the Annex of this Agreement in which such reference is contained, unless otherwise indicated. When a reference is made in this

Agreement to an “Annex”, such reference shall be to an Annex to this Agreement, unless otherwise indicated. The terms defined in the singular have a comparable meaning when used in the plural, and vice versa. References to “herein”, “hereof”, “hereunder” and the like refer to this Agreement as a whole and not to any particular section or provision, unless the context requires otherwise. The table of contents and headings contained in this Agreement are for reference purposes only and are not part of this Agreement. Whenever the words “include”, “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation”. No rule of construction against the draftsman shall be applied in connection with the interpretation or enforcement of this Agreement, as this Agreement is entered into between sophisticated parties advised by counsel. All references to “\$” or “dollars” mean the lawful currency of the United States of America. Except as expressly stated in this Agreement, all references to any statute, rule or regulation are to the statute, rule or regulation as amended, modified, supplemented or replaced from time to time (and, in the case of statutes, include any rules and regulations promulgated under the statute) and to any section of any statute, rule or regulation include any successor to the section. References to a “*business day*” shall mean any day except Saturday, Sunday and any day on which banking institutions in the State of New York or the District of Columbia generally are authorized or required by law or other governmental actions to close.

**REGISTRATION RIGHTS**

---

1. Definitions. Terms not defined in this Annex shall have the meaning ascribed to such terms in the Agreement. As used in this Annex E, the following terms shall have the following respective meanings:

(a) “*Holder*” means Treasury and any other holder of Registrable Securities to whom the registration rights conferred by this Agreement have been transferred in compliance with Section 9 of this Annex E.

(b) “*Holders’ Counsel*” means one counsel for the selling Holders chosen by Holders holding a majority interest in the Registrable Securities being registered.

(c) “*Pending Underwritten Offering*” means, with respect to any Holder forfeiting its rights pursuant to Section 11 of this Annex E, any underwritten offering of Registrable Securities in which such Holder has advised the Company of its intent to register its Registrable Securities either pursuant to Section 2(b) or 2(d) of this Annex E prior to the date of such Holder’s forfeiture.

(d) “*Register*”, “*registered*”, and “*registration*” shall refer to a registration effected by preparing and (A) filing a registration statement or amendment thereto in compliance with the Securities Act and applicable rules and regulations thereunder, and the declaration or ordering of effectiveness of such registration statement or amendment thereto or (B) filing a prospectus and/or prospectus supplement in respect of an appropriate effective registration statement on Form S-3.

(e) “*Registrable Securities*” means (A) all Senior Securities and (B) any securities issued or issuable directly or indirectly with respect to the securities referred to in the foregoing clause (A) by way of conversion, exercise or exchange thereof, or share dividend or share split or in connection with a combination of shares, recapitalization, reclassification, merger, amalgamation, arrangement, consolidation or other reorganization, *provided* that, once issued, such securities will not be Registrable Securities when (1) they are sold pursuant to an effective registration statement under the Securities Act, (2) they shall have ceased to be outstanding or (3) they have been sold in any transaction in which the transferor’s rights under this Agreement are not assigned to the transferee of the securities. No Registrable Securities may be registered under more than one registration statement at any one time.

(f) “*Registration Expenses*” mean all expenses incurred by the Company in effecting any registration pursuant to this Agreement (whether or not any registration or prospectus becomes effective or final) or otherwise complying with its obligations under this Annex E, including all registration, filing and listing fees, printing expenses, fees and disbursements of counsel for the Company, blue sky fees and expenses, expenses incurred in connection with any “road show”, the reasonable fees and disbursements of Holders’ Counsel, and expenses of the Company’s independent accountants in connection with any regular or

special reviews or audits incident to or required by any such registration, but shall not include Selling Expenses.

(g) “*Rule 144*”, “*Rule 144A*”, “*Rule 159A*”, “*Rule 405*” and “*Rule 415*” mean, in each case, such rule promulgated under the Securities Act (or any successor provision), as the same shall be amended from time to time.

