Delegation of SBA’s Contract Execution Authority to other Federal Government Agencies

Conducted by:
The Office of Business Development
Fiscal Year 2010

8(a) BD Program Objective

- The 8(a) BD program promotes the development of small business concerns owned and controlled by socially and economically disadvantaged individuals so that such concerns can compete in the mainstream of the American economy.
Overview

- The Small Business Act (the Act) (15 U.S.C. §§ 636 (j) and 637(a)) authorize the SBA to establish a business development program, known as the 8(a) Business Development Program. The specific sections of the Act are 7(j) and 8(a), hence the 8(a) Business Development Program (8(a) BD program).

SBA

Overview

- SBA is authorized to enter into a variety of types of contracts with other Federal agencies and to subcontract the performance of these contracts to 8(a) Program participants.

SBA
Overview

- The Partnership Agreement is the delegation of SBA’s contract execution authority to other federal agencies.
- The current Partnership Agreements are in effect until September 30, 2012.

History

- Without the Partnership Agreement, Federal agencies were required to involve SBA from start to finish in the 8(a) procurement process.
- The procuring activity would enter into a contract with SBA and SBA would then subcontract the performance to qualified 8(a) firms, using a Tripartite Agreement.
- This was time consuming and, at times, a burdensome process for both SBA and the procuring activity.
- Although the tripartite relationship continues to exist, SBA’s contract execution authority is delegated to Federal agencies through the Partnership Agreement.
Purpose

- The purpose of the Partnership Agreement is to streamline the contract execution process between SBA and the participating Agencies so that 8(a) firms are afforded every possible opportunity to participate in government contracting.

The Process—How it works

- The SBA and the partnering Federal agency share the responsibility of ensuring compliance with contracting functions as outlined in the Federal Acquisition Regulation (FAR), the agencies' internal regulations and Standard Operating Procedures (SOPs).

- Although SBA is not signing the executed contract between the 8(a) firm and the procuring activity, SBA and the Federal agencies are the prime contractor. SBA maintains responsibility for ensuring the integrity of the 8(a) BD Program.
Objectives

- The objective of the Partnership Agreement is to ensure that both SBA and the partner agency share the responsibilities of contract execution, oversight, monitoring and compliance with procurement laws and regulations governing 8(a) set-aside contracts.

Objectives (cont.)

- The Partnership Agreement reduces the time in which an agency’s contracting office sends an offering letter to SBA and the time that the agency receives SBA’s decision regarding the acquisition, to a maximum of five working days;

- SBA also delegates the authority (to the procuring agency) to sign contracts on its behalf;
Objectives (cont.)

- The Partnership Agreement also establishes uniform policies and procedures regarding the application of purchase orders utilizing 8(a) contracting procedures.

Scope

- The Partnership Agreement provides for the award of both contracts and purchase orders under the provisions of Section 8(a) of the Act as implemented by the FAR Subpart 19.8 and SBA’s 8(a) BD program regulations found at Title 13 of the Code of Federal Regulations (C.F.R.), Part 124.

- The Partnership Agreement encompasses all competitive and non-competitive acquisitions offered by a partner agency and accepted by SBA for the 8(a) BD program.
Scope (cont.)

- The delegation of authority to the partner agency permits re-delegation to all warranted contracting officers for that agency to enter into 8(a) prime contracts. (See The Act, Section 8(a)(1)(A)); and

- Permits the warranted contracting officers to arrange for the performance of those contracts by eligible 8(a) participants.

SBA

SBA’s Responsibilities

- SBA remains the prime contractor on all 8(a) contracts and the 8(a) Participant is the subcontractor.

- SBA shall review the Agency offering letters, issue acceptance or rejection letters, and make 8(a) eligibility determinations for award.

- SBA shall review all proposed joint venture agreements involving 8(a) Participants before contract award.

SBA
SBA's Responsibilities (cont.)

Sole Source Procurements:

Example:
Your agency sends an offering letter on May 7, 2009 (a Monday) to SBA via facsimile. If SBA does not respond then acceptance of the offer may be assumed on May 13, 2009, the sixth working day after the offering letter was provided and received by SBA.
