

TERRORISM RISK INSURANCE PROGRAM NOTICE OF PROPOSED SETTLEMENT OF THIRD-PARTY CLAIM REQUEST FOR APPROVAL

Pursuant to 31 CFR Part 50, Subpart K (Sections 50.102 and 50.103), settlements of certain causes of action for property damage, personal injury, or death arising out of – or related to – certified acts of terrorism require Treasury's advance approval as a condition precedent for inclusion in an insurer's aggregate insured losses in its request for Federal share of compensation under the Terrorism Risk Insurance Program (Program). You should refer to the Program Rules for the advance approval requirements, which are available online at https://home.treasury.gov/system/files/311/Regulations.pdf.

Use this form to submit a proposed settlement for review and processing. Please attach continuation sheets, as needed. After it has been determined that all required information is present, this form will be forwarded to Treasury for consideration. A separate completed form is required for each proposed settlement. If a field does not apply to the settlement, enter zero (0) in fields requesting financial figures, or N/A for other fields, to signify that the entry is not applicable.