(h) “*Selling Expenses*” mean all discounts, selling commissions and stock transfer taxes applicable to the sale of Registrable Securities and fees and disbursements of counsel for any Holder (other than the fees and disbursements of Holders’ Counsel included in Registration Expenses).

(i) “*Special Registration*” means the registration of (A) equity securities and/or options or other rights in respect thereof solely registered on Form S-4 or Form S-8 (or successor form) or (B) shares of equity securities and/or options or other rights in respect thereof to be offered to directors, members of management, employees, consultants, customers, lenders or vendors of the Company or Company Subsidiaries or in connection with dividend reinvestment plans.

## 2. Registration.

(a) The Company covenants and agrees that as promptly as practicable after the date that the Company becomes subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act (and in any event no later than 30 days thereafter), the Company shall prepare and file with the SEC a Shelf Registration Statement covering all Registrable Securities (or otherwise designate an existing shelf registration on an appropriate form under Rule 415 under the Securities Act (a “*Shelf Registration Statement*”) filed with the SEC to cover the Registrable Securities), and, to the extent the Shelf Registration Statement has not theretofore been declared effective or is not automatically effective upon such filing, the Company shall use reasonable best efforts to cause such Shelf Registration Statement to be declared or become effective and to keep such Shelf Registration Statement continuously effective and in compliance with the Securities Act and usable for resale of such Registrable Securities for a period from the date of its initial effectiveness until such time as there are no Registrable Securities remaining (including by refiling such Shelf Registration Statement (or a new Shelf Registration Statement) if the initial Shelf Registration Statement expires). Notwithstanding the foregoing, if the Company is not eligible to file a registration statement on Form S-3, then the Company shall not be obligated to file a Shelf Registration Statement unless and until requested to do so in writing by Treasury.

(b) Any registration pursuant to Section 2(a) of this Annex E shall be effected by means of a Shelf Registration Statement on an appropriate form under Rule 415 under the Securities Act (a “*Shelf Registration Statement*”). If any Holder intends to distribute any Registrable Securities by means of an underwritten offering it shall promptly so advise the Company and the Company shall take all reasonable steps to facilitate such distribution, including the actions required pursuant to Section 2(d) of this Annex E; *provided* that the Company shall not be required to facilitate an underwritten offering of Registrable Securities unless (i) the expected gross proceeds from such offering exceed \$200,000 or (ii) such underwritten offering includes all of the outstanding Registrable Securities held by such Holder.

The lead underwriters in any such distribution shall be selected by the Holders of a majority of the Registrable Securities to be distributed.

(c) The Company shall not be required to effect a registration (including a resale of Registrable Securities from an effective Shelf Registration Statement) or an underwritten offering pursuant to Section 2 of this Annex E: (A) with respect to securities that are not Registrable Securities; or (B) if the Company has notified all Holders that in the good faith judgment of the Board of Directors, it would be materially detrimental to the Company or its security holders for such registration or underwritten offering to be effected at such time, in which event the Company shall have the right to defer such registration for a period of not more than 45 days after receipt of the request of any Holder; *provided* that such right to delay a registration or underwritten offering shall be exercised by the Company (1) only if the Company has generally exercised (or is concurrently exercising) similar black-out rights against holders of similar securities that have registration rights and (2) not more than three times in any 12-month period and not more than 90 days in the aggregate in any 12-month period.

(d) If during any period when an effective Shelf Registration Statement is not available, the Company proposes to register any of its equity securities, other than a registration pursuant to Section 2(a) of this Annex E or a Special Registration, and the registration form to be filed may be used for the registration or qualification for distribution of Registrable Securities, the Company will give prompt written notice to all Holders of its intention to effect such a registration (but in no event less than ten days prior to the anticipated filing date) and will include in such registration all Registrable Securities with respect to which the Company has received written requests for inclusion therein within ten business days after the date of the Company's notice (a "*Piggyback Registration*"). Any such person that has made such a written request may withdraw its Registrable Securities from such Piggyback Registration by giving written notice to the Company and the managing underwriter, if any, on or before the fifth business day prior to the planned effective date of such Piggyback Registration. The Company may terminate or withdraw any registration under this Section 2(d) of this Annex E prior to the effectiveness of such registration, whether or not any Holders have elected to include Registrable Securities in such registration.

