FINANCIAL STABILITY OVERSIGHT COUNCIL MEETING JUNE 24, 2016

WASHINGTON – The Financial Stability Oversight Council (Council) convened via telephone today to discuss the United Kingdom referendum on membership in the European Union. Council members provided updates regarding financial market developments. The Council noted that the U.S. financial system continues to function in an orderly manner, and that the Council will continue to monitor ongoing developments.

Additional information regarding the Council and its work is available at <http://www.fsoc.gov>.