(e) If the registration referred to in Section 2(d) of this Annex E is proposed to be underwritten, the Company will so advise all Holders as a part of the written notice given pursuant to Section 2(d) of this Annex E. In such event, the right of all Holders to registration pursuant to Section 2 of this Annex E will be conditioned upon such persons' participation in such underwriting and the inclusion of such person's Registrable Securities in the underwriting if such securities are of the same class of securities as the securities to be offered in the underwritten offering, and each such person will (together with the Company and the other persons distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by the Company; *provided* that Treasury (as opposed to other Holders) shall not be required to indemnify any person in connection with any registration. If any participating person disapproves of the terms of the underwriting, such person may elect to withdraw therefrom by written notice to the Company, the managing underwriters and Treasury (if Treasury is participating in the underwriting).

(f) If either (x) the Company grants “piggyback” registration rights to one or more third parties to include their securities in an underwritten offering under the Shelf Registration Statement pursuant to Section 2(b) of this Annex E or (y) a Piggyback Registration under Section 2(d) of this Annex E relates to an underwritten offering on behalf of the Company, and in either case the managing underwriters advise the Company that in their reasonable opinion the number of securities requested to be included in such offering exceeds the number which can be sold without adversely affecting the marketability of such offering (including an adverse effect on the per share offering price), the Company will include in such offering only such number of securities that in the reasonable opinion of such managing underwriters can be sold without adversely affecting the marketability of the offering (including an adverse effect on the per share offering price), which securities will be so included in the following order of priority: (A) first, in the case of a Piggyback Registration under Section 2(d) of this Annex E, the securities the Company proposes to sell, (B) then the Registrable Securities of all Holders who have requested inclusion of Registrable Securities pursuant to Section 2(b) or Section 2(d) of this Annex E, as applicable, *pro rata* on the basis of the aggregate number of such securities or shares owned by each such Holder and (C) lastly, any other securities of the Company that have been requested to be so included, subject to the terms of this Agreement; *provided, however*, that if the Company has, prior to the Signing Date, entered into an agreement with respect to its securities that is inconsistent with the order of priority contemplated hereby then it shall apply the order of priority in such conflicting agreement to the extent that it would otherwise result in a breach under such agreement.

3. Expenses of Registration. All Registration Expenses incurred in connection with any registration, qualification or compliance hereunder shall be borne by the Company. All Selling Expenses incurred in connection with any registrations hereunder shall be borne by the holders of the securities so registered *pro rata* on the basis of the aggregate offering or sale price of the securities so registered.

4. Obligations of the Company. Whenever required to effect the registration of any Registrable Securities or facilitate the distribution of Registrable Securities pursuant to an effective Shelf Registration Statement, the Company shall, as expeditiously as reasonably practicable:

(a) Prepare and file with the SEC a prospectus supplement or post-effective amendment with respect to a proposed offering of Registrable Securities pursuant to an effective registration statement, subject to Section 4 of this Annex E, keep such registration statement effective and keep such prospectus supplement current until the securities described therein are no longer Registrable Securities.

(b) Prepare and file with the SEC such amendments and supplements to the applicable registration statement and the prospectus or prospectus supplement used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement.

(c) Furnish to the Holders and any underwriters such number of copies of the applicable registration statement and each such amendment and supplement thereto (including in

each case all exhibits) and of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned or to be distributed by them.

(d) Use its reasonable best efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by the Holders or any managing underwriter(s), to keep such registration or qualification in effect for so long as such registration statement remains in effect, and to take any other action which may be reasonably necessary to enable such seller to consummate the disposition in such jurisdictions of the securities owned by such Holder; *provided* that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions.

(e) Notify each Holder of Registrable Securities at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the applicable prospectus, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

(f) Give written notice to the Holders:

(i) when any registration statement or any amendment thereto has been filed with the SEC (except for any amendment effected by the filing of a document with the SEC pursuant to the Exchange Act) and when such registration statement or any post-effective amendment thereto has become effective;

(ii) of any request by the SEC for amendments or supplements to any registration statement or the prospectus included therein or for additional information;

(iii) of the issuance by the SEC of any stop order suspending the effectiveness of any registration statement or the initiation of any proceedings for that purpose;

(iv) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification of the applicable Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose;

(v) of the happening of any event that requires the Company to make changes in any effective registration statement or the prospectus related to the registration statement in order to make the statements therein not misleading (which notice shall be accompanied by an instruction to suspend the use of the prospectus until the requisite changes have been made); and

(vi) if at any time the representations and warranties of the Company contained in any underwriting agreement contemplated by Section 4(j) of this Annex E cease to be true and correct.

(g) Use its reasonable best efforts to prevent the issuance or obtain the withdrawal of any order suspending the effectiveness of any registration statement referred to in Section 4(f)(iii) of this Annex E at the earliest practicable time.

(h) Upon the occurrence of any event contemplated by Section 4(e) or 4(f)(v) of this Annex E, promptly prepare a post-effective amendment to such registration statement or a supplement to the related prospectus or file any other required document so that, as thereafter delivered to the Holders and any underwriters, the prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If the Company notifies the Holders in accordance with Section 4(f)(v) to suspend the use of the prospectus until the requisite changes to the prospectus have been made, then the Holders and any underwriters shall suspend use of such prospectus and use their reasonable best efforts to return to the Company all copies of such prospectus (at the Company's expense) other than permanent file copies then in such Holders' or underwriters' possession. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

(i) Use reasonable best efforts to procure the cooperation of the Company's transfer agent in settling any offering or sale of Registrable Securities, including with respect to the transfer of physical stock certificates into book-entry form in accordance with any procedures reasonably requested by the Holders or any managing underwriter(s).

(j) If an underwritten offering is requested pursuant to Section 2(b) of this Annex E, enter into an underwriting agreement in customary form, scope and substance and take all such other actions reasonably requested by the Holders of a majority of the Registrable Securities being sold in connection therewith or by the managing underwriter(s), if any, to expedite or facilitate the underwritten disposition of such Registrable Securities, and in connection therewith in any underwritten offering (including making members of management and executives of the Company available to participate in "road shows", similar sales events and other marketing activities), (A) make such representations and warranties to the Holders that are selling stockholders and the managing underwriter(s), if any, with respect to the business of the Company and its subsidiaries, and the Shelf Registration Statement, prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, in customary form, substance and scope, and, if true, confirm the same if and when requested, (B) use its reasonable best efforts to furnish the underwriters with opinions of counsel to the Company, addressed to the managing underwriter(s), if any, covering the matters customarily covered in such opinions requested in underwritten offerings, (C) use its reasonable best efforts to obtain "cold comfort" letters from the independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any business acquired by the Company for which financial statements and financial data are included in the Shelf Registration Statement) who have certified the financial statements included in such Shelf Registration Statement, addressed to each of the managing underwriter(s), if any, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters, (D) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures customary in underwritten offerings (*provided* that Treasury shall not be obligated to provide any indemnity), and (E) deliver such documents and certificates as may be reasonably requested by the Holders of a majority of the Registrable Securities being sold in

connection therewith, their counsel and the managing underwriter(s), if any, to evidence the continued validity of the representations and warranties made pursuant to clause (A) above and to evidence compliance with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company.

(k) Make available for inspection by a representative of Holders that are selling stockholders, the managing underwriter(s), if any, and any attorneys or accountants retained by such Holders or managing underwriter(s), at the offices where normally kept, during reasonable business hours, financial and other records, pertinent corporate documents and properties of the Company, and cause the officers, directors and employees of the Company to supply all information in each case reasonably requested (and of the type customarily provided in connection with due diligence conducted in connection with a registered public offering of securities) by any such representative, managing underwriter(s), attorney or accountant in connection with such Shelf Registration Statement.

(l) Use reasonable best efforts to cause all such Registrable Securities to be listed on each national securities exchange on which similar securities issued by the Company are then listed or, if no similar securities issued by the Company are then listed on any national securities exchange, use its reasonable best efforts to cause all such Registrable Securities to be listed on such securities exchange as Treasury may designate.

(m) If requested by Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith, or the managing underwriter(s), if any, promptly include in a prospectus supplement or amendment such information as the Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith or managing underwriter(s), if any, may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or such amendment as soon as practicable after the Company has received such request.

(n) Timely provide to its security holders earning statements satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

5. Suspension of Sales. Upon receipt of written notice from the Company that a registration statement, prospectus or prospectus supplement contains or may contain an untrue statement of a material fact or omits or may omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or that circumstances exist that make inadvisable use of such registration statement, prospectus or prospectus supplement, each Holder of Registrable Securities shall forthwith discontinue disposition of Registrable Securities until such Holder has received copies of a supplemented or amended prospectus or prospectus supplement, or until such Holder is advised in writing by the Company that the use of the prospectus and, if applicable, prospectus supplement may be resumed, and, if so directed by the Company, such Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Holder's possession, of the prospectus and, if applicable, prospectus supplement covering such Registrable Securities current at the time of receipt of such notice. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

6. Termination of Registration Rights. A Holder's registration rights as to any securities held by such Holder (and its Affiliates, partners, members and former members) shall not be available unless such securities are Registrable Securities.

7. Furnishing Information.

(a) No Holder shall use any free writing prospectus (as defined in Rule 405) in connection with the sale of Registrable Securities without the prior written consent of the Company.

(b) It shall be a condition precedent to the obligations of the Company to take any action pursuant to Section 4 of this Annex E that the selling Holders and the underwriters, if any, shall furnish to the Company such information regarding themselves, the Registrable Securities held by them and the intended method of disposition of such securities as shall be required to effect the registered offering of their Registrable Securities.

8. Indemnification.

(a) The Company agrees to indemnify each Holder and, if a Holder is a person other than an individual, such Holder's officers, directors, employees, agents, representatives and Affiliates, and in the case of Treasury, Treasury's officials, and each person, if any, that controls a Holder within the meaning of the Securities Act (each, an "*Indemnitee*"), against any and all losses, claims, damages, actions, liabilities, costs and expenses (including reasonable fees, expenses and disbursements of attorneys and other professionals incurred in connection with investigating, defending, settling, compromising or paying any such losses, claims, damages, actions, liabilities, costs and expenses), joint or several, arising out of or based upon any untrue statement or alleged untrue statement of material fact contained in any registration statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto or any documents incorporated therein by reference or contained in any free writing prospectus (as such term is defined in Rule 405) prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto); or any omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided*, that the Company shall not be liable to such Indemnitee in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon (A) an untrue statement or omission made in such registration statement, including any such preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto or contained in any free writing prospectus (as such term is defined in Rule 405) prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto), in reliance upon and in conformity with information regarding such Indemnitee or its plan of distribution or ownership interests which was furnished in writing to the Company by such Indemnitee for use in connection with such registration statement, including any such preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto, or (B) offers or sales effected by or on behalf of such Indemnitee "by means of" (as defined in Rule 159A) a "free writing prospectus" (as defined in Rule 405) that was not authorized in writing by the Company.

(b) If the indemnification provided for in Section 8(a) of this Annex E is unavailable to an Indemnitee with respect to any losses, claims, damages, actions, liabilities, costs or expenses referred to therein or is insufficient to hold the Indemnitee harmless as contemplated therein, then the Company, in lieu of indemnifying such Indemnitee, shall contribute to the amount paid or payable by such Indemnitee as a result of such losses, claims, damages, actions, liabilities, costs or expenses in such proportion as is appropriate to reflect the relative fault of the Indemnitee, on the one hand, and the Company, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, actions, liabilities, costs or expenses as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the Indemnitee, on the other hand, shall be determined by reference to, among other factors, whether the untrue statement of a material fact or omission to state a material fact relates to information supplied by the Company or by the Indemnitee and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; the Company and each Holder agree that it would not be just and equitable if contribution pursuant to this Section 8(b) of this Annex E were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 8(a) of this Annex E. No Indemnitee guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from the Company if the Company was not guilty of such fraudulent misrepresentation.

9. Assignment of Registration Rights. The rights of Treasury to registration of Registrable Securities pursuant to Section 2 of this Annex E may be assigned by Treasury to a transferee or assignee of Registrable Securities; *provided, however*, the transferor shall, within ten days after such transfer, furnish to the Company written notice of the name and address of such transferee or assignee and the number and type of Registrable Securities that are being assigned.

10. Clear Market. With respect to any underwritten offering of Registrable Securities by Holders pursuant to this Annex E, the Company agrees not to effect (other than pursuant to such registration or pursuant to a Special Registration) any public sale or distribution, or to file any Shelf Registration Statement (other than such registration or a Special Registration) covering any senior securities of the Company or any securities convertible into or exchangeable or exercisable for senior securities of the Company, during the period not to exceed ten days prior and 60 days following the effective date of such offering or such longer period up to 90 days as may be requested by the managing underwriter for such underwritten offering. The Company also agrees to cause such of its directors and senior executive officers to execute and deliver customary lock-up agreements in such form and for such time period up to 90 days as may be requested by the managing underwriter.

11. Forfeiture of Rights. At any time, any holder of Registrable Securities (including any Holder) may elect to forfeit its rights set forth in this Annex E from that date forward; *provided*, that a Holder forfeiting such rights shall nonetheless be entitled to participate under Section 2(d) – (f) of this Annex E in any Pending Underwritten Offering to the same extent that such Holder would have been entitled to if the Holder had not withdrawn; and *provided, further*, that no such forfeiture shall terminate a Holder's rights or obligations under Section 7 of this Annex E with respect to any prior registration or Pending Underwritten Offering.

12. Specific Performance. The parties hereto acknowledge that there would be no adequate remedy at law if the Company fails to perform any of its obligations under this Annex E and that Holders from time to time may be irreparably harmed by any such failure, and accordingly agree that such Holders, in addition to any other remedy to which they may be entitled at law or in equity, to the fullest extent permitted and enforceable under applicable law shall be entitled to compel specific performance of the obligations of the Company under this Annex E in accordance with the terms and conditions of this Annex E.

13. No Inconsistent Agreements. The Company shall not, on or after the Signing Date, enter into any agreement with respect to its securities that may impair the rights granted to Holders under this Annex E or that otherwise conflicts with the provisions hereof in any manner that may impair the rights granted to Holders under this Annex E. In the event the Company has, prior to the Signing Date, entered into any agreement with respect to its securities that is inconsistent with the rights granted to Holders under this Annex E (including agreements that are inconsistent with the order of priority contemplated by Section 2(f) of Annex E) or that may otherwise conflict with the provisions hereof, the Company shall use its reasonable best efforts to amend such agreements to ensure they are consistent with the provisions of this Annex E.

14. Certain Offerings by Treasury. An “underwritten” offering or other disposition shall include any distribution of such securities on behalf of Treasury by one or more broker-dealers, an “underwriting agreement” shall include any purchase agreement entered into by such broker-dealers, and any “registration statement” or “prospectus” shall include any offering document approved by the Company and used in connection with such distribution.
